

# The Meaning Of Sex Christian Ethics And The Moral Life

**Love and Christian Ethics** - Frederick V. Simmons 2016

In "Love and Christian Ethics," nearly two dozen leading scholars analyze and assess the meaning of love from a wide range of perspectives.

Chapters are organized into three areas: influential sources and exponents of Western Christian thought about the ethical significance of love, perennial theoretical questions attending that consideration, and the implications of Christian love for important social realities.

These major experts in the field bring a richness of thought and experience to deliver unprecedentedly broad yet rigorous analysis of

this central tenet of Christian ethics and faith. "Love and Christian Ethics" is sure to become a benchmark resource in the field.

**The Christian Moral Life** - Timothy F. Sedgwick 2008-11

This book, a re-issue of the 1999 edition, demonstrates that the way of life we call Christian is lived in relationships to others. Christian faith, understood as practical piety, calls for a life opened to the world at large, concerned for the "stranger" as well as for the neighbor. Sedgwick further emphasizes that the Christian life is grounded in the experience and worship of God. His work thus develops

## The Meaning Of Sex Christian Ethics And The Moral Life

---

Christian ethics as "sacramental ethics," an ethic that has at its center a deepening encounter with God. Written in a style accessible to non-specialists, this book provides teachers, pastors, counselors, and general readers with an ideal introduction to Christian ethics. It renews the topic of Christian ethics by showing readers that faithful moral living is achieved through the daily practices of grace and godliness. The author first explores the foundations of Christian ethics as seen by both Catholics and Protestants, and then develops a constructive view of morality as a way of life. Taking into account the central themes of Christian ethics, he shows that effective piety is built on spiritual disciplines that deepen our experience of God: prayer, worship, self examination, simplicity, and acts of hospitality.

*Sex and Virtue* - John S. Grabowski 2012-08-07  
"Grabowski offers a compelling rationale for the virtue of chastity that takes into account the sensibilities and challenges of the contemporary

world" (Raymond Dennehy, Professor Emeritus, University of San Francisco). "A welcome addition to an often contentious literature," *Sex and Virtue* provides a theological foundation for consideration of the moral dimensions of human sexuality from a Roman Catholic perspective (Catholic Books Review). In the hope of contributing to the ongoing renewal of moral theology sparked by the Second Vatican Council, John S. Grabowski discusses the systemic application of biblical and virtue-based categories on the topic of sexuality. A number of issues are examined including: the historical setting regarding attitudes and practices concerning sexuality; key biblical, historical, and contemporary resources for articulating a virtue-based approach to sexual ethics; current issues with which such an approach must wrestle; and some description of how to foster growth in moral virtue, particularly chastity. Ultimately, *Sex and Virtue* offers a compelling vision of human sexuality in the light of Christian faith

that can provide a viable alternative to dominant cultural ideologies that trivialize sex and concrete practices that can enable growth in moral freedom. "Sex and Virtue is a splendid result of Grabowski's response to the call of Vatican II to find scriptural support for Catholic moral teaching. The ecumenical potential of this book is tremendous; Christians can only marvel at the resources in scripture for establishing sexual morality—a morality that puts sexuality in service of love, life, and salvation." —Janet E. Smith, former professor of moral theology, Sacred Heart Major Seminary of Detroit  
God, Marriage, and Family - Andreas J. Köstenberger 2010

This updated edition of Köstenberger and Jones's landmark work tackles the latest debates and cultural challenges to God's plan for marriage and the family and urges a return to a biblical foundation.

The Meaning of Sex - Dennis P. Hollinger  
2009-06-01

Our culture is not only sex-crazed but also deeply confused about sex and sexual ethics. Unfortunately, Christians seem equally confused, and the church has tended to respond with simplistic answers. The reason for this confusion is that the meaning of sex has been largely lost. Dennis Hollinger argues that there is indeed a God-given meaning to sex. This meaning, found in the Christian worldview, provides a framework for a biblical sexual ethic that adequately addresses the many contemporary moral issues. The Meaning of Sex provides a good balance between accessible theology and engaging discussion of the practical issues Christians are facing, including premarital sex, sex within marriage, homosexuality, reproductive technologies, and faithful living in a sex-obsessed world.

Sex Difference in Christian Theology - Megan K. DeFranza 2015-05-16

How different are men and women? When does it matter to us -- or to God? Are male and female

the only two options? In *Sex Difference in Christian Theology* Megan DeFranza explores such questions in light of the Bible, theology, and science. Many Christians, entrenched in culture wars over sexual ethics, are either ignorant of the existence of intersex persons or avoid the inherent challenge they bring to the assumption that everybody is born after the pattern of either Adam or Eve. DeFranza argues, from a conservative theological standpoint, that all people are made in the image of God -- male, female, and intersex -- and that we must listen to and learn from the voices of the intersexed among us.

*Just Love* - Margaret A. Farley 2006-01-01  
Examines the sexual beliefs and practices of different religions, cultures, genders, and relationships to propose a modern-day framework on the topic that is more focused on love rather than sex.

**Themelios, Volume 35, Issue 1** - D. A. Carson  
2015-01-27

Themelios is an international, evangelical, peer-reviewed theological journal that expounds and defends the historic Christian faith. Themelios is published three times a year online at The Gospel Coalition

(<http://thegospelcoalition.org/themelios/>) and in print by Wipf and Stock. Its primary audience is theological students and pastors, though scholars read it as well. Themelios began in 1975 and was operated by RTSF/UCCF in the UK, and it became a digital journal operated by The Gospel Coalition in 2008. The editorial team draws participants from across the globe as editors, essayists, and reviewers. General Editor: D. A. Carson, Trinity Evangelical Divinity School  
Managing Editor: Brian Tabb, Bethlehem College and Seminary  
Consulting Editor: Michael J. Ovey, Oak Hill Theological College  
Administrator: Andrew David Naselli, Bethlehem College and Seminary  
Book Review Editors: Jerry Hwang, Singapore Bible College; Alan Thompson, Sydney Missionary & Bible College;

*Invitation to Christian Ethics* - Ken Magnuson  
2020-09-29

A comprehensive introduction to Christian ethics addressing today's most challenging moral issues *Invitation to Christian Ethics* is an indispensable guide for helping pastors,

counselors, and everyday Christians navigate today's difficult moral questions. Readers will benefit from Ken Magnuson's survey of ethics from a biblical perspective as well as contemporary theories of moral reasoning. This survey is followed by twelve chapters devoted to some of the thorniest issues Christians encounter today, such as: Sexuality, including homosexuality, sexual identity, and gender Marriage and divorce Infertility and assisted reproductive technologies Abortion Physician-assisted suicide Race relations Creation care Capital punishment Just war, pacifism, and the use of lethal force Magnuson provides biblical insight into each topic and presents key moral considerations. He also answers specific, practical questions that arise and concludes with a summary of his recommended approach to each issue. Readers will learn how to grapple with difficult moral questions and will receive guidance for some of life's most challenging ethical conundrums. "Ethics will continue to be a

line in the sand that separates Christians. In this volume, Magnuson gives us a biblically-based, logically-sound, historically-rooted, and future-aware guide that the church so desperately needs in the face of sexual revolution, moral relativism, and advancing technology." --Brian Arnold, President of Phoenix Seminary

The Meaning of Sex - Dennis P. Hollinger  
2009-06

An ethicist provides an engaging exploration of the meaning of sex and articulates a Christian ethic for addressing a host of sexual issues facing readers today.

**Sex, Gender, and Christian Ethics** - Lisa Sowle Cahill 1996-08-28

This book endorses feminist critiques of gender, yet upholds the insight of traditional Christianity that sex, commitment and parenthood are fulfilling human relations. Their unity is a positive ideal, though not an absolute norm. Women and men should enjoy equal personal respect and social power. In reply to feminist

critics of oppressive gender and sex norms and to communitarian proponents of Christian morality, Cahill argues that effective intercultural criticism of injustice requires a modest defence of moral objectivity. She thus adopts a critical realism as its moral foundation, drawing on Aristotle and Aquinas. Moral judgment should be based on reasonable, practical, prudent and cross-culturally nuanced reflection on human experience. This is combined with a New Testament model of community, centred on solidarity, compassion and inclusion of the economically or socially marginalised.

**Sex and the IWorld** - Dale S. Kuehne 2009-07  
A political scientist and pastor offers a positive, holistic vision that helps readers engage the cultural debate on sex and marriage in personal ethics and public policy.

**Choosing the Good** - Dennis P. Hollinger  
2002-09

An intelligent discussion of the foundations and

## **The Meaning Of Sex Christian Ethics And The Moral Life**

methods in ethics and ways to apply a Christian worldview to our secular culture.

[Honoring God with Body and Mind](#) - Steven D. Hoogerwerf 2019-11-13

Have you ever wondered how it would look to live out a Christian sexual ethic amid the varied and confusing sexual messages that are part of modern culture? Does the Christian tradition provide us with a way to think about and act on our natural, God-given sexual desires? *Honoring God with Body and Mind* invites readers to consider these questions--and some ways of answering them--by guiding them into a conversational style of moral reflection. Unlike many books about Christians and sex, this one doesn't simply tell you what to do (or not to do). Instead, you will be led to think about how the meaning of sex can provide sexual boundaries, but also how the relational dimension of sex and the virtue of sexual integrity can provide a context for sexual decision-making. Informed by many years of conversations with college

students, the author also invites you to think about practical questions such as these: Can men and women be friends without the complications of sexual attraction? If I haven't always included Christian values in my sexual practices and carry some painful memories and regrets, is there any hope of healing? What is lust? Is masturbation sinful? Can virginity be reclaimed?

*Fundamental Christian Ethics* - Daniel Heimbach 2022-11-01

In *Fundamental Christian Ethics*, Daniel R. Heimbach offers clarity and hope for ethically navigating a pluralistic culture. Heimbach engages with diverse ethical issues such as abortion, sexuality, religious liberty, and racism from biblical, theological, historical, and philosophical angles. He delivers a comprehensive textbook for scholars, teachers, pastors, and laypersons to understand God's ethical reality and to cultivate virtuous character in the people of God.

**Creation and Christian Ethics** - Dennis P. Hollinger 2023-11-07

Creation is a foundational pillar of the biblical storyline, yet it plays little role in contemporary evangelical ethics. Seeking to correct this oversight, Dennis Hollinger employs the creation story and creation themes throughout Scripture as a foundation for Christian ethics. After demonstrating why creation is theologically significant and important for Christian ethics, Hollinger develops major creation paradigms that provide ethical guidance on a wide range of issues, including money, sex, power, racism, creation care, social institutions, and artificial intelligence, among many others. *Creation and Christian Ethics* shows throughout that the triune God creates from love, and in that creation are moral designs for humanity's journey in God's world. Professors and students of Christian ethics will find this a valuable resource for the classroom, while pastors and church leaders will benefit from personal and

small-group study.

*In Pursuit of Love* - Vincent J. Genovesi 1996

While retaining the basic structure of the original book, this new edition has been thoroughly updated in light of some official Catholic documents and other theological writings dealing with sexual morality that have appeared since 1986. The Catechism of the Catholic Church, Pope John Paul II's encyclicals *Veritatis splendor* and *Evangelium vitae*, and the 1986 and 1992 statements of the Congregation for the Doctrine of the Faith on pastoral care of homosexuals and the issue of discrimination against them are among the more recent magisterial publications considered in this text. This edition also contains several new sections: the misuses of sex (adultery, pornography, prostitution, sexual violence); four rationales for viewing a committed love relationship as the only appropriate context for sexual intercourse; marriage as a sacrament and marital sexuality and love as embodiments of commitment,

## **The Meaning Of Sex Christian Ethics And The Moral Life**

---

intimacy, and passion; and public policy and the civil rights of homosexuals. This edition also includes an expanded discussion of topics such as sexism, sexually transmitted diseases especially HIV/AIDS and the moral questions raised by new family-planning methods (Norplant, Depo-Provera), RU-486, postcoital hormonal interventions against pregnancy, the start of human life, and abortion. Vincent J. Genovesi, SJ, received his PhD in Christian ethics from Emory University. He is a professor at St. Joseph's University in Philadelphia. His articles have appeared in such journals as *The Thomist*, *The Way*, *America*, and *Review for Religious*.

**Sex and Gender** - Mary Jo Iozzio 2017-11-09  
Sex and Gender: Christian Ethical Reflections contains some of the subject's most important analyses in recent decades. The collection covers a wide range of topics: same-sex marriage, sexual minorities and biblical interpretation, sex and power, sexual harassment and sexual abuse,

HIV/AIDS and prevention strategy, the military and masculinities, mobile porn and sexting, human trafficking, moral discernment, and more. Contributors represent various theological traditions and draw on scriptural texts as well as such disciplines as philosophy, sociology, psychology, and the life sciences. Each essay is followed by a set of discussion questions—for the classroom or for students to use as an assignment outline—and suggestions for further reading and research. Teachers and students of Christian ethics will appreciate this multidisciplinary approach to one of the most divisive and controversial issues in contemporary culture.

**Sexual Virtue** - Richard W. McCarty 2015-01-08  
Uses virtue ethics to offer a sexual ethics inclusive of LGBT and straight people, one that challenges the longstanding procreative patriarchal norm. Richard W. McCarty offers a compassionate and inclusive conception of sexual virtue, one that liberates Christians from

## The Meaning Of Sex Christian Ethics And The Moral Life

---

traditional patriarchal requirements for heterosexuality, marriage, and procreation. Daring to depart from ongoing debates about what Aristotle or Aquinas had to say, this book sets a new course centered on virtue ethics. It employs new insights from the sciences, biblical scholarship, analyses of church traditions, and revisionist natural law thinking. Eschewing simple deconstruction of traditional Christian norms for sexual morality, McCarty offers constructive ideas about what might count as real human goods for people in a wide variety of sexual relationships. Recreation, relational intimacy, and selective acts of procreation are three ends of sexual virtue that promote human happiness and can be appreciated in a broad Christian framework. While primarily referencing the Roman Catholic intellectual tradition, McCarty's work is also vital and accessible to those from Protestant backgrounds. Addressed to LGBT and straight readers, *Sexual Virtue* provides a compassionate

sexual ethics for our time.

*One Body* - Alexander R. Pruss 2012-05-15

This important philosophical reflection on love and sexuality from a broadly Christian perspective is aimed at philosophers, theologians, and educated Christian readers. Alexander R. Pruss focuses on foundational questions on the nature of romantic love and on controversial questions in sexual ethics on the basis of the fundamental idea that romantic love pursues union of two persons as one body. *One Body* begins with an account, inspired by St. Thomas Aquinas, of the general nature of love as constituted by components of goodwill, appreciation, and unitiveness. Different forms of love, such as parental, collegial, filial, friendly, fraternal, or romantic, Pruss argues, differ primarily not in terms of goodwill or appreciation but in terms of the kind of union that is sought. Pruss examines romantic love as distinguished from other kinds of love by a focus on a particular kind of union, a deep union as

## **The Meaning Of Sex Christian Ethics And The Moral Life**

---

one body achieved through the joint biological striving of the sort involved in reproduction. Taking the account of the union that romantic love seeks as a foundation, the book considers the nature of marriage and applies its account to controversial ethical questions, such as the connection between love, sex, and commitment

and the moral issues involving contraception, same-sex activity, and reproductive technology. With philosophical rigor and sophistication, Pruss provides carefully argued answers to controversial questions in Christian sexual ethics.
