

The Three Marriages Reimagining Work Self And Relationship

Everything Is Waiting for You - David Whyte 2003

Whyte and O'Donohue explore memory, change, loss, and our place in life.

Consolations - David Whyte 2019-11-07

In *Consolations* David Whyte unpacks aspects of being human that many of us spend our lives trying vainly to avoid - loss, heartbreak, vulnerability, fear - boldly reinterpreting them, fully embracing their complexity, never shying away from paradox in his relentless search for meaning. Beginning with 'Alone' and closing with 'Withdrawal', each piece in this life-affirming book is a meditation on meaning and context, an invitation to shift and broaden our perspectives on life: pain and joy, honesty and anger, confession and vulnerability, the experience of feeling overwhelmed and the desire to run away from it all. Through this lens, procrastination may be a necessary ripening; hiding an act of freedom; and shyness something that accompanies the first stage of revelation. *Consolations* invites readers into a poetic and thoughtful consideration of words whose meaning and interpretation influence the paths we choose and the way we traverse them throughout our lives.

The Three Marriages - David Whyte 2009-01-22

A radical, "crystalline" (Elle) approach to integrating our work, relationships, and inner selves from the bestselling author, poet, and speaker. The author of *Crossing the Unknown Sea* and *The Heart Aroused* encourages readers to reimagine how they inhabit the worlds of love, work, and self-understanding. Whyte suggests that separating these "marriages" in order to balance them is to destroy the fabric of happiness itself. Drawing from his own struggles and the lives of some of the world's great writers and artists—from Dante to Jane Austen to Robert Louis Stevenson—Whyte explores the ways these core commitments are connected. Only by understanding the journey involved in each of the three marriages and the stages of their maturation, he says, can we understand how to bring them together in one fulfilled life.

Crossing the Unknown Sea - David Whyte 2002-04-02

Crossing the Unknown Sea is about reuniting the imagination with our day to day lives. It shows how poetry and practicality, far from being mutually exclusive, reinforce each other to give every aspect of our lives meaning and direction. For anyone who wants to deepen their connection to their life's work—or find out what their life's work is—this book can help navigate the way. Whyte encourages readers to take risks at work that will enhance their personal growth, and shows how burnout can actually be beneficial and used to renew professional interest. He asserts that too many people blindly trudge through a mediocre work life because so many "busy" tasks prevent significant reflection and analysis of job satisfaction. People often turn to spiritual practice or religion to nurture their souls, but overlook how work can actually be our greatest opportunity for discovery and growth. *Crossing the Unknown Sea* combines poetry, gifted storytelling and Whyte's personal experience to reveal work's potential to fulfill us and bring us closer to ultimate freedom and happiness.

The Unspeakable Art of Bill Viola - Ronald R. Bernier 2014-05-19

The breach of art from religion is just one of the many unhappy legacies of modernism. There was a time, however, when the aesthetic and the spiritual were of a piece. This study of the work of American video artist Bill Viola considers the possible reemergence of a theological dimension to contemporary art—a reenchantment of art, as some have called it. Using the high-tech apparatus of modern video, Viola's art is rooted precisely in this theological tradition of transcendent mystical experience and spiritual self-concentration. The technological apotheosis of modern image-making—high speed film, high-definition video, LCD and plasma screens, and sophisticated sound recording—are put to use by Viola in ways that significantly challenge prevailing intellectual and artistic traditions and return us to the power of the Sublime—that which, by definition, defeats language. Viola's art as such converges with postmodern notions of the "unrepresentable" and with the ancient theological tradition of apophysis, "speaking away" or

"unsaying." The fullness of "meaning," then, appears only as a promise of presence through embodied absence, neither fully here and now nor entirely elsewhere and beyond. This study seeks to define, through the work of a courageous and thoughtful contemporary artist, the theological sublime as an aesthetic of revelation.

Reimagining our futures together - International Commission on the Futures of Education 2021-11-06

The interwoven futures of humanity and our planet are under threat. Urgent action, taken together, is needed to change course and reimagine our futures.

Growing Up at Work - Yael C. Sivi 2021-05-25

Do your best "inner work" while you work. The workplace—whether in-person or remote—is a unique laboratory where personal and interpersonal growth are tightly intertwined. What better place is there to explore who you are and who you want to be? For nearly two decades, therapists and executive coaches Yael Sivi and Yosh Beier have advised hundreds of employees, managers, and leaders on how to achieve authentic leadership, emotional intelligence, and conscious collaboration. They now know that work provides us with a unique opportunity to learn about ourselves, to better understand our core beliefs and assumptions, and to truly see the effect we can have on others. Work gives us the chance to grow up. *Growing Up at Work* explores how you can • transform into an emotionally mature leader and create healthy employees, teams, and organizations—and by extension, enhance your influence; • achieve authentic, positive, lasting leadership growth through self-awareness and openness to deep personal growth; • realize extraordinary results if you choose to grow from the inside out. By presenting inspiring real-life case studies, Sivi and Beier examine how resolving professional dilemmas and leadership challenges can lead you on a dynamic journey of personal growth and evolution.

The Three Marriages - David Whyte 2010-01

Draws on the lives of some of the world's forefront writers and activists to evaluate the intimate nature of human relationships with their significant others, their work, and their inner selves, explaining the importance of balancing one's commitments to each.

The House of Belonging - David Whyte 1997

This is David Whyte's fourth book of poetry

Iron Widow - Xiran Jay Zhao 2021-10-07

Instant New York Times No.1 Bestseller Science fiction and East Asian myth combine in this dazzling retelling of the rise of Wu Zetian, the only female emperor in Chinese history. 'This is the historical-inspired, futuristic sci-fi mash-up of my wildest dreams.' Chloe Gong 'Raging against the patriarchy in spectacular style.' Observer, best books of the year 'Think *The Handmaid's Tale* meets *Pacific Rim* and buckle up.' Shelley Parker-Chan 'Like its ferocious heroine, *Iron Widow* is brutal, bloodthirsty and full of rage.' Julie C. Dao I have no faith in love. Love cannot save me. I choose vengeance. The boys of Huaxia dream of pairing up with girls to pilot Chrysalises - giant transforming robots that battle aliens beyond the Great Wall. It doesn't matter that their female co-pilots are expected to serve as concubines and often die from the mental strain. When 18-year-old Zetian offers herself up as a concubine-pilot, her plan is to assassinate the ace male pilot responsible for her sister's death. But after miraculously surviving her first battle, Zetian sets her sights on a mightier goal. The time has come to stop more girls from being sacrificed.

Living the Simply Luxurious Life - Shannon Ables 2018-10-07

What can you uniquely give the world? We often sell ourselves short with self-limiting beliefs, but most of us would be amazed and delighted to know that we do have something special - our distinctive passions and talents - to offer. And what if I told you that what you have to give will also enable you to live a life of true contentment? How is that possible? It happens when you embrace and curate your own simply luxurious

life. We tend to not realize the capacity of our full potential and settle for what society has deemed acceptable. However, each of us has a unique journey to travel if only we would find the courage, paired with key skills we can develop, to step forward. This book will help you along the deeper journey to discovering your best self as you begin to trust your intuition and listen to your curiosity. You will learn how to:

- Recognize your innate strengths
- Acquire the skills needed to nurture your best self
- Identify and navigate past societal limitations often placed upon women
- Strengthen your brand both personally and professionally
- Build a supportive and healthy community
- Cultivate effortless style
- Enhance your everyday meals with seasonal fare
- Live with less, so that you can live more fully
- Understand how to make a successful fresh start
- Establish and mastermind your financial security
- Experience great pleasure and joy in relationships
- Always strive for quality over quantity in every arena of your life

Living simply luxuriously is a choice: to think critically, to live courageously, and to savor the everydays as much as the grand occasions. As you learn to live well in your everydays, you will elevate your experience and recognize what is working for you and what is not. With this knowledge, you let go of the unnecessary, thus simplifying your life and removing the complexity. Choices become easier, life has more flavor, and you begin to feel deeply satisfying true contentment. The cultivation of a unique simply luxurious life is an extraordinary daily journey that each of us can master, leading us to our fullest potential.

The Power of Starting Something Stupid - Natalie Norton 2019

What if the smartest people in the world understand something that the rest of us don't? (They do.) What if they know that in order to achieve success, they will sometimes have to do things that others may initially perceive as stupid? The fact of the matter is that the smartest people in the world don't run from stupid, they lean into it (in a smart way). In *The Power of Starting Something Stupid*, Richie Norton redefines stupid as we know it, demonstrating that life-changing ideas are often tragically mislabeled stupid. What if the key to success, creativity, and fulfillment in your life lies in the potential of those stupid ideas? This deeply inspiring book will teach you: *•* How to crush fear, make dreams happen, and live without regret. *•* How to overcome obstacles such as lack of time, lack of education, or lack of money. *•* The 5 actions of the New Smart to achieve authentic success. No more excuses. Learn how to start something stupid—the smartest thing you can do. Drawing on years of research, including hundreds of face-to-face interviews and some of the world's greatest success stories past and present, Richie shows you how stupid is the New Smart—the common denominator for success, creativity, and innovation in business and life.

Women at Work - Anne Dickson 2000

Anne Dickson demonstrates that it is still far from easy for a woman to assert herself at work. Containing role-play exercises, *Women at Work* is designed to help women deal with the unique situations in which they find themselves in the workplace.

The Three Marriages - David Whyte 2010-01-05

A radical, "crystalline" (Elle) approach to integrating our work, relationships, and inner selves from the bestselling author, poet, and speaker. The author of *Crossing the Unknown Sea* and *The Heart Aroused* encourages readers to reimagine how they inhabit the worlds of love, work, and self-understanding. Whyte suggests that separating these "marriages" in order to balance them is to destroy the fabric of happiness itself. Drawing from his own struggles and the lives of some of the world's great writers and artists—from Dante to Jane Austen to Robert Louis Stevenson—Whyte explores the ways these core commitments are connected. Only by understanding the journey involved in each of the three marriages and the stages of their maturation, he says, can we understand how to bring them together in one fulfilled life.

River Flow: New and Selected Poems (Revised (Revised)) - David Whyte 2012-10

This newly revised edition contains the most up to date versions of poems from David's first five volumes of poetry: *Songs for Coming Home*, *Where Many Rivers Meet*, *Fire in the Earth*, *The House of Belonging* and *Everything is Waiting for You*, as well as the latest versions of the new poems that originally appeared in the first edition of *River Flow*.

The Heart Aroused - David Whyte 2007-12-18

"With this insightful book, David Whyte offers people in corporate life an opportunity to reach into the forgotten and ignored creative life (their own and the corporation's) and literally water their souls with it. The result is a very well written book that can truly heal."—Clarissa Pinkola Estés, PH.D., author of *Women*

Who Run With the Wolves and *The Gift of Story* Find professional and personal fulfillment through the poetry of both classic and modern masters—now revised and updated Has your work lost its meaning? Have you forgotten the goals you hoped to achieve when you began your career? Are you afraid of pursuing your dreams? In *The Heart Aroused*, David Whyte brings his unique perspective as poet and consultant to the workplace, showing readers how fulfilling work can be when they face their fears and follow their dreams. Going beneath the surface concerns about products and profits, organization and order, Whyte addresses the needs of the heart and soul, and the fears and desires that many workers keep hidden. At a time when corporations are calling on employees for more creativity, dedication, and adaptability, and workers are trying desperately to balance home and work, this revised edition of *The Heart Aroused* is the essential guide to reinvigorating the soul.

David Whyte Essentials - David Whyte 2019-12-06

"It is not a coincidence that this book will slide easily into your jacket pocket; you'll want to keep it close for unexpected moments, those gifts of small, beckoning spaciousness amidst all our obligations and necessities. In addition to works written over a span of many years, plus one new poem and one new essay, the book contains David's personal reflections for many of the pieces, providing deeper context to its meaning. In some ways an artistic representation of a close circle of companionship to the work and to the man: edited by his wife, and designed and typeset by close friends Edward Wates and John Nielson, the book forms an elegant testament to David Whyte's most closely-held understanding - that human life cannot be apportioned out as one thing or another; rather, it is best lived as a living conversation, a way between and beyond, made beautiful by darkness as well as light, at its essence both deeply solitary and profoundly communal."--publisher's description.

Discourse on Leadership - Bert Spector 2016-07-21

A critical study of the concept of leadership within both a historical and cultural context.

The Miracle Equation - Hal Elrod 2021-01-05

The bestselling author of *The Miracle Morning* shares the secret to unlocking your full potential—all day, every day. "A simple, proven formula for creating extraordinary results in your life."—Lewis Howes, New York Times bestselling author of *The School of Greatness* Even after the incredible success of his book *The Miracle Morning*, Hal Elrod realized that he still had more to share with the world. What he had discovered was a timeless but overlooked formula for success. The world's top achievers have used it for centuries. He used it to thrive against seemingly insurmountable odds, from overcoming life-threatening health challenges to near financial collapse. That formula is *The Miracle Equation*, and it couldn't be any simpler: **Unwavering Faith + Extraordinary Effort = Miracles** By establishing and maintaining Unwavering Faith that you can achieve anything you desire, and then putting forth Extraordinary Effort until you do, you'll create results beyond what you believe to be possible. In *The Miracle Equation*, you'll learn how to • Replace fear with faith • Move from resistance to acceptance • Let go of negative emotions • Turn off your stress response • Overcome your limitations to unlock your limitless potential • Develop emotional invincibility • Grow from happiness, which is fleeting, to inner peace, which is lasting And with the *Miracle Equation 30-Day Challenge* to guide your way, you'll create a step-by-step plan to actualize your miracles and become the person you need to be in order to succeed. No goal is out of reach! Praise for *The Miracle Equation* "The *Miracle Equation* isn't just a book, it's the formula that I myself have used to achieve greatness beyond what I ever believed was possible. Hal Elrod has taken the mystery out of miracles and gives you a simple, proven formula for creating extraordinary results in your life. Highly recommended."—Lewis Howes, New York Times bestselling author of *The School of Greatness* "You're only two decisions away from achieving everything you want. And my friend, Hal Elrod, has simplified these two decisions into a simple equation for achieving results. Follow it, and your success is virtually guaranteed. If you want your biggest goals to move from possible, to probable, to inevitable, you better read *The Miracle Equation*."—Mel Robbins, bestselling author of *The 5-Second Rule*
