[The Magnificent Montez: From Courtesan to Convert - Horace Wyndham 2022-09-16](#)

DigiCat Publishing presents to you this special edition of "The Magnificent Montez: From Courtesan to Convert" by Horace Wyndham.

DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

[Hollywood Babylon - Kenneth Anger 1975](#)

[The Periodic Table - Primo Levi 2012](#)

Inspired by the rhythms of the Periodic Table, Primo Levi assesses his life in terms of the chemical elements he associates with his past. From his birth into an Italian Jewish family through his training as a chemist, to the pain and darkness of the Holocaust and its aftermath, Levi reflects on the difficult course of his life in this heartfelt and deeply moving book.

[A Thesaurus of English Word Roots - Horace Gerald Danner 2014-03-27](#)

Horace G. Danner's A Thesaurus of English Word Roots is a compendium of the most-used word roots of the English language. As Timothy B. Noone notes in his foreword: "Dr. Danner's

book allows you not only to build up your passive English vocabulary, resulting in word recognition knowledge, but also gives you the rudiments for developing your active English vocabulary, making it possible to infer the meaning of words with which you are not yet acquainted. Your knowledge can now expand and will do so exponentially as your awareness of the roots in English words and your corresponding ability to decode unfamiliar words grows apace. This is the beginning of a fine mental linguistic library: so enjoy!" In A Thesaurus of English Word Roots, all word roots are listed alphabetically, along with the Greek or Latin words from which they derive, together with the roots' original meanings. If the current meaning of an individual root differs from the original meaning, that is listed in a separate column. In the examples column, the words which contain the root are then listed, starting with their prefixes, for example, dysacusia, hyperacusia. These root-starting terms then are followed by terms where the root falls behind the word, e.g., acouesthesia and acoumeter. These words are followed by words where the root falls in the middle or the end, as in such terms as bradyacusia and odyacusis.. In this manner, A Thesaurus of English Word Roots places the word in as many word families as there are elements in the word. This work will interest linguists and philologists and anyone interested in the etymological aspects of English language.

[Speaking about Godard - Kaja Silverman](#)

1998-07-01

Probably the most prominent living filmmaker, and one of the foremost directors of the postwar era, Jean Luc-Godard has received astonishingly little critical attention in the United States. With Speaking about Godard, leading film theorist Kaja Silverman and filmmaker Harun Farocki have made one of the most significant contributions to film studies in recent memory: a lively set of conversations about Godard and his major films, from Contempt to Passion.

Combining the insights of a feminist film theorist with those of an avant-garde filmmaker, these eight dialogues—each representing a different period of Godard's film production, and together spanning his entire career—get at the very heart of his formal and theoretical innovations, teasing out, with probity and grace, the ways in which image and text inform one another throughout Godard's oeuvre. Indeed, the dialogic format here serves as the perfect means of capturing the rhythm of Godard's ongoing conversation with his own medium, in addition to shedding light on how a critic and a director of films respectively interpret his work. As it takes us through Godard's films in real time, Speaking about Godard conveys the sense that we are at the movies with Silverman and Farocki, and that we, as both student and participant, are the ultimate beneficiaries of the performance of this critique. Accessible, informative, witty, and, most of all, entertaining, the conversations assembled here form a testament to the continuing power of Godard's work to spark intense debate, and reinvigorate the study of one of the great artists of our time.

The Innocents Abroad - Mark Twain 1879

*Reflections on Exile and Other Essays* - Edward W. Said 2000

With their powerful blend of political and aesthetic concerns, Edward W. Said's writings have transformed the field of literary studies. This long-awaited collection of literary and cultural essays offers evidence of how much the fully engaged critical mind can contribute to the reservoir of value, thought, and action essential to our lives and culture.

**Under the Volcano** - Malcolm Lowry

2022-08-01

DigiCat Publishing presents to you this special

edition of "Under the Volcano" by Malcolm

Lowry. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

**The Handmaid's Tale** - Margaret Atwood 2017

*Poetry, Film, Humor* - 2017

The years around World War, which was undoubtedly the most difficult phase of Franco's dictatorship, also served as the back-drop for the development of a new avant-garde culture in Spain. Its birth is traditionally cited by art historians as taking place between 1947 and 1948, when groups such as Dau al Set in Barcelona and Pórtico in Zaragoza appeared or resumed their activities. The persistence, even today, of certain attitudes and poetics characteristic of that generation of artists as well as their extensive representation in the collection of the Museo Reina Sofia has made this period into one of the museum's principal areas of research. As a result, it is essential for the museum to dig deeper in its analysis and critical (re)interpretation of this time.

Columbia Pictures - Bernard F. Dick 2021-10-19

Drawing on previously untapped archival materials including letters, interviews, and more, Bernard F. Dick traces the history of Columbia Pictures, from its beginnings as the CBC Film Sales Company, through the regimes of Harry Cohn and his successors, and ending with a vivid portrait of today's corporate Hollywood. The book offers unique perspectives on the careers of Rita Hayworth and Judy Holliday, a discussion of Columbia's unique brands of screwball comedy and film noir, and analyses of such classics as *The Awful Truth*, *Born Yesterday*, and *From Here to Eternity*. Following the author's highly readable studio chronicle are fourteen original essays by leading film scholars that follow Columbia's emergence from Poverty Row status to world class, and the stars, films, genres, writers, producers, and directors responsible for its transformation. A new essay on Quentin Tarantino's *Once Upon a Time...in Hollywood* rounds out the collection

and brings this seminal studio history into the 21st century. Amply illustrated with film stills and photos of stars and studio heads, Columbia Pictures is the first book to integrate history with criticism of a single studio, and is ideal for film lovers and scholars alike.

**The Sounds of Early Cinema** - Richard Abel  
2001-10-03

The Sounds of Early Cinema is devoted exclusively to a little-known, yet absolutely crucial phenomenon: the ubiquitous presence of sound in early cinema. "Silent cinema" may rarely have been silent, but the sheer diversity of sound(s) and sound/image relations characterizing the first 20 years of moving picture exhibition can still astonish us. Whether instrumental, vocal, or mechanical, sound ranged from the improvised to the pre-arranged (as in scripts, scores, and cue sheets). The practice of mixing sounds with images differed widely, depending on the venue (the nickelodeon in Chicago versus the summer Chautauqua in rural Iowa, the music hall in London or Paris versus the newest palace cinema in New York City) as well as on the historical moment (a single venue might change radically, and many times, from 1906 to 1910). Contributors include Richard Abel, Rick Altman, Edouard Arnoldy, Mats Björkin, Stephen Bottomore, Marta Braun, Jean Châteauevert, Ian Christie, Richard Crangle, Helen Day-Mayer, John Fullerton, Jane Gaines, André Gaudreault, Tom Gunning, François Jost, Charlie Keil, Jeff Klenotic, Germain Lacasse, Neil Lerner, Patrick Loughney, David Mayer, Domi-nique Nasta, Bernard Perron, Jacques Polet, Lauren Rabinovitz, Isabelle Raynauld, Herbert Reynolds, Gregory A. Waller, and Rashit M. Yangirov.

**Inside Greenwich Village** - Gerald W. McFarland  
2005-01-01

A vibrant portrait of a celebrated urban enclave at the turn of the twentieth century.

**The Art Of Seduction** - Robert Greene  
2010-09-03

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure

all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of The 48 Laws of Power, Mastery, and The 33 Strategies Of War.

**The Violence of Modernity** - Debarati Sanyal  
2020-03-03

The Violence of Modernity turns to Charles Baudelaire, one of the most canonical figures of literary modernism, in order to reclaim an aesthetic legacy for ethical inquiry and historical critique. Works of modern literature are commonly theorized as symptomatic responses to the trauma of history. In a climate that tends to privilege crisis over critique, Debarati Sanyal argues that it is urgent to rethink literary experience in terms that recall its contestatory potential. Examining Baudelaire's poems afresh, she shifts the focus of critical attention toward an account of modernism as an active engagement with violence, specifically the violence of history in nineteenth-century France. Sanyal analyzes a literary current that uses the traditional hallmarks of modernism—irony, intertextuality, self-reflexivity, and formalism—to challenge the historical violence of modernity. Baudelaire and the committed ironists writing in his wake teach us how to read and resist the violence of history, and thereby to challenge the melancholy tenor of our contemporary "wound culture." In a series of provocative readings,

Sanyal presents Baudelaire's poetry as an aesthetic form that contests historical violence through rhetorical strategies of complicity, counterviolence, and critique. The book develops a new account of Baudelaire's significance as a modernist by dislodging him both from his traditional status as a practitioner of "art for art's sake" and from his more recent incarnation as the poet of trauma. Following her extended analysis of Baudelaire's poetry, Sanyal in later chapters considers a number of authors influenced by his strategies—including Rachilde, Virginie Despentes, Albert Camus, and Jean-Paul Sartre—to examine the relevance of their interventions for our current climate of trauma and terror. The result is a study that underscores how Baudelaire's legacy continues to energize literary engagements with the violence of modernity.

120 Days of Sodom - Marquis de Sade  
2013-02-18

The 120 Days of Sodom by Marquis de Sade relates the story of four wealthy men who enslave 24 mostly teenaged victims and sexually torture them while listening to stories told by old prostitutes. The book was written while Sade was imprisoned in the Bastille and the manuscript was lost during the storming of the Bastille. Sade wrote that he "wept tears of blood" over the manuscript's loss. Many consider this to be Sade crowning achievement.

*The Eve of Spain* - Patricia E. Grieve 2009-04-20  
Finally, Grieve focuses on the misogynistic

elements of the story and asks why the fall of Spain is figured as a cautionary tale about a woman's sexuality.

*The Wave in the Mind* - Ursula K. Le Guin  
2004-02-17

Join Ursula K. Le Guin as she explores a broad array of subjects, ranging from Tolstoy, Twain, and Tolkien to women's shoes, beauty, and family life. With her customary wit, intelligence, and literary craftsmanship, she offers a diverse and highly engaging set of readings. *The Wave in the Mind* includes some of Le Guin's finest literary criticism, rare autobiographical writings, performance art pieces, and, most centrally, her reflections on the arts of writing and reading.

**Women in the Silent Cinema** - Annette Förster 2018-01-31

This magisterial book offers comprehensive accounts of the professional itineraries of three women in the silent film in the Netherlands, France and North America. Annette Förster presents a careful assessment of the long career of Dutch stage and film actress Adriëne Solser; an exploration of the stage and screen careers of French actress and filmmaker Musidora and Canadian-born actress and filmmaker Nell Shipman; an analysis of the interaction between the popular stage and the silent cinema from the perspective of women at work in both realms; fresh insights into Dutch stage and screen comedy, the French revue and the American Northwest drama of the 1910s; and much more, all grounded in a wealth of archival research.
