The Hitwoman Plays Courier - JB Lynn 2021-12-16

No good deed goes unpunished. When Maggie Lee helps an old man who's fallen, she ends up working as a

courier for his well-to-do son. Proud of herself for landing a legitimate job that doesn't involve a windowless office, Maggie ignores red flags and the concerns of God that all may not be what it seems. She's too busy

traversing the landmines of literacy involving a certain mobster's grandson and juggling the two men who both want more from their relationships with her. Maggie's already stressed out when things go wrong, really wrong, with a delivery. A man's dead and the police know about her involvement with him. With the help of her pets and the two men vying for her affections, Maggie must figure out what the heck is going on...or God may be lost forever.

The Hitwoman and the Sacrificial Lamb - JB Lynn

Some jobs are more challenging than others. Take for example, Maggie's latest assignment: assassinating a heartless, indiscriminate sniper. He deserves to die, but making that happen is tricky, especially considering that a certain red-headed police detective has been assigned to protect him. And that's not the only job Maggie has. She's struggling to find a way to communicate with her pets and care for her orphaned niece, while searching for information about her sister who disappeared years earlier. An investigation that puts her in harm's way. Maggie struggles to do all her jobs, while contending with her nutty family, vague psychic predictions, an unexpected chicken, and a complicated romantic relationship. Is she up for the challenge? Or will one mistake cost her everything?

The Hitwoman Goes to Prison - JB Lynn 2019-12-27

Family is everything. That's the motto Maggie Lee lives by. She's proven that she'll do anything (even become an assassin...albeit an inept one, as God likes to remind her) to take care of those she loves. Even when they drive her crazy. But as Maggie attempts to reunite a young boy with his mother, her own family is in danger of falling apart. The human members are facing a heartbreaking loss, the animals are mutinying against one of their own, and a missing skull is causing trouble for everyone. Maggie may be able to save an innocent's life, but can she save her family?

The Hitwoman Plays Chaperone - JB Lynn 2019-05-21

Maggie Lee's done a lot of questionable things that have made her question her own sanity. Chaperoning her niece's class trip is one of them. Not only must she attempt to corral a bunch of energetic kids, but at the same time she has to argue with the talking lizard in her bra, avoid a mysterious doppelganger, and chase down runaway horses! And that's just the beginning. With her relationships and alliances in flux, Maggie is uncertain of what her next steps should be. Caught between the family drama caused by the return of her sister, Darlene, and her own efforts to save an innocent boy, Maggie struggles to make the right decisions and protect lives that hang in the balance. Can Maggie navigate these latest landmines, or will relationships, or even a life, be lost?

The Hitwoman's Juggling Act - JB Lynn 2019-05-30

You know things are out of hand in Maggie Lee's world when the least of her problems is tripping over a body. Her family has lost their home. Her friend, Armani, has lost her psychic mojo. And Maggie's in danger of losing custody of her niece. Making matters even worse is she can't refuse the latest job from her mobster boss. Not to mention she must team up with her murder mentor, Patrick Mulligan, and that's....complicated. Innocents are at risk, lives are in danger, and a family secret could change everything.

The Hitwoman Hunts a Ghost - JB Lynn 2019-05-21

Bumbling hitwoman Maggie Lee has discovered the sister she thought was dead might be alive. She's desperate to find her, but all of her bosses are making unreasonable demands. Demands she can't afford not to meet. Once again, Delveccio, the chocolate pudding loving mob boss, needs someone whacked. Her obnoxious boss at her day job insists she intervene on his behalf with her semi-psychic friend, Armani. And the mysterious organization with the power to put her almost-lover Patrick behind bars has saddled her with an annoying new partner and sent her on a mission that has gone to the dogs. With the clock ticking, Maggie (along with her snarky lizard, dyslexic Doberman and Southern belle cat) does her best to pull off every job without winding up in jail or dead...but is her best good enough?

The Hitwoman Gets Lucky - JB Lynn 2013-03-06

Maggie Lee's a lot of things: The daughter of a mom in a mental institution and a dad serving time; The niece of three meddling aunts; The aunt (and now legal guardian) of her beloved niece, Katie; The friend of a snarky lizard, a dyslexic Doberman, and a semi-psychic co-worker; A contract killer. But one thing she'd never thought she'd be is a thief. That's about to change as she heads to the casinos of Atlantic City to help her sexy murder mentor, Patrick Mulligan, steal something from a professional thief. Maggie's never been

lucky in love or money. Will this gamble pay off or will she lose her shirt, her heart or even her life?

The Hitwoman Under Pressure - JB Lynn 2019-05-21

Maggie Lee's dedication to her family knows no limits. Even though her life is in chaos, she'll take any chance to repair her fractured family. All she has to do is: Get out of the loony bin Eliminate the killer who's hunting her sister Make sure her family doesn't go off the rails (yup, this one's the toughest) Thankfully she's got the help of an ex-lover, a conman, and a sexy sailor, along with her psychic friend, her loyal, but bickering, pets, and her favorite mob boss. If only she could rely on them to help her stop the man who wants her sister dead. With two hitmen already killed for going after him, Maggie could use all the help she can get. Maggie's skills (and sanity) are put to the test and the stakes have never been higher.

The Hitwoman in a Pickle - JB Lynn 2019-05-21

The klutzy contract killer must enlist the help of both her psychic friend, Armani, and her ever-growing collection of talking pets, as she desperately searches for not one, but two, missing relatives. At the same time she's trying to keep the peace in her crazy family and complete an unwanted assignment from mob boss, Delveccio, which could end with her on ice. And oh yeah, she's got a date with a certain hot manny. Maggie and friends follow a crazy and convoluted path to try to save the day, but will an unexpected enemy get the upper hand?

The Hitwoman's Getaway - JB Lynn 2022-04-14

A romantic room, gourmet meals, free booze, massages...that's what Maggie is promised when she's sent away on a pet-friendly romantic getaway. Crazy fellow guests, a missing couple, a human skull, and someone trying to kill her is what she ends up getting. With the help of the core members of her menagerie and a new furry friend, Maggie tries to figure out what's going on while staying alive and how to salvage her romantic weekend. But a killer has other plans...

The Hitwoman Takes a Road Trip - JB Lynn 2019-05-21

Some people just can't outrun trouble. Overwhelmed hitwoman Maggie Lee thinks she's leaving her family worries behind when she's convinced to take a road trip with her buddy, Armani. But pretty soon an old friend, a pesky relative, and even her pet, are asking for her help. Loyal to a fault, Maggie soon finds herself tangled in a dangerous theft involving a crime family; confronting the abusive previous owner of her cat, Piss; and dealing with family revelations that rock her world. With the assistance of psychic predictions, talking animals and unexpected allies, Maggie takes on her troubles head-on. But if she's not careful, this "vacation" could literally be the death of her.

The Hitwoman and the Fallen Angel - JB Lynn 2019-10-25

Even a good man makes mistakes... In Maggie Lee's topsy-turvy world, Angel Delveccio is one of the good guys, but now it seems he's gotten himself into some trouble. Can she get him out of it? It's not like she doesn't have enough problems of her own. She's struggling to pacify both the people and pets of her household -- all of whom aren't shy about voicing their litany of complaints and demands about their new home. Stretched thin, Maggie attempts to broker familial peace while simultaneously contending with an external threat that revolves around a human skull. And let's not forget that a certain mobster has tasked her with keeping his nephew out of hot water. Can Maggie protect Angel while keeping her family safe and together, or will someone be lost?

The Hitwoman and the Exorcism - JB Lynn 2020-05-28

Maggie Lee will do anything to protect her family...including participating in an exorcism. When her niece is threatened by an evil spirit, Maggie and her menagerie (with the help of friends Armani and RV) must find a missing skull and rob a graveyard. As if that isn't enough, they must also go on a quest to collect a list of magical ingredients (including pumpkin spice coffee, because everyone knows that's some magical stuff right there). God is being snarkier than usual, as Maggie also contends with the demands of a mob boss, the fallout of a killing, and an offer of a job that could be her most dangerous yet. Will she figure out a way to exorcise the evil spirit to save her beloved niece Katie or will the cursed cloud Maggie's always lived under finally get the best of her?

The Hitwoman Hires a Manny - JB Lynn 2019-05-21

Inept hitwoman Maggie Lee has a lot to juggle. She's about to start a new job, her niece, Katie, who she is responsible for, is finally coming home from the hospital, and her ever "helpful" aunt has hired someone to

help with her care. Fresh out of the Navy, Angel Delveccio is not anyone's idea of a typical nanny. Which is convenient, considering Maggie's life is anything but typical. With the help of her snarky lizard, moody cat, and goofy dog, Maggie tries to solve the cold case of her sister's disappearance, while contending with the present day threat of a violent ex-con, all while playing instant "mom" and trying to ease Katie's transition into her new home. Can Maggie juggle it all? Or will all of these distractions prove to be deadly?

The Hitwoman Plays Games - JB Lynn 2020-08-31

Life's not all fun and games... Hitwoman Maggie Lee has faced off against some bad people in the past, but nothing she has ever faced before has prepared her for her new assignment. Nothing. What could be worse than working at a kid's game center? Flashing lights, beeping machines, screaming kids on a sugar high, and the world's biggest claw machine may be the combination that finally pushes Maggie over the edge, as she tries to hold down a legit job as a cover for her first PI case. Not that her downtime offers any respite. While she's "off" she has to deal with family drama, dangerous dancers, a weird job assignment from the mob boss, and a VERY high stakes poker game. Thankfully she's got her animals to confide in, a bodyguard who's looking out for her and a certain police detective on her side. Maggie's got to deal with the hand she's been dealt...but there's no guarantee she'll come out the winner.

The Hitwoman Pays a Debt - JB Lynn 2021-10-28

Maggie Lee is a woman who pays her debts and now she's running herself ragged. When the mysterious Ms. Whitehat asks her to work at a dentist's office to gain access to a safe, Maggie can't say no. She probably should have turned down her murder mentor, Patrick Mulligan, when he wants her to tail a suspicious cop, but she owes him. And she also couldn't refuse to help US Marshal Griswald when he requests her assistance to solve one last case before he retires. Speaking of his retirement, Aunt Susan is planning the party of the century for him and she expects Maggie to bring a date. But making it to the party on time may prove difficult since repaying her debts has resulted in Maggie doing a dangerous dance with a killer.

The Hitwoman Investigates - JB Lynn 2022-08-31

Maggie Lee knows she should "just say no" to retired US Marshal Lawrence Griswald when he asks for her help. But when has Maggie ever NOT helped a family member? At Griswald's request she partners with Nat Hunting to figure out what the hold up is with Griswald getting his private investigator license. It doesn't sound that complicated or dangerous, but somehow Maggie ends up dancing with an octopus, breaking into a morgue, and facing off against a killer (armed only with a magnifying glass). She'll need the help of her loyal pets, some psychic guidance and more than a smidge of luck to survive this investigation.

The Hitwoman's Act of Contrition - JB Lynn

Imagine a high-strung, comfort loving hitwoman at a rustic spiritual retreat. Things are finally looking up

for Maggie Lee. Her almost-lover Patrick is taking steps (albeit deadly ones) to insure they'll have a future together, her niece Katie is about to be released from the hospital, her sister Marlene has stopped turning tricks and started tossing pizzas, and Maggie has a chance to land a new (legal) job. If only God would stop hounding her to apologize to her mother, Maggie would be pretty close to content with her life. When Maggie agrees to take out a new target, using a spiritual retreat as her cover story, she ends up with a spoon (long story), an odd, selectively mute roommate, and a chance to save a life. As Maggie struggles to balance all the important people in her life and deliver on the deadly contract, she begins to believe that God may be right about the act of contrition he's demanded...but will she live long enough to do it?

Confessions of a Slightly Neurotic Hitwoman - JB Lynn 2012-01-24

Maggie Lee is not your average hitwoman. For one thing, she's never killed anyone. For another, after hitting her head in the car accident that killed her sister, her new best friend is a talking lizard—a picky eater, obsessed with Wheel of Fortune, that only Maggie can hear. Maggie, who can barely take care of herself, is desperate to help her injured and orphaned niece get the best medical care possible, so she reluctantly accepts a mobster's lucrative job offer: major cash to kill his monstrous son-in-law. Paired with Patrick Mulligan, a charming murder mentor (who happens to moonlight as a police detective), Maggie stumbles down her new career path, contending with self-doubt, three meddling aunts, a semi-psychic friend predicting her doom, and a day job she hates. Oh, and let's not forget about Paul Kowalski, the sexy beat cop who could throw her ass in jail if he finds out what she's up to. Training has never been so complicated! And, this time, Maggie has to get the job done. Because if she doesn't . . . she's the mob's next target.

The Hitwoman's Downward Dog - JB Lynn

So many men....so little help. Maladroit hitwoman Maggie Lee has never been one to ask for help. But now she's found out that her niece, Katie, will soon be discharged from the hospital - making Maggie her guardian not just in name - and her semi-psychic friend Armani Vasquez has been kidnapped. Suddenly Maggie could really use some help. While her crazy, but lovable, aunts are ready to help out with Katie, none of the men in her life are willing (or able) to lend a hand to save Armani. With both cops and bad guys telling her not to go after Armani alone, she knows the smart thing to do would be to listen to them. But Maggie's not the type to abandon those she loves. Even with Patrick, Maggie's murder-mentor and almost-lover, and her old friend Zeke out of the picture, Maggie's not desperate enough to bring herself to involve crime reporter Jack Stern in her quest. Armed with only Armani's cryptic clues, and assisted by her snarky lizard, her dumb, but extremely loyal dog, and a one-eyed cat, Maggie decides to take on whoever's taken Armani. Will the lack of human help prove to be her undoing? Or will a special guy come through for her in the end?
