Smilla's Sense of Snow - Peter Hoeg

1995-10-01

She thinks more highly of snow and ice than she does of love. She lives in a world of numbers, science and memories--a dark, exotic stranger in a strange land. And now Smilla Jaspersen is convinced she has uncovered a shattering crime... It happened in the Copenhagen snow. A six-year-old boy, a Greenlander like Smilla, fell to his death from the top of his apartment building. While the boy's body is still warm, the police pronounce his death an accident. But Smilla knows her young neighbor didn't fall from the roof on his own. Soon she is following a path of clues as clear to her as footsteps in the snow. For her dead neighbor, and for herself, she must embark on a harrowing journey of lies, revelation and violence that will take her back to the world of ice and snow from which she comes, where an explosive secret waits beneath the ice....

The Quiet at the End of the World - Lauren James 2019-03

A sci-fi mystery adventure about the last surviving members of the human race. "Lauren James is a genius at building tension." SFX Magazine "James is one to watch." Kirkus Reviews How would it feel to be the last remaining human? Lowrie and Shen are the youngest people in the world after a virus caused global infertility. When the virus mutates to become even more deadly, the pair face a

future entirely alone unless they can find a cure. But how can two teenagers succeed where the great scientists have failed? It feels as though there is no hope for humanity until they discover a secret that turns their entire world upside-down.

Quiet Girl in a Noisy World - Debbie Tung 2017-11-07

This illustrated gift book of short comics illuminates author Debbie Tung's experience as an introvert in an extrovert's world. Presented in a loose narrative style that can be read front to back or dipped into at one's leisure, the book spans three years of Debbie's life, from the end of college to the present day. In these early years of adulthood, Debbie slowly but finally discovers there is a name for her lifelong need to be alone: she's an introvert. The first half of the book traces Debbie's final year in college: socializing with peers, dating, falling in love (with an extrovert!), moving in, getting married, meeting new people, and simply trying to fit in. The second half looks at her life after graduation: finding a job, learning to live with her new husband, trying to understand social obligations when it comes to the in-laws, and navigating office life. Ultimately, Quiet Girl sends a positive, pro-introvert message: our heroine learns to embrace her introversion and finds ways to thrive in the world while fulfilling her need for quiet.

For the Quiet Black Girl - Aundrea Smith

*Downloaded from
legacy.opendemocracy.net on 2021-06-22
by guest*

2017-10-16

Aundrea Smith, a self-proclaimed "quiet black girl," relives experiences from her childhood and young adult years, which have helped to shape who she is as a black woman. The book speaks about her experiences with dating (or lack thereof), school, and simply living in a world that does not always see women of color for all they have to offer. In "For the Quiet Black Girl: Trying to Find Her Voice in a Predominately White Space," is a black woman's powerful statement about how to respond to covert and overt displays of racism from people of all colors. For the Quiet Black Girl... can be read and appreciated by its target audience- girls and women of color- and others who have been questioned, targeted, and challenged because of their gender and/or race.

Brave Girl, Quiet Girl - Catherine Ryan Hyde
2021-02

Brooke is a divorced single mom, financially strapped, living with her mother, and holding tight to the one thing that matters most: her two-year-old daughter, Etta. Then, in a matter of seconds, Brooke's life is shattered when she's carjacked. Helpless and terrified, all Brooke can do is watch as Etta, still strapped in her seat, disappears into the Los Angeles night.

Foster - Claire Keegan 2022-11

A small girl is sent to live with foster parents on a farm in rural Ireland, without knowing when she will return home. In the strangers' house, she finds a warmth and affection she has not known before and slowly begins to blossom in their care. And then a secret is revealed and suddenly, she realizes how fragile her idyll is. Winner of the Davy Byrnes Memorial Prize, *Foster* is now published in a revised and expanded version. Beautiful, sad and eerie, it is a story of astonishing emotional depth, showcasing Claire Keegan's great accomplishment and talent.

The Loudest Quiet Girl - Kathy Rodrigues
2019-08-26

Erin's sudden death at twenty-three did not silence her vibrant spirit. Her journals live on. Erin was genuinely beautiful, inside and out. She had the gift of listening well to people of all ages with empathy and compassion. Erin's quiet non-judgmental demeanor along with a terrific sense of humor lifted people up. Erin had her own

anxieties and a little depression, as many of us have, but her strong faith, hope and love, as seen in her writings, managed to pull her through those rough patches. Let her excerpts gently guide you through your own life's valleys and hills, as well. May you feel Erin's presence, especially on your dark days. May her life be a beacon of light for you.

The Quiet Girl - Dolcie Truman Jaxon 2014-10-03

This easy to read book can assist and help anyone with family relationships, emotional healing, abuse, and social issues by promoting and increasing self-esteem and personal growth. "Everyone one from all walks of life can find inspiration and motivation from this book!" Read this book for envision, It is based in a setting of growing up in the first projects in the United States of America, Techwood Homes. Choose the book because the author takes the reader on a journey of suspense yet leaves them with spiritual happiness. "Despite the tumultuous living style; shifting and moving constantly, our minds were unexposed to the harsh realities of life. Realities that can leave a terrifying scar in the most horrifying of ways"...

I Have Always Been Known as the Quiet Girl

- Reilly Johnson 2023

Autobiographical comic about someone who speaks very little.

Quiet Girls Can Run the World - Rebecca Holman 2017-08-24

What does success look like? 5AM conference calls and late nights in the office? Winning every argument in the office and always getting your own way? What does a successful woman look like? The shoulder-pad wearing Alpha? The dogmatist who rules with an iron fist? The reality is far more nuanced. Yet women are still reduced to Alpha boss, or the Beta secretary or assistant but when 47% of the workforce are reduced to two unhelpful stereotypes, how can you embrace your inner Beta and be a success on your own terms? It's an important question because the world is changing, fast. Successful companies need people who can lead with emotional intelligence, be flexible to new ideas and adapt their plans when required, leaving their ego at the door. The Beta woman's time is now. Beta celebrates the collaborators, the pragmatists, and the people who believe that being nice works and getting your own way isn't

Downloaded from

always the most important thing. It explores the unsung workforce of Beta women who are being great bosses, great leaders and are still living their own lives: having relationships, making time for friends, having families. Fully researched and rich with interviews, anecdotes and case studies, Beta will be a smart and entertaining read that really explores the role of women in the workplace today.

The Quiet Girls - J.M. Hewitt 2019-11-13

'I devoured it in one sitting! I could not get enough... This book keeps you on the edge of your seat until the final page!' Once Upon A Time Book Blog [] [] [] [] 'Hattie!' Carrie called, an edge to her voice. 'Hattie, this isn't funny, come out now.' Carrie tried calling, shouting, screaming, but everything in the dark woods was quiet. Her little sister was gone. Detective Carrie Flynn's sister Hattie was kidnapped when they were both little girls. After the police failed to find the culprit, Carrie swore she would become a detective and solve the case herself. But the face of the man who snatched Hattie is a blank in her memory... Twenty years later, eleven-year-old Melanie Wilson is reported missing. Carrie fights off memories of her lost sister to concentrate on the case, but she soon finds footage of Melanie boarding a boat and vanishing. Who took little Melanie, and why? Then the police receive a desperate cry for help from another young girl: I gave you his name, but you did nothing. My blood is on your hands. Carrie traces the call to the same docks where Melanie was last seen. Carrie is sure the lost girls are in terrible danger - and that there's a link between her sister's disappearance and this case. To find Melanie, Carrie must unleash the memories she's buried for years. And if she uses her own demons to bring Melanie home, can she finally find out what happened to her sister? This absolutely unputdownable thriller will keep you up all night until you reach the final heart-stopping page! Perfect for fans of Angela Marsons, Val McDermid and Lisa Regan. Readers are utterly gripped by *The Quiet Girls*! 'Had me hooked in from the first page and frantically turning the pages... I didn't want to finish the book. I really really enjoyed this enthralling thriller... An amazing book and very very highly recommended.' Nicki's Life of Crime [] [] [] [] 'Wow!!... Full of surprises and twists

galore... Totally addictive. Well recommended for lovers of a good mystery and looking forward to the next in the series.' Goodreads Reviewer 'I devoured it in one sitting!... With plenty of twists and turns along the way, this book keeps you on the edge of your seat until the final page!... Explosive outcomes and jaw-dropping moments.' Once Upon A Time Book Blog [] [] [] [] 'I am seriously angry with myself!!!! Why have I never read anything by this author before?!?... Had me glued to my kindle for hours. The author's writing totally grasped my imagination and emotions.' A Knight's Reads 'I raced through the latter half of the book as I had to know just what happened... The pages turned so quickly that it was almost as if they were turning themselves... A rollercoaster ride.' Ginger Book Geek 'Full of twists and turns, get ready for a ride!... If a story can keep you guessing and intrigued enough to stay up well past any decent hour of night just to figure out the twist, then it's well worth the read! I'd recommend this book to anyone looking to get lost in a dark and twisty thriller!' Misty's Corner Reviews [] [] [] [] 'An intense book!... Takes off from the first chapter and had me enthralled until the last page.' Goodreads Reviewer [] [] [] [] 'Shivers down the spine... A great read.' Goodreads Reviewer 'A solid 5 stars. This book will stay with me for a long time... The pages fly by. Twists and turns you won't see coming. I can't wait for book 3 in the series. I will be first in line to buy it.' Goodreads Reviewer [] [] [] []

Quiet Girl - Barbara Perkins 1969

A Quiet Girl - Peter Carnavas 2022-06-28

Now in paperback, the award-winning picture book about embracing quiet in a noisy world. Mary knows how to savor the small things. Wonder is everywhere: in the rustle of leaves, in the sigh of a sleeping dog, in the wingbeats of the birds who visit her upcycled feeders. But Mary's family couldn't be more different. Amidst the sound of blow-dryers, blenders, lawnmowers, and her brother's trombone, Mary goes almost unnoticed. It isn't until her family starts searching the neighborhood for her that they begin to see the world through her eyes. From critically acclaimed author-illustrator Peter Carnavas comes a gentle breeze of a picture book with themes of mindfulness, observation,

Downloaded from

and being present in nature. A Quiet Girl invites young readers (and the noisy adults in their lives) to appreciate the thousand little pleasures that surround us--if only we would notice them. A closing spread about mindfulness rounds out this validating story for introverts and observers everywhere. "A quiet young girl in a noisy world, Mary shows her loud, busy family that listening allows for more to be heard."--School Library Journal STARRED REVIEW

The Perversions of Quiet Girls - Anonymous
2017-12-30

The Perversions Of Quiet Girls is a semi-autobiographical novel penned by an anonymous author, first published in Paris in 1971. The novel was banned in the United States until a 1981 Justice Department ruling declared that its contents were not obscene. It was also banned in Turkey. The narrator Ashley Dvorak works in the personnel division of the paternal Longacre communications company. Although the narrator's experiences are highly sexual and at times non-consensual there has been some doubt over the years that the novel was meant to be a work of fiction and reads more like a memoir. An Amazon exclusive, enjoy.

The Nice Quiet Girl - Philip Daniels 1980-01-01

The Quiet Girl - S. F. Kosa 2020

"After a tense argument, Alex drops everything to patch things up with his new wife, Mina. But Mina has vanished, leaving behind her wedding band and a string of secrets in her wake. Meanwhile, Layla is a mystery in Provincetown. When coworkers start asking questions about who she is and where she came from, Layla

would love to answer them...but she can't. All she knows is someone has hurt her and now she has to disappear. As Alex searches for Mina, and Layla searches for herself, their stories collide and Alex realizes Mina's disappearance is hidden in Layla's past. In a shocking twist, they must decide how far they're willing to go in search of healing-and perhaps revenge"--

The Quiet Girl - Peter Høeg 2015-10-31

Set in Denmark in the here and now, The Quiet Girl centres around Kaspar Krone, a world-renowned circus clown with a deep love for the music of Johann Sebastian Bach, and an even deeper gambling debt. Wanted for tax evasion and on the verge of extradition, Krone is drafted into the service of a mysterious order of nuns who promise him reprieve from the international authorities in return for his help safeguarding a group of children with mystical abilities. When one of the children goes missing a year later, Krone sets off to find the young girl and bring her back, making a shocking series of discoveries along the way about her identity and the true intentions of his young wards.
