Asking for It - Lilah Pace
2015

Graduate student Vivienne Charles is afraid and ashamed of her own fantasies: being taken by force by a man who will claim her completely. When the mysterious Jonah Marks learns her secret, he makes a stunning offer: they will remain near-strangers and meet in secret so that he can fulfil her fantasies. Their arrangement is twisted. The sex is incredible. And soon their emotions are bound together as tightly as the rope around Vivienne's wrists. But the secrets in their pasts threaten to take their arrangement down an even darker path.

The Sex Clinic W H O R E Signet Double Mystery

was Mike Hammer PI Mike Hammer runs into a red-headed prostitute in a bar. He's not interested in her professional services, so he buys her a coffee and chats to her for a while. Tired, drained, he just wants someone to talk to, and she's a willing listener. He's just got paid, and in a fit of generosity he offers her enough money to buy some decent clothes and get a regular job. No big deal, except that the next day the streetwalker turns up dead. It's none of Hammer's business, but all the injustice of the world is suddenly crystallised in this one senseless death. And then Hammer begins to realise that the death, supposedly a hit-and-run accident, doesn't add up. It's starting to look like murder. But it doesn't stop there. The trail leads Hammer into a world of vice, corruption and violence . . .

Two Little Lies - Liz Carlyle
2006-01-20

Nationally bestselling author Liz Carlyle presents the second book in her scandalous romance series—a fiery duel of desire and deception with love as the ultimate prize... Once, he spurned the woman he loved. The Earl of Wynwood was far too reckless to handle a sophisticated woman like Viviana Alessandri. And the beautiful opera singer was too famous to make a suitable for Wynwood. Twice, she wagered with her heart. Crushed by Wynwood's refusal to marry, Viviana offered her hand to another, a wealthy count. But fate has a way of playing with lovers' hearts—and passion has a way of setting them on fire. Two little lies tore them apart. But now, at a gala affair celebrating Wynwood's recent betrothal, Viviana will get one last chance to win back his love...again...and again.

from the author of the Novels of the Half-Light City. Entangled in a court ruled by tradition and intrigue, a young witch must come to terms with newfound power and desire—and a choice between loyalty and survival.... The royal witches of Anglion have bowed to tradition for centuries. If a woman of royal blood manifests powers, she is immediately bound by rites of marriage. She will serve her lord by practicing the tamer magics of the earth—ensuring good harvests and predicting the weather. Any magic more dangerous is forbidden. Lady Sophia Kendall, thirty-second in line to the throne, is only days away from finding out if she will be blessed—or perhaps cursed—with magic. When a vicious attack by Anglion’s ancient enemies leaves the kingdom in chaos, Sophia is forced to flee the court. Her protector by happenstance is Lieutenant Cameron Mackenzie, a member of the royal guard, raised all his life to be fiercely loyal to the Crown. Then Sophia’s powers

manifest stronger than she ever imagined they would, and Cameron and she are inextricably linked in the process. As a witch unbound by marriage rites, Sophia is not only a threat to the established order of her country, but is also a weapon for those who seek to destroy it. Faced with old secrets and new truths, she must decide if she will fight for her country or succumb to the delicious temptation of power....

Psychic Self-Defense - Dion Fortune 2020-12-12

A new edition of an occult classic, which includes a new introduction by Mary K. Greer, author of *Women of the Golden Dawn*, and a new afterword with excerpts from rarely seen documents by Fortune herself describing how the book came about. After finding herself the subject of a powerful psychic attack in the 1930s, famed British occultist Dion Fortune wrote this detailed instruction

manual on protecting oneself from paranormal attack. This classic psychic self-defense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense against psychic attack from one of the leading occult writers of the twentieth century. This Weiser Classics edition of Dion Fortune's *Psychic Self-Defense* includes a new forward by Mary K. Greer, author of numerous books including *Tarot for Your Self*, and a new afterword by Christian Gilson that chronicles the original context surrounding Dion Fortune's writing of the book. Mr. Gibson is the editor of *The Inner Light*, the journal published by the Society of Inner Light.

A Masked Deception - Mary Balogh 2016-07-26

A Masked Deception is the digital reissue of a previously published and long out-of-print novel by New York Times Bestselling author Mary Balogh. Margaret Wells has been deeply, hopelessly in love with the handsome, dashing Richard Adair, Earl of Brampton, since she met him at a masquerade ball six years ago. Passion had flared between them then, but she had fled before the time for unmasking. Now Richard merely needs a wife to give him an heir, and the quiet, demure Miss Wells seems as suitable as anyone else. Margaret, longing to ignite some sort of passion in her dull marriage, wonders what would happen if she were to become that masked enchantress once more and met her husband by chance in some secluded, romantic setting. Little does Margaret suspect that Richard has never forgotten the nameless

charmer for whom he had searched in vain for weeks and months after the masquerade ball. And little does she suspect that he is falling in love with his wife.

Lady Sparrow - Barbara Metzger 2012-03-13
From one of the shining stars of Signet Regency Romance comes Barbara Metzger's engaging tale of scandals and secrets, and the risks of romance. Heiress Minerva Caldwell is alarmed to find that her late husband had a lot to hide—including a slew of affairs and a dozen illegitimate children! With the help of handsome Lord Lowell, she vows to find the by-blows and help them, should they be living in poverty. But she soon makes a startling discovery about her own past that could put her life—and, most certainly, her heart—at risk. When it's Barbara Metzger, it's "Regency romance at its finest and funniest."— Publishers Weekly

The Whore's Story - Bradford Keyes Mudge 2000

This fresh and persuasively argued book examines the origins of pornography in Britain and presents a comprehensive overview of women's role in the evolution of obscene fiction. Carefully monitoring the complex interconnections between three related debates--that over the masquerade, that over the novel, and that over prostitution--Mudge contextualizes the growing literary need to separate good fiction from bad and argues that that process was of crucial importance to the emergence of a new, middle-class state. Looking closely at sermons, medical manuals, periodical essays, and political tracts as well as poetry, novels, and literary criticism, *The Whore's Story* tracks the shifting politics of pleasure in eighteenth-century Britain and charts the rise of modern, pornographic sensibilities. *Pop Goes the Weasel* - M. Secrets of the Heart - Mary Balogh 2021-02-02

George, Duke of Cranwell, and his duchess's separation led to a bitter divorce and social ostracism for Sarah, who, unable to divulge to him the secrets of her heart, told instead the lies he expected to hear. Now, four years later, the duke and Sarah Fifield meet again in Bath and are thrown together by the unfortunate fact that the lady with whom Sarah is living as companion is a close friend of the grandmother of George's new fiancée. Against all the odds and wisdom itself, Sarah and George seem fated to fall in love all over again. Yet the old secrets remain and come back to haunt Sarah in the form of the man who destroyed her innocence years ago and now threatens that of George's sister and even of his fiancée. Sarah, it seems, may have to sacrifice her own chance of happiness once more in order to protect that of the man she has never stopped loving.

Unless, that is, he can uncover the truth and protect her.
