Walk with Me, Jesus - Ronda Chervin, PH.D. 2013-06-18

"For I know well the plans I have in mind for you ... plans for your welfare, not for woe! Plans to give you a future full of hope." Jeremiah 29:11 In her book *Walk with me, Jesus*, philosopher and writer Ronda Chervin, Ph.D. offers widows a practical spiritual path that can help them attain hope and faith in God's love and provision. Using the stories of women saints who suffered the loss of a husband, she encourages and affirms women in their new state in life while leading them on the journey to healing and interior joy. Drawing from the themes of the Stations of the Cross, Dr. Chervin ties the sufferings of widowhood with the Passion of the Savior in a way that is both beautiful and healing. Quotes from Scripture and the saints, and prayers to help you turn your heart toward the Lord and His Mother, offer consolation and hope.

The Pieces Fit - Bill Chipman 2011-07-29

When author Bill Chipman first became a Christian, he began to devour God's Word. He wanted to understand it in a practical way. How did it apply to the way he lived and thought and looked at things? And how did the whole Bible all fit together? The more he read, the more questions he had. Half a century has passed since he began his search. He found answers to his questions one by one, answers that gave fresh insights into familiar topics. He found the answers to be practical, scriptural, and beautiful to reflect on. They brought all the pieces together in a way that made sense. And best of all, the big picture that emerged revealed that God never fails to love; that He is good, and never fails to do what is best; and that God never lies, but always stands by His Word. The picture that emerged is love beyond imagination.

[The Love of Thousands](#) - Christine Valters Paintner 2023-08-18

Is it possible that angels, saints, and even our departed ancestors support and inspire us throughout our lives? How can we connect with them in a real way? Christine Valters Paintner, popular spiritual writer and abbess of the online Abbey of the Arts, says these sacred beings are paving the way for our journey toward God's love, even as we pass through a world rife with struggle, discord, and violence. In *The Love of Thousands*, she helps us open up our spiritual imagination to encounter our heavenly helpers, allowing us to become everyday mystics. Paintner describes saints, angels, and our ancestors as sacred beings who surround us like concentric circles, watching over us with compassion and offering us spiritual guidance throughout our lives. In *The Love of Thousands*, she guides us to see the ways these beings support us, from the care of our guardian angels, to the wisdom of the mystics, to the witness of our loved ones who have crossed the threshold to the light of God's presence. Paintner's gentle guidance reveals that we can be inspired and sustained when we are open and attentive in exploring our connections to these holy companions walking alongside us. Transformed by the encounter, we can grow into the kinds of ancestors—part of the Communion of Saints—who offer spiritual support and wisdom to others in turn. Throughout *The Love of Thousands*, we are led to explore and better understand the teachings from scripture and tradition about the four archangels, the protection offered by our guardian angels, and what it might look like to wrestle with angels as Jacob did in the Old Testament; the witness of the saints and mystics, with an exploration of

how we are all called to be mystics; the tradition of relics and the practice of pilgrimage; the presence of our ancestors, inviting us first to claim the blessings of our family heritage and then to embrace grief and explore healing the wounds of our lineage. Each chapter includes a reflection, practice, meditation, and creative exercise that will help cultivate an ongoing relationship with angels, saints, and our ancestors. Paintner also suggests various ways to engage with this book to reflect more deeply on the spiritual content, such as reading it over the course of a year or with others as a form of spiritual pilgrimage.

Images of Beauty - Dr. H. Lawrence Zillmer 2008-05-22

As a university professor, Dr. Zillmer has authored many books and periodicals about the truth Jesus brought into our world. We must now return to that truth for our salvation. Political correctness, passing as progressivism, has shorn the life blood from the Jesus Message. (45) As the citizens of the United States must return to the principles of our founding fathers, so we must fight this great evil by returning to the gospel truth Jesus brought into this world. Jesus said, "You shall know the truth and the truth shall set you free." To that end this work is humbly dedicated.

The Promise of God as Above in Heavens so Below on Earth -

Joseph Sener 2020-01-05

We are earthen vessels for the Creator God. His light shines on us with the seven candlesticks of the menorah from above with star lights keeping the cross of Christ in our hearts so that what is as above is also with us below. God wants us to live life in peace and to depart in fullest capacity, rejecting evil. He may appear slow in anger, but He is rich in blessings and forgiveness. We exist in creation with our souls and spirits wearing organic and inorganic matter. We are most virtuous and worthy. We live in matter but apart from matter with a yearning to know the Creator who does not dwell in matter. With our devoted practices in religions, we try to come close to adorn Him, and with our rigor in science, we try to discover Him. His presence cannot be found upon by us from the lower three dimensions where we live on earth. Our searching methodologies and equations have no meaning unless they express the thoughts of Almighty God who dwells in the higher, nonmaterial, seven dimensions above, residing below on earth. A designed, predetermined time on earth is approaching steadily. We will be transformed, and we shall proclaim, "As below on earth so above in the heavens, and as above in the heavens so below on earth. All are one, unified together, integrated under the divine will of God as ONE." His mysterious, three-dimensional universe is beyond extraordinary. It is full of natural lights coming from His stars, the seven bright stars of His constellations. The supernatural lights of the higher seven dimensions are behind them to maintain their existence. Together they make the "tree of divine dimensions." They all will manifest in the Millennium Age to deliver the new heavens with the new earth to initiate the New World for humanity. The heavens and earth will be one under the Creator of all, God in His holy triduum.

Signposts on the Road to Forgiveness - Mary Crawford 2013-09

Signposts on the Road to Forgiveness is a book about forgiveness and so much more. It's a call to come to the spiritual place for which you were born. It's a call to a deeper relationship with the Lord. Ten chapters lay a scriptural foundation concerning the plan God has had for you from the beginning. Twenty signposts then give scriptural directives to help you make these truths a reality in your life. Learn how to get beyond the pain you've experienced at the hands of others, even as Jesus did. See how to

forgive others and how to forgive yourself, so you can truly fulfill your destiny. Understand what the Bible really teaches about gossip, anger, and the Christian's responsibility in judging others. Take a fresh, scriptural look at when to remit sins, when to retain sins, when to confront, and when to walk away. Whether you have just embarked on your spiritual quest or you've been a Christian for years, God wants to take you on a walk with Him that will liberate and heal you, enabling you to be all He intended you to be. Hear anew His call to follow Him on this spiritual road purchased for you by His own blood. Lift up your eyes and behold His glory. Experience the restoration of the joy of your salvation. Rejoice as you continue on your personal journey with Him, recognizing and following His signposts along the way.
