The Birthday Present Barbara Vine 2009-04-02 It's late spring of 1990 and a love affair is flourishing: between Ivor Tesham, a thirty-three year old rising star of Margaret Thatcher's Conservative government, and Hebe Furnal, a stunning North London housewife stuck in a dull marriage. What excitement Hebe lacks at home, however, is amply compensated for by the well-bred and intensely attractive Tesham - an ardent womanizer and ambitious politician. On the eve of her twenty-eighth birthday, Tesham decides to give Hebe a present to remember: something far more memorable than, say, the costly string of pearls he's already lavished upon her. Involving a fashionable new practice known as 'adventure sex', a man arranges for his unsuspecting but otherwise willing girlfriend to be snatched from the street, bound and gagged, and delivered to him at a mutually agreed venue ... Set amidst an age of IRA bombings, the first Gulf War, and sleazy politics, *The Birthday Present* is the gripping story of a fall from grace, and of a man who carries within him all the hypocrisy, greed and self-obsession of a troubled era.
