[Alone Together](#) - Katrin Bentley 2007

Thousands of people live in Asperger marriages without recognizing the signs that their spouse has AS. When Swiss-born Katrin met Gavin while backpacking in Australia, she fell in love with a man that was kind, good looking and different. He followed her to Switzerland where they married eight months later. At first everything seemed fine, but once back in Australia things changed very drastically. *Alone Together* shares the struggle of one couple to rescue their marriage. It explains the clues that suggest a person might have AS and explores the effect of diagnosis. It is uplifting and humorous and includes plenty of tips for making an Asperger marriage succeed. This book offers couples hope, encouragement and strategies for their own relationships.

**Asperger Syndrome (Autism Spectrum Disorder) and Long-Term Relationships** - Ashley Stanford 2014-10-21

Happily married to her husband with Asperger Syndrome for 25 years, Ashley Stanford is an expert on how Autism Spectrum Disorder (ASD) can affect a relationship and her bestselling book has helped thousands of couples. Brought fully up to date, this second edition clarifies the new DSM-5 diagnostic criteria and explains how, without a solid awareness of the condition, ASD behaviors can easily be misinterpreted. Stanford's book provides a wealth of strategies for living with the more uncompromising aspects of ASD, pointing out that ASD also brings

enormous strengths to a relationship. It shows how understanding the intentions, motivations and reasoning behind ASD behaviors can lead to better communication, relief of tension, and ultimately to a happier, more mutually fulfilling relationship.

**Life with a Partner Or Spouse with Asperger Syndrome** - Kathy Marshack 2009

Delve into the dramatic impact Asperger Syndrome can have on the complex world of adult interpersonal relationships. Psychologist Kathy Marshack shares poignant true stories based on her own life and the lives of her clients, focusing on how partners/spouses of someone with AS can take back their own life and find true meaning and happiness. The author discusses these sensitive issues and shows readers how to take control of their lives and grow away from dysfunctional behavior and dysfunctional relationships. Each chapter closes with a series of "Lessons Learned" that recap the main points of the chapter and offer new ways to look at these very unique challenges.

[Loving Someone with Asperger's Syndrome](#) - Cindy Ariel 2012-03-01

If you're in a relationship with someone who has Asperger's syndrome, it's likely that your partner sometimes seems cold and insensitive. Other times, he or she may have emotional outbursts for no apparent reason. And in those moments when you can't understand each other at all, you both feel fed up, frustrated, and confused. The behavior of people with

Asperger's can be hard to understand and easy to misinterpret, which is why it's so important to learn more about your partner's condition. The tools presented in *Loving Someone with Asperger's Syndrome* will help you build intimacy and improve the way you and your partner communicate. Filled with assessments and exercises for both you and your partner, this book will help you forge a deeper, more fulfilling relationship. This book will teach you how to:

- Understand the effect of Asperger's syndrome on your partner
- Practice effective communication skills
- Constructively work through frustrations and fights
- Establish relationship ground rules to help you fulfill each others' needs

*Asperger Syndrome and Adults... Is Anyone Listening?* - Karen Rodman 2003-09-15

'This short book, a collection of essays and poems, looks at the loneliness, frustration and sadness experienced, not by the person with the syndrome, but by their partners, parents and other family members: it is they who have to cope with the absence of communication, affection and empathy expected from a reciprocal loving relationship.' - Irish Journal of Medical Science

The difficulties faced by people with Asperger's Syndrome (AS) cannot be underestimated, but the emotional problems experienced by those who support them - partners, family and friends - are often over-looked. Focusing on what is referred to as the Cassandra phenomenon, where the neurotypical partner often needs more emotional guidance than the AS partner, this volume gathers together letters, thoughts and poems to give voice to the loneliness, frustration and love felt by many individuals who are close to one or more people with AS. Assembled by FAAAS Inc. (Families of Adults Afflicted with Asperger's Syndrome), a well-known support group specifically for family members, friends and loved ones of people with AS, this collection will provide the emotional support, insight and understanding needed to deal with the emotions that AS evokes within close relationships.

*Asperger Syndrome and Long-term Relationships* - Ashley Stanford 2003  
First published in 2002. Routledge is an imprint of Taylor & Francis, an informa company.

*The Other Half of Asperger Syndrome* - Maxine C. Aston 2001  
Based on academic research, experiences as a counselor specializing in this area and personal relationship experiences, the author uses quotations and real-life examples to illustrate her points with a compassionate understanding. Practical everyday topics include living and coping with AS, anger and AS, getting the message across, sex and AS, parenting, staying together, and "AS cannot be blamed for everything."

*What to Say Next* - Sarah Nannery 2021-03-30  
Using her personal experience living as a professional woman with Autism Spectrum Disorder, Sarah Nannery, together with her husband, Larry, offers this timely communication guide for anyone on the Autism spectrum looking to successfully navigate work, life, and love. When Sarah Nannery got her first job at a small nonprofit, she thought she knew exactly what it would take to advance. But soon she realized that even with hard work and conscientiousness, she was missing key meanings and messages embedded in her colleagues' everyday requests, feedback, and praise. She had long realized her brain operated differently than others, but now she knew for sure: she had Autism Spectrum Disorder (ASD). With help from her neurotypical partner—now husband—Larry, mostly in frantic IM chats, Sarah rose to Director of Development at one of the world's largest nonprofits. Together they have tackled challenges in how Sarah navigates personal and professional relationships, how they navigate marriage and parenthood, all of which are differently challenging for someone with ASD. But she wonders, at times, how life would be different if she'd had to figure it all out herself. So, in *What to Say Next*, she offers advice, empathy, and straightforward strategies from her own tool-kit—not only for others who see the world differently, but for their families, partners and colleagues. In *What to Say Next*, Sarah breaks down everyday situations—the chat in the break room, the last-minute meeting, the unexpected run-in—in granular detail, explaining not only how to understand the goals of others, but also how to frame your own. Larry adds his thoughts from a neurotypical perspective, sharing what was going on in his brain and how he learned

to listen and enlighten, while supporting and maintaining Sarah's voice. At a time when more and more people are being diagnosed with ASD—especially women and girls—this book tells important truths about what it takes to make it in a neurotypical world, and still be true to yourself.

**Troubleshooting Relationships on the Autism Spectrum** - Ashley Stanford 2013-08-28

Don't you wish relationships came with a manual? Ashley Stanford has written a user's guide to relationships that adopts a practical troubleshooting approach to resolving difficulties that will greatly appeal to the logical minds of individuals on the autism spectrum, as well as offering valuable guidance to their partners. Troubleshooting identifies problems and makes them fixable. This book presents a three-step troubleshooting process that can defuse even the trickiest relationship dilemma. Specific problem areas are covered in detail including communication, executive functioning, mindblindness, attachment, intimacy, co-habiting, and raising a family. The book offers straightforward solution-focused strategies and additional help is given in the form of bulleted lists, summaries, scripts, and example scenarios.

**Nerdy, Shy, and Socially Inappropriate** - Cynthia Kim 2014-09-21

Cynthia Kim explores all the quiriness of living with Asperger Syndrome (ASD) in this accessible, witty and honest guide looking from an insider perspective at some of the most challenging and intractable aspects of being autistic. Her own life presents many rich examples. From being labelled nerdy and shy as an undiagnosed child to redefining herself when diagnosed with Asperger Syndrome as an adult, she describes how her perspective shifted to understanding a previously confusing world and combines this with the results of extensive research to explore the 'why' of ASD traits. She explains how they impact on everything from self-care to holding down a job and offers typically practical and creative strategies to help manage them, including a section on the vestibular, sensory and social benefits of martial arts for people with autism. Well known in the autism community and beyond for her popular blog, Musings of an Aspie, Cynthia Kim's book is rich with

personal anecdotes and useful advice. This intelligent insider guide will help adults with ASDs and their partners, family members, friends, and colleagues, but it also provides a fresh and witty window onto a different worldview.

**The Journal of Best Practices** - David Finch 2012-01-03

The warm and hilarious bestselling memoir by a man diagnosed with Asperger syndrome who sets out to save his marriage. At some point in nearly every marriage, a wife finds herself asking, What the @#!% is wrong with my husband?! In David Finch's case, this turns out to be an apt question. Five years after he married Kristen, the love of his life, they learn that he has Asperger syndrome. The diagnosis explains David's ever-growing list of quirks and compulsions, but it doesn't make him any easier to live with. Determined to change, David sets out to understand Asperger syndrome and learn to be a better husband with an endearing yet hilarious zeal. His methods for improving his marriage involve excessive note-taking, performance reviews, and most of all, the Journal of Best Practices: a collection of hundreds of maxims and hard-won epiphanies, including "Don't change the radio station when she's singing along" and "Apologies do not count when you shout them." Over the course of two years, David transforms himself from the world's most trying husband to the husband who tries the hardest. He becomes the husband he'd always meant to be. Filled with humor and surprising wisdom, The Journal of Best Practices is a candid story of ruthless self-improvement, a unique window into living with an autism spectrum condition, and proof that a true heart can conquer all.

**Asperger's Syndrome Workplace Survival Guide** - Barbara Bissonnette 2013-04-28

The workplace can be a difficult environment for people with Asperger's Syndrome (AS) and this often impedes their ability to make use of particular skills and sustain meaningful and fulfilling employment. This is the definitive guide to surviving and thriving in the workplace for people with AS. It includes everything from realistic strategies for meeting employer expectations, to how to get along with your colleagues and work as part of a team, multitask and manage projects, and handle

anxiety and effectively resolve problems. Common employment challenges are illustrated through examples from the author's extensive experience coaching individuals with AS at all job levels, from entry-level to manager and professional positions. The pragmatic recommendations in the book will benefit anyone with AS who is entering the workforce, as well as those who struggle to maintain employment, or who want to improve their performance and advance their careers.

**The Autism Couple's Workbook, Second Edition** - Maxine Aston  
2020-10-21

This updated edition of Maxine Aston's workbook is packed full of insightful, helpful and easily accessible activities for couples where one or both partners is on the autism spectrum to understand and accept their differences. This book expands on topics including verbal and non-verbal communication, sexual issues, socialising and parenting, with case studies from couples who have successfully worked through their issues. This edition is fully updated for the DSM-V and features new research into alexithymia, further insights into couples counselling, digital communication and sensory sensitivity, with new worksheets and opportunities for collaboration and reflection. Combining advice, guidance and activities, this book can be used independently by a couple at home or in conjunction with a therapist, encouraging communication and empathy to help make a neurodiverse relationship successful.

**Business for Aspies** - Ashley Stanford 2011

Includes bibliographical references (p. 227-230) and index.

An Asperger's Guide to Entrepreneurship - Rosalind Bergemann  
2014-10-21

Entrepreneurship can be an ideal career option for enterprising individuals with Asperger Syndrome (Autism Spectrum Disorder) and this detailed guide explains how to tell if being self-employed is right for you and how to go about starting and growing your own business. Written by a successful entrepreneur and business consultant with Asperger Syndrome, this book provides all the guidance you need on the practicalities of starting up a company. The unique strengths that people with Asperger Syndrome can bring to a new business venture are

highlighted and solutions are offered for elements of entrepreneurship that can create stumbling blocks such as developing working relationships within your company, marketing yourself and your business, managing finances, networking and maintaining a healthy work-life balance. Full of pragmatic advice, case studies from established business owners with Asperger Syndrome and practical tools for professional development, this is an essential startup handbook for anyone on the spectrum considering making the leap to becoming an entrepreneur.

**Marriage and Lasting Relationships with Asperger's Syndrome (Autism Spectrum Disorder)** - Eva A. Mendes 2015-07-21

Proven counseling strategies that will help improve the relationships of married, long-term or co-habiting couples with Asperger's Syndrome (Autism Spectrum Disorder). ASD relationship expert Eva A. Mendes provides advice straight from the couples' counselling room that can be applied in day-to-day living and help with the challenges that can arise in relationships where one or both partners are on the autism spectrum. This includes issues surrounding diagnosis, mental health, sexual compatibility, sensory needs, executive functioning, theory of mind, communication, and co-parenting. She offers unique practical ideas for positive change such as creating a relationship schedule, making expression of appreciation and gratitude a part of every day, and finding mutually satisfying activities and special interests to engage in with your partner. The strategies in this book will be useful to couples themselves and any couples' counselors or therapists working with them.

*Love, Sex and Long-term Relationships* - Sarah Hendrickx 2008

"This accessible book is an invaluable source of information and support for couples in which one or both partners has Asperger Syndrome, as well as counsellors and health and social care professionals."--BOOK JACKET.

The Partner's Guide to Asperger Syndrome - Susan J. Moreno 2011-12-15  
Adults with Asperger Syndrome (AS) often have difficulties acquiring relationship skills due to the defining characteristics of the syndrome, experiences with peers during childhood and adolescence, and the

expectations of their partners. However, an increasing number do go on to achieve happy and successful long-term relationships with non-spectrum (NS) partners. This supportive book will give NS partners a better understanding of NS/AS relationships, and of what other NS partners have found to be helpful in terms of better understanding themselves and their partners, and enriching their relationships. Drawing on interviews with over 100 people in NS/AS relationships, as well as on their own experiences of having family members on the autism spectrum, the authors explore the key differences which may impact upon AS/NS relationships, such as communication, social skills, and sensory issues, and offer tried-and-tested advice on how to surmount difficulties and make things work. The book includes chapters on coping with stress and meltdowns, parenting, positive AS qualities and how to use them to their full advantage in a relationship, as well as advice on how the NS partner can ensure that their own needs are met. This book will provide support and encouragement to those in a relationship with someone who has been diagnosed with AS, or who is suspected of having AS, and will also be a useful resource for counsellors and other professionals who wish to deepen their understanding of AS/NS relationships.

**What Men with Asperger Syndrome Want to Know About Women, Dating and Relationships** - Maxine Aston 2012-07-15

Positive, practical and realistic, this book offers a wealth of information on women, dating and relationships for men with Asperger Syndrome (AS). Many AS men are totally confused and bewildered by women and

relationships and find it hard to know what to do, what to say and how to get it right. For these men, understanding the emotional side to relationships and women's needs can be a complete mystery and they often get it disastrously wrong. This practical handbook provides the answers to Asperger men's most frequently asked questions about women, dating and relationships, helping them to understand the way relationships work and increasing their confidence and ability to have successful relationships. This comprehensive handbook is essential reading for men with Asperger Syndrome (and their partners). It will also be of immeasurable use to counsellors and other professionals working with such individuals.

*The Other Half of Asperger Syndrome (Autism Spectrum Disorder)* - Maxine Aston 2014-02-21

Does your other half have Asperger Syndrome or do you suspect that he or she is on the autism spectrum? This quick and helpful relationships guide provides all the information you need for relationship success with your ASD partner. In the second edition of this best-selling book, Maxine Aston draws on over a decade of experience working with couples affected by Autism Spectrum Disorder. Updates include reference to recent research and information on same sex relationships, sensory issues and pregnancy. Full of bite-size tips and advice, the book explains Asperger Syndrome, discusses whether or not seeking an autism diagnosis will help, and offers simple strategies for coping with a range of relationship challenges including communication, social, and intimacy difficulties.
