

Uptown S Princess Urban Sex Exchange Series

Foreign Exchange - Quiana
2013-08-19

Before Uptown's Princess there was Lauren! Looking for a new twist in Urban Fiction? Look no further! "I never would have thought that taking a free trip would thrust my imagination into a complete Urban Fiction series!" -Quiana, author of the Uptown's Princess series.

"Quiana has an uncanny sense to bedazzle readers with her characters, engross them in the story line, then have you transfixed and mesmerized till the bitter damn end." -Treasure Blue, Essence Magazine Best Selling Author of Harlem Girl Lost How far would you go to take care of your boyfriend while he's in prison? Lauren is a sassy young woman on a money mission. Skilled at the craft of analyzing men, Lauren and her best friend, Isis, set

out to dig deep into the pockets of businessmen, and other high rollers. In little to no time Lauren establishes a way to provide for herself as well as her ex-drug dealing boyfriend. Unfortunately, Mace's sentencing is about to run out and so will Lauren's money making scheme. But Lauren is clever. The scandalous vixen manages to maneuver her way through love and sex exchanges undetected, or so she thinks? Mace has zero tolerance for lying, manipulative women however, Mace is also a businessman and just as greedy as his escorting girlfriend. He quickly discovers that money is what makes the world go round, and if you have the money-you can make people go around with it. In Mace's world, everyone has a price. Can business and

pleasure successful meet? This sexy tale of love, friendships, deceit and revenge will surely answer that question!

A History of the Harlem Renaissance - Rachel

Farebrother 2021-02-04

This book presents original essays that explore the eclecticism of Harlem Renaissance literature and culture.

My Gender Workbook - Kate

Bornstein 2013-06-19

Gender isn't just about "male" or "female" anymore - if you have any doubts, just turn on your television. RuPaul is as familiar as tomato ketchup with national radio and television shows, and transgendered folk are as common to talk-shows as screaming and yelling. But if the popularization of gender bending is revealing that "male" and "female" aren't enough, where are we supposed to go from here? Cultural theorists have written loads of smart but difficult-to-fathom texts on gender, but none provide a hands-on, accessible guide to having your

own unique gender. With *My Gender Workbook*, Kate Bornstein brings theory down to Earth and provides a practical approach to living with or without a gender. Bornstein starts from the premise that there are not just two genders performed in today's world, but countless genders lumped under the two-gender framework. Using a unique, deceptively simple and always entertaining workbook format, Bornstein gently but firmly guides you to discover your own unique gender identity. Whether she's using the USFDA's food group triangle to explain gender, or quoting one-liners from real "gender transgressors", Bornstein's first and foremost concern is making information on gender bending truly accessible. With quizzes and exercises that determine how much of a man or woman you are, *My Gender Workbook* gives you the tools to reach whatever point you desire on the gender continuum. Bornstein also takes aim at the recent flurry of books that

attempt to naturalize gender difference, and puts books like *Men are from Mars, Women are from Venus* squarely where they belong: on Uranus. If you don't think you are transgendered when you sit down to read this book, you will be by the time you finish it!

My New Gender Workbook - Kate Bornstein 2013-08-06

"This updated edition of Bornstein's formative *My Gender Workbook* (1997) provides an invigorating introduction to contemporary theory around gender, sexuality, and power. The original is a classic of modern transgender theory and literature and, alongside Bornstein's other work, has influenced an entire generation of trans writers and artists. This revised and expanded edition extends that legacy, offering an accessible foundation for examining gender in the reader's life and in the broader culture while arguing for the dismantling of all forms of oppression. For fans of the original, Bornstein's new material merits a fresh

read..."--Publishers Weekly, starred review

Cultural theorists have written loads of smart but difficult-to-fathom texts on gender theory, but most fail to provide a hands-on, accessible guide for those trying to sort out their own sexual identities. In *My Gender Workbook*, transgender activist Kate Bornstein brings theory down to Earth and provides a practical approach to living with or without a gender. Bornstein starts from the premise that there are not just two genders performed in today's world, but countless genders lumped under the two-gender framework. Using a unique, deceptively simple and always entertaining workbook format, complete with quizzes, exercises, and puzzles, Bornstein gently but firmly guides readers toward discovering their own unique gender identity. Since its first publication in 1997, *My Gender Workbook* has been challenging, encouraging, questioning, and helping those trying to figure out how to become a "real man," a "real

woman," or "something else entirely." In this exciting new edition of her classic text, Bornstein re-examines gender in light of issues like race, class, sexuality, and language. With new quizzes, new puzzles, new exercises, and plenty of Kate's playful and provocative style, *My New Gender Workbook* promises to help a new generation create their own unique place on the gender spectrum.

[The Un-Americans](#) - Joseph Litvak 2009-11-04

In a bold rethinking of the Hollywood blacklist and McCarthyite America, Joseph Litvak reveals a political regime that did not end with the 1950s or even with the Cold War: a regime of compulsory sycophancy, in which the good citizen is an informer, ready to denounce anyone who will not play the part of the earnest, patriotic American. While many scholars have noted the anti-Semitism underlying the House Un-American Activities Committee's (HUAC's) anti-Communism, Litvak draws on

the work of Theodor W. Adorno, Hannah Arendt, Alain Badiou, and Max Horkheimer to show how the committee conflated Jewishness with what he calls "comic cosmopolitanism," an intolerably seductive happiness, centered in Hollywood and New York, in show business and intellectual circles. He maintains that HUAC took the comic irreverence of the "uncooperative" witnesses as a crime against an American identity based on self-repudiation and the willingness to "name names." Litvak proposes that sycophancy was (and continues to be) the price exacted for assimilation into mainstream American culture, not just for Jews, but also for homosexuals, immigrants, and other groups deemed threatening to American rectitude. Litvak traces the outlines of comic cosmopolitanism in a series of performances in film and theater and before HUAC, performances by Jewish artists and intellectuals such as Zero

Mostel, Judy Holliday, and Abraham Polonsky. At the same time, through an uncompromising analysis of work by informers including Jerome Robbins, Elia Kazan, and Budd Schulberg, he explains the triumph of a stoolpigeon culture that still thrives in the America of the early twenty-first century.

Fire and Bone - Rachel A.

Marks 2018

In Hollywood's underworld of demigods, druids, and ancient bonds, one girl has a dangerous future. Sage is eighteen, down on her luck, and struggling to survive on the streets of Los Angeles. Everything changes the night

she's invited to a party--one that turns out to be a trap.

Thrust into a magical world hidden within the City of Angels, Sage discovers that she's the daughter of a Celtic goddess, with powers that are only in their infancy. Now that she is of age, she's asked to pledge her service to one of the five deities, all keen on winning her favor by any means possible. She has to admit that

she's tempted--especially when this new life comes with spells, Hollywood glam, and a bodyguard with secrets of his own. Not to mention a prince whose proposal could boost her rank in the Otherworld. As loyalties shift, and as the two men vie for her attention, Sage tries to figure out whom to trust in a realm she doesn't understand. One thing is for sure: the trap she's in has bigger claws than she thought. And it's going to take a lot more than magic for this Celtic demigoddess to make it out alive.

Who's who in the East - 1983

The Cambridge Companion to Music and Romanticism -

Benedict Taylor 2021-08-26

A stimulating new approach to understanding the relationship between music and culture in the long nineteenth century.

New York Magazine -

1994-04-18

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted

resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Harness Horse - 1991

Side Chick Nation - Aya de León
2019-06-25

Winner of the International Latino Book Award A Justice Hustlers Novel She's beautiful, unpredictable—and on the run from dangerous men. But this ex-side chick is ready to risk everything to help others in trouble . . . Fed up with her married Miami boyfriend, savvy Dulce has no problem stealing his drug-dealer stash and fleeing to her family in the Caribbean. But when she gets bored in rural Santo Domingo, she escapes on a sugar daddy adventure to Puerto Rico. Her new life is one endless party, until she's caught in Hurricane

Maria—and witnesses the brutal collision of colonization and climate change, as well as the international vultures who plunder the tragedy for a financial killing, making shady use of relief funds to devastate the island even more. Broke, traumatized, and stranded, Dulce's only chance to get back to New York may be a sexy, crusading journalist who's been pursuing her. But is she hustling him or falling for him? Meanwhile, New York-based mastermind thief Marisol already has her hands full fleeing a ruthless CEO who's stealing her family's land in Puerto Rico, while trying to get her relatives out alive after the hurricane. An extra member in her crew could be game-changing, but she's wary of Dulce's unpredictability and reputation for drama. Still, Dulce's determination to get justice draws Marisol in, along with her formidable Lower East Side Women's Health Clinic's heist squad. But their race-against-the-clock plan is soon complicated by powerful men who turn deadly when ex-side

chicks step out of the shadows and demand to call the shots . . . Praise for Aya de León and her novels “Staking out space for women of color in the heist-fiction genre, Aya de León’s smart, sly writing is a knockout.” —Andi Zeisler, Bitch magazine “This well-written and enjoyable installment in de León’s unique, feminist, urban crime-fiction series . . . infuses satisfying power in both plot and character.” —Booklist on The Boss, STARRED review Uptown Thief - Aya de León 2016-07-26 International Latino Book Award Winner In this sexy, heart-stopping tale, one smart, sizzling mami robs the rich and protects the exploited--until one heist too many puts everything at stake. . . Marisol Rivera barely survived being abused with nowhere to turn. So there's nothing she won't do to keep her Lower East Side women's health clinic open and give disadvantaged women new lives. Running an exclusive escort service for New York City's rich and

powerful 1 percent is the perfect way to bankroll her business--not to mention the perfect cover for robbing corrupt CEOs. And when times get even tougher, pulling a heist on a mega-billionaire will secure the clinic's future--and her gorgeous crew's--for good. . . There's just one problem: Marisol didn't anticipate bad news even more dangerous than her curves. A seductive ex-cop who's too close for comfort, and a powerful thug with a score to settle, are turning Marisol's precise planning and seductive fail-safes into insidious traps. Now this beautiful modern-day Robin Hood will have to play some lethal wild cards without rules or limits to save those she loves--and live to steal another day. . .

About Criminals - Mark Pogrebin 2011-12-09

This book presents students with recent and important research on criminal behavior. The articles in this anthology, all based on actual field studies, provide the reader with a realistic portrayal of

what actual offenders say about crime and their participation in it. The offenders' voices, along with the researchers' analyses, offer students a real-life view of what, how, and why various criminals behave the way they do.

Sociological Abstracts - Leo P. Chall 2002

CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences. The database provides abstracts of journal articles and citations to book reviews drawn from over 1,800+ serials publications, and also provides abstracts of books, book chapters, dissertations, and conference papers.

Harlem Girl Lost - Treasure E. Blue 2008-12-24

"A true urban novel filled with vivid images of the street."
-Black Issues Book Review
Treasure E. Blue, street lit's hottest newcomer, crafts characters that fly off the page and a story that burns with

intensity. Set in Harlem, this searing novel is a poignant and gritty portrait of urban survival of the ghetto's fittest . . . and most fierce. Silver Jones knows just how cruel life can be. Her mother was chewed up and spit out by its dark side—brutally murdered while turning a trick. Rather than live with her abusive grandmother, Silver runs away. Determined to escape the mean streets, Silver longs for an education. But after running into an old friend, a homeless youth named Chance whom she'd taken under her wing once upon a time, Silver puts her dreams of college on hold. Chance is grown now—and he's a powerful drug overlord. But underneath the cool exterior is the same innocent boy Silver once loved. As they begin an affair, Silver tries to convince Chance to give up the lethal way of life that ruined both their childhoods. But Chance knows that walking away from the game means having to pay a deadly price. Silver won't take no for an answer—even if it means delving into a seedy

underworld and outsceming some of its most vicious drug-dealers and cold-blooded murderers. "Even in Blue's world of double-crossing, misogyny, drugs and brutality, an against-all-odds fairy tale can come true." -Publishers Weekly

Slavery's Metropolis -

Rashauna Johnson 2016-11-07

A vivid examination of slave life in New Orleans in the early nineteenth century.

That's the Joint! - Murray Forman 2004

Spanning 25 years of serious writing on hip-hop by noted scholars and mainstream journalists, this comprehensive anthology includes observations and critiques on groundbreaking hip-hop recordings.

Blood Kiss - J. R. Ward 2015-12-01

Paradise, blooded daughter of the king's First Advisor, is ready to break free from the restrictive life of an aristocratic female. Her strategy? Join the Black Dagger Brotherhood's training center program and learn to fight for herself, think

for herself...be herself. It's a good plan, until everything goes wrong. The schooling is unfathomably difficult, the other recruits feel more like enemies than allies, and it's very clear that the Brother in charge, Butch O'Neal, a.k.a. the Dhestroyer, is having serious problems in his own life. And that's before she falls in love with a fellow classmate. Craeg, a common civilian, is nothing her father would ever want for her, but everything she could ask for in a male. As an act of violence threatens to tear apart the entire program, and the erotic pull between them grows irresistible, Paradise is tested in ways she never anticipated--and left wondering whether she's strong enough to claim her own power...on the field, and off.

Nevada - Imogen Binnie 2022-06-09

Maria, a trans woman in her thirties, is going nowhere. She spends her aimless days working in a New York bookstore, trying to remain true to a punk ethos while

Uptown S Princess Urban Sex Exchange Series

drinking herself into a stupor and having a variety of listless and confusing sexual encounters. After her girlfriend cheats on her, Maria steals her car and heads for the Pacific, embarking on her version of the Great American Road Trip. Along the way she stops in Reno, Nevada, and meets James, a young man who works in the local Wal-Mart. Maria recognizes elements of her younger self in James and the pair quickly form an unlikely but powerful connection, one that will have big implications

for them both. Nevada is a hilarious, groundbreaking cult classic from Imogen Binnie that inspired a whole literary movement, and is now published in the UK for the very first time. Part of the Picador Collection, a new series showcasing the best of modern literature.

Ebony - 2000-12

EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.
