How to Make a Man Fall in Love with You - Tatiana Busan 2023-02-03

Never lose your heart, if the man of your dreams makes it clear that your friendly relationship will never get into a love relationship. The things that seem to be a disadvantage in the beginning, later can become an advantage, in case the situation is ruled in the right way. Thus a dark beginning may get into a glorious victory. While you desperately want this man, he might try to distance himself further. Most people don't get that rejection can always be overpassed with patience and tenacity.

Regardless where you are now and regardless your success with men, you can change present and future, beginning from now on! It will be a nice voyage and I can guarantee you will enjoy it! My empirical researches proved unilaterally that men are wild creatures. They get easily frightened by any kind of sudden gestures. Sometimes they can fly around you, in order to suddenly change later the flight into an opposite direction. If threatens show hostility or passive aggression, they disappear in the attempt to oppose resistance to the "capture". The difficult part comes when you have no interest from man's side. The most important is to keep it alive. You must learn to analyze each step of you before action, like the Queen in chess game who is the strongest member, because she possesses the greatest sense of mobility, so you should dominate chess table too, learning all tricks with knights and horses, performing in the end a noble check to the king of your heart.

Don't lose your heart, if the man you like wants to take a distance in the beginning. Don't try to impose your presence, nor let yourself conquered. Put into action some strategies and a touch of creativity, the desired man only waits to be conquered by you. The simple fact that you've been already reading this page, reveals that you have taken the route of the fulfillment of the most important goals of your life: investment in yourself and your private life. The Tao of Dating - Ali Binazir 2012-06-13

The #1-Rated Dating Book by Readers on Amazon for 3+ Years Running This is what readers say: 'I have read many books about relationships and dating, but The Tao of Dating is one of a kind, so different and mind-blowing in its common sense and simplicity that it is impossible to put it down once you start reading.' 'Well, where shall I start? Mind blowing? Life-changing? Truly opened my eyes? No words can express how much I love this book. I wish I had read it much earlier.' 'I keep this book in a

small, carefully chosen, boxed collection of 'indispensable advice I wish I had written' that I will pass along to my children as they navigate through teens, twenties, early adulthood and beyond.' 'This turned out to be one of the most transformative books I have ever read much more so than I thought it possibly could be.' 'The content is intelligent and compassionate and enriching far beyond anything to do with dating. In essence, this book somehow, magically, alchemically, brings you back to yourself. Everyday TV and other media specialize in portraying women as cheap and disposable. This book is the antidote. Just by reading it, one is restored to one's own heart. I can think of no better praise.' '1.5 reads of the book in and I can honestly say that I not only have a clear sense of the basic things that I was doing that were completely throwing off the dynamic with these men, but that I now have simple, quite beautiful little tools in mind when I'm interacting with men that make me properly excited to date. I'll admit that I bought a few books in this vein in one lump...but 'The Tao of Dating' just completely blew them out of the water.' 'This is the most helpful dating book that I have experienced! At the time of my purchase I also downloaded two other books and after reading this I can't even get through the first chapter of the other ones.' 'Thanks to this specific book, I went from having a nonexistent dating life, with empty weeks stretching ahead to being booked every night of the week and in some cases, having two or three dates per evening... the results, for me, were dramatic: I now feel like I have my pick of the litter a slew of fabulous guys who all clamor for my attention.' Can You Have it All? Hell Yeah! I believe that smart, successful women CAN have it all -- both a great career AND a rich, warm, fulfilling love life. Do read on if you agree. See -- smart women like yourself were having unfulfilling love lives on an epidemic scale when I was an advisor at Harvard. They either couldn't find the right guy, were with the wrong guy, had relationships that didn't last, or had given up on dating entirely. So I wrote this book to remedy the situation. This is not your grandma's dating guide. Partially because I'm not your grandma, and partially because the 21st century poses unprecedented challenges to the modern woman. With a high-powered career, it may seem that there just isn't time for love. And

nowadays, lots of guys are less educated & affluent than you. What to do? Ancient Wisdom + Modern Science = Lasting Love & Happiness for You This book combines ancient wisdom with modern science to give smart, successful women like yourself a heart-centered, science-based, practical guide to finding fulfillment in your love lives -- and far beyond. I give it all to you in a progression of small, easy steps that put the fun back in dating, plus the science and reasoning behind it so you can trust where it all comes from.
