Adolescence, Sexuality, and the Criminal Law - Vern L Bullough

2014-06-03

Gain an understanding of the threat to freedom that is posed by state regulation of adolescent sexual behavior Sexual autonomy encompasses

both the right to engage in wanted sexual activity and the right to be free and protected from unwanted sexual aggression. Only when both aspects of adolescents' rights are recognized can human sexual dignity be fully respected. In Adolescence, Sexuality, and the Criminal Law, experts from several disciplines use case studies, legal analysis, empirical examinations, and tables and figures to provide you with an insightful contribution to the debate surrounding child sexual abuse. Much has

been written about the undisputedly essential fight against child sexual exploitation. In *Adolescence, Sexuality, and the Criminal Law*, experts investigate for the first time what distinguishes the sexual contacts of adolescents from those of children and why they should be treated separately. This updated version of the papers delivered to the International Association for the Treatment of Sex Offenders in 2002 is an essential guide for lawmakers, sexologists, psychologists, and lawyers interested in an interdisciplinary approach to adolescent sexuality and the criminal law. This resource carefully examines child sexual abuse laws that fail to distinguish between children and adolescents. The text includes discussions of the history of the age of consent, adolescent sexuality, relations between adolescents and adults, and adolescent prostitution and pornography that will leave you better informed about the sexual rights of adolescents and the criminal politics of youth protection. *Adolescence, Sexuality, and the Criminal Law* examines adolescent sexuality and the various policies that threaten adolescents' autonomy, including: the question of youthful sexuality and how society has attempted to deal with it recent attempts to deny youthful sexuality through abstinence or changes in the law intergenerational sexual interaction child pornography and much more! As the debate surrounding child sexual abuse laws escalates, the value of this authoritative and timely text will continue to increase. Whether you are a lawmaker, a sexologist, a social worker, a lawmaker, or a lawyer, *Adolescence, Sexuality, and the Criminal Law* is a resource that you'll return to again and again as you work to understand the importance of adolescent sexual rights.

Sex and Your Teenager - John Coleman 2003-03-28

As we all know, sexuality is not an easy topic for parents and carers to deal with once their children enter adolescence. We are all aware of the need to discuss sex with our kids, the only question is, how to start the conversation? This practical, down-to-earth book offers tips on how to broach the subject and gives advice on a range of problems from the bodily changes at puberty through to coping with relationships, contraception and HIV. And in light of modern society's ever changing

attitudes towards sexual behaviour, more controversial issues are addressed such as sexual orientation and STDs. Written in a very open, honest style, yet based on a solid bedrock of scientific information this book will help you to help your teenager to cope with their own sexuality.

* Written by a very well respected academic * Includes useful lists of organisations and further reading * Will empower you to develop a deeper, more satisfying relationships with your teenage kids
What Do I Do When Teenagers are Depressed and Contemplate Suicide?
- Steven Gerali 2010-01-05

"In this new series of books designed for anyone connected to teenagers, Dr. Steven Gerali addresses six daunting and difficult situations that, when they do happen, often leave youth workers and parents feeling unprepared. With a background in adolescent counseling, Dr. Gerali provides valuable resources to help youth workers and parents through some of the most challenging situations they may face. Each book defines the issue, explores how different theological perspectives can impact the situation, offers helpful, practical tips, along with credible resources to help the reader go deeper into the issues they're dealing with. This direct and hard-hitting series will include:

- What Do I Do When...Death Comes—How to help teens through the questions and pain that arise when another student dies
- What Do I Do When...Bullying and Violence Hits Home—Understanding and addressing the issues of bullying in and out of the youth group
- What Do I Do When...We Encounter Sexual and Physical Abuse—How to handle issues of sexual and physical abuse, including practical intervention strategies and legal parameters
- What Do I Do When...Families are Shattered by Dysfunction and Divorce—Equipping youth workers to help students pick up the broken pieces and find health and healing in the midst of family breakdown
- What Do I Do When...Secret Eating Disorders Eat Away at Kids—Understanding and recognizing eating disorders in order to initiate helping strategies for teens dealing with this issue
- What Do I Do When...Homosexuality Comes Out of the Closet and Into the Youth Ministry—Equipping youth workers to help students navigate the dangerous waters created by this issue, and educate other leaders on

how to engage with homosexuality in the church"

Understanding Sexual Identity - Mark A. Yarhouse 2013-10-22

Today's youth struggle with difficult questions of sexual identity. How can a youth worker offer wise care and counsel on such a controversial and confusing subject? Mark Yarhouse, Director of the Institute for the Study of Sexual Identity, writes to equip youth ministers so they can faithfully navigate the topic of sexual identity in a way that is honest, compassionate, and accessible. Reframing the focus away from the culture wars, Yarhouse introduces readers to the conversation beginning with the developmental considerations in the formation of sexual identity—all of which occurs in the teen years. He offers practical and helpful ways to think about people who experience same-sex attraction. Sections of the book are also dedicated to helping parents respond to their children and teens who struggle with questions of sexual identity, as well as how youth ministry can become more relevant in the lives of youth who are navigating these issues.

The Complete Guide to Gay Life for New Explorers - Michael Ryan 2014-09-27

Q I think I'm gay, what do I do? Q Who can I talk to about being gay? Q What do all the terms within the Gay Community mean? Q As a parent, how can I best support my gay child? This book has the answer to these and two hundred other questions to help you understand what life is like for a gay person and how to make the most of that life. If you are gay or think you might be gay or if you are someone who needs to understand the world of a gay person, then this book is for you. It covers many of the questions gay people have in relation to this new discovery and questions their family and friends might ask. It also answers questions about gay culture and gay relationships and gives tips and hints for staying healthy and safe. The content is deemed to be suitable for people aged fourteen and over. Michael Ryan is a counsellor and psychotherapist who is also gay. He has worked with hundreds of gay people. He wrote this book because he needed a resource to give to students, clients and their supporters to help them in their personal discovery about being gay, or how best to support someone else who is gay. It's basically a Gay mini-

encyclopedia David (17) Exactly the book I needed to explain to me what being gay is all about Lauren (14) The perfect resource for parents who have a gay child Claire (Parent)

What Do I Do When Teenagers are Victims of Abuse? - Steven Gerali 2010-02-23

"Nobody can prepare you for all the issues you'll encounter when it comes to teenagers. Whether you work with teens or are trying to parent them, chances are that you've already run into a few things that you felt completely unprepared or ill equipped to deal with. You're not alone! In this hard-hitting series of books, you'll find answers to the difficult questions you face when challenges arise. In What Do I Do When Teenagers are Victims of Abuse?, Dr. Steven Gerali will help you: • Grasp the realities and myths associated with abuse • Explore how theology informs the issue • Understand the different forms of abuse teens encounter, such as physical, emotional, sexual, and self-abuse • Identify the profile of abusers • Learn your role in mandated reporting • Equip teens to identify and avoid abusive situations or relationships With this practical book, you'll have what you need to identify and help victims of abuse, and you'll find plenty of resources for help beyond what you're able to give."

There's a Teenager in My House - Wayne Rice 2009-09-20

You have one of the toughest and most important jobs out there: raising teenagers. Their reputation precedes them: cluttered rooms, changing moods, curfew wars and confusing relationships haunt the dreams of parents well before their oldest child hits adolescence. Wayne Rice, founder of Understanding Your Teenager, has compiled more than a hundred of the most common concerns that parents bring to him, questions like How should I respond when my daughter is disrespectful? When is it appropriate for teenagers to start dating? What do I do when my son refuses to go to church? My kids asked me if I ever used drugs. Should I tell the truth or lie about it? In There's a Teenager in My House a team of youth ministry experts including Mark DeVries Duffy Robbins David Olshine Tim Smith Jim Green Marv Penner Kendra Smiley Dave Veerman who offer practical, wise answers based on their years of

experience ministering to (and raising) teenagers. The teenage years are tough on parents. They're tough on kids too. But with the helpful insights you'll find in *There's a Teenager in My House*, you can endure--and even enjoy--this exciting season of your child's life.

In Case You're Curious - Planned Parenthood 2019-09-10

Did you ever walk out of class having even more questions than when you walked in? You may feel that way about History or Math, but what about your Sexual Health class (if you even had one)? If you're anything like most of the youth in America today, your head is probably spinning with a swirling, high-speed hurricane of questions. It is totally normal to be curious and to have questions about relationships, bodies, consent . . . you name it! But where can your average teen go to get all the reliable and accurate answers they need? *In Case You're Curious (ICYC)*, a text-and-answer program conceived by Planned Parenthood, has been providing this educational service for teens for years. And now *In Case You're Curious: Questions about Sex from Young People with Answers from the Experts* is a big book of answers with funny and educational illustrations, to the most popular and most interesting questions young people have about birth control, development, sexually transmitted diseases, and so much more. Within these pages you will find non-judgmental (and fun!) answers meant to educate teens without the uncomfortable silence or weird eye contact often associated with "The Talk." With questions like "Does masturbating give you a disease?" and "Is the pineapple thing true?" *In Case You're Curious* isn't afraid to tackle the nitty-gritty questions you may think twice about raising your hand to ask in your Sexual Health class or at home.

What Do I Do When Teenagers Question Their Sexuality? - Steven Gerali 2010

In *What Do I Do When Teenagers Question Their Sexuality?*, you'll explore teens' struggles with sexuality, how theology intersects with it, and what practical actions you can take to help teens and their families.

Sexual Orientation in Child and Adolescent Health Care - Ellen C. Perrin 2002-06-30

From the reviews: ""The practical recommendations offered by Perrin will

make her book valuable not only to pediatricians, but also to professionals who evaluate medical school curriculums and supervise residents. *Sexual Orientation in Child and Adolescent Health Care* will surely help health care professionals to embrace their homosexual patients and families and will educate those who have been unaware of the needs and experiences of a small, but nonetheless important, segment of the population." (New England Journal of Medicine, 348:6, February 2003) ""In its writing, Perrin beautifully exem.

What Do I Do When Teenagers Question Their Sexuality? - Steven Gerali 2010-07-27

"When faced with a crisis, the first words most people think are, "What do I do...?" In this important series of books designed for anyone connected to teenagers, Dr. Steven Gerali addresses six daunting and difficult situations that, when they do happen, often leave youth workers and parents feeling unprepared. With a background in adolescent counseling, Dr. Gerali provides valuable resources to help youth workers and parents through some of the most challenging situations they may face. *What Do I Do When Teenagers Question Their Sexuality* helps youth workers and parents navigate the challenging waters created by this issue, and offers tools to deal with the shifting views of sexuality in culture and in their teens' lives. *What Do I Do When Teenagers Struggle with Eating Disorders* offers insights to help youth workers and parents understand and recognize eating disorders in order to initiate helping strategies for teens dealing with this issue."

Adolescent Males and Homosexuality: The Search for Self - Broderick S. Chabin, Ph.D. 2014

With the content of social debate about homosexuality so confusing, therapists, educators and parents have long needed reliable information they can use to help teens who struggle with their sexuality. With its comprehensive and thorough review of the issues - and by sharing the stories of these young people - *Adolescent Males and Homosexuality: The Search for Self* provides that long-overdue, essential resource. A wonderful and insightful in-depth discussion ... Recommended for everyone in the mental health field and those who work with adolescents

either in schools or community agencies; human sexuality classes; all who study adolescent development as well as those studying cultural diversity and LGBT issues. -Harry Drasin, MD, PsyD Assistant Clinical Professor of Medicine, UCLA Department of Medicine

Teens Text Sex - Mph Rebecca Griesse 2014-08-29

Do you ever wonder what other teens think about sex and relationships? Do you have questions about sex but don't know who to ask? Like you, many teens never talk about their worries and concerns because they're afraid of looking silly, uncool, or inexperienced. Many teens don't know who to turn to and ask these important questions. For these reasons, a teen text line was created in Alexandria, VA through the Alexandria Campaign on Adolescent Pregnancy (ACAP). Teens like you can ask their questions anonymously (that means they do not have to reveal their names or identity) and they will be answered within 24 hours. This book, TEENS TEXT SEX, takes all the questions that have been posed to the hotline and offers them, along with their answers, in the following categories: Relationships Sexual Decision Making Sexual Activity Birth Control and Preventing Pregnancy Pregnancy Sexually Transmitted Infections Teens use text messaging more than any other age group. They do way more text messaging (fifty texts a day) than they make calls on their cell phones (eleven calls a day). TEENS TEXT SEX is written in text-message language to hold true to the questions from the text line. Answers involve medically accurate information on sexuality and relationships. Brief information is provided for those who want more facts than provided in the question and answer format. You may want to apply some questions to yourself after reading a particular chapter. The information in this book is for INFORMATIONAL PURPOSES ONLY. It is meant to help guide discussions not replace talking to a counselor, doctor, or other professional.

LGBTQ - Kelly Huegel Madrone 2020-02-13

Fully revised and updated guide with frank, sensitive information for LGBTQ teens, their families, and their allies.? LGBTQ is the indispensable resource for lesbian, gay, bisexual, transgender, queer, and questioning teens—and their allies. This fully revised and updated

third edition includes current information on LGBTQ terminology, evolving understandings of gender identity and sexual identity, LGBTQ rights, and much more. Other advice covers topics such as coming out, confronting prejudice, getting support, making healthy choices, and thriving in school and beyond. Resources point the way to books and websites with more information, and quotes from LGBTQ teens (and allies) share stories of personal experiences. Created with input from PFLAG, GLSEN, GLAAD, and others, this book is for young people who are beginning to question their sexual orientation or gender identity, those who are ready to work for LGBTQ rights, and those who may need advice, guidance, or reassurance that they are not alone. 2018 Foreword INDIES Book of the Year Honorable Mention

Talking with Teens about Sexuality - Beth EdD Robinson 2021-02-16

When Dr. Robinson asked her freshman psychology students what today's parents need to know about teens and sex, they said parents do not have a realistic view of the world their children live in. A healthy sexual identity requires more than just a list of what not to do. In today's culture of sexual identity confusion, ubiquitous pornography, and #MeToo, teenagers need to know how to protect themselves as well as how to treat others. Talking with Teens about Sexuality will help you understand your teen's world and give you effective strategies in the midst of cultural pressures. Drs. Robinson and Scott provide scientifically reliable and biblically based information about gender fluidity, types of intimacy, online dangers, setting boundaries, and much more. Along the way, the book provides useful conversation starters and insightful guidance. Don't let fear keep you from engaging in vital conversations. Learn how to talk to your teen with knowledge and confidence, guiding them toward a sexually healthy future.

Gay and Lesbian Youth - Gilbert Herdt 2013-11-12

Here is a pioneering volume that explores adolescent homosexuality around the world. Social scientists examine the personal experiences of gay and lesbian teenagers from culture to culture and address the problems and obstacles these young people face. The changing contexts, values, and goals of societies worldwide are affecting how these

adolescents adapt to being homosexual, and this compelling book gives keen insight into how changes in the United States contrast with changes elsewhere. A unique and thorough description of the identities, situations, and relationships of homosexual teens in many societies, *Gay and Lesbian Youth* will help social scientists, health care professionals, counselors, gay teenagers, and their parents to better understand the similarities of the problems facing these youth, while recognizing the minor differences in their social and personal situations. How do the personal experiences of gay and lesbian teenagers vary from culture to culture? Here is the best, most complete description of the identities, situations, and relationships of homosexual teens in many societies. The changing contexts, values, and goals of societies worldwide are affecting how these adolescents adapt to being homosexual, and this compelling book gives keen insight into how changes in the United States contrast with changes elsewhere. Social scientists, health care professionals, counselors, gay teenagers, and their parents will better understand the similarities of the problems facing these youth, while recognizing the minor differences in their social and personal situations. These differences must be understood by interpreting the adaptations of gay and bisexual teenagers around the world.

The New Gay Teenager - Ritch C Savin-Williams 2009-06-30

Gay, straight, bisexual: how much does sexual orientation matter to a teenager's mental health or sense of identity? In this down-to-earth book, filled with the voices of young people speaking for themselves, Savin-Williams argues that the standard image of gay youth presented by mental health researchers--as depressed, isolated, drug-dependent, even suicidal--may have been exaggerated even twenty years ago, and is far from accurate today.

100 Questions You'd Never Ask Your Parents - Elisabeth Henderson
2013-08-27

Teens have questions about sex. This simple manual answers their questions--honestly, simply, and reliably. What does an orgasm feel like?

Does masturbating have any long-term negative effects? Does alcohol kill brain cells? Teens have questions about sex; it's a matter of who they ask and how reliable the answers are. Collected directly from teens and presented in a simple and accessible Q&A format, Elisabeth Henderson and Dr. Nancy Armstrong's *100 QUESTIONS YOU'D NEVER ASK YOUR PARENTS* provides information about sex, drug, body, and mood in a way that's honest, nonjudgmental, and responsible.

[Sexuality in Adolescence](#) - Susan M. Moore 2007-01-24

Sexuality in Adolescence considers the latest theory and research on adolescent development, focusing on sexuality as a vital aspect of normal, healthy maturation. Biological changes are discussed within a social context, and the latest research is presented on key issues of our time, including changes in teenage sexual behaviours and beliefs, sexual risk-taking, body dissatisfaction, sex education, teen pregnancy and abortion. Susan Moore and Doreen Rosenthal explore the roles of parents, peers, the media, social institutions and youth culture in adolescent sexual adjustment. This volume covers topical issues ranging from the role of the internet in adolescent romance to the pros and cons of abstinence education versus harm minimization. Issues, such as whether there are male-female differences in desire, sexuality, motives for sex, and beliefs about romance are examined, along with the question of whether a sexual double standard still exists. Maladaptive aspects of sexual development, including sexual risk-taking, disease, unplanned pregnancy, and sexual coercion are also covered. This fully revised and updated second edition also addresses the crucial issues of: sexual minority adolescents the social determinants of adolescent sexuality sexual health as opposed to sexual illness. This book aims to promote sexual well-being, and argues for the importance of the adolescent period as a time for engendering healthy sexual attitudes and practices. It will be valuable reading for students in the social and behavioural sciences interested in adolescent development and the topic of sexuality, and for professionals working with young people.
