Right Woman, Right Now! - Paul Kerton 2005

No girlfriend? No problem. This book will help you find one. There are many books aimed at telling women how to get the man of their dreams but remarkably few that give men advice on attracting the women they want. Paul Kerton's book is packed with invaluable tips on meeting, dating (and bedding) the most desirable women. It's for every man who has spotted a beautiful girl across a crowded room at a party, in the office even walking down the street but has lacked the confidence to approach her. The book is not just about finding and seducing the woman you want; it's also about satisfying her in and out of bed, so that a brief fling can become a long-term relationship."

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say

scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it-and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, Get Over Yourself! will help you get the love you've always wanted and deserve.

attracting a decent man is actually a lot easier than you think. Forget watching reruns of Sex and the City or chatting with your girlfriends late at night. In this guidebook, a self-professed jerk comes straight out, speaks the truth, and systematically explains how to • spot, avoid, and say goodbye to jerks; • tell if a guy is wasting your time; • deal with players • hunt for good men (and where to hunt for them). You'll also learn how to avoid common mistakes, such as overrating initial chemistry, inadvertently hurting a man's ego, losing a good guy's interest and much more. Full of witty satire and sarcasm. Ha ha you have a great sense of humor, and your statements are so true!" - Denise "We all know no one likes a tattletale. Hate the game, not the player. Every girl Tiger slept with knew he was married. Who is worse?" - Steve the player "That was such an enjoyable and enlightening read. I mean it's well written, witty, and one would think some of it is common sense, but sometimes people (i.e. me!) need common sense to slap them in the face!" - Cheryl "Willie whistle blower has a nice ring to it. You know someone's going to kick your butt one day? Good work!" - A guy Willie no longer parties with "I don't understand you. You go through university, build a promising career.
