Remember Me to Miss Louisa - Sharony Green 2015-07-31

It is generally recognized that antebellum interracial relationships were "notorious" at the neighborhood level. But we have yet to fully uncover the complexities of such relationships, especially from freedwomen's and children's points of view. While it is known that Cincinnati had the largest per capita population of mixed race people outside the South during the antebellum period, historians have yet to explore how geography played a central role in this outcome. The Mississippi and Ohio Rivers made it possible for Southern white men to ferry women and children of color for whom they had some measure of concern to free soil with relative ease. Some of the women in question appear to have been "fancy girls," enslaved women sold for use as prostitutes or "mistresses." Green focuses on women who appear to have been the latter, recognizing the problems with the term "mistress," given its shifting meaning even during the antebellum period. *Remember Me to Miss Louisa*, among other things, moves the life of the fancy girl from New Orleans, where it is typically situated, to the Midwest. The manumission of these women and their children—and other enslaved women never sold under this brand—occurred as America's frontiers pushed westward, and urban life followed in their wake. Indeed, Green's research examines the tensions between the urban Midwest and the rising Cotton Kingdom. It does so by relying on surviving letters, among them those from an ex-slave mistress who sent her "love" to her former master. This relationship forms the crux of the first of three case studies. The other two concern a New Orleans young woman who was the mistress of an aging white man, and ten Alabama children who received from a white planter a \$200,000 inheritance (worth roughly \$5.1 million in today's currency). In each case, those freed people faced the challenges characteristic of black life in a largely hostile America. While the frequency with which Southern white men freed enslaved women and their children is now generally known, less is known about these men's financial and emotional investments in them. Before the Civil War, a white Southern man's pending marriage, aging body, or looming death often compelled him to free an African American woman and their children. And as difficult as it

may be for the modern mind to comprehend, some kind of connection sometimes existed between these individuals. This study argues that such men—though they hardly stand excused for their ongoing claims to privilege—were hidden actors in freedwomen's and children's attempts to survive the rigors and challenges of life as African Americans in the years surrounding the Civil War. Green examines many facets of this phenomenon in the hope of revealing new insights about the era of slavery. Historians, students, and general readers of US history, African American studies, black urban history, and antebellum history will find much of interest in this fascinating study.

Why a Black Man Should Marry a White Women - Artimus Quick 2019-05-29

Why should a black man marry a white woman? This question is truly a reflection of the state of disfunction each black person experiences in the American social landscape. It defines why we hate ourselves so much. Who we are as a people, what our group behaviors display, and how we perceive one another are all affected by our own self perceptions. Do you look at yourself through the critical lens of a white person? Can you ever really love anyone if you don't love yourself? How can we find acceptance from within and add value to our relationships? This book seeks to define the scenarios where blacks fail each other daily and how each interaction can leave lasting detrimental effects which repeatedly cycle throughout the community. Should interracial relationships even happen? Does this question even matter if both the men and women of color don't wholeheartedly find value in themselves? Frankly put, if there is any hope for the future in the African American community, black men must learn a new level of accountability, commitment, and strength. If not, the answer is simple, A Black Man MUST Marry A White Women... Topics Include: Single mother homes Young black men in America, Aspiring single women, Light skin vs Dark skin women of color, Black men in the workplace, Interracial relationships, Black on Black crime

Is Marriage for White People? - Ralph Richard Banks 2011-09-01

A distinguished Stanford law professor examines the steep decline in marriage rates among the African American middle class, and offers a

paradoxical-nearly incendiary-solution. Black women are three times as likely as white women to never marry. That sobering statistic reflects a broader reality: African Americans are the most unmarried people in our nation, and contrary to public perception the racial gap in marriage is not confined to women or the poor. Black men, particularly the most successful and affluent, are less likely to marry than their white counterparts. College educated black women are twice as likely as their white peers never to marry. *Is Marriage for White People?* is the first book to illuminate the many facets of the African American marriage decline and its implications for American society. The book explains the social and economic forces that have undermined marriage for African Americans and that shape everyone's lives. It distills the best available research to trace the black marriage decline's far reaching consequences, including the disproportionate likelihood of abortion, sexually transmitted diseases, single parenthood, same sex relationships, polygamous relationships, and celibacy among black women. This book centers on the experiences not of men or of the poor but of those black women who have surged ahead, even as black men have fallen behind. Theirs is a story that has not been told. Empirical evidence documents its social significance, but its meaning emerges through stories drawn from the lives of women across the nation. *Is Marriage for White People?* frames the stark predicament that millions of black women now face: marry down or marry out. At the core of the inquiry is a paradox substantiated by evidence and experience alike: If more black women married white men, then more black men and women would marry each other. This book not only sits at the intersection of two large and well-established markets—race and marriage—it responds to yearnings that are widespread and deep in American society. The African American marriage decline is a secret in plain view about which people want to know more, intertwining as it does two of the most vexing issues in contemporary society. The fact that the most prominent family in our nation is now an African American couple only intensifies the interest, and the market. A book that entertains as it informs, *Is Marriage for White People?* will be the definitive guide to one of the most monumental

social developments of the past half century.

Reciprocity: Black Women Interracial and Intercultural Marriage- Book 3
- Eve Sharon Moore 2009-11

Penetrating essays and riveting comments from the 2007 Associated Press highlighted website: BlackFemaleInterracialMarriage.com as black women, white men, and others discuss the factors in the current social environment that are causing the surge in interracial and intercultural dating and marriages between African American women and men of other races and cultures. Internet personality, Eve Sharon "Evia" Moore urges African American women to make marriage to a "quality" man of whatever skin shade and cultural background a high priority, especially if there are to be children. Check out why more than 1 million readers have viewed over 2,500,000 pages of Evia's motivational and commonsense writings, thousands of comments from readers, and hundreds of photos of interracially and interculturally married black women and their mates. Find out why readers flock to Evia's site often and return eagerly to see and read more.

Interracial Marriages Between Black Women and White Men - Cheryl Judice 2014-05-14

Interracial marriages between African Americans and Caucasian Americans in the United States are the least common of all interracial marriages, with marriages between black women and white men being the less frequent of the two combinations. Since the 1990s, however, increasing numbers of black women have been marrying white men. This book examines the dynamics of race, social class and marriage in contemporary American society specifically with respect to marriages between African Americans and Caucasian Americans, comparing and contrasting the experiences of couples in both intermarriage patterns. Despite being the focus of extensive sociological and psychological research during the latter half of the twentieth century, most research on black-white intermarriage focused on African American men who married white women. Sociological research focused on the deviant nature of these marriages while psychological research focused on various pathologies attributed to couples who crossed the color line to

marry. Little research was directed towards marriages between African American women and white men with even less attention given to delineating differences in the two black-white marital pairings. As marriages between African American women and white men have become more common, it is important to understand why this trend has emerged and how this marriage type differs from the more prevalent African American man, white woman marriage combination. This book is one of the first published on interracial marriages which focuses specifically on marriages between African American women and Caucasian American men in contemporary America. The author examines the historical, social, and legal contexts from which these marriages emerged while demonstrating how the race and sex of each partner is important to understanding how the marriage is socially experienced. *Interracial Marriages Between Black women and White Men* is an important book for collections in African American studies, sociology, and racial studies.

Why Black Men Love White Women - Rajen Persaud 2009-03-03

A provocative, candid study of the romantic relationships between white women and black men offers a psychological explanation for the phenomenon, as well as analyzing the influence of the entertainment industry, exposing stereotypes, and assessing the global implications of black and white relationships.

It Ain't All Good - John Johnson 2004

Exploring the controversial subject and attraction of interracial relationships, this balanced analysis studies the historical, cultural, and societal mores that influence these unions. Factors such as slavery and the perception of white women as "forbidden fruit," the preponderance of women with lighter complexions in segments airing on BET and MTV, and the self-image and agenda of the African American male are explored in the context of how these issues may inadvertently influence the choice of a spouse from outside of the African American race. The reasons why a greater number of African American women marry within their race and the subtle and overt implications these marriages have on their immediate circle and the community at large are also examined.

Swirling - Christelyn D. Karazin 2012-05-15

The first handbook on navigating the exciting, tricky, and potentially disastrous terrain of interracial relationships, with testimony and expert tips on how to make the bumpy ride a bit smoother. The first handbook on navigating the exciting, tricky, and potentially disastrous terrain of interracial relationships, with testimony and expert tips on how to make the bumpy ride a bit smoother.

The White Man's Guide to Dating Black Women - Adam White 2007-11

If you're a White man interested in dating Black women, this book shows you how to make it happen. Learn how Black women think, what they like and don't like to see in White men, and where and how to go about meeting them. Find out how to cope with public reaction to interracial couples, learn how to counteract the psychological inhibitions that can hold you back from getting involved and understand why those who oppose interracial relationships feel compelled to think and act the way they do. Find out what works and get involved.

The Interracial Dating Book for Black Women Who Want to Date White Men - Adam White 1999

How to Date and Marry the Right Black Woman - Jeff Brandon 2019-02-19

Hi, I'm Jeff Brandon. I'm going to take you on a fun journey through my interracial dating experiences with black women. If you're a white man thinking of dating a black woman for the first time, you shouldn't jump into it without getting valuable insight on the subject first. This book will give you that insight! I'll teach you how to navigate your way through the wrong ones and get you on the fastest track to the right one for a successful interracial relationship. After reading, you'll know which black women to pursue, which ones to avoid, and which one to marry!

The Dating Divide - Celeste Vaughan Curington 2021-02-09

The data behind a distinct form of racism in online dating *The Dating Divide* is the first comprehensive look at "digital-sexual racism," a distinct form of racism that is mediated and amplified through the impersonal and anonymous context of online dating. Drawing on large-

scale behavioral data from a mainstream dating website, extensive archival research, and more than seventy-five in-depth interviews with daters of diverse racial backgrounds and sexual identities, Curington, Lundquist, and Lin illustrate how the seemingly open space of the internet interacts with the loss of social inhibition in cyberspace contexts, fostering openly expressed forms of sexual racism that are rarely exposed in face-to-face encounters. The Dating Divide is a fascinating look at how a contemporary conflux of individualization, consumerism, and the proliferation of digital technologies has given rise to a unique form of gendered racism in the era of swiping right—or left. The internet is often heralded as an equalizer, a seemingly level playing field, but the digital world also acts as an extension of and platform for the insidious prejudices and divisive impulses that affect social politics in the "real" world. Shedding light on how every click, swipe, or message can be linked to the history of racism and courtship in the United States, this compelling study uses data to show the racial biases at play in digital dating spaces.

Interracial Marriages Between Black Women and White Men - Cheryl Yvette Judice 2008

Interracial marriages between African Americans and Caucasian Americans in the United States are the least common of all interracial marriages, with marriages between black women and white men being the less frequent of the two combinations. Since the 1990s, however, increasing numbers of black women have been marrying white men. This book examines the dynamics of race, social class and marriage in contemporary American society specifically with respect to marriages between African Americans and Caucasian Americans, comparing and contrasting the experiences of couples in both intermarriage patterns. Despite being the focus of extensive sociological and psychological research during the latter half of the twentieth century, most research on black-white intermarriage focused on African American men who married white women. Sociological research focused on the deviant nature of these marriages while psychological research focused on various pathologies attributed to couples who crossed the color line to

marry. Little research was directed towards marriages between African American women and white men with even less attention given to delineating differences in the two black-white marital pairings. As marriages between African American women and white men have become more common, it is important to understand why this trend has emerged and how this marriage type differs from the more prevalent African American man, white woman marriage combination. This book is one of the first published on interracial marriages which focuses specifically on marriages between African American women and Caucasian American men in contemporary America. The author examines the historical, social, and legal contexts from which these marriages emerged while demonstrating how the race and sex of each partner is important to understanding how the marriage is socially experienced. Interracial Marriages Between Black women and White Men is an important book for collections in African American studies, sociology, and racial studies.

How to Be Irresistible to White Men - Lisa Marble 2013-12-01

Are you a black woman attracted to White men, but despite how much they may stare from afar or act friendly, you never get asked out on a date? Or perhaps you struggle with meeting White men in the first place? Chances are, you are one of the many Black Women who inadvertently give White men the red light. I used to face the same conundrum, until one day it hit me. It wasn't that White men didn't date outside of their race, after all a large percentage of White men interracially date and marry Asian women. In fact, my very own roommate (an Asian woman) was one of those girls who consistently had droves of White men lined up to date her. It was from observing my roommate and learning the secrets she used to attract White men that I was able to have a date every weekend with different White guys. And you can too. You see, the secrets Asian women know that cause them to win at swirling can be applied to Black women and work just as well. It will take some work on your part, but if you know who and what you want and are fed up of not getting it, it will all be well worth the effort. In this book, you'll learn: * How to Attract the Men you Actually Want * What you're NOT doing right now to

stop guys in their tracks from asking you out * Why you need to do your homework if you want to attract the right kind of men * How to make yourself instantly more approachable * Where to find the men you want to date * And Much More!

Choices - Eve Sharon Moore 2009-07-01

Penetrating essays and riveting comments from the 2007 Associated Press highlighted website: BlackFemaleInterracialMarriage.com as black women, white men, and others discuss the factors in the current social environment that are causing the surge in interracial and intercultural dating and marriages between African American women and men of other races and cultures. Internet personality, Eve Sharon "Evia" Moore urges African American women to make marriage to a "quality" man of whatever skin shade and cultural background a high priority, especially if there are to be children. Check out why more than 950,000 readers have viewed over 2 million pages of Evia's motivational and commonsense writings, thousands of comments from readers, and hundreds of photos of interracial and intercultural married black women and their mates. Find out why readers flock to Evia's site often and return eagerly to see and read more.

Black Men in Interracial Relationships - Kellina Craig-Henderson 2017-07-28

Why is it that successful black men--black men who are "at the top of their game" in the arts, entertainment, politics and athletics--are four times as apt to be married to or dating a woman who is not an African American than they were only thirty years ago? And why are twice as many black men involved in interracial relationships as black women? In addition to their celebrity status, which includes widespread popularity and wealth, black men from Charles Barkley to James Earl Jones to Russell Simmons to Bryant Gumbel share something else in common; something that also characterizes the experiences of more than 250,000 less well-known black men in the United States. They happen to be involved in interracial intimate relationships. Less than fifty years ago such relationships were next to impossible, leading to severe social sanctions. The fact that this is no longer the case is concrete evidence of

changes in the quality and character of contemporary race relations. Drawing on her own observations, and her examination of the responses of a small, diverse group of black men who date (in some cases exclusively), have sexual relations with, and marry women who are not of African descent, the book provides insight into the continuing ways that race and ethnic status affect the choices people make in their lives. Until this book, though, these types of relationships have received scant serious attention. Craig-Henderson forthrightly addresses the taboo, interspersing analysis with verbatim accounts from black men involved in such relationships. Grounded in serious research, interviews, and analysis of census data, *Black Men in Interracial Relationships* examines why such relationships appear to be so popular among black male elites. In the process, the author unravels the mystery behind the apparent absence of black women in black men's lives. It will be of interest to specialists in race, gender, family, and sexual issues, and appropriate for courses in these areas. It is also highly readable and thought-provoking for the general public, who will find its observations and findings fascinating.

Fat White Women and the Black Men That Love Them Vol 2 - Gareth Mayers 2016-12-03

When considering the issue of interracial relationships there still seems to exist a lot of negative opinions. After careful consideration of the outpouring of hate and vitriol found on youtube and other social media websites, there seems to be various arguments that keep coming up to explain interracial relationships in a negative light. These various arguments usually have their main support groups. For example a number of white males say that "black men are only taking out white man's trash," or black females will say "he can't handle a real woman so he is going for these highly domesticated easy white women." (I've heard this one uttered in person) and while this may seem like just the ravings of a mindless racist troll, or an idiot ratchet chick, look closer at what they are saying and you begin to realize that a lot of people share some of the same strong deep seated belief in both white and black communities. We only need to think a little to see what belief in this

theory can lead to; black women who internalize this would in effect be believing that black men view them as worse than trash, black men who share this view may look over potential partners out of fear, or shame. White women that have this view may settle for substandard men; thinking that they can't get a man of quality, and well, white men may suffer most of all in many an unforeseen way. In the first book we will discuss these issues mainly as they pertain to the white male then in the second we move on to the black female, finishing off in the third by addressing black men and white women. In doing this we are trying to give a different perspective to each viewpoint held, to offer a different perspective on the subject. But not in some boring scholarly talk with stats and graphs or hifalutin words but in a very simple down to earth way with a fresh comedic and entertaining story, that weaves all the points and counterpoints throughout leaving you, the reader to come to your own conclusions at the end. These books, while meant for you to have a great conversation piece or heavy thinking material are first and foremost supposed to be funny and entertaining, so take a load off - don't get stressed, we just going to have a good laugh at ourselves. So to the PC police leave the guns at the door or don't come in because we are definitely going to offend a lot of people here today but we don't care. This series of books was created hoping to answer questions posed by many people regarding interracial relationship between white women and black men. It focuses on women that are a little heavier than the average. This first book of the series addresses the assertion put out by a lot of white males, that say black men are taking our left-over trash. It hopes to shine a light on this statement with a story that may be considered offensive by some, but I'll let you be the judge of that. What is certain is that it is an entertaining, light, fun, and easy read. If you found that it did not offend you and you enjoyed it, then you should check out the rest of the series. This story shines a light on the statement black women make when they say, that "black men can't handle a real woman, so they pick up docile white women". Again, this series may be offensive to some so please be warned! This story shines a light on the reality of interracial relationships, trying to show that when it comes to love skin

color alone is not everything.

The White Man's Guide to Dating Black Women, Second Edition - Adam White 2011-07-07

If you're a White man interested in dating Black women, this book shows you how to make it happen. Learn about how Black women think, what they like and don't like to see in White men, and where and how to go about initiating relationships with Black women. Find out how to cope with public reaction to interracial couples, and learn how to counteract the psychological inhibitions that can hold you back from getting involved. Learn about the true nature of the opposition to interracial relationships and get started meeting and dating Black women. Find out what works and get involved. This second edition includes the complete text of the first edition together with a new chapter about racism on the street. Table Of Contents Chapter One Your Taste For Black Women Chapter Two Individuality And Interracial Relationships Chapter Three Coping With Public Reaction Chapter Four Understanding The Opposition To Interracial Relationships, Part I Chapter Five Understanding The Opposition To Interracial Relationships, Part II Chapter Six Understanding The Opposition To Interracial Relationships, Part III Chapter Seven Racism On The Street Chapter Eight Getting Ready To Meet Black Women Chapter Nine Meeting And Dating Black Women [Don't Bring Home a White Boy](#) - Karyn Langhorne Folan 2010-02-02 Folan encourages readers to look beyond common generalizations and stereotypes about race and gender in interracial relationships. In [Don't Bring Home a White Boy](#), writer Karyn Langhorne Folan debunks the myths and common preconceptions about interracial relationships: Is a black woman who dates white men a traitor to her race? And is America's history of black oppression a factor? Drawing on real-life testimonials, she boldly tackles this difficult subject with warmth, humor, and understanding, as she explores stereotypes of black female sexuality and white male perspectives on black female beauty. Folan goes beyond statistics and offers firsthand insights on her own interracial relationship and attempts to tap into a woman's desire to have all that they deserve instead of restricting themselves, simply because they want a "good

black man.” Frank, authoritative, and universally relevant, her message to women is to look beyond skin color, accept themselves for who they are, and seek a man who truly loves them, regardless of race.

Interracial Relationships Between Black Women and White Men -

Cheryl Y. Judice 2018

Interracial Relationships Between Black Women and White Men contains

vignettes on the lives of black women who are dating, married to, or divorced from white men. Black women and white men in interracial relationships were interviewed between 2014 and 2017 to learn how they met and how their relationships progressed. These forty interviews offer thought-provoking insights on the lives of those willing to cross the racial divide in pursuit of personal happiness.
