Treacherous Texts Mary Chapman 2011-04-15 *Treacherous Texts* collects more than sixty literary texts written by smart, savvy writers who experimented with genre, aesthetics, humor, and sex appeal in an effort to persuade American readers to support woman suffrage. Although the suffrage campaign is often associated in popular memory with oratory, this anthology affirms that suffragists recognized early on that literature could also exert a power to move readers to imagine new roles for women in the public sphere. Uncovering startling affinities between popular literature and propaganda, *Treacherous Texts* samples a rich, decades-long tradition of suffrage literature created by writers from diverse racial, class, and regional backgrounds. Beginning with sentimental fiction and polemic, progressing through modernist and middlebrow experiments, and concluding with post-ratification memoirs and tributes, this anthology showcases lost and neglected fiction, poetry, drama, literary journalism, and autobiography; it also samples innovative print cultural forms devised for the campaign, such as valentines, banners, and cartoons. Featured writers include canonical figures such as Stowe, Fern, Alcott, Gilman, Djuna Barnes, Marianne Moore, Millay, Sui Sin Far, and Gertrude Stein, as well as writers popular in their day but, until now, lost to ours.

Immigration and Women Susan C. Pearce 2011-05-23 This book is a national portrait of immigrant women who live in the United States today, featuring the voices of these women as they describe their contributions to work, culture, and activism. Highlighting the gendered quality of the immigration process, it interrogates how human agency and societal structures interact within the intersecting social locations of gender and migration. The popular debate around contemporary U.S. immigration tends to conjure images of men waiting on the side of the road for construction jobs, working in kitchens or delis, driving taxis, and sending money to their wives and families in their home countries, while women are often left out of these pictures. Through an examination of U.S. Census data and interviews with women across nationalities, we hear the poignant, humorous, hopeful, and defiant words of these women as they describe the often confusing terrain where they are starting new lives, creating architecture firms, building urban high-rises, caring for children, cleaning offices, producing creative works, and organizing for social change. The authors recommend changes for public policy to address the constraints these women face, insisting that new policy must be attentive to the diverse profile of today's immigrating woman: she is both potentially vulnerable to exploitative conditions and forging new avenues of societal leadership.

Crime or Compassion? Gail O'Rourke 2017-02-02 'I was torn. My best friend needed me. But little did I know then what the consequences of helping her would be...' In 2015, Gail O'Rourke stood trial on three counts of assisting in the suicide of her friend Bernadette Forde, who had taken her life in 2011 in the late stages of Multiple Sclerosis. Facing the possibility of fourteen years in prison for a crime she didn't commit, Gail was also grieving for the friend she'd lost. Here in *Crime or Compassion?* she takes us on the journey behind the events that led to her arrest: from her remarkable early years - growing up with an abusive father and her escape to a better life - to her enduring friendship with Bernadette and the highs and lows of caring for someone you love, to the moment she was arrested by Garda officers, signalling three of the worst years of her life. This is a story of friendship and selflessness, of the rules of a society sometimes at odds with the nature of personal suffering, and a gripping insight into the inner world of the courtroom: the characters, the colour, and the emotions that accompany standing in the dock, facing a jury of your peers.

No Ordinary Journey John W. Harris 2013-11-25 Americans in the 1960s were affected by many revolutions that would change the course of history in America. There was musical revolution, sexual revolution, social revolution, educational revolution, racial integration, race riots, and the effects of the Vietnam War. For a young black man like Nathan Summerdale, many of these changes had not yet reached the small city of Sarasota. Nathan knew that in order for him to experience these exciting changes, he had to leave his small community of Newtown.

The Carlucci Betrayal Robert B. Wilkins 2021-10-05 The Carlucci Betrayal takes readers deep into the Mississippi Delta during Prohibition to witness the founding of a criminal empire, and not since The Godfather has a Mafia family captivated readers the way the Carlucci brothers do in Robert Wilkins' and Sarah Cortez's rollicking novel of love, lust, and naked ambition. —Michael Bracken Anthony Award-nominated editor of The Eyes of Texas The Carlucci Betrayal is a fast-paced, thriller-diller of a crime ride. Newcomer Robert Wilkins and mistress of mystery Sarah Cortez team up to bring fresh action to the crime family novel. Love, lust, and lucre make an explosive combination between two brothers—best friends and best enemies. An extra? Two small-town brothers, Vince and Frank Carlucci, cash in on their knowledge of the bootlegging business by targeting an island already controlled by two rival crime syndicates. Little do they realize that soon they will be embroiled in more gunfights, intrigue, and searing romance than either one of them had anticipated. As they juggle violent takeover attempts, local animosity, and uneasy political alliances, each of them experiences love and loyalty in unanticipated ways. Accelerating conflicts propel the two brothers into a desperate confrontation under the turbulent winds of a deadly hurricane. Only then, is the Carlucci betrayal finally concluded.

A Wedding Gone to the Dogs S.A. Kazlo 2023-03-07 Life for children's book author Samantha Davies seems to finally be going smoothly. She has a new boyfriend, the love of her faithful dachshund and star of her books, Porkchop, and wedding bells are even ringing for Sam's Southern Belle cousin, Candie Parker. After eleven engagements Candie has finally found Mr. Right in Mark Hogan, who is currently running for reelection as the Mayor of Wings Falls in small-town Upstate New York. But when Candie hires Ex-Fiancé #1, Tommy, to repair her century-old purple Victorian home, disaster strikes. Instead of the perfect place for Candie and Mark to start their life as husband and wife, Candie finds Tommy dead—murdered with his own nail gun! Things only get worse when a few old racy pictures of Candie from when she and the victim were engaged surface, providing the police with the perfect motive for Candie to kill her ex. With the police on the wrong trail, Sam isn't about to sit on the sidelines in this murder investigation—much to the dismay of Sam's boyfriend, Detective Hank Johnson. But it's up to Sam to make sure her cousin doesn't spend her honeymoon in the Wings Falls' poky. Will Sam find out who the murderer is so Porkchop can walk down the aisle as Candie's ringbearer? Or will the killer be saying "I do" to another victim... this time closer to home? "Readers will fall in love with this book as soon as they open it up." ~ Cozy Mystery Book Reviews

Arrested Soul H. L. Nida 2020-10-15 I have to admit that Brian's Greek God good looks are pretty easy on the eyes. I've known him for years, yet, I've never seen him as anything more than the boisterous guy who works at the booking desk at the detention center. My best friend Simon from the U.K. comes to visit after my son gets sick, to ensure that we're okay. After a few nights of wine and long talks he tells me I'm crazy because I'm still in love with my deceased husband. On top of that, he's encouraging me to date again. The problem is, the only guy who's interested in me is Brian, and he's the biggest man-whore in the whole damn county! He's attractive and his huge size and muscular physique are intriguing, but what he wants from me is probably not what I'm interested in. As a single mom, I don't have time to date. Besides, my focus is on my children. Which is difficult working shift work as a cop in a very large and growing county just outside of Washington, D.C. Can someone you think you know, still surprise you and teach you to love again? Is there ever a right time to let your soul fly free after losing the love of your life? Arrested Soul is the fourth and final novel of the ARRESTED series.

My Brother is Getting Arrested Again Daisy Fried 2006-01-19 My Brother Is Getting Arrested Again celebrates the contradictions and quandaries of contemporary American life. These subversive, frequently self-mocking narrative poems are by turns funny and serious, book-smart and street-smart, lyrical and colloquial. Set in Philadelphia, Paris and New Jersey, the poems are at ease with sex happiness and sex trouble, girl-talk and grownup married life, genre parody and antiwar politics, family warfare and family love. Unsentimental but full of emotion, Daisy Fried's new collection, a

Lady Bountiful George A. Birmingham 2022-11-22 The novel "Lady Bountiful" brings us to Edwardian Ireland with its free-willing society: "A man may do many things there, things frowned on elsewhere, without losing caste." Yet, one thing can't be excused. That is a marriage without profit. This happened to the seventy-two-year-old Sir Tony Corless, who lost his caste by marrying a cook, a plain girl about forty years younger. She could barely read, but she had enough common sense to save her from posing as a great lady. She was never interested in politics until one morning when Lord Corless was reading his morning news out loud. At that moment, an idea of how to get instantly rich sparked her mind and set a train of events that changed her little society.

Cuffed by You Nikki Mays 2019-02-05 Kayla has had a pretty crappy year. Cheating husband? Check. Getting arrested for trying to drown him? Check. Getting handcuffed by the world's hottest cop? Check. Raising four kids alone? Check. Cheating ex-husband being a complete nuisance? Check. Obviously, it makes sense that she wants to stay as far away from the opposite sex as possible. The only thing she cares about is her family and work...well and maybe keeping her battery supply fully stocked. Of course, staying away from the opposite sex would be a lot easier if a certain Viking looking police officer didn't seem to be everywhere that she is. It would also be a lot easier if he would just stop flirting with her. Doesn't he understand that she's a mess on the best of days? A mess with four kids! What man in his right mind wants a woman who's crazy with a ton of kids? Marc is the type of man who enjoys variety in life...if you know what I mean. But he hasn't been able to get a certain crazy jilted woman out of his mind for the past year. Unfortunately for him, he likes a woman who's a little crazy and Kayla has just the right amount. He knows that the last thing that she probably needs in her life is a man like him. But it's like fate is even trying to help him. She is everywhere these days and he's not going to look a gift horse in the mouth. He's a man who always has a plan. His newest one? To get Kayla to be his. Pretty simple right? Sure, if you don't factor in

Bedard resorts to smuggling and finds himself, for the first time, at odds with the local law. Each month on the dark of the new moon, he slips the wharf and sails under an alias. The work is dangerous; most times he and his crew barely avoid capture by Concarneau's ambitious Captain Peder LaMotte. Bedard's plan works until one stormy night when he is betrayed by a vengeful crewmember and arrested by LaMotte. While Bedard awaits trial in the town jail he thinks his life can get no worse, until his beloved only daughter visits and tells him that she has finally met the man she wants to marry.

Woman Life Freedom Malu Halasa 2023-09-12 Mahsa Jina Amini's death at the hands of Iran's Morality Police on 16 September 2022 sparked widespread protests across the country. Women took to the streets, uncovering their hair, burning headscarves and chanting 'Woman, Life, Freedom' - 'Zan Zendegi Azadi' in Persian and 'Jin Jîyan Azadî' in Kurdish - in mass demonstrations. An explosion of creative resistance followed as art and photography shared online went viral and people around the world saw what was really going on in Iran. *Woman Life Freedom* captures this historic moment in artwork and first-person accounts. This striking collection goes behind-the-scenes at forbidden fashion shows; registers the sound of dissent in Iran, where it has been illegal for women to sing unaccompanied in public since 1979; and walks the streets of Tehran with 'The Smarties' - Gen Z women who colour and show their hair in defiance of the authorities, despite the potentially devastating consequences. Extolling the power of art, writing and body politics - both female and queer - this collection is both a universal rallying call and a celebration of the women the regime has tried and failed to silence. This is what protest looks like.

Battle Green Vietnam Elise Lemire 2021-04-16 In the spring of 1971, the largest mass arrest in Massachusetts history unfolded at a site nationally celebrated as the birthplace of freedom and democracy. With peace efforts at a standstill, the New England chapter of Vietnam Veterans Against the War had organized an event to rouse public support for their cause. Over the course of the long Memorial Day weekend, a band of more than two hundred young, fatigue-clad veterans sounded the alarm for peace and patriotism by marching—in reverse—the path Paul Revere had taken two centuries earlier when he called on the American colonists to rise against their British oppressors. Enacting the parts of colonial militiamen, the veterans set off in patrol formation along the famed Battle Road, a route calculated to take them past Concord's Old North Bridge, onto Lexington's Battle Green, and up to Bunker Hill. Determined to reanimate the patriotic sentiments expressed by the area's many Revolutionary War memorials, they revealed how far the nation had veered from its ideals by staging reenactments of the brutal atrocities they had witnessed and perpetrated in the name of freedom on the other side of the world. "With an ironic twist," the fliers they distributed explained, "our presence in Indochina as viewed by a native of an occupied village easily coincides with the British army in America." To the selectmen of the town of Lexington who ordered their mass arrest, the veterans were defiling spaces sacred to the nation's Revolutionary past; to the hundreds of bystanders who fed, sheltered, and committed civil disobedience with them, they were an inspiration. Elise Lemire tells this extraordinary story from the perspective of six men who played central roles in the events of May 1971. Based on more than one hundred interviews with participants and accompanied by nearly forty photographs and maps, *Battle Green Vietnam* demonstrates the power of mobilizing history, myth, and memorials to effect revolutionary change.
