**I Will See You in Heaven** - Jack Wintz 2018-12-06  
Friar Jack Wintz wants you to know--the Bible gives us many clues that we will be with our pets in heaven for eternity! "Our God is a God of overflowing love, goodness, and beauty who is ready to give over everything to those he

loves. This goodness is reflected in the whole family of creation. When God says of any creature, whether human or nonhuman, that it is good or very good, it's not a simple matter of moral goodness. The creature also has an inherent goodness and beauty--a beauty that reflects God, who is beauty itself"

and old yeller dog came by again- I almost didn't bark at him- but I did and Dad caught me. I got in trouble. Dad stepped on a nasty old nail today - went right thru his boot and into the back of his paw- it had blood on it. Gross huh! And I got in trouble for pooping in the backyard, Yup! And we found a little frog inside a leaf on the tree- you should have seen it. It didn't smell good and I sneezed- funny huh?... Hey Mom, that Crabtree lady on the other side of the wall was yelling again- she's mean! I don't like her, do you? I don't like her dogs either- especially the one that cries like a baby! Oh yeah- and I caught a lizard this morning! It didn't taste too good so I spit it out... I saved it- want to see it? I'll go get it for you- its right over there- come here!" ...And on and on it goes with Elliot the dog. He's some kind of a character. He sure is! Gotta Love him.

addressed the obvious...why bother getting a dog? Well, besides the fact that they're so cute and cuddly and who in their right mind could resist that adorable face when your puppy wants to snuggle in your arms, they're the most loyal companions anybody can ask for, always there by your side no matter what without judging you. \* Need some cheering up when you're feeling down? Your dog can do that. Need to get out of the house more and exercise? Your dog will force you off your couch to stay in shape. They are indeed man's best friend. Sometimes dogs are just better than people, and that's why we love them so much! But do you know what would make you love your dog even more? It's having a well-trained obedient dog that will listen to your ever command and even be able to do fancy tricks impressing those around, as a result of you training your dog. Why should you train your dog YOURSELF, when you can get somebody else to do it? Because it's your dog! If you let somebody else train your dog,

it will associate a stronger bond with the other person that you could have built, which far outweighs any new dog tricks. By training your dog personally, you strengthen the dog-and-owner relationship shared between the both of you. So be your dog's own trainer. By taking the "Dog Training Express," your destination includes: - How to determine which breed to get based off your experience and personality. - How to take care of your dog: health, veterinary visits, grooming, exercise, etc. - How to give your dog the must-haves: potty training and barking and biting control. - How to teach your dog tricks and games such as magnetic fetch and aerial Frisbee. - How to train your dog with the common basics: side, sit, stay, come, and speak. - Also, personalized hands-on exercises and applications to put everything into action on how to train a dog. ...and much more. "Dog Training Express" is very newbie-friendly and will get you up to speed in the simplest way possible. If you're
