James A. Parente 1991 These essays discuss approaches to early modern literature in central Europe, focusing on four pivotal areas: connections between humanism and the new scientific thought; the relationship of late sixteenth- and early seventeenth-century literature to ancient and Renaissance European traditions; the social and political context of early modern writing; and the poets' self-consciousness about their work. As a whole, the volume argues that early modern writing in central Europe should not be viewed solely as literature but as the textual product of specific social, political, educational, religious, and economic circumstances. The contributors are Judith P. Aikin, Barbara Becker-Cantarino, Thomas W. Best, Dieter Breuer, Barton W. Browning, Gerald Gillespie, Anthony Grafton, Gerhart Hoffmeister, Uwe-K. Ketelsen, Joseph Leighton, Ulrich Mache, Michael M. Metzger, James A. Parente, Jr., Richard Erich Schade, George C. Schoolfield, Peter Skrine, and Ferdinand van Ingen.

The Child In You Stefanie Stahl 2021-03-04 "Fantastic...

Stefanie's practical, informative, inspiring and highly-accessible approach to addressing psychological phenomena makes this book a hit" -- Vex King, bestselling author of Good Vibes, Good Life "I adored this book! Both mind-expanding and easy to digest, it is extremely helpful to me as a person, partner, mother and writer and my life is definitely better -- brighter, more enjoyable, less dominated by fear -- for having read it" -- Cathy Rentzenbrink, author of The Last Act of Love The breakthrough million-copy international bestseller about how to find happiness by befriending your inner child Everyone longs to be accepted and loved. Ideally, during childhood, we develop the self-

confidence and sense of trust that will help us through life as adults. But the traumas that we experience in childhood also unconsciously shape and determine our entire approach to life as adults. In *The Child In You*, bestselling author and psychologist Stefanie Stahl shares her proven approach for working with - and befriending - our inner child. Powerful, imaginative and practical - with clever exercises, from the three positions of perception to over-writing old memories - she shows how by renouncing our 'shadow child' and embracing our 'sun child,' we can learn to resolve conflicts, form better relationships, and find the answer to (almost) any problem. "I thoroughly recommend *The Child In You*, which will help anyone who wants to improve their mental wellbeing. We should all know our inner child, and Stefanie Stahl shows how we can get to do so, exploring this concept with warmth and accessibility" -- Julia Samuel, author of *Grief Works* and *This Too Shall Pass*

**Rebecca's Revival** Jon F Sensbach 2009-06-30 "Rebecca's Revival" is the remarkable story of a Caribbean woman--a slave turned evangelist--who helped inspire the rise of black Christianity in the Atlantic world. All but unknown today, Rebecca Protten left an enduring influence on African-American religion and society. Born in 1718, Protten had a childhood conversion experience, gained her freedom from bondage, and joined a group of German proselytizers from the Moravian Church. She

embarked on an itinerant mission, preaching to hundreds of the enslaved Africans of St. Thomas, a Danish sugar colony in the West Indies. Laboring in obscurity and weathering persecution from hostile planters, Protten and other black preachers created the earliest African Protestant congregation in the Americas. Protten's eventful life--the recruiting of converts, an interracial marriage, a trial on charges of blasphemy and inciting of slaves, travels to Germany and West Africa--placed her on the cusp of an emerging international Afro-Atlantic evangelicalism. Her career provides a unique lens on this prophetic movement that would soon sweep through the slave quarters of the Caribbean and North America, radically transforming African-American culture. Jon Sensbach has pieced together this forgotten life of a black visionary from German, Danish, and Dutch records, including letters in Protten's own hand, to create an astounding tale of one woman's freedom amidst the slave trade. Protten's life, with its evangelical efforts on three continents, reveals the dynamic relations of the Atlantic world and affords great insight into the ways black Christianity developed in the New World.

LOVED. HER HEART COULD NOT BEAR TO LOSE ANOTHER.

Isidora Binte Deogel had lost her father to alchemy, only to see Sir Lucien de Griswold willingly tread the same dangerous path.

And now a cruel irony had made him her soul's desire and her the agent of his doom! THE NEED FOR ATONEMENT HAD DRIVEN LUCIEN DE GRISWOLD TO FORSAKE ANY CHANCE AT LOVE.

But did Providence have a different fate in store for him? He

looked upon Isidora and saw not the daughter of his lore master nor the guardian of great mysteries, but the only woman who

could transform the leaden pain in his heart into golden joy!

Recognitions Terence Cave 1988 This is the first comprehensive study in any language of anagnorisis (recognition) - one of the least familiar terms in Aristotelian poetics, yet used to describe one of the most familiar features of drama and narrative fiction. The book traces the history of the term 'anagnorisis' and explores some of the ways in which it continues to be of value as a focus for theoretical reflection. Then, in a series of critical essays, the author analyses examples of recognition plots drawn from French, German, and English literature, including Corneille, Racine and Goethe, Shakespeare, James, and Conrad. Examined thus from many angles, recognition can at last be seen to deserve its place in the limelight, as a topic of the first importance, perhaps the most strictly literary of all topics in poetics. The book is aimed at a very wide readership, with English translations provided for quotations where necessary.

**Future War and the Defence of Europe** John R. Allen 2021

Future War and the Defence of Europe offers a major new analysis of how peace and security can be maintained in Europe: a continent that has suffered two cataclysmic conflicts since 1914. Taking as its starting point the COVID-19 pandemic and way it will inevitably accelerate some key global dynamics already in play, the book goes on to weave history, strategy, policy, and technology into a compelling analytical narrative. It lays out in forensic detail the scale of the challenge Europeans and their allies face if Europe's peace is to be upheld in a transformative century. The book upends foundational assumptions about how Europe's defence is organised, the role of a fast-changing transatlantic relationship, NATO, the EU, and their constituent nation-states. At the heart of the book is a radical vision of a technology-enabling future European defence, built around a new kind of Atlantic Alliance, an innovative strategic public-private partnership, and the future hyper-electronic European force, E-Force, it must spawn. Europeans should be under no illusion: unless they do far more for their own defence, and very differently, all that they now take for granted could be lost in the maze of hybrid war, cyber war, and hyper war they must face.

**Reflections of Realism** Robert C. Holub 1991 Comprises papers from the International Conference on [title] held Nov. 1988, London, UK on economics, planning, environmental impact, safety, control, generators. Acidic paper; no index. Holub (German, U. of California, Berkeley) contends that realism is not primarily a textual property, but a matter of reception, and reexamines 19th-century German literary realism by considering traditionally representative texts--novellas and novels--from the perspective of effects on readers. **Disguise and Recognition in the Odyssey** Sheila Murnaghan 2011-06-24 Disguise and Recognition in the Odyssey reveals the significance of the Odyssey's plot, in particular the many scenes of recognition that make up the hero's homecoming and

dramatize the cardinal values of Homeric society, an aristocratic culture organized around recognition in the broader senses of honor, privilege, status, and fame. Odysseus' identity is seen to be rooted in his family relations, geographical origins, control of property, participation in the social institutions of hospitality and marriage, past actions, and ongoing reputation. At the same time, Odysseus' dependence on the acknowledgement of others ensures attention to multiple viewpoints, which makes the Odyssey more than a simple celebration of one man's preeminence and accounts in part for the poem's vigorous afterlife. The theme of disguise, which relies on plausible lies, highlights the nature of belief and the power of falsehood and creates the mixture of realism and fantasy that gives the Odyssey its distinctive texture. The book contains a pioneering analysis of the role of Penelope and the questions of female agency and human limitation raised by the critical debate about when exactly she recognizes that Odysseus has come home.

**The Traditional and National Music of Scotland** Francis

Collinson 2023-08-31 Originally published in 1966, this was the first book on this subject to be published for over a hundred years. It covers all facets including little-known types of Gaelic song, the bagpipes and their music, including the esoteric subject of pibroch, the Ceol Mor or 'Great Music' of the pipes. It gives a comprehensive review of the fiddle composers and their music, and of the Clarsach and its revival, with an example of all-but-extinct Scottish harp music. A chapter is devoted to the music of Orkney and Shetland and the book contains over 100 examples of music many of which were from the author's own collection and published here for the first time.

*Love in Case of Emergency* Daniela Krien 2022-02 "Writing with the wry realism of Sally Rooney, one of Germany's most promising literary talents demonstrates her incisive understanding of the complexities of relationships and the depths of the human heart in this witty and compulsively readable novel about five very different women whose lives intersect. What happens when women fulfill their roles as wives, mothers, friends, lovers, sisters, and daughters? What comes next? Award-winning author Daniela Krien explores these questions in this powerful novel of friendship, love, loss, and everything in between. Krien explores the hopes, ambitions, challenges, and disappointments that shape modern women's lives, offering intimate insights on motherhood and childlessness, bereavement, infidelity, and divorce. At the heart of the novel are five very different women who find themselves hurtling towards a new way of living without knowing quite how they got there. A fresh take on women's lives, *Love in Case of Emergency* is a punchy yet sensitive novel that takes the

notion of aspiring to find happiness and connection to new and exhilarating heights"--

**The Bible and its Rewritings** Piero Boitani 1999-09-16 Piero Boitani discusses how some of the most fascinating scenes of Old and New Testament — Genesis, Exodus, Job, the Susanna story, the Gospel of John — are directly or indirectly rewritten in works ranging from the medieval period to the late twentieth-century: by Milton and Mann; by Chaucer, Dryden, La Fontaine, Orwell, and Kafka; by Faulkner and Tournier; by Shakespeare, T. S. Eliot, and Joseph Roth. Literature resonates with the mystery of recognition between human beings, and between God and humankind. The opening and closing chapters of the book examine this theme: from Abraham and Yahweh at Mamre to Joseph and his brothers, from Helen and Menelaus to Jesus and Mary Magdalene, from Pericles and Marina to Mendel Singer and his son Menuchim. The three central sections of the book discuss the means by which re-scripturing interprets the Scriptures: through truth or fiction; through letter or allegory; through liturgy, exegesis, catacomb frescoes, even churches themselves. This is an illuminating look at the Bible and its medieval and modern rewritings.

**Expressionism and Film** Rudolf Kurtz 2016-03-21

Expressionism and Film, originally published in German in 1926, is not only a classic of film history, but also an important work from the early phase of modern media history. Written with analytical brilliance and historical vision by a well-known contemporary of the expressionist movement, it captures Expressionism at the time of its impending conclusion—as an intersection of world view, resoluteness of form, and medial transition. Though one of the most frequently-cited works of Weimar culture, Kurtz's groundbreaking work, which is on a par with Siegfried Kracauer's *From Caligari to Hitler* and Lotte Eisner's *The Haunted Screen*, has never been published in English. Its relevance and historical contexts are analyzed in a

concise afterword by the Swiss scholars Christian Kiening and Ulrich Johannes Beil.

*Die Mappe Meines Urgroßvaters (Ein Tagebuch Aus Dem Anfang Des 18. Jahrhunderts)* Adalbert Stifter 2018-04-28 In keiner seiner vielen Erzählungen hat Stifter seiner Böhmerwälder Heimat ein so nachhaltiges Denkmal gesetzt wie in seinem romanartigen Werk "Die Mappe meines Urgroßvaters." Mit keinem anderen Werk hat sich also Stifter so intensiv beschäftigt wie mit diesem Stoff, seinem "Lieblingskind," und zwar vom Ende der 30er Jahre bis zu seinem Tod. Aus dem Buch: "Man sagt, daß der Wagen der Welt auf goldenen Rädern einhergeht. Wenn dadurch Menschen zerdrückt werden, so sagen wir, das sei ein Unglück; aber Gott schaut gelassen zu, er bleibt in seinem Mantel gehüllt und hebt deinen Leib nicht weg, weil du es zuletzt selbst bist, der ihn hingelegt hat; denn er zeigte dir vom Anfange her die Räder, und du achtetest sie nicht. Deßwegen zerlegt auch der Tod das Kunstwerk des Lebens, weil alles nur Hauch ist, und ein Reichthum herrscht an solchen Dingen. - Und groß und schreckhaft herrlich muß das Ziel sein, weil dein unaussprechbar Wehe, dein unersättlich großer Schmerz nichts darinnen ist, gar nichts - oder ein winzig Schrittlein vorwärts in der Vollendung der Dinge. Das merke dir, Augustinus, und denke an das Leben des Obrist." Adalbert Stifter, Pseudonym Ostade (1805-1868) war ein österreichischer Schriftsteller, Maler und Pädagoge. Er zählt zu den bedeutendsten Autoren des Biedermeiers.

ashram in Rishikesh, India, to a wider audience than ever before. No photographers or press were allowed at Maharishi Mahesh Yogi's ashram in the foothills of the Himalayas, but the Beatles had no objection to fellow visitor Paul Saltzman freely snapping pictures during their time there. This unprecedented access resulted in an extensive collection of intimate photos of the world's most beloved rock band during one of their most serene and productive periods, only two years before the official dissolution of the group. Containing a wide-ranging narrative by Saltzman—about everything from the story of how “Dear Prudence” came to be to George Harrison's description of the first time he picked up a sitar—this unique and exclusive exploration of one of the Beatles' most tender and bittersweet periods is a must-have for all fans of the legendary rock group.

Beyond the Blue Border Dorit Linke 2021-09-07 Hanna and Andreas will do anything to leave oppressive East Germany behind. There's one escape route open to them, but can they survive it? Hanna and Andreas have always been friends. When they're expelled from school for activism directly challenging the socialist state in East Germany, they end up doing factory work. But what kind of life do they have to look forward to without education or opportunity? Especially when they aren't allowed a voice? The choice to risk imprisonment or death by escaping to the democratic West seems like a risk worth taking. They set out to swim twenty-five hours across the choppy waters of the Baltic Sea. Linke's storytelling achieves a delicate balance between heightened moments of danger--searchlights, jellyfish, a Russian helicopter, a violent summer storm--and the monotony, ineffable fatigue, physical pain, cramping, fear, and hope that fill the rest of the journey. A memorable tale of two people risking all for a chance at freedom.
