*The Astrology of You and Me* - Gary  
Goldschneider 2018-04-03

This astrological relationship guide is indispensable for dealing with everyone from friends and family to bosses and coworkers. Steer your life by the stars and make all your interpersonal relationships shine. This beautifully designed, horoscope-driven handbook will teach you to bring energy to your relationships and divine the true nature of personalities using the power of astrology. Do you know how to live peacefully with a Taurus? Discuss money issues with a Cancer? Improve your sex life with a Scorpio? With chapters arranged by astrological sign, *The Astrology of You and Me* will give you help and guidance for

every imaginable star-crossed situation, and the beautiful design features astrology-inspired illustrations throughout.

*Astrology of Intimacy, Sexuality & Relationship* -  
Noel Tyl 2002

An astrology book geared specifically toward relationship aspects of the zodiac signs is offered by one of the foremost astrologers in the world and the author of 23 books.

*Astrology in Time and Place* - Nicholas Campion  
2016-06-22

Astrology is the practice of relating the heavenly bodies to lives and events on earth, and the tradition that has thus been generated. Many cultures worldwide have practised it in some form. In some it is rudimentary, in others

complex. Culture and scholarship have categorised it as both belief and science, as a form of magic, divination or religious practice – but in many ways it defies easy categorisation. The chapters in this volume make a significant contribution to our understanding of astrology across a range of periods of cultures. Based on papers presented at the annual conference of the Sophia Centre held in 2012, the contributions range from China and Japan, through India, the ancient Near East, the classical world and early modern Europe, to Madagascar and Mesoamerica. The different topics include ritual and religion, magic and science, calendars and time, and questions of textual transmission and methodology. Astrology in Time and Place is essential reading for all interested in the history of humanity's relationship with the cosmos.

[Astrological Crosses](#) - Pauline Edward 2013-01

This book brings to life a previously understated, yet crucial component of chart interpretation:

the astrological crosses (the cardinal, fixed, and mutable aspects of the signs of the zodiac), or the modes or quadruplicities, as they have been more commonly known. The crosses are so important to chart interpretation that you will wonder how you were able to complete an astrological analysis without them. Astrological Crosses explores the strengths, qualities and unique challenges of each cross, using real-life examples from the author's consulting practice. Planetary configurations and transits will take on a whole new meaning as you incorporate the crosses in your interpretations. Whether a beginner or a veteran in the world of astrology, your perception of the signs will undoubtedly be enriched. Previously published as "Astrological Crosses in Relationships" this edition contains essentially the same content, with a new layout.

**Astrology of Health** - Noel Eastwood

highly insightful, practical and accessible work. Discover how elemental dominance manifests in our psyche and our body; how Planets, Signs, and Houses correspond to potential problem areas and how our mental and physical health can be affected by transits, directions and progressions. Examines chart after chart highlighting the physical and psychological health conflicts between Planets, Signs, and Houses. Learn how to see health problems in a chart before it manifests. No traditionally trained Tibetan healer would prepare a herbal prescription for a patient without first drawing up their astrological charts. It was the same back in the Middle Ages in European culture: astrology and medicine were one. The five year Degree in Traditional Tibetan Medicine or the Degree of Traditional Tibetan Astrology, was required before a healer was permitted to practice. Thirty percent of the staff at the Tibetan Medical & Astrological Institute of His Holiness the Dalai Lama of Dharamsala were

involved solely in the preparation of astrological charts. A patient's natal chart is still used for initial diagnosis and in determining the best medical remedies and treatment. A work of love and one that he now passes on to those astrologers and healers who wish to know a little more of the link between astrology and health. As a retired psychologist he has tried to tone down his bias towards psychological health in the charts, but as a healer, he recognises just how important the link between mind and body truly is. The lively conversational format will both entertain and enlighten you. Reviews "Noel Eastwood is an amazing astrologer and gifted writer! I have never found so much good information about the astrology of health in any other book." AC "Beautifully written book that looks at individuals likely health issues through their predominance of the elements in their charts. It looks at whether one has a Fire, Earth, Air or Water Dominance in their Natal Chart. Depending upon the leading element the

individual has, they will have certain strengths and weaknesses health wise. Written in an interactive conversational way between student and teacher it is entertaining and teaches the reader gradually over a number of lessons. Along the way It makes use of a number of case study charts to illustrate the lessons of elemental predominance with regards to Health. I know the elements are one of the cornerstones of Astrology. In understanding more about how their emphasis relates to ones health I found the book highly usefull." DK "Quite informative and i really liked the teacher/student format. I would have liked more charts on mental illness though. Detail oriented." AJ "I have just completed reading "Astrology of Health". I literally could not put it down. I learned so much!! By envisioning myself as silent observer at the table with Eastwood's student, I participated in each lesson. I am not an astrologer. Yet, I felt I examined each chart. I could clearly see the relationship between each astrological influence

and how those influences manifested in each person's life. I had never thought about medical astrology at that depth nor had I clearly understood how generational charts reflected genetic, familiar medical and psychological themes and spiritual lessons. I was educated, informed, excited, and amazed!" CC

**Aspects in Astrology** - Sue Tompkins  
2002-09-01

Illustrates how aspects can offer a profound depiction of an individual and his or her destiny.

- Contains comprehensive sections full of interpretations for every planetary combination.
- Concepts are explained through the use of actual birth charts and diagrams.
- A core textbook at the Faculty of Astrological Studies in London. Aspects are an essential piece of the astrological puzzle when it comes to interpreting and using the information that astrology can give us. It is not enough to know the placement

of the planets on the horoscope. It is the relationships between the stars and planets that let us grasp the destiny of the individual. Aspects describe the drama of our lives--the complex configurations that influence what will happen to us over time. Sue Tompkins, a fellow of the Faculty of Astrological Studies in London, shows how to interpret aspects when doing daily astrological readings. She uses the lives of real people to plot the aspects and offers examples of every possible planetary combination. Detailing the influence of oppositions, trines and elemental trines, and cardinal, mutable, and fixed crosses, Tompkins shows how aspects provide the energy in the chart that transforms the horoscope into something symbolizing an alive and vital human being. With *Aspects in Astrology*, Tompkins provides both the novice and the experienced astrologer the evidence and concrete methods needed to grasp the vast knowledge offered to us by our horoscope. [The Power of Time](#) - Pauline Edward 2007

"Don't wait around for life to happen. Develop a solid, successful life plan with guidance from numerologist and life coach Pauline Edward. Whether your goals are personal or professional, *The Power of Time* can help you take advantage of the natural cycles influencing your life. Is this a time of new beginnings or are you ready to reap the rewards of your efforts? Simple calculations based on numerology (derived from a birth date) will reveal where you are in each nine-year cycle and what to expect from each year, month, and day. Once your life path is mapped out, it's easy to pinpoint the best times to start a new job, focus on family, launch a business, take time to reflect, make a major purchase, complete a project, expand your horizons, and more. Also included are worksheets and exercises - practical resources to help you clarify your life purpose, set goals, identify potential obstacles, and map out your future with confidence"--Publisher's description.

**The Astrology of Relationship** - Michael R. Meyer 2000-01-20

Of all the branches of astrology, it is probably "synastry" - the technique of comparing the

birth charts of two or more persons - that most fascinates those who practice astrology today. This is the first book to deal thoroughly with the basic purpose and techniques of chart comparison in clear, contemporary terms. Going beyond the simplistic popular methods which compare only sun signs, Michael Meyer's humanistic approach to synastry offers a responsible tool for understanding the mutually constructive aspects of any relationship. The Astrology of Relationship introduces the concept of "relationship" with a brief overview of its place in traditional astrological practice and its relation to certain Eastern Philosophical concepts. Explaining the significance of planets, houses and signs in determining personal compatibility, Meyer offers a step-by-step technique for chart comparison, including full instructions for casting and interpreting zodiacal contact, house contact, and composite charts. To demonstrate the methods described, the book concludes with synastric analyses of three

important relationships in history: Sigmund Freud and Carl Jung; George Sand and Frederic Chopin; and founders of the Theosophical Society, Madame Blavatsky and Henry Olcott. Michael R. Meyer is the author of *A Handbook for the Humanistic Astrologer* and *The Astrology of Change: Horary Astrology and its Humanistic Applications*.

[The Secret Language of Relationships](#) - Gary Goldschneider 2013-10-31

The Secret Language of Relationships shows how astrology can craft a relationship profile between any two individuals born during any two weeks of the year. The result is an indispensable guide to getting the most out of every relationship. The bestselling companion book to the groundbreaking *The Secret Language of Birthdays*, *The Secret Language of Relationships* offers a fascinating look into why we are drawn to certain people. Goldschneider divides the year into 48 “weeks,” showing the personality traits for each period. With an

amazing 1,176 combinations of personalities, you can better understand any relationship in your life. Beautifully illustrated and designed, the Secret Language series is sure to delight a new generation of astrology enthusiasts and all people who are interested in better understanding themselves and the people around them.

most effective way to pursue, woo, and be happy with your objet d'amour of ANY sun sign. Quick and easy to use, this guide features snappy summaries that use real astrology for all 144 sun sign combinations, giving you the astrological heads-up on how to improve your love life in a hurry.

[Real Life Astrology: The Cross of Matter](#) - Sara Shipman 2022-09-19

The Ascendant. The Descendant. The Midheaven. The Nadir. The angles of your birth chart represent the points where the energies of the planets make contact with reality in the most tangible sense - and that's because of their associations with the most important things in your life - your family, your partner and your career and - most of all - yourself. All of those things are the most important factors in determining your sense of who you are. The lines that connect those points form a cross known as the 'Cross of Matter' and it symbolises the current incarnation of your spirit on this

earth. In astrology, the Cross of Matter is important because it provides the foundation for accurate natal chart interpretation. If you want to know how to deal with the realities of your existence and keep things held together, the Cross of Matter will tell you everything you need to know. In this book, Sara Shipman explains what the Cross of Matter represents in everyday terms, and she shows you how to interpret your cardinal points - the Ascendant (AC), Descendant (DC), Midheaven (MC) and Nadir (IC) in ways that are relevant to everyday, lived experience. This book includes: A full analysis of the Ascendant-Descendant axis by sign. A full analysis of the Midheaven-Nadir axis by sign. A full analysis of planetary aspects to each cardinal point. Take your understanding of astrology to the next level with this, the second book in the Real Life Astrology series of books. *How to Handle Your Human Relations* - Lois Haines Sargent 2006-11

the most basic fact of life, and yet they can be very complicated. The astrology of relationships, including such links as love and marriage, friendship, family ties and business associations, is the subject of this most thorough and detailed guide. It covers attraction, endurability and mental agreement as well as the position of Saturn. From interchart aspects to cross-chart house connections, all the major tricks of the synastry trade are explained in this book. Lois Haines Sargent's well written, well read volume has been a best seller ever since its first printing in 1958.

Synastry - Ronald C. Davison 1983

Astrology can be used as a valuable tool in the understanding of human relationships. This internationally acclaimed book lays the foundation for a comprehensive study by giving a basic view of the principles of chart comparison and interpretation, showing how to apply this information. The author has discovered "The Relationship Horoscope", an

entirely new way of charting, in a single horoscope, the relationship between two people. He also introduces new methods of determining the quality of that relationship. Essential energy patterns and needs are first determined within the natal chart and then various methods of comparing horoscopes are fully explained. Twenty horoscopes further illustrate how to utilise this rich source of information. Whether you are a professional Astrologer or simply learning more about your own innate potential, this book offers information, and guidance that will enrich your insight into relationships and increase self-knowledge. Topics include: Marriage & Relationships; The First Meeting Horoscope; Various Methods of Comparison; Sun Sign Compatibility; The Part of Marriage; Planetary Cross Aspects; House Interchanges; The Relationship Horoscope.

decides to tinker with the horoscopes of the man of her dreams. “A bright, brilliant, joyful love story.”—Josie Silver, #1 New York Times bestselling author of *One Day in December* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE When childhood sweethearts Justine (Sagittarius and serious skeptic) and Nick (Aquarius and true believer) bump into each other as adults, a life-changing love affair seems inevitable. To Justine, anyway. Especially when she learns Nick is an astrological devotee, whose decisions are guided by the stars, and more specifically, by the horoscopes in his favorite magazine. The same magazine Justine happens to write for. As Nick continues to not fall headlong in love with her, Justine decides to take Nick’s horoscope, and Fate itself, into her own hands. But, of course, Nick is not the only Aquarius making important life choices according to what is written in the stars. Charting the ripple effects of Justine’s astrological meddling, *Star-Crossed* is a

delicious, intelligent, and affecting love story about friendship, chance, and how we all navigate the kinds of choices that are hard to face alone. Praise for *Star-Crossed* “Swoon-worthy . . . a smart, sweet love story about friendship, destiny, and the power of choice.”—*Bustle* “[A] juicy romance novel.”—*Good Housekeeping* “Enchanting . . . this book will capture your attention and keep you entertained from the first page to the last.”—*BuzzFeed* “This cleverly structured first outing from the pseudonymous Darke will appeal to fans of romantic comedy, astrology, and chaos. Utterly charming and ripe for development as a film.”—*Booklist* “Winning . . . Unpretentious, well-drawn characters and the fresh twist on the childhood sweethearts reunited setup make this perfect for fans of romantic comedies.”—*Publishers Weekly* “Darke creates a world of stargazers whose destinies eventually collide. . . . Funny and enticing.”—*Library Journal*

*Astrological Crosses in Relationships* - Pauline Edward 2002

For the first time ever, here is an astrology book that focuses on astrological crosses (the cardinal, fixed, and mutable aspects of the signs of the zodiac) and their impact on people's lives, behavior, actions, and motivations. Crosses are so important to truly understanding a chart that you will wonder how you ever completed an astrological analysis without this essential component. Astrological Crosses in

Relationships explores the strengths and challenges of each cross, using many real-life stories taken from the author's consulting practice. Crosses revealed in the birth chart provide the best clue to personal energy style:  
· Cardinal energy dreams and initiates  
· Fixed energy desires and creates  
· Mutable energy communicates and analyzes  
With this innovative guide, you can learn to identify crosses in everyday life experiences, mend star-crossed relationships, and balance a lack or overemphasis of crosses in your birth chart. This is a Print-on-Demand title. Please allow an additional 2-3 days for delivery

**Esoteric Astrology** - Alice A. Bailey 2012-12-01  
The science of esoteric astrology is said to be the basic occult science of the future. Astrology is described in this book as "the science of relationships", a science which deals with those conditioning energies and forces which play through and upon the whole field of space and all that is found within it.
