Would you like to know exactly how to get a girlfriend who is amazing and beautiful without resorting to cheesy pickup lines? Then this book is for you. Written by international men's coach Jake D. Ryan Dating Advice for Men: Unlike PUA books, Charm her Pants Off, line isn't about tricks, lies, or manipulation. Whether you want to get your ex back, attract women to date regularly, or learn exactly how to get a girlfriend who makes heads turn, the lessons in this book can help you stand out in any room. You'll never have to hesitate or feel like you've run out of things to say. You'll bleed confidence in any social situation, captivate the room, and know how to attract women that you most desire. Whether you want to know how to get a girlfriend or just date around, The Charm her Pants off has the answers that have worked for tons of men. The girl of your dreams is out there...will you get her? Charm her Pants Off is the ultimate and only guide to getting girls and to understand women once and for all. This is why guys that read it don't read or recommend anything else. Because the few men who "get it" spend the rest of their lives enjoying sexy girls in abundance - and so can you. You can learn to get ANY girl you want, the same way that all men who are naturally good with women have. The only difference is that you may learn it much FASTER, instead of wasting tons of time and money on fruitless dates or a new car/haircut/shirt that you BELIEVE will make you more attractive - but really doesn't. You see; men LACK success with women because they either don't understand what women are attracted to, or because they THINK that they do know, but have the wrong ideas and hence waste a lot of time - sometimes their entire life - chasing things they don't need. You know you have to get this book if you believe women want men with money, cars, or anything else that is manmade, because that doesn't make any sense. If women really were attracted to something unnatural, how did men meet women before any of those things were invented? The approach you'll learn in The Manual is very different from conventional dating and the advice you find in the mainstream media because it focuses on natural attraction - on what women REALLY want - not what they CLAIM they want or what males in general BELIEVE women want. It incorporate men's and women's socialization and explains phenomena's such as why men think women are attracted to things such as money (yet money is a man-made invention that has not even EXISTED very long) and why women "play hard to get" (a well-known phrase which amusingly reveals that women ARE easy but only pretend not to be). This is why the beginning of the book addresses your basic beliefs and mindset, because if you learn to THINK correctly, you will automatically behave correctly around women. Even if they are so stunning they normally take your breath away, your mind goes blank, and you run out of words. You already have what it takes to seduce women. Like, if you never run out of words around your close friends or family, you should be able to talk to a hot girl without making a fool out of yourself. You are the Man!!!

**How to Get the Girl Ignore and Score: Dating Mindsets Explained** - Robert Belland 2012-11-01

Our mindsets drive the emotions we have, the decisions we make, and the women we attract into our lives. This book outlines the very best dating mindsets I've tested, experienced, and found most successful. Getting the girl isn't just a Hollywood fantasy; attracting beautiful women isn't the sole domain of the super rich, the super hunk, or the outrageously gifted. Attracting and dating beautiful women isn't about magic and pickup lines, it's about your mindsets, basic human insights, and a little female psychology. This book outlines the FOUR FOUNDATIONS of successful dating: Attraction, Rapport, Leading, and Escalation. ATTRACTION is about tension and her emotional response to you. RAPPORT is about intimacy and her emotional connection with you. LEADING is about challenging your fears and taking action while communicating sincerity through your actions. ESCALATION is about consistently increasing the intensity of your relationship via attraction and rapport so that it goes where ever you want it to go. When you learn how to inspire ATTRACTION and RAPPORT in a woman through your actions of LEADING and ESCALATION, you'll create a compelling chemistry between you and her that most men will NEVER achieve. QUESTIONS THIS BOOK ANSWERS: - What's the best way to avoid the "friend zone"? - Why do some women resist guys they're REALLY into? And how can you tell the difference? - How can you remove the fear of rejection when approaching a woman? - What are 5 easy ways to make a woman feel at ease and comfortable with you? - What are 6 powerful ways to prevent yourself from feeling jealous? - What are 14 ways she is trying to tell you she's into you that most guys miss? - When is the right time to kiss her? - What

are 5 things you should do or say when in bed with a woman?! - Etc, etc, etc...
