Confessions of a Paris Potty Trainer - Vicki Lesage 2014-05-24

A funny memoir about pregnancy & French parenting #1 Amazon Best Seller in Humor Essays Diapers, tantrums, and French bureaucracy-the crazy life of an American mom in Paris. Think French parenting is easy? Think again! Former party girl Vicki trades wine bottles for baby bottles, as this sassy mommy of two navigates the beautiful, yet infuriating, city of Paris. How does she steer a stroller around piles of dog poop? Or find time for French administration between breastfeeding and business meetings? And will she ever lose the pregnancy weight with croissants staring at her from every street corner? This humorous memoir will have you laughing, crying, and wiping up drool right alongside Vicki as she and her ever-patient French husband raise two children in the City of Light. If you're looking for a memoir packed with parenting humor, or simply want to know if French parenting really leads to well-behaved kids, this collection of essays is for you! Interview with the Author Q. What was your inspiration to write the Confessions series? A. After a few too many drinks at the bar, I either turn to storytelling or karaoke. I'm much better at storytelling-or so my friends say! They encouraged me to put my tales to paper, and thus was born my series of memoirs, essentially a collection of funny essays. Q. OK, so they're technically memoirs. But they seem different than traditional memoirs. How would you categorize them? A. Most of the best selling memoirs are written by celebrities, who already have a huge audience. I had to choose a different angle in order to stand out, so I went for humor. I hope people find my memoirs funny, with all the dating humor you would find in chick lit. I also talk about my travels, so my books would appeal to anyone who likes travel humor and travel memoirs by women. Confessions of a Paris Party Girl includes partying and dating humor, while Confessions of a

Paris Potty Trainer would fall into the mothering or pregnancy humor categories. Q. Yikes... Those are practically spoilers! A. Sorry! Between my French last name and my author bio, I think the cat might already be out of the bag. However, even if you have a rough idea of how it all ends up, you have no idea how rough it was getting there until you read my books! Q. Aren't there already so many memoirs, and ones about Paris in particular? Why should I choose yours? A. It's true, there are some really great Paris memoirs out there. The fact that I have read (and enjoyed!) so many best selling memoirs myself makes me think it's a popular genre for a reason. We're always thirsty for another sip of Paris, right? To travel to Paris through the pages of a book... to fall in love with Paris again! Q. What order should I read the books in? A. Each book in the Confessions series can stand alone, but like fine wine and pungent cheese, they go great together! I would recommend the following order: - Petite Confessions: A Humorous Memoirette - Confessions of a Paris Party Girl: A Humorous Travel Memoir - Confessions of a Paris Potty Trainer: A Humorous Parenting Memoir - Confessions & Cocktails: A Humorous Memoirette If you enjoy fun, light reads with an inside look of what it's really like to live in France, you'll enjoy the Confessions series. Waiter to the Rich and Shameless - Paul Hartford 2015-11-14

A down-and-out musician chops off his hair to become a server at the top of the Hollywood food chain, discovering a cloistered world of money, fame, bad behavior and intrigue. Waiter to the Rich and Shameless is not just a peek into the secretive inner workings of a legendary five-star restaurant; it is not just a celebrity tell-all or a scathing corporate analysis. It is a top-tier waiter's personal coming-of-age story, an intimate look into the complicated challenges of serving in the country's most elite, Hollywood-centric dining room while fighting to maintain a sense of self and purpose.

Excess Baggage - Tracey Carisch 2018-08-14

Tracey Carisch thought she had it all. As a wife, mother, and successful executive, she seemed to be living the modern American dream. But one night, a panic attack sent her tumbling into an existential crisis and questioning everything about her life. That's when she and her husband made a decision that shocked their family and friends: they sold everything they owned, pulled their three young daughters out of school,

and became a family of wandering globetrotters. Loaded with hilarious mishaps as well as deeply meaningful revelations, *Excess Baggage* chronicles the Carisch family's extraordinary, eighteen-month adventure across six continents. As they navigate the trials and tribulations of international travel, the family encounters unique people and bizarre situations that teach them about the world—and themselves. Carisch's candid and insightful account of her family's journey will have you laughing out loud, shedding a few tears, and bringing the lessons of family travel into your own life . . . without ever having to leave home.

Sorry I'm Late, I Didn't Want to Come - Jessica Pan 2019-05-30

'Funny, emotional and deeply inspiring, this is perfect for anyone wanting to break out of their comfort zone' Heat What would happen if a shy introvert lived as an out-and-out extrovert for one year? Jessica Pan is about to find out... * When she found herself jobless and friendless, sitting in the familiar Jess-shaped crease on her sofa, she couldn't help but wonder what life might have looked like if she had been a little more open to new experiences and new people, a little less attached to going home instead of going to the pub. So, she made a vow: to push herself to live the life of an extrovert for a year. She wrote a list: improv, a solo holiday and... talking to strangers on the tube. She regretted it instantly. *Sorry I'm Late, I Didn't Want to Come* follows Jess's hilarious and painful year of misadventures in extroverting, reporting back from the frontlines for all the introverts out there. But is life actually better or easier for the extroverts? Or is it the nightmare Jess always thought it would be? * 'In a world of self-care and nights in, this book will inspire and remind you to do some things that scare you every so often.' Emma Gannon 'Tender, courageous and extremely funny, this book will make us all braver.' Daisy Buchanan 'A chronicle of Pan's hilarious and painful year of being an extrovert.' Stylist

Confessions of a Worrywart - Susan Orlins 2013-01

In her plucky new memoir, award-winning journalist Susan Orlins embraces her hang ups and faces life's imperfections with wit and grit. While her friends smoke marijuana or drink to get high, Orlins becomes intoxicated by therapy visits. Eavesdrop on her confessions as she goes

through psychiatrists the same way she goes through boyfriends. Orlins takes readers on a rocky but riotous journey from her starter marriage during college to her second marriage in 1979, after which she moves to Beijing. Her years in Beijing and her effort to adopt a baby there provide a fascinating portrait of an era in which "eating bitterness" was a way of life for Chinese people. She worries: Will I locate a child? Will I convince the Communist government to go along with a foreign adoption? In the chapter "I May Have Ruined the Marriage, But You're Ruining the Divorce," Orlins explores her separation with wry, wrenching self-awareness. She rebounds with a divorce party and then vibrantly portrays a cast of Mr. Wrongs, like one who--whenever he feels blue--swallows a pinch of his father's ashes. During a solo bicycle trip in Paris, Orlins tracks down a boyfriend from 42 years earlier. No one could have anticipated the crisis that occurs an hour into their reunion. With her knack for stumbling into drama, it's no wonder she worries. As Orlins ages, she misses her younger self and pictures paying her a visit. This imaginary encounter changes Orlins forever. Readers of all ages will relate to this deeply personal story, told with comical sensibility by a quirky, startlingly honest mother, daughter, ex-wife, and dog lover, who--a la Nora Ephron--will feel like a dear friend. *Confessions of a Worrywart: Husbands, Lovers, Mothers, and Others* will stay with you long after you finish reading it. Reviews "A first-rate personal essayist, Susan Orlins delivers the goods time and again. Underneath her self-mocking voice, her abundant humor, her brio, there is the serious candor of a moralist who worries the problems that won't go away." -PHILLIP LOPATE, author and editor of *The Art of the Personal Essay* "Susan Orlins is America's funniest neurotic since Woody Allen. Just be careful you don't crack a rib reading *Confessions of a Worrywart*." -PATRICIA VOLK, author of *Stuffed* "Susan Orlins combines the practical with the comical. A multi-tasking mom, she knows how to show and hide her feelings simultaneously. When you have the time (the kids are out of the house and your mom is in a home), read this book! You will identify and laugh." -SYBIL SAGE, writer for *The Mary Tyler Moore Show*, *Growing Pains*, *Magnum P.I.*, *Northern Exposure* "Toxic chemicals. Tomatoes.

Getting the bed by the window in her future nursing home. What's NOT to worry about? Just ask Susan Orlins, America's funniest worrywart-not because you want to wring your hands, but because you want to laugh out loud. Her offbeat take on all challenges, great and small, is a delight." - DIANE MACEACHERN, Author of Big Green Purse

All Signs Point to Paris - Natasha Sizlo 2022-08-16

"This one brims with magic... An absolute page-turner and joy to read!—Jane Green, New York Times bestselling author A surprising astrology reading sends Natasha Sizlo—divorced, broke, freshly heartbroken, and reeling from her father's death—on an unexpected but magical journey to France, in pursuit of a man born on a particular date in a particular place: November 2, 1968 in Paris. It's the cusp of Natasha Sizlo's forty-fourth birthday. Still reeling from her disastrous divorce, she's navigating life as a single mom and doing her best to fake it till she makes it in the cutthroat world of LA real estate. In the meantime, her ex-husband is dating a Hollywood star, and she's just broken it off—for the hundredth and final time—with her devastatingly handsome but impossibly noncommittal French boyfriend. Just when it seems things can't get any worse, her beloved father is given months to live. So when she's gifted a session with LA's most sought-after astrologist, Natasha—despite being a total skeptic—figures she has nothing to lose. The reading is eerily, impossibly accurate. As her misgivings give way, Natasha can't help but ask about her ex-boyfriend, the French man she can't seem to get over. To her surprise, the astrologist tells her that he is perfect for her. His birthday and birthplace—November 2, 1968, in Paris, France—lines up with her astrological point of destiny. The word husband comes up. Natasha is distraught. Panicked, even. Was he really The One? Was this all the big soul love she was destined for? Then, she has a lightning bolt of an idea: her ex wasn't the only man born on November 2, 1968, in Paris. Natasha's real soulmate is still out there—she just has to find him. Joined by her sister and two of her closest girlfriends and buoyed by her father's parting message to never give up on love, Natasha flies to the City of Light, determined to take destiny into her own hands. Propulsive, touching, and darkly funny, All

Signs Point to Paris is the story of one woman's search for a second chance at love, with a dusting of astrological magic. Unforgettable and inspiring, Natasha's journey reveals what can happen when you ask the universe for what you want—and are brave enough to open your heart when the answer finally comes.

Confessions of an Expat in Paris - Vicki Lesage 2019-07

From champagne bottles to baby bottles, this memoir offers a humorous glimpse of an American expat's years abroad... Party girl Vicki moved to Paris hoping to drink wine and fall in love. She accomplished both goals, but not without bumps along the way: romantic encounters gone awry, uniquely French situations threatening her sanity, and two adorable yet tireless kids keeping her on her toes. Journey along with Vicki as she gets her feet wet, settles in, and finally finds her way in Paris. All with a drink in hand and a smile on her face. Until she must make a decision: Should she stay in her adopted city (with all its ups and downs) or should she return home (with its different ups and downs)? Discover the real Paris through Vicki's eyes as she shows you the funny side of life, love, and raising a family in the City of Light. And each chapter is paired with a delicious cocktail recipe! Enjoy drinks like the Sangria Spritzer, Pretty Good Bloody Mary, and Teeny Bellini. You'll laugh, you'll cry, you'll want to pour yourself another drink! Fans of Tina Fey, Amy Schumer, and Chelsea Handler will enjoy the humor and candor in Confessions of an Expat in Paris.

Petty Magic - Camille DeAngelis 2014-09-30

Evelyn Harbinger is a heck of a lot older than she looks. At 149 years of age, Eve can still iron out the wrinkles on a Saturday night, turning heads and taking more than phone numbers as the foxy, dark-haired girl she used to be. She and her sisters have spent the better part of their lives using their powers for only the highest good—Eve herself spied for the Allies in Paris and Berlin—but in their golden years, the beldames are free to enjoy themselves however they please. When Eve meets Justin at her favorite curiosity shop, though, her games are over. Justin looks and acts uncannily like Jonah, her partner on the most dangerous mission of her career—and the great love of her life. Experts in espionage, Eve and

Jonah gave up their one chance at happiness to advance the Allied cause, and no man has measured up ever since. Justin is unsuspecting but equally smitten, and Eve is much too headstrong to listen to the common-sense warnings of her coven. Meanwhile, another beldame has accused Eve's sister Helena of killing her own husband sixty years before, and Eve, disguised as her younger self, spends more and more time with Justin to take her mind off the growing pile of evidence that suggests her sister isn't the pure-hearted matriarch she appears to be. Eve knows her family has every reason to disapprove and that falling in love with an ordinary man can only end in despair, but she can't give up the boy who might be Jonah—because this time, she just might be able to keep him. A delightfully romantic adventure set between a supernatural version of present-day New York City and the epic backdrop of World War II, *Petty Magic* proves that the real fun starts when beldames and mortal men dare to fall in love.

So fasten your seat belts and prepare for landing - you'll be arriving soon in Paris through the pages of this humorous and heartwarming book! Proceeds from this anthology are donated to the literacy charity Room to Read. Thanks for your support! Interview with the Editors There are so many stories about Paris. What

makes this book unique? The charm of this short story collection is the variety of voices from people who, for the most part, have spent a considerable amount of time in the City of Light. Stephen Clarke, author of best-selling book *A Year in the Merde* sets the tone in the foreword, reminding us there is always more to write about Paris! What types of stories will we find in this anthology? From humorous essays to Paris love stories, this book has it all. There are foodie anecdotes, tales of family secrets and friendship, stories set at sidewalk cafés. That's Paris is perfect for those who have visited Paris or would love to one day. After Hemingway and the Lost Generation, how does it feel to be a modern-day author writing about Paris? Some of the stories in *That's Paris* are set in the same places featured in *A Moveable Feast*. Paris hasn't changed much in all these years! It still inspires us to write.

What Remains - Carole Radziwill 2007-06-05

The author traces her life and marriage to Anthony Radziwill, President Kennedy's nephew, in an account that describes her work as a journalist, her friendship with JFK, Jr., and his wife, and her husband's struggle with terminal cancer.

Confessions of an Heiress - Paris Hilton 2009-12-01

Paris Hilton has a lifestyle most girls dream about, but can she help it if she was born rich and beautiful? Now, with her trademark sense of humor, Paris looks back on her rise to fame and reveals the delicious details of her fairy tale life. Now, with a sly sense of humor and a big wink at her media image, Paris lets you in for a sneak peek at the life of a real, live heiress/model/actress/singer/it-girl and tells you how anyone can live a fairy-tale life like hers. She also shares personal information on her lifelong friendship with sister Nicky; fashion shows and favorite designers; her famous friends; how she likes to travel; what modeling is like; her highly successful television show *The Simple Life*; and a look at the glamorous life of her teacup chihuahua Tinkerbelle—the best dressed dog in the world. Featuring beautiful, full-color photos of Paris,

Confessions of an Heiress is a look at life from the unique perspective of a celebrity who has the whole world at her Jimmy Choo-clad feet.

Confessions of a Paris Party Girl - Vicki Lesage 2014-01-12

"When newly-single party girl Vicki moved to Paris, she was hoping to indulge in wine, stuff her face with croissants, and fall in love. It proved to be much more difficult than she'd imagined. In this laugh-out-loud memoir, this cheeky storyteller recounts the highs and lows of her life in the City of Light. Sassy and shamefully honest, Vicki makes you feel as if you're right there in Paris stumbling along the cobblestones with her."--

Je T'Aime, Me Neither - April Lily Heise 2013-05-30

Is Paris really the eternal City of Love? Dumped suddenly by her Parisian boyfriend, sultry expat Lily is left wondering if *je t'aime* still exists.

Instead of crying into her glass of wine, she decides to heal her bruised ego and quash her romantic doubts with a carefree summer fling . . . or as the French call it: *une aventure*. Supported by her faithful friends and trusty Saint Amour wine, Lily embarks on her presumably easy quest. Little does she know what-or whom-this adventure has in store! Rather than guide her into the arms of a perfect summer amoureux, the sexy streets of Paris lead her from one impossible candidate to another: disappearing foxy Frenchmen, unavailable Latino heartthrobs, overly-mysterious world travelers, mistress-hunting married men, and not-so-single amnesiacs-oh la la! As her amorous mishaps accumulate, Lily gradually re-evaluates her strategy. But will her good intentions be enough to lead her to the right homme . . . one who might last out the summer-and maybe even beyond? Or will she continue to get embroiled in more mesaventure? This novelized memoir tells the tantalizingly true romantic odyssey of a 21st-Century young woman caught in the mire of desires-which is only intensified by the passion of Paris.

Cruising Attitude - Heather Poole 2012-03-06

Real-life flight attendant Heather Poole has written a charming and funny insider's account of life and work in the not-always-friendly skies. Cruising Attitude is a Coffee, Tea, or Me? for the 21st century, as the author parlays her fifteen years of flight experience into a delightful

account of crazy airline passengers and crew drama, of overcrowded crashpads in "Crew Gardens" Queens and finding love at 35,000 feet. The popular author of "Galley Gossip," a weekly column for AOL's award-winning travel website Gadling.com, Poole not only shares great stories, but also explains the ins and outs of flying, as seen from the flight attendant's jump seat.

Notes from a Small Island - Bill Bryson 2015

In 1995, before leaving his much-loved home in North Yorkshire to move back to the States for a few years with his family, Bill Bryson insisted on taking one last trip around Britain, a sort of valedictory tour of the green and kindly island that had so long been his home. His aim was to take stock of the nation's public face and private parts (as it were), and to analyse what precisely it was he loved so much about a country that had produced Marmite; a military hero whose dying wish was to be kissed by a fellow named Hardy; place names like Farleigh Wallop, Titsey and Shellow Bowells; people who said 'Mustn't grumble', and 'Ooh lovely' at the sight of a cup of tea and a plate of biscuits; and Gardeners' Question Time. Notes from a Small Island was a huge number-one bestseller when it was first published, and has become the nation's most loved book about Britain, going on to sell over two million copies.
