Maybe you do not want to hear that in order to find the right person God has for you, all you simply need to do is to wait on him. There is a saying that has been coined from the solution-focused model of counseling. It states, "If it's not working, try something else." In this same vein, I submit that if dating has left you emotionally bankrupt with a broken heart and feelings of discouragement, consider an alternative. Give up dating. Embrace a season of waiting on God and trust his timing concerning the right person he has for you. You see, finding love in all the right places is imperative if you want the right kind of love to find you. As you wait on God and trust his timing, you may find beautiful treasures in your season of waiting.

Sick of the consequences of being a billionaire's heir, he bites the bullet and moves away to the small town of Willow Oaks. But when Sam learns that his domineering mother is coming to town, he knows that it will only be a matter of time before she meddles in his love life again; so he convinces Amy to be his pretend girlfriend. Tensions rise as Amy and Sam spend time together, but so do their feelings for each other. And the longer they spend entangled in their fictitious relationship, the harder it becomes for them to know what's real and what's not. Will Amy and Sam get the Happily

Looking for Love in All the Wrong Places - Danyelle Newton 2012-05-16

Looking For Love In All The Wrong Places is an inspirational book for females of all race and age groups. Many females struggle with acceptance and love and because of this they end up involved in different types of unhealthy relationships. This book will teach females that if they put their trust and love in God first then the right type of love and acceptance they desire will come. Included in this book is scripture reference for each chapter, so the reader will have a bible basis to reflect on. Also there are discussion questions at the end of each chapter for studying and reflection. Danyelle Newton's struggle for looking for love in all of the wrong places is reflected throughout the pages of this book. This book is not only her testimony of the wrong love she looked for because she didn't

have her trust and faith in God, but it reflects her journey towards finding the right type of love as well. Once she found Christ, her views on love changed and the love she was searching for didn't have to be found because it was right inside of her all along.

How to Date Yourself and Fall in Love - Dorothy C. Pincus 2003-09

THE CORNER provides an historical record of the life style of young men in what could be considered a typical neighborhood prior to and during the WW II period in America. Toledo, Ohio is the setting of this documentary. The specific scene is the corner of Junction Avenue and Lucas Street, located in a solid Polish/American neighborhood. The story could be written of many other neighborhoods and ethnic and racial groups throughout the United States. It just so happens that the writer was a member of this particular group and neighborhood. Dramatic changes have taken place since the time period addressed in THE CORNER. WW II impacted the way of life of all Americans. Ethnic and racial neighborhoods and groups are still located throughout the country but on a far less scale. Nicknames, a sign of popularity in most cases or of a special trait of the individual, are not as common in today's society. New and interesting developments have impacted the old meetings places and methods of communication amongst the young men throughout America. Television; new and interesting hobbies; and diverse civic, religious, and other group organizations that provide meeting places and many other features that make for a more effective life style of American youth have replaced the "old" but unforgettable meetings on the local "corners". Unfortunately a part of American culture and history are lost for the ages. THE CORNER captures a capsule of a part of American life during an era that has literally disappeared from the American scene.
