THIS TITLE HAS BEEN REVISED AND REEDITED. An additional 6k words have been added to the original text. Detective Cashel 'Cash' Godfrey is big, tattooed and angry so people typically keep their distance. He's fresh out of the police academy, however, no one is looking to partner with the six foot four beast with a huge chip on his shoulder and an inability to trust. When Cash scans the orientation room he wasn't expecting to find sexy hazel eyes locked onto him. Eyes of the handsome Detective Leonidis 'Leo' Day. Leo is charming, witty,

hilariously sarcastic and the only one that can make Cash smile. He's proud, out and one bad-ass detective. Together Cash and Leo become the most revered and successful narcotics detectives Atlanta's ever seen. Able to communicate and understand each other, without even having to voice it, they quickly climb up the promotional ranks. When Cash saves Leo's life in a raid that turns deadly, Leo begins to see something in the big man that no one else does...something special. But Leo fears he'll never break through the impenetrable wall that protects Cash's heart. Nothing Special takes the reader through various emotions throughout the richly fulfilling plot that's full of erotic gay romance, heartache, passion, trials and tribulations, police action scenes, and an intriguing twist that comes to an amazing ending that's impossible to see coming. **Dark Edges** - Kane Caldwell 2016-07-02

I'm not your good ole boy or boy-next-door type of guy. If that's what you're looking for, I

suggest you move on. I curse a lot, work too fucking much, and keep to myself. My edges are hard, rough, and even dark at times. I never thought I would wind up in the business I'm in. I may not always play by the rules, but I go where the money is, keep my nose clean, and my affairs organized. Who knew one fucking e-mail would change everything in my controlled life. I swore I'd never touch a case like hers again, but there was something intriguing behind every word I read. She had my attention, she would have my services, but I never thought she'd steal my heart. My name is Chase Black, owner of Dark Edges PI. I'm your good girl and I once had everything. A big beautiful house with a view of gorgeous mountains, an expensive car, stress-free job, a wardrobe any woman would die for, but one thing was missing... the ever-absent husband. I never expected to be in the position I'm in, but I needed answers. I sent one e-mail thinking I would figure it all out. It wasn't the route I intended to take. The life I'd been living

was a lie and he gave me the answers I needed. What happened next I wasn't prepared for. He had my information, he took the case, but I never thought he'd capture my heart. My name is Naomi McAllister, owner of a broken heart. This is our story...
