Falling for You - Lea Coll 2021-08-31

He's off-limits, continually underestimates me, and yet... I can't ignore the attraction between us. When I landed my dream job, I didn't realize I'd be working with the one guy I've always avoided. Jonah Templeton. Caught off guard with a career-ending injury; he is the life and soul of

every party, a likable, sociable guy on all accounts. His future relies on the success of the sports complex I've been hired to manage. But...he doubts my capabilities from the get-go. I'm tired of being underestimated, of having my capabilities judged by just my pretty face. This is my opportunity to prove everyone wrong, including Jonah. I just never expected to fall for him, or to learn that Jonah isn't the man he pretends to be. Now I'm not sure if I can handle the truth. Praise for Falling for You: "Lea Coll delivers a beautifully written romance with an emotional and seductive storyline. The electric chemistry between Jonah and Callie is deliciously sexy and sizzles on the pages. Falling For You is a wonderful, forbidden office romance that draws you in and keeps a hold of your heart from the beginning to the end." - Author Christy Pastore "I love the push and pull and the very real emotions that pour off the pages, the learning as the characters grow, and the happiness that eventually comes our way. I look

forward to the next book because I can't get enough of this group!" Jenn the Readaholic "This book was so unexpectedly delicious, steamy and emotional! I LOVED it! It was ghost pepper hot & also brought me to real tears, more than once. Lea Coll wrote an absolute touchdown of a happily ever after, and I cannot wait to read what she's got next!" Savannah, Goodreads reviewer "I LOVED this book! ☐ Jonah and Callie are my new favorite couple. I love all of Lea Coll's books and this one most definitely didn't disappoint. I couldn't put it down." - Tammy, Goodreads reviewer "What an incredible, amazing read. I fell in love with Jonah. They are so perfect for one another. Another amazing read by Lea Coll!" - Theresa, Goodreads reviewer "Read this beautifully written, emotional, heartfelt story by Lea Coll. I thoroughly enjoyed reading this absolute page turner. Highly recommended with five ☐☐☐☐ awesome stars!" - Lishani, Goodreads reviewer "Falling for You is the kind of book you dive into

head first, heart pounding, and butterflies fluttering, and come out feeling completely astounded. This book. It will kick you right in the feels, but the pain will totally be worth it. It's one of those stories that just captures your whole soul. Seriously, just pick up this book and read it because it was A-M-A-Z-I-N-G!" - Tara, Goodreads Reviewer "I love the push and pull and the very real emotions that pour off the pages, the learning as the characters grow, and the happiness that eventually comes our way. I look forward to the next book because I can't get enough of this group!" Jenn the Readaholic For fans of Melanie Harlow.

How to Fall Apart - Liadan Hynes 2020-06-11 'Honest, vulnerable and empowering' Angela Scanlon 'Poignant, profound, and moving, I have no doubt that this beautifully written book will comfort anyone who is in the process of falling apart' Louise O'Neill 'Liadán Hynes writes with so much heart. Her story will help shine a light during uncertain, painful times. After reading,

you'll be ready to heal' Cecelia Ahern When journalist and podcaster Liadán Hynes's marriage ended, it felt like a loss: of her best-friend, and of the happy ending she had envisaged on their wedding day. In the months that followed, she had to adjust to a different future - as a single mum juggling work and managing a home -- without someone to share the ups and downs of the everyday. Here, in this honest, poignant and beautifully written memoir, she gives an account of her experience. From navigating Friday-night dinner parties and Saturday nights alone on the couch, to counselling and having more gurus than is sensible, How to Fall Apart is a story of one woman who discovered the value of different kinds of love and, in doing so, found herself: single, stronger and surrounded by love.

story that leads you to buy the next book, don't start reading Brody and Reese's story. This book ends on a cliffhanger. Newly divorced and deeply wounded, all Reese Montgomery wants is to find true love. After her ex-husband tells her she no longer measures up and then unceremoniously dumps her, she realizes her background--a father in prison, an alcoholic mother--makes her undesirable. When she meets Brody Ford on a beach in Malibu, her attraction is instant, as is her certainty that they are all wrong for each other. Brody, a self-made man from a close-knit family, is lonely. After losing the woman he loves in a car accident, he believes he'll never love again. When a chance encounter brings Reese into his life, something about her touches him. And he wants more. But her reluctance to open her heart forces him to work harder to win her over than he's ever had to work before. Will they be able to heal the hurts each carries, or are they too wounded to find the love they're searching for?"

You Only Fall in Love Three Times - Kate Rose
2020-01-14

Discover the three types of love--and the key to finding the one you're truly meant to be with. We love and we love again -- sometimes our hearts get broken but, somehow, we find the courage to dive back in. In this soul-searching book, relationship expert Kate Rose guides readers down the path to a deeper understanding of who they are, what they want, and finally, to the discovery of their Twin Flame. According to Rose, love is a journey of self-discovery and every relationship we have in our lives teaches us something that we need to learn about ourselves and what will make us truly happy. She introduces readers to the three types of love we will all experience: The Soulmate introduces us to the dream of love, but somehow what seemed like it would be "happily ever after" wasn't meant to last forever. We are so consumed with making The Karmic Love work that we often fail to question whether it should

work. As painful as it is to accept, this love that felt so right in the beginning is actually all wrong. The Twin Flame comes into our lives and often we don't even know it's love because . . . it's too easy. This is the love who helps us to accept ourselves just as we are because this is precisely what they do. In *You Only Fall in Love Three Times*, Kate Rose shows us that happy endings may not happen quite the way they do in fairytales-- but they happen nonetheless.

Every Time We Fall In Love: New York Sullivans (Contemporary Romance) - Bella Andre 2018-07-18

"I love second chance romances and EVERY TIME WE FALL IN LOVE is one of the best I've ever read! A wonderful, romantic, and heartwarming story you can read over and over again." 5 stars Harry Sullivan has always put his family first, even when it meant losing Molly—his one true love. He's never been able to forget her, even after fifteen years. Now that his siblings are all blissfully happy, Harry hopes it's not too late for his own happily-ever-after. But

then his doorbell rings...and one look at the teenage girl standing on his doorstep changes absolutely everything. Molly never thought she'd see Harry Sullivan again, so she's beyond stunned when her fifteen-year-old daughter brings him back into her life. At eighteen, Harry was already strong, sexy, and honorable. And now that he's even more handsome, more brilliant, more loyal and caring? Molly can't stop herself from falling in love with him all over again. Especially when his kisses and the sizzling attraction between them are hotter than ever. But with more at stake now than they ever thought possible, will they be able to move beyond the mistakes they both made in the past, and fall in love forever this time? EVERY TIME WE FALL IN LOVE is part of Bella Andre's USA Today and New York Times #1 bestselling series about The Sullivans. While it can easily be read as a stand-alone story, you'll likely enjoy reading the other books too. "Pure perfection! The storyline was a wonderful surprise. It left me

[Falling In Love All Over Again: The Sullivans \(Babymoon Novella\)](#) - Bella Andre 2018-11-14
"Heartwarming, sweet, amusing! Bella Andre has a way of making you fall in love. She has a way of making you laugh one minute only to be crying the next. She fills your heart with love and laughter and then melts it with the romance and love that oozes off the pages. The ending to Falling In Love All Over Again was definitely a 'get your box of tissues' moment and I couldn't have be happier or smiling bigger through all the sloppy happy tears that I shed." 5 stars
Catch up with the whole Sullivan clan in this funny, sizzling hot, heartwarming novella! Lori "Naughty" Sullivan has always been a force of nature—and marriage to Grayson Tyler, her sexy cowboy, hasn't mellowed her out one bit. She's still dancing in stilettos, laughing too loud, and

They know all each other's faults and weaknesses and squabble like brother and sister. When her father tries to force them to marry, they are horrified and flee to Europe. Through adventures in Paris, on the Orient Express, in Venice and Athens, they learn many things about each other and no longer feel like brother and sister, but then tragedy intervenes.

Under a Falling Star - Jae 2014

"Falling stars are supposed to be a lucky sign, but not for Austen. Her new job as a secretary in an international games company isn't off to a good start. Her first assignment--decorating the Christmas tree in the lobby--results in a trip to the ER after Dee, the company's second-in-command, gets hit by the star-shaped tree topper. Dee blames her instant attraction to

Austen on her head wound, not the magic of the falling star. She's determined not to act on it, especially since Austen has no idea that Dee is practically her boss"--Back cover.

can't lock up your heart like that-not if you want the real thing. And maybe that's one of the best things about love. We've been thinking about it all wrong. Our culture's insistence that women need to learn how to catch and keep a man is actually doing much more harm than good. The more we try to manipulate our relationships, the less we are truly able to experience love's benefits and wonders. Love is a slippery, unruly thing, and trying to control and manage it robs us of its delicious unpredictability. Sure, letting go of the reins a bit might mean a broken heart, but heartbreak, in fact, offers a wealth of possibilities-creativity, wisdom, and growth-that we need in order to make the most of our lives. Liberating for women who are frustrated by the idea that they just need to learn the right "formula," *The Case for Falling in Love* shows that there isn't a method to mastering the madness of love. But that might be exactly what's so wonderful about it.

The White Darkness - Geraldine McCaughrean

2011-03-03

Captain Titus Oates, hero of the Antarctic, has been dead for nearly a century. But not in Sym's head. In there, he is her constant companion, her soul mate, her adviser. It is as if he walked out of the Polar blizzard and into her mind. In fact, if it were not for Titus, life might be as bleak a place as the Antarctic wilderness. When she is taken on a mystery expedition by her eccentric uncle Victor, Sym can't believe her luck. Destination Antarctica-the very place she's always wanted to visit. But Victor has other plans, more sinister than Sym could possibly imagine. Stranded in the most isolated part of the world with her trust in someone she comes to realize is a madman, she must find a way to avoid a gruesome fate. But what should a teenage girl do? Could it be that Titus, the one who perished in that very place, will be the means of her survival?
