First One In, Last One Out - Marilyn Shimon 2020-07

Different Voices - Carol Rittner 1993

We hear Olga Lengyel's anguish at discovering that she had unwittingly sent her mother and son to the gas chamber; on recalling the brutality of Irma Giese, a stunningly beautiful SS officer; on witnessing the unspeakable "medical experiments" the Nazis conducted on women. We share Livia F. Britton's memory of hunger and terrible vulnerability as a naked thirteen-year-old at Auschwitz. We learn of the horrific price that Dr. Gisela Perl was forced to pay to save women's lives. Part Two, "Voices of Interpretation," offers the new insights of women scholars of the Holocaust, including evidence that the Nazis specifically preyed on women as the propagators of the Jewish race. Marion A. Kaplan describes the lives of a generation of Jewish women who thought that they were assimilated into German society.

Survivors Club - Michael Bornstein 2017-03-07

A New York Times bestseller "Both moving and memorable, combining the emotional resolve of a memoir with the rhythm of a novel." —New York Times Book Review In 1945, in a now-famous piece of World War II archival footage, four-year-old Michael Bornstein was filmed by Soviet soldiers as he was carried out of Auschwitz in his grandmother's arms. Survivors Club tells the unforgettable story of how a father's courageous wit, a mother's fierce love, and one perfectly timed illness saved his life, and how others in his family from Zarki, Poland, dodged death at the hands of the Nazis time and again with incredible deftness. Working from his own recollections as well as extensive interviews with relatives and survivors who knew the family, Michael relates his inspirational Holocaust survival story with the help of his daughter, Debbie Bornstein Holinstat. Shocking, heartbreaking, and ultimately uplifting, this narrative nonfiction offers an indelible depiction of what happened to one Polish village in the wake of the German invasion in 1939. This thoroughly-researched and documented book can be worked into multiple aspects of the common core curriculum. A New York City Public Library Notable Best Book for Teens

The Children's Block - Otto B Kraus 2019-10-17

'We lived on a bunk built for four but in times of overcrowding, it slept seven and at times even eight. There was so little space on the berth that when one of us wanted to ease his hip, we all had to turn in a tangle of legs and chests and hollow bellies as if we were one many-limbed creature, a Hindu god or a centipede. We grow intimate not only in body but also in mind because we knew that though we were not born of one womb, we would certainly die together.' Alex Ehren is a poet, a prisoner and a teacher in block 31 in Auschwitz-Birkenau, the children's block. He spends his days trying to survive while illegally giving lessons to his young charges while shielding them as best he can from the impossible horrors of the camp. But trying to teach the children is not the only illicit activity that Alex is involved in. Alex is keeping a diary... Originally published as THE PAINTED WALL, Otto Kraus's autobiographical novel, tells the true story of 500 Jewish children who lived in the Czech Family Camp in Auschwitz-Birkenau between September 1943 and June 1944.

Lily's Promise - Lily Ebert 2021-09-02

The Sunday Times top 10 bestseller The incredibly moving and powerful memoir of an Auschwitz survivor who made headlines around the world. With a foreword by King Charles III. 'Unforgettable' - Daily Mail When Holocaust survivor Lily Ebert was liberated in 1945, a Jewish-American soldier gave her a banknote on which he'd written 'Good luck and happiness'. And when her great-grandson, Dov, decided to use social media to track down the family of the GI, 96-year-old Lily found herself making headlines round the world. Lily had promised herself that if she survived Auschwitz she would tell everyone the truth about the camp. Now was her chance. In Lily's Promise she writes movingly about her happy childhood in Hungary, the death of her mother and two youngest siblings on their arrival at Auschwitz in 1944 and her determination to keep her two other sisters safe. She describes the inhumanity of the camp and the small acts of defiance that gave her strength. From there she and her sisters became slave labour in a munitions factory, and then faced a death march that they barely survived. Lily lost so much, but she built a new life for herself and her family, first in Israel and then in London. It wasn't easy; the pain of her past was always with her, but this extraordinary woman found the strength to speak out in the hope that such evil would never happen again. 'Utterly compelling, heartbreaking, truthful and yet redemptive, a memoir of the Holocaust, a testimony of irrepressible spirit and an unforgettable family chronicle, written in lucid prose by a truly remarkable woman . . . I couldn't stop reading it.' - Simon Sebag Montefiore

Eyewitness Auschwitz - Filip Müller 1999-08-24

Filip Müller came to Auschwitz with one of the earliest transports from Slovakia in April 1942 and began working in the gassing installations and crematoria in May. He was still alive when the gassings ceased in November 1944. He saw millions come and disappear; by sheer luck he survived. Müller is neither a historian nor a psychologist; he is a source—one of the few prisoners who saw the Jewish people die and lived to tell about it. Eyewitness Auschwitz is one of the key documents of the Holocaust.

I Escaped from Auschwitz - Rudolf Vrba 2020-04-21

The Stunning and Emotional Autobiography of an Auschwitz Survivor April 7, 1944—This date marks the successful escape of two Slovak prisoners from one of the most heavily-guarded and notorious concentration camps of Nazi Germany. The escapees, Rudolf Vrba and Alfred Wetzler, fled over one hundred miles to be the first to give the graphic and detailed descriptions of the atrocities of Auschwitz. Originally published in the early 1960s, *I Escaped from Auschwitz* is the striking autobiography of none other than Rudolf Vrba himself. Vrba details his life leading up to, during, and after his escape from his 21-month internment in Auschwitz. Vrba and Wetzler manage to evade Nazi authorities looking for them and make contact with the Jewish council in Zilina, Slovakia, informing them about the truth of the “unknown destination” of Jewish deportees all across Europe. This first-hand report alerted Western authorities, such as Pope Pius XII, Winston Churchill, and Franklin D. Roosevelt, to the reality of Nazi annihilation camps—information that until then had only been recognized as nasty rumors. *I Escaped from Auschwitz* is a close-up look at the horror faced by the Jewish people in Auschwitz and across Europe during World War II. This newly edited translation of Vrba’s memoir will leave readers reeling at the terrors faced by those during the Holocaust. Despite the profound emotions brought about by this narrative, readers will also find an astounding story of heroism and courage in the face of seemingly hopeless circumstances.

Last Stop Auschwitz - Eddy de Wind 2020-01-21

Written in Auschwitz itself and translated for the first time ever into English, this one-of-a-kind, minute-by-minute true account is a crucial historical testament to a Holocaust survivor's fight for his life at the largest extermination camp in Nazi Germany. "We know that there is only one ending to this, only one liberation from this barbed wire hell: death." -- Eddy de Wind In 1943, amidst the start of German occupation, Eddy de Wind worked as a doctor at Westerbork, a Dutch transit camp. His mother had been taken to this camp by Nazis but Eddy was assured by the Jewish Council she would be freed in exchange for his labor. He later found out she'd already been transferred to Auschwitz. While at Westerbork, he fell in love with a woman named Friedel and they married. One year later, they were transported to Auschwitz. Upon arrival, Friedel and Eddy were separated -- Eddy forced to work as a medical assistant in one barrack, Friedel at the mercy of Nazi experimentation in a nearby block. Sneaking moments with his beloved and communicating whenever they could, Eddy longed for the day he could be free with Friedel . . . Written in the camp itself in the weeks following the Red Army's liberation of the camp, *Last Stop Auschwitz* is the raw, true account of Eddy's experiences at Auschwitz. In stunningly poetic prose, he provides unparalleled access to the horrors he faced in the concentration camp. Including photos from Eddy's life before, during, and after the Holocaust, this poignant memoir is at once a moving love story, a detailed portrayal of the atrocities of Auschwitz, and an intelligent consideration of the kind of behavior -- both good and evil -- people are capable of. Never before published in English, this book is a vital and enduring document: a testament to the strength of the human spirit, and a warning against the depths we can sink to when prejudice is given power.

But You Did Not Come Back - Marceline Loridan-Ivens 2016-01-05

A French woman’s heartrending account of her survival in a WWII Nazi concentration camp—and a tribute to her father who died there. A runaway bestseller in France, *But You Did Not Come Back* has already been the subject of a French media storm and hailed as an important new addition to the library of books dealing with the Holocaust. It is the profoundly moving and poetic memoir by Marceline Loridan-Ivens, who at the age of fifteen was arrested in occupied France, along with her father. Later, in the camps, he managed to smuggle a note to her, a sign of life that made all the difference to Marceline—but he died in the Holocaust, while Marceline survived. In *But You Did Not Come Back*, Marceline writes back to her father, the man whose death overshadowed her whole life. Although her grief never diminished in its intensity, Marceline ultimately found her calling, working as both an activist and a documentary filmmaker. But now, as France, and Europe in general, face growing anti-Semitism, Marceline feels pessimistic about the future. Her testimony is a memorial, a confrontation, and a deeply affecting personal story of a woman whose life was shattered and never totally rebuilt. “*But You Did Not Come Back* is indisputably a story of survival . . . yet it is also a story of how trauma impacts through the generations.” —The Guardian
