

Get Old Woman Pregnant

A Bloke's Guide to Sex - Blake Denbigh 2019-06-26

Are you a man who knows how to satisfy a woman in bed? If you were lucky, when you were 18, some 35-year-old woman who looked like Jennifer Lopez seduced you and spent a summer teaching you everything you needed to know. More likely, you had no sex at all until you were in your 20s and that was with a "nice" girl who knew even less than you did. So you've had to make do with the embarrassed mumblings of your father when you were a teenager (who basically told you nothing), some sex education in school about how to avoid infections and not get a girl pregnant, the enthusiastic but ill-informed bragging of your mates in the locker room, and a misleading array of porn. You're still stuck trying to figure out how this sex thing actually works. You've had plenty of affairs or not so many, maybe been married or still are, and sometimes it's been good, sometimes not so good, and you're not sure why. What do women actually want? The man is supposed to just know. There are books, of course, but they're mostly instructions manuals with techniques, which may or may not work with the woman you're actually with (how are you supposed to know?--half the time, even she doesn't know), or they're by female doctors largely for women, with a few remarks thrown in for men. It's time, therefore, for some frank talk about sex from a male perspective, and that's what this book is about.

Older Mothers - Julia C. Berryman 1998

What kinds of women start or add to their families at this stage in life? And what are their experiences? Psychologists Julia Berryman, Karen Thorpe and Kate Windridge carried out unique international research on older mothers.

Having a Baby...When the Old-Fashioned Way Isn't Working -

Cindy Margolis 2008-01-02

Personal, easy to read, and possessed of a warm, welcome sense of humor? An excellent introduction for anyone facing infertility(Publishers Weekly) Cindy Margolis may be known as the "most downloaded woman on the Internet," but she was brought down to earth when she tried to conceive. Suddenly, she became another statistic: just one of the more than nine million women each year who are desperately trying to have a child. After more than a year of disappointment and with a growing sense of insecurity, Cindy began a determined quest to have a family that included an array of treatments?including five in-vitro fertilizations and surrogacy?a journey that resulted in three happy and healthy children. Now Cindy helps women navigate through the world of infertility treatments and procedures. Sincere, supportive, and funny, she provides the direction, advice, and information that could only come from a woman who's been in the trenches? and who has emerged battle-scarred, but victorious.

I'm Too Young to Get Old - Judith Reichman 1996

If you're a woman over forty, you probably have questions and concerns about your health. Unlike your mother or grandmother, you do not want to go passively (or silently) through the next half of your life. "No one seems to care about out forty-something contraceptive needs. Pregnancy is the last thing I want at this point. What are my options?" "If I take the Pill and I'm over forty, am I at increased risk for cancer?" Or: "I know I've put it off, but I'm ready now, and I want to be pregnant--yesterday!" What are my chances--and the risks involved?" "I'm going through menopause, and I'm not sure I like the idea of taking hormone replacement therapy for the rest of my life. How do I know if it's right for me? What other choices do I have?" "I'm too busy to consult a score of specialists to keep on the 'proper' health track. Is there a single checklist

I can follow so I know what tests to take and when?" In *I'm Too Young to Get Old*, renowned gynecologist Judith Reichman, M.D., creator of two acclaimed PBS series on menopause and health, gives women over forty the information they need to make their health care choices. Yes, we need to know what happens to our hormones, but that doesn't mean we should be defined in terms of our reproductive system. As Dr. Reichman writes: "My patients have matured with me, and most of us are now over forty. Many have struggled with their health as they aged, while other seemed to mature with vibrancy, pleasure, and an increasing appreciation of their lives. What explains these differences? We traverse a complicated passage: our hormones fluctuate, and so do our moods, body temperatures, and sleep patterns. We have to make choices about birth control, then hormone control. We should be concerned about cancer prevention and detection, heart disease, osteoporosis, joint problems, and thyroid problems. We want to control our weight and our wrinkles. And in the midst of all this, we are taking care of aging parents, aging children, or dealing with our mates' midlife problems (both physical and psychological) or possibly going through divorce, getting back in the job market, or leaving it, and wondering how we reached forty so fast." Dr. Reichman addresses all these concerns and more with clarity and wit. She tackles subjects often given short shrift: avoiding hysterectomy, coping with urinary incontinence, exploring sexuality from forty to ninety (see the chapter on "Sex, Hormones, and Rock 'n' Roll"), preparing for a health second half of life despite our abuses of the first half, and more. Written in a warm, accessible style and laced with the humorous perspective of someone who's gone through this stage of life herself, *I'm Too Young to Get Old* has all the authoritative, up-to-date information you need to take control of your future health.

Pregnancy, Birth and Beyond - Erika Gradenwitz-Koehler 2014-07-15
Pregnancy and child birth bring about significant physical changes and challenges. Most parents, however, also have spiritual and philosophical questions which most pregnancy books don't address. *Pregnancy, Birth and Beyond* covers both the practical and spiritual aspects of having a child. Erika Gradenwitz-Koehler explains how diet, state of mind and the

desire for a child can all affect chances of conception. She gives advice for a healthy pregnancy in body, soul and spirit and helps prepare parents for the physical and emotional experience of birthing. Chapters on infant care include advice for nurturing the spirit, as well as discussing feeding and emotional attachment. This is a comprehensive but alternative guide to all aspects of conception, pregnancy, birth and infant care.

Teenage Pregnancy in Namibia - H el ene Voeten 1995

Teenager pregnancies are on the rise in Namibia. In itself, young pregnancy is not a problem. Certainly, from medical point of view the delay of pregnancy till the mother is in her late twenties is a much more serious matter. However, a modernizing country such as Namibia needs a population with a longer, education, and stable families, just as it needs child rearing practices geared at providing secure background for the next generation. The Author describes the background and options of the teenage girls that become mothers. In the North-East Namibia, Rundu and environment, the proportion of very young mothers, age 15-19, is higher than in the rest of Namibia.

The Disabled Mother's Guide to Pregnancy and Birth - Natalie A. Otley 2012

Baby Lore - Rosalind Franklin 2005

Hundreds of superstitions and old wives tales from every corner of the world related to every aspect of pregnancy, birth, and baby care are collected in this volume. It covers folklore from determining baby's sex at conception to easing baby's teething pains.

Birth Settings in America - National Academies of Sciences, Engineering, and Medicine 2020-05-01

The delivery of high quality and equitable care for both mothers and newborns is complex and requires efforts across many sectors. The United States spends more on childbirth than any other country in the world, yet outcomes are worse than other high-resource countries, and even worse for Black and Native American women. There are a variety of factors that influence childbirth, including social determinants such as

income, educational levels, access to care, financing, transportation, structural racism and geographic variability in birth settings. It is important to reevaluate the United States' approach to maternal and newborn care through the lens of these factors across multiple disciplines. Birth Settings in America: Outcomes, Quality, Access, and Choice reviews and evaluates maternal and newborn care in the United States, the epidemiology of social and clinical risks in pregnancy and childbirth, birth settings research, and access to and choice of birth settings.

His Secret Baby - Tiana Dorsey 2020-04-14

STEAMY HOT PREGNANCY ROMANCE COLLECTION 4 Standalone Romance Short Stories With No Cliffhanger Baby By Christmas When 27-year-old Senior Project Manager Keisha Jones was dumped right before Christmas, she knew it was time for a change. She'd dated a string of losers, and she was done. Inspired by testimonials, she signed up with a match-making agency, and within a few months, she was matched with handsome, 30-year-old billionaire Dean Stark, President and Founder of Stark Aerospace and Defense. He's more than deep pockets and shrewd business sense, and Keisha finds herself falling in love with the first man who's ever really understood her. There's only one problem. With a famous ex and a few skeletons that come tumbling out of his closet right after they spend the night together, Keisha isn't sure that she can handle Dean's baggage. She dumps him, doing her best to avoid him for more than a month while she heals her broken heart. She's angry and hurt, but a mysterious illness and a trip to the hospital leaves her reeling and feeling lost. When he shows up to be by her side after she's all but cursed the very ground he walks on, she's forced to consider whether she ran away because he wasn't The One, or because being vulnerable is scary. My Baby Daddy Zara never expected to be 38, broke, and pregnant for a mysterious stranger, but finding out that said mysterious stranger had a lot of money didn't put her at ease, and she knew why. Zara Yesterday was my graduation from cosmetology school, one of my biggest achievements to date. So of course I went out to celebrate, did the teenage girl party thing where you get drunk and fuck a complete

stranger. Except I am not a teenager, I am a 38 year old woman who is broke and now pregnant with a stranger's child. Nathan I don't do this normally, sleep with random girls I meet at my club. But something about this girl was different. She was witty and funny and the best of all, she had thought I was a valet and had still been into me. One night wasn't enough so I tracked her down intending to have a proper first date with her, only to find out that she is less than excited to see me. The realization that I am billionaire not only left her unimpressed, but it seems to also make her not like me. But I like her, and I want her, and I am going to fight for her. Her Billionaire Baby Daddy Sabrina's world is turned upside down when she first meets Jason, literally, but soon lies and secrets tear them apart. Is the sizzle enough to pull them back together? It's just a normal, crappy day for Sabrina, there isn't anything special about it at all...until she does the Downward Duck position in yoga that is. Once upside down, Sabrina spots the man of her dreams which changes everything, especially when he asks her out on the first date she's been on for months. But Jason isn't exactly who he says he is and secrets can never stay hidden for long. When Sabrina learns that Jason has been lying to her, she runs. She's not going to be fooled, even if he excited her like she's never been before. Sabrina won't be made a fool of. But fate has a twisted plan for her, dragging her right back into Jason's life, leaving her questioning everything. Mainly, is the sizzle enough to stick around for? Healing Alien's Heart Doctor Raven Glass is an expert in alien medicine and is called to the planet of Xulara to help its dying queen. With all of the planet's resources at her disposal she is able to nurse queen Ozhenia back to health, but snagged the heart of the prince along the way. With things heating up between Prince Eoch and the doctor, all seems on the up and up until the king returns to find things not as he wished. Determined to have his son live the life he wants, he banishes Dr. Glass back to Earth where she is bearing much more than a broken heart. With the heir of the Xularese throne kicking inside her womb, Raven Glass must choose to either keep it a secret, or to fight for her rightful place in the royal family and face the wrath of the king. Either way, she needed to know if Prince Eoch was going to stand

by her side. By the end of it all, she'll get the answers she's looking for plus much more than she ever imagined possible. Hopefully a happily ever after in love will be in the stars as Raven races through the galaxy with forever in her sights and in her heart.

Sarah's Choice - Rebecca St. James 2014-06-03

In Sarah Collins's mind, only one thing stands in the way of her success . . . an unborn baby. Sarah is about to receive a promotion that will give her everything she's ever wanted: a huge pay increase, a new car, a fabulous apartment, and first-class travel. But then she discovers she's pregnant. And while she thinks she loves her boyfriend, Matt, she isn't sure he's mature enough to be a responsible father. And the job she's pursuing is open only because the previous employee is out on maternity leave. Sarah would never be able to handle the travel as a single mom. Torn between advice from her coworkers, the insistence of her mother and sister that she keep the baby, her insecurity about her relationship with Matt, and the void where her father should be, Sarah has no idea how to make this decision. A Christmas card from a mysterious old woman is the catalyst for three visions of her future—and just may be the miracle she needs. But can she trust the visions? Are they the yearnings of a conflicted heart? Or are they true visions from the God she thought had turned His back on her? For every woman who has made painful decisions, *Sarah's Choice* offers comfort, wisdom and hope. "This story provides a bit of encouragement and hope to those facing a difficult decision." —Romantic Times, 4-star review "A thought-provoking and stirring story of painful choices and their ramifications. For any woman who has had to make a difficult decision, this book . . . will provide inspiration, hope, and solace to battered souls." —Library Journal "Written with deep compassion, gentle humor, and incredible insight." —CBA Retailers + Resources

Boy Or Girl - Shelly Lavigne 1992

Want to know the sex of your unborn child? Now 50 of the wisest old wives' tales are brought together in one adorable book for parents-to-be who are intrigued with predicting their baby's gender. Includes games to play at a baby shower, a gift plate that can be personalized by the giver,

and the Chinese Conception Chart.

The Mama Natural Week-by-Week Guide to Pregnancy and Childbirth - Genevieve Howland 2017-04-25

From the popular YouTube channel Mama Natural, this is the first week-by-week natural pregnancy book for soon-to-be moms. For the last half-century, control over childbirth has been in favor of doctors. Many pregnancy guidebooks are conventional, fear-based, and written by male physicians deeply entrenched in the old-school medical model of birth. But change is underway. A groundswell of women are taking back their pregnancy and childbirth and embracing a natural way. Genevieve Howland, the woman behind the enormously popular Mama Natural blog and YouTube channel, has created an inspiring, fun, and informative guide that demystifies natural pregnancy and walks mom through the process one week at a time. The Mama Natural's Week-by-Week Guide to Pregnancy and Childbirth is the modern (and yet ancient) approach to pregnancy and childbirth. "Natural" recognizes that pregnancy and birth are normal, and that having a baby is a wondrous biological process and rite of passage—not a medical condition. This book draws upon the latest research showing how beneficial and life-changing natural birth is for both babies and moms. Full of weekly advice and tips for a healthy pregnancy, Howland details vital nutrition to take, natural remedies for common and troublesome symptoms, as well as the appropriate (and inappropriate) use of interventions. Peppered throughout are positive birth and pregnancy stories from women of all backgrounds (and all stages of their natural journey) along with advice and insights from a Certified Nurse Midwife (CNM) plus a Registered Nurse (RN), doula, and lactation consultant. Encouraging, well-researched, and fun, The Mama Natural's Week-by-Week Guide to Pregnancy and Childbirth will be an essential companion for women everywhere to embrace natural pregnancy and reap all the benefits for both baby and mama.

Keys to Improving Fertility in Women - Shelley Parkesson, PH D 2023-02-09

The Trying Game - Amy Klein 2020-04-07

From the author of "Fertility Diary" for the New York Times Motherlode blog comes a reassuring, no-nonsense guide to both the emotional and practical process of trying to get pregnant, written with the smarts, warmth, and honesty of a woman who has been in the trenches. "A compassionate, often funny, well-researched, and ultimately empowering guide."—Lori Gottlieb, New York Times bestselling author of *Maybe You Should Talk to Someone* There are so many ways to be Not Pregnant: You can be young, old, partnered, or unpartnered. Maybe you have endometriosis. Maybe you don't have enough eggs or your partner doesn't have enough sperm. Or maybe there's nothing wrong except you're Just. Not. Pregnant. Amy Klein has been there. Faced with fertility obstacles, she quickly became an expert. After nine rounds of IVF, four miscarriages, three acupuncturists, two rabbis, and one reproductive immunologist, she finally became a mother. And she wrote about it all for

the New York Times Motherlode blog in her "Fertility Diary" column. Now, Amy has written the book she wishes she'd had when she was trying to get pregnant. With advice from medical experts as well as real women, she outlines your options every step of the way, from questions you should ask to advice on getting your mother-in-law to mind her own beeswax. In this comprehensive road map to infertility, you'll find topics such as: • whether to freeze your eggs • finding (and affording) a clinic • what to expect during your first IVF cycle • baby envy—aka it's okay to skip your friend's shower • whether the alternative route—acupuncture, herbs, supplements—is for you • helpful tips, charts, and more! Empowering, compassionate, and down-to-earth, *The Trying Game* will show you what to expect when you're not expecting with heart and humanity when you need it the most.

The Impatient Woman's Guide to Getting Pregnant - Jean M. Twenge 2012-04-17

Comforting and intimate, this "girlfriend" guide to getting pregnant gets to the heart of all the emotional issues around having children—biological pressure, in-law pressures, greater social pressures—to support women who are considering getting pregnant. Trying to get pregnant is enough to make any woman impatient. *The Impatient Woman's Guide to Getting Pregnant* is a complete guide to the medical, psychological, social, and sexual aspects of getting pregnant, told in a funny, compassionate way, like talking to a good friend who's been through it all. And in fact, Dr. Jean Twenge has been through it all—the mother of three young children, she started researching fertility when trying to conceive for the first time. A renowned sociologist and professor at San Diego State University, Dr. Twenge brought her research background to the huge amount of information—sometimes contradictory, frequently alarmist, and often discouraging—that she encountered online, from family and friends, and in books, and decided to go into the latest studies to find out the real story. The good news is: There is a lot less to worry about than you've been led to believe. Dr. Twenge gets to the heart of the emotional issues around getting pregnant, including how to prepare mentally and physically when

thinking about conceiving; how to talk about it with family, friends, and your partner; and how to handle the great sadness of a miscarriage. Also covered is how to know when you're ovulating, when to have sex, timing your pregnancy, maximizing your chances of getting pregnant, how to tilt the odds toward having a boy or a girl, and the best prenatal diet. Trying to conceive often involves an enormous amount of emotion, from anxiety and disappointment to hope and joy. With comfort, humor, and straightforward advice, *The Impatient Woman's Guide to Getting Pregnant* is the bedside companion to help you through it.

How to Get Pregnant - Sherman J. Silber 2009-11-29

A complete update of a classic. Dr. Silber is the preeminent expert in the field of male and female fertility problems. He has appeared on "Oprah, the "Today show, Good Morning America, ABC's World News Tonight, Nightline, and was featured on Discovery Health's documentary program on infertility, "The Baby Lab, and many other national programs. The media world will eagerly welcome Dr. Silber to discuss the latest developments in infertility treatment.

The Big Fat Activity Book for Pregnant People - Jordan Reid 2017-04-27

THE PERFECT GIFT FOR MUMS-TO-BE WITH A SENSE OF HUMOUR. Part diary, part colouring book, and part brutally honest (and hysterically funny) collection of advice, this is for the new mother who wants to chill out, laugh her face off, and realise with every page that she is not alone. Two stars of the lifestyle and parenting blogosphere invoke the mindless fun and nostalgic appeal of an old-school activity book in this irreverent, laugh-out-loud twist on the traditional baby journal, with illustrated activities, lists, essays, and musings on what pregnancy is really like. - Wordsearches: Nope, Sorry (All the Stuff You're Not Allowed to Have Anymore); Bad Baby Names - Mazes: Make it from Your Desk to the Bathroom Without Throwing Up - Lists: How to Baby Shop Without Crying - Advice: Yoga Teachers (Also Your Mum Friends, Your Parents, People on Facebook, All Articles, and Everyone You Meet) Want to Tell You How to Give Birth, But You Don't Have to Listen - Quizzes: Stop: Labour Time!

Tressa - The 12-Year-Old Mum: My True Story - Tressa Middleton

2015-05-07

'Nobody knew the truth. For all those years while people judged me, I protected those closest to me. Now it's time for the real story to be told. It's time for healing and forgiveness.' Tressa Middleton made UK history when she became Britain's youngest mum in 2006 aged just 12 years and 8 months. Her case provoked shock and outrage - but the truth behind the headlines was far sadder than anyone could ever have imagined. Born into a life of poverty and neglect, Tressa was forced to grow up fast when she taken into care at just four years old. She was returned to her mother's chaotic world but by the age of seven, she was being abused by her own brother and at 11 years old she fell pregnant with his child. For years she kept his dark secret in an attempt to hold her family together until the truth threatened to destroy her completely. In the years since the birth, Tressa has gone through more pain and turmoil than most adults experience in a lifetime - yet today she survives a brave, strong and compassionate young woman. Now, for the first time, Tressa Middleton tells her own harrowing yet poignant story - a story of hope, forgiveness and above all, love.

Debunking Old Wives' Tales About Getting Pregnant - Aurora Brooks 101-01-01

Are you tired of hearing old wives' tales about getting pregnant? Are you ready to separate fact from fiction and learn the truth about fertility? Look no further than "Debunking Old Wives' Tales About Getting Pregnant." This short read book is your ultimate guide to understanding the myths surrounding fertility and discovering the real science behind conception. In this book, you will find a comprehensive table of contents that covers a wide range of common myths about getting pregnant. Each myth is thoroughly debunked, providing you with the knowledge and confidence to make informed decisions about your fertility journey. Starting with Myth 1, "Eating Pineapple Increases Fertility," you will learn why this popular belief is nothing more than a myth. The book explores the scientific evidence and explains why certain foods cannot magically boost your chances of conceiving. Moving on to Myth 2, "The Moon's Phases Affect Fertility," the book delves into the sub-myths of the

full moon and new moon. You will discover why lunar cycles have no impact on your ability to get pregnant. Myth 3 tackles the belief that certain sexual positions increase the odds of pregnancy. From the missionary position to doggy style, this book provides a clear understanding of how sexual positions do not affect fertility. As you progress through the book, you will also learn about the age-old myth that fertility declines after 35. Myth 4 explores the statistics and facts surrounding age and fertility, giving you a realistic perspective on conception at different stages of life. Other myths addressed in this book include the idea that using birth control pills causes infertility, the belief that stress prevents pregnancy, and the misconception that having regular sex guarantees pregnancy. Each myth is thoroughly examined, providing you with the truth behind these common misconceptions. To further enhance your understanding, the book also includes a section on frequently asked questions. Here, you will find answers to common queries about fertility and conception. "Debunking Old Wives' Tales About Getting Pregnant" is a must-read for anyone who wants to separate fact from fiction when it comes to fertility. With its comprehensive table of contents and thorough debunking of myths, this book will empower you with the knowledge you need to make informed decisions about your reproductive health. Say goodbye to old wives' tales

and hello to the truth about getting pregnant. This title is a short read. A Short Read is a type of book that is designed to be read in one quick sitting. These no fluff books are perfect for people who want an overview about a subject in a short period of time. Table of Contents Debunking Old Wives' Tales About Getting Pregnant Myth 1: Eating Pineapple Increases Fertility Myth 2: The Moon's Phases Affect Fertility Myth 2.1: Full Moon and Fertility Myth 2.2: New Moon and Fertility Myth 3: Certain Sexual Positions Increase Odds of Pregnancy Myth 3.1: Missionary Position and Fertility Myth 3.2: Doggy Style and Fertility Myth 4: Fertility Declines After 35 Myth 4.1: Age and Fertility Statistics Myth 5: Using Birth Control Pills Causes Infertility Myth 5.1: Temporary Infertility after Stopping Birth Control Myth 5.2: Long-Term Effects of Birth Control Pills Myth 6: Stress Prevents Pregnancy Myth 6.1: The Mind-Body Connection and Fertility Myth 7: Having Regular Sex Guarantees Pregnancy Myth 7.1: Understanding Fertile Window and Timing Myth 8: Elevating Hips After Sex Increases Fertility Myth 8.1: Sperm Travel and Gravity Myth 9: Fertility Treatment Always Results in Multiple Births Myth 9.1: Success Rates of Fertility Treatments Myth 10: Fertility Can Be Enhanced by Certain Foods or Supplements Myth 10.1: Fertility-Boosting Foods Myth 10.2: Fertility Supplements and Their Efficacy Frequently Asked Questions
