**I Kissed my Girlfriend's Little Sister?! Volume 1** - Riku Misora

2022-03-15

"We'd better not let my sis see us like this..." My girlfriend's younger twin sister has somehow become my new stepsister?! "You sound really nervous right now. You're just so adorable, bro." It's been a month since I've started dating Haruka, my first ever girlfriend. We even finally reached first base today—holding hands! "What a bad boyfriend you are. To think you're daydreaming about your little sister while you're holding hands with your girlfriend, of all people!" Today's also special for a different reason—my dad's getting remarried, which means I get a new stepsister. Her name is Shigure, and she's pretty much the spitting image of Haruka. That's no surprise though, given that she's actually Haruka's long-lost twin sister! Due to family circumstances, they were split up at birth. "It's okay, bro. I look exactly like sis does, right down to... well, you know. I don't blame you at all." Her presence adds a new, twisted form of love that tangles itself into our protagonist's passionate love life! He can't possibly tell his girlfriend what's been going on! Be sure to check out this saucy romcom with a raunchy and rather needy stepsister!

Conjuring Deception - Camilo Iribarren 2016-01-22

In Seattle, there have been a number of crimes committed by magicians and con artists. No law enforcer has been able to solve these misdeeds, until FBI agent Simon Shakespeare decided to form a team of magicians to help solve these misconducts. Shakespeare is an expert in close up magic, but he knows he needs help when it comes to other specialties of magic, so he recruits cardist, Ophelia Brownstone, mentalist, Feste

Fillmore, stage illusionist, Juliet Gardner and escape artist, Damon MacBeth. The team solves crimes involving any type of magic tricks and misconduct done to magicians. Their unique understanding of each specialty comes in handy to dissect the scene and create certain profiles of the perpetrators. Their current cases involve a jewel robber from three different cities and leaving a message that no one can decipher. Then, they will have to find out who is robbing five men and how come these men cannot remember how their bank accounts got cleaned out. How will they ever solve these cases?

**D.C. Shootout on K Street** - Evan Keliher 2012-06-01

D.C. Shootout On K Street is a political satire loaded with lots of sophisticated humor and even wit. It's hoped that you'll be both entertained and informed at the same time. Imagine that the gods were distracted one day and they accidentally made you the president of the United States. You wake up in the Oval Office and people are amazed. Everybody demands that you resign at once and let an experienced politician be president because you don't know how to run the country. What would you do? Could you stand up to the evil bastards and tell them to go to hell? They'd work overtime to get your ass out of the White House. You'd be called a racist, an idiot, a crook, a sex fiend, a liar.

They'd slander your family, try to impeach your ass, swear you were born in Kenya, hire assassins to shoot you, enlist those Swift Boat assholes to lie about your military record, claim your college transcripts were forged, and kidnap your kid as hostages. Or are there some laws you'd like to see passed? Maybe better Social Security benefits, lower interest on student loans, Medicare for all, more taxes on the rich and fewer on the poor, no more wars, close tax loopholes, rein in Wall Street, free Jose Padilla, raise duties on China, restore our infrastructure, open more factories, etc. If you like the nook please tell others; maybe we can round up enough people for a minor rebellion and make some real changes that actually help average American s instead of the 1%ers.

It's sad, but I'm glad it happened... My heart is heavy to share this story-it's embarrassing and I don't want you to laugh yet. Listen, if I count how many times I have been friend-zoned, you'll feel depressed on my behalf. The last one was many years ago when I was studying in Singapore. The next day, after my heartbreak, my roommate, Michael, called me and said, "Barack Obama is around. He's at Orchard to meet with Lee Kuan Yew-come, come, come." Michael didn't know what I was going through. He was at Orchard having fun, but I was at home feeling heartbroken and Obama wasn't the solution I needed at that moment-I

needed a relationship expert. Luckily, I have become that person I needed and I'll guide you through the ups and downs of how women work, how to get any woman without being friend-zoned and many more things acclaimed dating gurus won't tell you. In all things, honesty and foundation are key, and that's how we'll start. Skip this stage and you'll be in trouble... You've been lied to by dating gurus. Listen, my case was worse than yours. I thought it was because I came from a not-so-rich family or because I wasn't too tall and handsome. The truth is: I was in my head. I was the one killing myself-just the same way you're mentally sabotaging yourself without knowing. I wish someone had told me all the things I discovered throughout my struggles in understanding women-it would've saved me time and energy. Imagine the shame and pains you feel emotionally, but you have no one to run to for help except Google, yet there are too many inaccurate info by "acclaimed gurus" trying to fill your brain with pickup lines. Sometimes, you feel resentful towards women because they either rejected or friend-zoned you. This makes you feel undesirable and angry. From today, things will forever change for you with the info you'll discover soon. After learning these secrets, don't revenge women-forgive them, but flaunt your newly found confidence and skills. *Life is Funny* - Arun 2018-02-15

We have all been conditioned to live life in a strangely serious manner while Arjun Kapoor has developed a sense of sight wherein he finds humor in every tiny fragment of the absurd world he is living in. While others around him are crazy about money, their careers and the conventional diplomatic ways of the society, he is on the quest for a true meaning in life. Will his world ever change from stupidly funny to sanely sensible? Will he ever be able to get himself freed of the pain he has been going through for so many years? Will he ever find a liberating truth? Will he survive with his straightforward ways in a world full of people having no sense of righteousness?

**Werelord Thal** - Tracy Falbe 2013-11-13

Thal embodies the ancient magic of the pagan past. He challenges a world conquered by a spiritual system that denies the flesh and forgets

the Earth. He is wanted for Devil worship and shape shifting but still boldly walks the streets of 16th century Prague. Jesuits hunt him. Mercenaries fear him. Musicians sing his praise, and women are captivated by his alpha swagger. Born of a witch and a sorcerer, he is summoned when his desperate mother casts the werewolf spell before facing torture and execution. Burdened with her magical call for vengeance Thal seeks the men that killed her. His hunt is complicated when the Magistrate's stepdaughter Altea Kardas crosses his path. Horrified that her community is burning women to death, she can confide her doubt and fear only to Thal. He desires her greatly but knows he will bring ruin upon her. Across Bohemia and beyond people who are

different are labeled heretics in a restless world hobbled by tyrannical ignorance. The Renaissance has thrown the Holy Roman Empire into turmoil. Printed books are spreading radical ideas. Firearms are triggering a new age of warfare. And the human spirit is shaking off obedience. He awakens within Altea recognition of these truths. She believes any risk is worth loving him until she becomes the bait in a trap set by Thal's enemies. Enjoy this historical fantasy of werewolves and witches on Google Play.
