30 ONE-SIDED EASY CAT ADULT COLORING PAGES FOR YOUR ENJOYMENT ☐

Easy yet difficult and beautiful, like a cat, these pages will keep you preoccupied for hours ☐ 8.5 x 11 inch, one-sided with a black backing; only one picture printed on each sheet to prevent bleedthrough ☐

Coloring books for grown-ups can help us combat stress and boost mental clarity ☐ Promote creative thinking and personality development ☐ Working with your hands is one of the best ways to soothe anxiety, eliminate stress and calm the mind ☐ Calming coloring books for adults can be a cathartic escape from

everyday things that cause stress □ Used for better focus, therapy, relaxation, to calm the mind, solve problems, and improve personal organizational skills □ A great way to achieve inner stillness or zen, a mindless mindfulness state COLOR SOME CATS TO CELEBRATE RETIREMENT, A COTTAGE GETAWAY, A BIRTHDAY, AN ANY DAY Bookstores are having trouble keeping coloring books for grown-ups on the shelves more than popular titles. The number one and two best-sellers on the New York Times bestseller list in 2015, were coloring books. There is one and only reason for that - anti-stress coloring books for adults are billed as "color therapy" or cheap stress relief. And it seems to be working! So what is more relaxing than the image of a cute cat? Coloring that cute cat. With anti-stress coloring books for adults you can practice your coloring skills, unwind with a glass of wine and some good background music, and create some impressive artwork. Or

go crazy and paint outside the lines (water coloring works, too).
