No Family Album - Edward S. Blotner 2010-03

When a child is removed from a home and forced to live a life with strangers, it can be a traumatic experience accompanied by pain and shame that never goes away. This is the story of Ron Huber and his unforgettable journey through a childhood hell that eventually leads him out of the darkness into a successful adult life. Born in 1949 during the post-war era of national elation, Ron Huber's life is not joyful. When his alcoholic parents abandon him at age three, Ron is sent to two foreboding foster care ghettos where he is raised, over a span of fifteen years, by two female Victorian despots disguised as foster care mothers. After surviving beatings, scorn, emotional abuse, and back-breaking farm work, Ron finally manages to break free of the system and strikes out on his own in a cannibalistic world that nearly devours him. It is only through a miracle of emancipation and salvation that Ron emerges in adulthood as a Green Beret, book author, lecturer, government executive, and family man. In sharing his compelling personal journey, Ron Huber provides a heartbreaking glimpse into the perils that American children still encounter through abuse and a problematic foster care system.

Poems from the Heart - C. D. Boyden 2014-10-16

Sometimes words are hard to find to express ourselves to those we love and care about, but we wish to share how we feel about them anyway. The "Reflections of Love" may provide inspiration to find the words you wish to share with someone you care about; your sister, your girlfriend, your wife, your friend, your mother, or your father. You might even find something to connect with for yourself. Maybe within these reflections, you will connect with some words or a phrase and find peace. You may find the meaning to life in a poem or peace to share with a friend or a loved one. Whatever it is you're feeling or wish to share with someone, I hope you will enjoy a poem or two that I am lucky enough to now share with you. Enjoy, love, live, read and be happy.
