Attached - Amir Levine 2012-01-05

"Over a decade after its publication, one book on dating has people firmly in its grip." —The New York Times We already rely on science to tell us what to eat, when to exercise, and how long to sleep. Why not use science to help us improve our relationships? In this revolutionary book, psychiatrist and neuroscientist Dr. Amir Levine and Rachel Heller scientifically explain why why some people seem to navigate relationships effortlessly, while others struggle. Discover how an understanding of adult attachment—the most advanced relationship science in existence today—can help us find and sustain love. Pioneered by psychologist John Bowlby in the 1950s, the field of attachment posits that each of us behaves in relationships in one of three distinct ways: • Anxious people are often preoccupied with their relationships and tend to worry about their partner's ability to love them back • Avoidant people equate intimacy with a loss of independence and constantly try to minimize closeness. • Secure people feel comfortable with intimacy and are usually warm and loving. Attached guides readers in determining what attachment style they and their mate (or potential mate) follow, offering a road map for building stronger, more fulfilling connections with the people they love.

Everyone in This Room Will Someday Be Dead - Emily Austin 2021-07-06

"Gilda, a twenty-something, atheist, animal-loving lesbian, cannot stop ruminating about death. Desperate for relief from her panicky mind and alienated from her repressive family, she responds to a flyer for free therapy at a local Catholic church, and finds herself being greeted by Father Jeff, who assumes she's there for a job interview. Too embarrassed to correct him, Gilda is abruptly hired to replace the recently deceased receptionist Grace. In between trying to memorize the lines to Catholic mass, hiding the fact that she has a new girlfriend, and erecting a dirty dish tower in her crumbling apartment, Gilda strikes up an email correspondence with Grace's old friend. She can't bear to ignore the kindly old woman, who has been trying to reach her friend through the church inbox, but she also can't bring herself to break the bad news. Desperate, she begins impersonating Grace via email. But when the police discover suspicious circumstances surrounding Grace's death, Gilda may have to finally reveal the truth of her mortifying existence."--Amazon.

The Girls I've Been - Tess Sharpe 2021-01-26

Soon to be a Netflix film starring Stranger Things' Millie Bobby Brown - this must-read psychological thriller, perfect for fans of One of Us Is Lying, will leave you guessing until the final page. 'Unlike anything I've read before... immediate, gripping, incredibly tense, heart-breaking, heart-warming and FUN!' - Holly Jackson, author of A Good Girl's Guide to Murder As an ex con artist, Nora has always got herself out of tricky situations. But the ultimate test lies in wait when she's taken hostage in a bank heist. And this time, Nora doesn't have an escape plan ... Meet Nora. Also known as Rebecca, Samantha, Haley, Katie and Ashley - the girls she's been. Nora didn't choose a life of deception - she was born into it. As the daughter of a con artist who targeted criminal men, Nora always had to play a part. But when her mother fell for one of the men instead of conning him, Nora pulled the ultimate con herself: escape. For five years Nora's been playing at normal - but things are far from it when she finds herself held at gunpoint in the middle of a bank heist, along with Wes (her ex-boyfriend) and Iris (her secret new girlfriend and mutual friend of Wes ... awkward). Now it will take all of Nora's con artistry skills to get them out alive. Because the gunmen have no idea who she really is - that girl has been in hiding for far too long ... 'Slick, stylish and full of suspense' - Sophie McKenzie, author of Girl, Missing 'A powerful gut-punch of a book that will leave you reeling long after its final pages. I couldn't put it down!' - Chelsea Pitcher, author of This Lie Will Kill You 'I could hardly breathe until I finished. The tension! Absolutely loved it.' - Emily Barr, author of The One Memory of Flora Banks

Miranda and Her Daughters - Cate Garrison 2008-04

MIRANDA AND HER DAUGHTERS turns the Cinderella story on its head. Stepmothers traditionally get a terrible rap. Fathers and mothers--even mothers-in-law--may be good or bad, but stepmothers are always ""wicked."" But now that blended families are almost the norm, we need to challenge the stereotype. MIRANDA addresses the issue head-on in a way that is quirky, sexy, playful and, at times, serious. It takes the storyline from the Brothers Grimm, but brings it up to date, gives it a distinctly adult flavor, and sets it between London, England, and Portland, Oregon. The tale will appeal to women--and men--who take on the difficult job of raising other people's children, as well as their own. More, it provides the missing 'back story': how Cinderella's father met his second wife, or why the new wife's two daughters had a problem with shoes. Above all, it shows that the protagonists in most cobbled-together marriages are well-meaning, if only human.

Men Don't Love Women Like You! - G. L. Lambert 2015-12-04

Most men don't want you, they want to f**k you, know the difference. Most men don't love you, they love what you do for them, know the difference. Men Don't Love Women Like You! is a Step-By-Step manual on how to stop manipulation, command attention, and be seen as a must have by any man! ***** You are the type of woman that men grow bored with and replace. Your beauty, your brains, your perceived uniqueness is hype. In your bias world, a man would be lucky to have a woman like you because you aren't like every other female. The brutal truth that we men refuse to tell you, is that you are painfully typical. You flirt like every other woman. You hold the same conversations as every other woman. You read the same typical relationship advice and try the same tricks as every other woman. All because you are obsessed with being loved like every other woman. Men play along but they don't play for long. You are the woman we date and then dump. Sleep with then forget. Get into a relationship with, then eventually grow bored of. You will never work out because you don't stand out! The men you want the most, want you the least because you are just as ordinary as the women you claim to be better than. No man is hard to figure out. No man is emotionally unavailable. No man is unready to settle down. When a man tells you he's not looking for anything serious, he means "with you!" There are two types of women The Placeholder & The Game Changer. You are The Placeholder, that girl who fills a man's needs until The Game Changer arrives. A man will date you, sleep with you, even enter into a

relationship, but you are not what he really wants. You are a practice woman, preparing him for his future wife. Aren't you tired of being just another seat filler? Will you become yet another mediocre woman that ends up settling for average because great men don't see her as anything special? Or are you ready to Spartan Up and learn how to become his Game Changer... *Men Don't Love Women Like You*, is a brutally honest manual that will transform you from typical to priceless. The secrets in this book will guide you step by step as you learn what men think, how to counter their Bullsh*t, and the exact ways to turn the table in your favor. No matter who the man is, how young, old, rich, or popular he may be, this book will show you how to attain power over him. From the first meeting to the first date. From a new relationship hitting its first bump to an old relationship on its last legs. You will learn to dominate men in ways you never dreamed of. You will become what you were always meant to be A Goddess in the flesh. Typical bitches get Typical results! Empowered women get powerful results! Open this book and learn how to get away with Pu\$\$y Power at a level never before seen and change your life.

13 Things Mentally Strong Women Don't Do - Amy Morin 2019-01-10
The emergence of the #MeToo and #TimesUp movements have awakened society and encouraged women to find their voice and claim back their power. Contending with a host of difficult issues that demand psychological strength - in this crucial book, prominent psychotherapist and licensed clinical social worker Amy Morin gives women the techniques to build mental muscle in 13 steps. Delving into critical issues like sexism, social media, social comparison, and social pressure, Amy offers thoughtful, intelligent advice, practical tips, and specific strategies; combining them with her personal experiences, stories from former patients, and both well-known and untold examples from women from across industries and pop culture. Throughout, she explores the areas women - and society at large - must focus on to become (and remain) mentally strong. Amy reveals that healthy, mentally tough women don't insist on perfection; they don't compare themselves to other people; they don't see vulnerability as a weakness; they don't let self-doubt stop them from reaching their goals. Insightful, grounded, and extremely timely, 13 THINGS MENTALLY STRONG WOMEN DON'T DO can help every woman flourish - and Amy will take readers on this journey with her, every step of the way.

Screenwriting for Neurotics - Scott Winfield Sublett 2014-10
Screenwriting for Neurotics is a quirky and accessible handbook for beginning screenwriters. Whether you are a student in a screenwriting class or just someone who wants to try their hand at writing for film or television, this handy guidebook makes the entire process simple and unimimidating. Scott Winfield Sublett, a veteran screenwriter and screenwriting teacher, walks you step by step from start to finish and helps you navigate potential and unforeseen difficulties along the way, offering handy tips and suggestions to keep you from becoming blocked or stalled. Rather than throwing you into the writing process headfirst, Sublett guides you through the various decisions you need to make—about plot, character, structure, conflict—in the order you need to make them. He explains in straightforward terms the terminology and jargon, the theory and industry standards, and dispels common myths about screenwriting that can discourage or hold back a beginning writer. Balancing theory and practice and offering valuable and insightful examples from recognizable and well-known classic and contemporary films, ranging from *Casablanca* to *A Christmas Story* to *Clerks*, Sublett provides the new writer with the necessary tools to successfully write a feature-length screenplay and offers a roadmap of where to go next. With an emphasis on helping a writer not just to begin, but also to finish a script, *Screenwriting for Neurotics* is the screenwriting book to help you actually write one.

Why We Love - Helen Fisher 2005-01-02

A groundbreaking exploration of our most complex and mysterious emotion Elation, mood swings, sleeplessness, and obsession—these are the tell-tale signs of someone in the throes of romantic passion. In this revealing new book, renowned anthropologist Helen Fisher explains why

this experience—which cuts across time, geography, and gender—is a force as powerful as the need for food or sleep. *Why We Love* begins by presenting the results of a scientific study in which Fisher scanned the brains of people who had just fallen madly in love. She proves, at last, what researchers had only suspected: when you fall in love, primordial areas of the brain "light up" with increased blood flow, creating romantic passion. Fisher uses this new research to show exactly what you experience when you fall in love, why you choose one person rather than another, and how romantic love affects your sex drive and your feelings of attachment to a partner. She argues that all animals feel romantic attraction, that love at first sight comes out of nature, and that human romance evolved for crucial reasons of survival. Lastly, she offers concrete suggestions on how to control this ancient passion, and she optimistically explores the future of romantic love in our chaotic modern world. Provocative, enlightening, and persuasive, *Why We Love* offers radical new answers to the age-old question of what love is and thus provides invaluable new insights into keeping love alive.

The Driveway Rules - Marc Sander 2020-01-28

The Driveway Rules is my book of memoirs. It focuses on my struggles when it comes to dating but also has fun entries about various adventures in my life. I am introspective and have learned a lot about my struggles through the years. The point of our struggles is to use them as an opportunity for growth and perhaps to help others later in life. This book is poignant, philosophical and humorous. Next to penicillin laughter is the best medicine.

Anna Karenina Vol. 1 & 2 - Leo Nikolayevich Tolstoy 2010-06-01
Leo Tolstoy, or Count Lev Nikolayevich Tolstoy (1828-1910), was a Russian writer widely regarded as among the greatest of novelists. His masterpieces *War and Peace* and *Anna Karenina* represent in their scope, breadth and vivid depiction of 19th-century Russian life and attitudes, the peak of realist fiction. *Anna Karenina* tells parallel stories of an adulterous woman trapped by the conventions and falsities of society and of a philosophical landowner, who works alongside the peasants in the fields and seeks to reform their lives.

You Say More Than You Think - Janine Driver 2011-01-04

Now You're Talking! Do you want to be bulletproof at work, secure in your relationship, and content in your own skin? If so, it's more important than ever to be aware of what your body is saying to the outside world. Unfortunately, most of what you've heard from other body language experts is wrong, and, as a result, your actions may be hurting, not helping, you. With sass and a keen eye, media favorite Janine Driver teaches you the skills she used every day to stay alive during her fifteen years as a body-language expert at the ATF. Janine's 7-day plan and her 7-second solutions teach you dozens of body language fixes to turn any interpersonal situation to your advantage. She reveals methods here that other experts refuse to share with the public, and she debunks major myths other experts swear are fact: Giving more eye contact is key when you're trying to impress someone. Not necessarily true. It's actually more important where you point your belly button. This small body shift communicates true interest more powerfully than constant eye contact. The "steeple" hand gesture will give you the upper hand during negotiations and business meetings. Wrong. Driver has seen this overbearing gesture backfire more often than not. Instead, she suggests two new steeples that give you power without making you seem overly aggressive: the Basketball Steeple and the A-OK Two-Fingered Steeple. Happy people command power and attention by smiling just before they meet new people. Studies have shown that people who do this are viewed as Beta Leaders. Alpha leaders smile once they shake your hand and hear your name. At a time when every advantage counts—and first impressions matter more than ever—this is the book to help you really get your message across.

Pretend To Love You: A fake relationship, grumpy-sunshine, sister's best friend, small town romance - Julia Jarrett 2023-06-21

From bestselling author Julia Jarrett comes a steamy, fake dating, grumpy / sunshine, small town romance about a former NHL star and his little sister's best friend who will heal more than his injured leg... My all-star hockey career is over. All because of a busted leg from one too many hits into the boards. Coming home to Dogwood Cove to heal and figure out my next steps feels like the best option I've got. Then somehow the

first step I take is to wind up in a fake relationship with my physical therapist, who also happens to be my little sister's best friend. It starts out simple enough. Lily needs a date to a family wedding, one that promises to be more torture than celebration. Now, thanks to an overbooked hotel with only one bed, two gossiping bridesmaids, and a three minute slow dance... the entire town, including our families, thinks we're dating. To save face we decide to keep the ruse going. There's just one problem: What I'm feeling for Lily is anything but pretend. Falling for her wasn't part of the plan, but she's a ray of light that pierces through the dark clouds surrounding me. She thinks my future is still in hockey, but I know differently. My future is with her.
