*Nice Girls Just Don't Get It* - Lois P. Frankel 2011-04-19

Offering the same brand of practical, no-holds-barred, expert advice that made *Nice Girls Don't Get the Corner Office* an international million-copy bestseller, *Nice Girls Just Don't Get It* teaches us the skills we need to turn from a nice girl into a winning woman, not just in our careers but in our relationships, families, and everyday lives. Have you ever felt invisible? Taken advantage of? Reluctant (or unable) to articulate what you really want? If so, join the club. The nice girls club. Nice girls—that's right, girls—are those more concerned with pleasing others than with addressing their own needs and haven't yet learned how to overcome the childhood messages cultural stereotypes keeping them from getting their voices heard, their needs met, and the lives they want. This book will turn those nice girls into winning women. That is, women who factor their own needs in with those of others, confront those who treat them disrespectfully, maintain healthy and mutually beneficial relationships with appropriate boundaries— and as a result, are happier and more successful in every area of their life. In 2004, Lois Frankel blew the lid off so many of our long-held ideas about gender and success with her bestselling *Nice Girls Don't Get the Corner Office*, which went on to become such a huge phenomenon, the term "nice girls" has secured a place in our cultural lexicon. Here, Frankel teams up with negotiation expert Carol Frohlinger to bring this bestselling advice out of the workplace and provide a broader set of skills that any woman—whether a CEO or stay-at-home mom—can use to win anywhere, with anyone. Presented in the straightforward, digestible format that helped make *Nice Girl's Don't Get the Corner Office* an instant hit, Frankel and Frohlinger outline seven practical strategies and 99 supporting tactics that every winning woman should know. By the time you've finished reading this book, you'll be able to:

- Get your husband to do his half of the household chores—without being made to feel like a nag.
- Stop overextending yourself by taking on all the unpleasant tasks no one on your volunteer board, or your team at work will go near.
- Win an argument with your mother in law about who will be hosting Christmas dinner.
- Have the courage to send back a meal that isn't prepared the way you'd ordered it.
- Confront a colleague who is shirking responsibility or taking credit for your work.
- Convince a sales person to reduce a fee, waive a surcharge, or honor a store credit.
- Question a doctor's course or treatment or request a second opinion, instead of simply going along in order to be a "good" patient.
- Firmly but politely bow out of an extravagant vacation to celebrate a friend's birthday that you simply can't afford—without feeling guilty about it. And so much more.

A must-read for anyone who's ever felt taken advantage of by a friend or family member, unappreciated by a spouse or partner, or exploited by a vindictive neighbor or co-worker, *Nice Girls Just Don't Get It* offers women the indispensable knowledge and skills to get the things they want, the respect they've earned, and the success they deserve. From the Hardcover edition.

*How to Attract Women* - Zac Miller 2020-03-08

Can I Ask You a Question? What would life be like if you knew exactly how to attract women? If you could get the girls you've always wanted? If you could be a man women were sexually drawn to... would that change your life? Hi, my name is Zac Miller. In my many years here on earth I've had my share of experiences with women. And like most men, I wasn't born knowing what attracts women or what they want, but there came a point in my life where I was fed up and did something about it. Many men just say "women are crazy," and they leave it at that, not trying to understand them. I couldn't have that... While women are in fact crazy, I have put together a book which explains what they want, what attracts them to men, and how you can start attracting women. It's taken me many, many years, and many, many sleepless nights, but after all was said and done, I believe I have made the best book available when it comes teaching men everything it takes to successfully attract women. Here's What You'll Learn in This Book

Chapter 1: Appearance - While it's been this way for many years, the advent of website profiles and dating apps has made a masculine appearance much more important for men in this day and age. Here I share

with you the many ways you can appear more attractive to women, as well the ideal body type women are looking for in a man (hint: it's not abs). Chapters 2 & 3: Attractive & Unattractive Qualities - Ever notice how women are attracted to jerks and "bad boys?" It's because they display many attractive qualities women desire. In these chapters, I share with you what exactly these qualities are, while also going over attributes you need to stay away from, which push women away. Chapter 4 & 5: Talking to Women - Next, we go over how to talk to women and connect with them, in turn attracting them to you. I show you how to approach girls, get their contact information, and how to conversant with them afterwards to secure a date. I go over the number one mistake most guys make during this process, as well as the one quality that will put you above all other men when talking to women (hint: it's not a lifted truck). Chapter 6: The Date - We then go over how to handle the date. I show you exactly how to ask for the date, where to go, and what to do during the date. This includes conversation topics that release dopamine (feel good) chemicals in a woman's brain, as well as techniques you can employ during the date to keep her attention. I then go over what to do after the date to keep her interested in you for the long run to make her your girlfriend. Chapter 7: The What If's? - What if she flakes on the date? What if she says maybe? What if she starts losing interest? All these questions and more are handled in this chapter, showing you the exact techniques to employ to handle each situation, which will keep a woman interested in you. Appendix - I provide 70 opening messages, original to this book, to use when texting girls. These are unique, funny messages, which will make you stand out from other men. As a FREE bonus, only to buyers of this book, I provide you with my special report, *Subconscious Attraction: 3 Techniques that Will Attract Her Subconsciously*. These are perfect to use during the first date! If you want to become more successful with women and start getting the girls you've always desired, you can't risk not knowing this information. **Models** - Mark Manson 2017-09-11

"You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, *The Subtle Art of Not Giving a F\*ck*, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In *Models* he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, *Models* is a mature and honest guide on how a man can attract women by giving up the bullsh\*t and becoming an honest broker. "A detailed guide to modern sexual ethics" Sydney Morning Herald "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f\*ck . . . He's as painfully honest as he is outrageously funny" Huffington Post [The Nice Guys' Guide to Getting Girls - You Can Be a Nice Guy and Still Attract Women!](#) - John Fate 2004-02

### **The Man's Guide to Women** - John Gottman 2016-02-02

A great "philosopher" once said, "Trying to understand women is like trying to smell the color 9." But the fact is, men can understand women to their great benefit. All they need is the right teacher. And arguably there is no better teacher than John Gottman, PhD, a world-renowned relationships researcher and author of the bestselling 7 principles of Making Marriage Work. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton Abrams, MD, is based on 40 years of scientific study, much of it gleaned from the Gottman's popular couple's workshops and the "love lab" at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. The Man's Guide to Women offers the science-based answers to the question: What do women really want in a man? The book explains the hallmarks of manhood that most women find attractive, and helps men hone those skills to be the man she desires.
