MATCHED - Zac Miller

————— Need Some Help
Attracting Women on Dating Apps?

————— You've come to the right place! Hi, my name is Zac Miller, and I've come up with a guide that will get you the matches, responses, and dates so you can finally find the girl of your dreams! We start at the beginning with fine tuning your profile, going over case studies on the perfect photos to employ to increase your matches. We then go over what and when to message girls so they want to talk to you. We go over how to get their number and Snapchat, and ultimately how to get them out onto a date. I even show you what to do after the date! Everything you need is included in this book! Here's What You'll Learn In This Book:

————— • Why meeting girls on dating apps makes dating a much easier, more enjoyable experience than going to a bar or club. • Inexpensive ways to immediately improve your appearance. • The most attractive male body type females are attracted to (hint: it's not abs). • A major college study found doing this one thing in your photo makes you appear more attractive to females. • Many men make this mistake, which makes them appear uncertain and fearful in their photos. • A website where others can judge your photos, so you have the best ones displayed on your profile. • Don't put any of these in your bio or risk alienating potential matches. • 5 ways to increase the number of matches you are currently getting. • Should you use super likes? • The many types of girls and guys found on Tinder (and other dating apps) and the one type of guy who girls are most drawn to. • The reasons most guys don't do well on Tinder. • The two qualities which attract partners to each other. • Tips for sending the

The Five Love Languages - Gary Chapman
2009-12-17

Marriage should be based on love, right? But does it seem as though you and your spouse are

speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can

We Should Get Together - Kat Vellos 2020-01-04

We Should Get Together is the handbook for anyone who's ready for better friendships, now. Have you recently moved to a new city and are struggling to make friends? Do you find yourself constantly making plans with friends that fall through? Are you more likely to see your friends' social media posts than their faces? You aren't alone. Millions of adults struggle with an uncomfortable and persistent ache: platonic longing, which is the unfulfilled wish for authentic, resilient, close friendships. But it doesn't have to be this way. Making and maintaining friendships during adulthood can be hard--or, with a bit of intention and creativity, joyful. Author Kat Vellos, experience designer

and founder of Better Than Small Talk, tackles the four most common challenges of adult friendship: constant relocation, full schedules, the demands of partnership and family, and our culture's declining capacity for compassion and intimacy in the age of social media. Combining expert research and personal stories pulled from conversations with hundreds of adults, We Should Get Together is the modern handbook for making and maintaining stronger friendships. With this book you will learn to: Make and maintain friendships when you (or your friends) keep moving Have deeper and more meaningful conversations Triumph over awkwardness in social situations Become less dependent on your phone Identify and prioritize quality connections Find time for friendship despite your busy calendar Create closer, more durable friendships Full of relatable stories, practical tips, 60 charming illustrations, 55 suggested activities, a book club discussion guide, and 300+ conversation starters, We Should Get Together

A Step-by-Step Guide to Ask A Girl Out Over Text - Amanda Reid 2022-02-27

A Step-by-Step Guide to Ask A Girl Out Over Text This book is a step-by-step guide on how to ask a girl out via text. If you're interested in someone, but don't know how to ask them out, this is the perfect guide for you. The book will teach you how to make a killer first impression. It will teach you how to start conversations and

how to get someone to respond. I'm sure that many of the techniques here can be used in person as well, but it's important that we learn how to be more spontaneous in our text communication. In person, it's easy to talk about how much you love someone, but in a text message, it can be taken the wrong way. So this book will teach you how to do that. It's a great read, so I encourage you to pick up a copy and get started today! It also provides examples of text conversations that will help you get the girl you're interested in to say "yes". The book is designed to be a helpful guide for guys who are looking to ask the girl they like out on a date, but don't know how to do it. The book is broken down into three sections. The first part is a guide to texting, which covers the dos and don'ts of texting, and provides examples of text conversations that will help you get the girl you're interested in to say "yes" to your first date. The second part of the book is a guide to asking the girl out on a date. Here, you'll find

Dating Rulebook - ARX Reads

Asking someone to hang out can be a scary thing. There is something far more personal about hanging out one on one with someone you are interested in than merely texting with the person. It's taking a step toward the possibility of a relationship. However, it doesn't have to be terrifying. There are easy ways to broach the subject. It doesn't have to be a huge deal. By relying on open and honest communication, you can make the ask and hopefully score a "hang out" date. There are some simple things you can do to ask her out.

The Art of Asking - Amanda Palmer 2014-11-11
Rock star, crowdfunding pioneer, and TED speaker Amanda Palmer knows all about asking. Performing as a living statue in a wedding dress,

she wordlessly asked thousands of passersby for their dollars. When she became a singer, songwriter, and musician, she was not afraid to ask her audience to support her as she surfed the crowd (and slept on their couches while touring). And when she left her record label to strike out on her own, she asked her fans to support her in making an album, leading to the world's most successful music Kickstarter. Even while Amanda is both celebrated and attacked for her fearlessness in asking for help, she finds that there are important things she cannot ask for-as a musician, as a friend, and as a wife. She learns that she isn't alone in this, that so many people are afraid to ask for help, and it paralyzes their lives and relationships. In this groundbreaking book, she explores these barriers in her own life and in the lives of those around her, and discovers the emotional, philosophical, and practical aspects of The Art of Asking. Part manifesto, part revelation, this is the story of an artist struggling with the new

Women Don't Ask - Linda Babcock 2021-01-05

The groundbreaking classic that explores how women can and should negotiate for parity in their workplaces, homes, and beyond When Linda Babcock wanted to know why male graduate students were teaching their own courses while female students were always assigned as assistants, her dean said: "More men ask. The women just don't ask." Drawing on psychology, sociology, economics, and organizational behavior as well as dozens of interviews with men and women in different fields and at all stages in their careers, Women Don't Ask explores how our institutions, child-rearing practices, and implicit assumptions discourage women from asking for the opportunities and resources that they have earned and deserve—perpetuating inequalities that are fundamentally unfair and economically unsound. Women Don't Ask tells women how to ask, and why they should.

It is possible to find true love through dating. In *True Love Dates*, Debra Fileta encourages singles not to "kiss dating goodbye" but instead to experience a season of dating as a way to find real love. Through powerful, real-life stories and Fileta's personal journey, this book offers profound insights from the expertise of a professional counselor. Christians are looking for answers to finding true love. They are disillusioned with the church that has provided little practical application in the area of love and relationships. They're bombarded by Christian books that shun dating, idolize courting, fixate on spirituality, and in the end, offer little real relationship help. *True Love Dates* provides honest help for dating by providing a guide into vital relationship essentials. Debra is a professional Christian counselor who reaches millions with her popular blog, Truelovedates.com, and her book offers sound advice grounded in Christian spirituality. She delivers insight, direction, and counsel when it

comes to entering the world of dating and learning to do it right the first time around. Drawing on the stories and struggles of hundreds of young men and women who have pursued the search for true love, Fileta helps readers bypass unnecessary pain while focusing on the things that really matter in the world of dating.

dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to

all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude

cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective,

including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
