*The Power of Asking - Loralie Klages 2012-11-08*

This book is being written to share ways to save time, money and get more of what you want out of life simply through the power of asking. Many people are afraid to ask for what they want for fear of being told no, however in most cases, you

may be surprised that the answer is often yes, and if the answer is no, you will still be in the same situation as before. You have nothing to lose; if you don't ask, the answer is always no. Every day, as consumers we are bombarded by vendors with questions. These questions entice

us to purchase additional services or spend more on a product. What would happen if we started asking our own questions to vendors, friends or acquaintances that would allow us to receive better services, additional products or save time and money without compromise? You will discover that by asking simple everyday questions (ones we often hear from the uninhibited mouths of our children) to asking more complex questions, we can live a more enjoyable life by getting more of what we want more often!

**Summary of Fail Fast, Fail Often by Ryan Babineaux and John Krumboltz** - QuickRead  
Learn how your failures can actually help you get ahead. Fail Fast, Fail Often is the textual companion to a Stanford University course of the same name. Crafted by two psychologists and career counselors, this book draws from the authors' research on failure's seemingly paradoxical impact on success-- whether that's for better or for worse! By unpacking our fear of failure, the authors offer insight on what we can do to relinquish these fears and embrace our mistakes. Do you want more free book summaries like this? *Speak Up!* - Halley Bondy 2019-08-01

Middle school is a tough time for nearly everyone, but it can be especially hard on girls. Between social and cultural pressures, academic challenges, family dynamics, changing hormones, and a growing awareness of the world around them, middle school girls often end up feeling voiceless and powerless. They can struggle with speaking in class, standing up for their beliefs, navigating complicated social situations, and generally letting their voices be heard. *Speak Up!* confronts these issues head on. In a relatable, frank tone, *Speak Up!* lets young girls know that what they have to say is important and that their thoughts are worth hearing. By presenting real issues and scenarios that girls will recognize from their own day-to-

day lives, as well as exploring the negative thoughts and feelings that can hold them back, *Speak Up!* will supply girls with the tools they need to understand their feelings and speak up in any situation. Interactive exercises, lists, real-life examples, and attractive graphics will keep the readers engaged from start to finish. More than a book about self-esteem, *Speak Up!* addresses the cultural factors that hold girls back, and features real strategies to enable them in finding, and using, their voices.

conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when:

- colleagues push their work on you - then take credit for it
- you accidentally trash-talk someone in an email and hit 'reply all'
- you're being micromanaged - or not being managed at all
- your boss seems unhappy with your work
- you got too drunk at the Christmas party

With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life.

[Real Friends vs. the Other Kind](#) - Annie Fox  
2009-06-05

"If you're like us, you probably have questions about friendships. Maybe you're not sure if someone is a real friend or the other kind." So

goes the story of Jack, Jen, Chris, Abby, Mateo, and Michelle—six students trying to figure it all out in middle school. *Real Friends vs. the Other Kind*, the second book in the Middle School Confidential series, follows these characters as they work to forge friendships while navigating tough social situations. The book offers insider information on making friends, resolving disputes, and dealing with other common middle school concerns—like gossip, exclusion, and cyberbullying. There's also expert advice on crushes, peer pressure, and being there for friends who need help. Filled with character narratives, quizzes, quotes from real kids, tips, tools, and resources, this book is a timely and engaging survival guide for the middle school years.

*Finding Happily; No Rules, No Frogs, And No Pretending* - Collette Gee 2021-08-22

After Collette Gee found herself in another failed relationship she began researching every dating and relationship book on the market. She

researched lessons on how to make it past the first date, what to say and not to say, how to dress and when and how to ration out the first kiss. Book after book were filled with detailed instruction on how to be and how not to be. The more she read and compared notes, the stronger these questions became: When is it okay to stop pretending? Do we ever get to just be themselves? In this cutting-edge book, *Dating and Relationship Specialist*, Collette Gee reveals the true meaning behind living "happily ever after". "Most dating and relationship books advise women to follow every tip and trick out there in order to 'capture the heart' of Mr. Right," says Collette. "But, the truth is, when it comes to dating and relationships 'happily ever after' is not an ending; it's a journey." If you are ready to rethink dating and relationships and find love under your own terms, then this book is for you. If you are ready to stop doing "the rules," kissing frogs and pretending to be someone you are not, then this book is for you.

This is the last dating and relationship book you will ever need! This is not another one of those dating and relationship how-to-guide that over promises, but under deliver. Instead, what this book offers that no other book does is a deeper introspection as to what real relationships look like. "While life can be challenging; dating and relationships don't have to be." Therefore, what you will not find in this book are cookie-cutter instructions on how to "catch and keep a man." Instead through the series of stories outlined in this book you will learn how to develop your own unique successful approach to dating and relationships.

**We Should Get Together** - Kat Vellos

2020-01-04

We Should Get Together is the handbook for anyone who's ready for better friendships, now. Have you recently moved to a new city and are struggling to make friends? Do you find yourself constantly making plans with friends that fall through? Are you more likely to see your friends' social media posts than their faces? You aren't alone. Millions of adults struggle with an uncomfortable and persistent ache: platonic longing, which is the unfulfilled wish for authentic, resilient, close friendships. But it doesn't have to be this way. Making and maintaining friendships during adulthood can be hard--or, with a bit of intention and creativity, joyful. Author Kat Vellos, experience designer and founder of Better Than Small Talk, tackles the four most common challenges of adult friendship: constant relocation, full schedules, the demands of partnership and family, and our culture's declining capacity for compassion and intimacy in the age of social media. Combining

*Expectation Hangover* - Christine Hassler  
2016-01-15

When our expectations are met and things go

according to plan, we feel a sense of accomplishment; we feel safe, in control, and on track. But when life does not live up to our expectations, we end up with an Expectation Hangover. This particular brand of disappointment is profoundly uncomfortable and can cost us valuable time and energy if not treated and leveraged effectively. Christine Hassler has broken down the complex and overwhelming experience of recovering from disappointment into a step-by-step treatment plan. This book reveals the formula for how to process Expectation Hangovers on the emotional, mental, physical, and spiritual levels to immediately ease suffering. Instead of wallowing in regret, self-recrimination, or anger, we can see these experiences as catalysts for profound transformation and doorways that open to possibility. Often it is only when life throws us a curveball (or several) that we look in a different direction and make room for the kinds of unexpected things that lead more directly to a

### **A Step-by-Step Guide to Ask A Girl Out Over Text** - Amanda Reid 2022-02-27

A Step-by-Step Guide to Ask A Girl Out Over Text This book is a step-by-step guide on how to ask a girl out via text. If you're interested in someone, but don't know how to ask them out, this is the perfect guide for you. The book will teach you how to make a killer first impression. It will teach you how to start conversations and how to get someone to respond. I'm sure that many of the techniques here can be used in person as well, but it's important that we learn how to be more spontaneous in our text communication. In person, it's easy to talk about how much you love someone, but in a text message, it can be taken the wrong way. So this

book will teach you how to do that. It's a great read, so I encourage you to pick up a copy and get started today! It also provides examples of text conversations that will help you get the girl you're interested in to say "yes". The book is designed to be a helpful guide for guys who are looking to ask the girl they like out on a date, but don't know how to do it. The book is broken down into three sections. The first part is a guide to texting, which covers the dos and don'ts of texting, and provides examples of text conversations that will help you get the girl you're interested in to say "yes" to your first date. The second part of the book is a guide to asking the girl out on a date. Here, you'll find step-by-step instructions on how to ask your crush out. The last part of the book is a guide to being a good date and what you should do on your first date. Click the Buy Now with 1 - Click to get started

*Find Out Anything From Anyone, Anytime* - James O. Pyle 2014-01-20

The secret to finding out anything you want to know is amazingly simple: Ask good questions. Most people trip through life asking bad questions—of teachers, friends, coworkers, clients, prospects, experts, and suspects. Even people trained in questioning, such as journalists and lawyers, commonly ask questions that get partial or misleading answers. People in any profession will immediately benefit by developing the skill and art of good questioning. *Find Out Anything From Anyone, Anytime* will

give you the power to: Identify and practice good questioning techniques Recognize types of questions to avoid Know the questions required when hearing unconfirmed reports or gossip Practice good listening techniques and exploit all leads Determine when and how to control the conversation Gain real expertise fast Within professional interrogation circles, author James Pyle is known as a strategic debriefer—meaning there is no one around him more skilled at asking questions and getting answers. He has been training other interrogators in questioning techniques since 1989.

Nelson offers a guide to transform your life through movies. Throughout a yearlong period, Williams-Nelson details how watching one movie per week, reflecting on its message, journaling your thoughts and feelings, and following up with an action plan can help you gain control over your life. The movie "It's A Wonderful Life" will teach you to create a quiet space, to choose a title for your life plan, to choose a theme song for the year, and to find an inspirational motto for your life. "Jerry Maguire" will teach you to live with integrity, remain your authentic self, and create a mission statement. Lights, Camera, Take Action discusses the tools and principles used by some of the world's most successful people. It encourages you to follow along for fifty-two weeks while some of your favorite stars inspire you to create the life of your dreams.

*Dating Etiquette and Sexual Respect* - Jennifer Culp 2016-12-15

When it comes to going out on a date, most people know that there are certain rules of

etiquette to follow, but that means more than good table manners when your date takes you out to a nice place to eat. Readers may also be surprised to learn that etiquette has a place when things get physical with your date, too. This straightforward book cuts to the chase with just a few simple rules to follow when it comes to dating, whether someone is asking a person out or being asked out.

[Easy Way to Recognize Your Crush](#) - Jessica King

Do you find yourself wondering who has a crush on you? If so, don't worry, you're not alone. In fact, according to a recent study, almost half of all people have wondered this at some point in their lives. So, if you're looking for a way to figure out who has a crush on you, here are ten best ways to do it. 1. Look out for signs that someone might be interested in you. This might include sending you romantic messages, being overly affectionate, or pursuing you in a way that seems out of the ordinary. 2. Ask someone

out. This might be the easiest way to figure out who has a crush on you, especially if the person is someone you know well. Just be sure to take things slow and be prepared for a response. 3. Watch for subtle clues. If someone repeatedly compliments you or pays attention to you in a way that seems too friendly, it might be a sign that they have a crush on you. 4. Be observant. If someone seems to be watching you or following you around, it might be a sign that they have a crush on you. 5. Check your social media profiles. If someone you know has been posting a lot of pictures or videos of you, it might be a sign that they have a crush on you. 6. Ask your friends. If they know who the person with a crush on you is, they might be able to give you a hint. 7. Pay attention to your feelings. If you're not sure whether the person with a crush on you is serious about them or not, it might be a good idea to take things slow. 8. Talk to a therapist. If you're not sure what to do or how to proceed, talking to a therapist might be a good idea. 9.

Get a love reading. If you're feeling lost or unsure about what to do, getting a love reading might be a good solution. 10. Trust your gut. If you're certain that the person with a crush on you is interested in you, go ahead and let them know. After all, it might be the best thing for both of you.
