Airy Nothings: Imagining the Otherworld of Faerie from the Middle Ages to the Age of Reason - 2013-11-07

Airy Nothings contains eleven contributions on the scholarly and literary representations of the Otherworld of Faerie from the Middle Ages to the Enlightenment.

Ancient Egypt Light Of The World 2 Vol set - Gerald Massey 2013-10-15
First published in 2005. This expansive and fascinating treatment of ancient Egyptian mythology and its influence on the traditions that followed from it includes explorations of sign-language in mythological representation, totemism, fetishism, spirits and Gods, the Egyptian Book of the Dead, and Egyptian wisdom in the Hebrew Genesis. Readers will enjoy the wealth of information offered by Massey, as well as his clear and readable style.

The Lieutenant Nun - Sherry Velasco 2009-12-03

Catalina de Erauso (1592-1650) was a Basque noblewoman who, just before taking final vows to become a nun, escaped from the convent at San Sebastián, dressed as a man, and, in her own words, "went hither and thither, embarked, went into port, took to roving, slew, wounded, embezzled, and roamed about." Her long service fighting for the Spanish empire in Peru and Chile won her a soldier's pension and a papal dispensation to continue dressing in men's clothing. This theoretically informed study analyzes the many ways in which the "Lieutenant Nun" has been constructed, interpreted, marketed, and consumed by both the dominant and divergent cultures in Europe, Latin America, and the United States from the seventeenth century to the present. Sherry Velasco argues that the ways in which literary, theatrical, iconographic, and cinematic productions have transformed Erauso's life experience into a public spectacle show how transgender narratives expose and manipulate spectators' fears and desires. Her book thus reveals what happens when the private experience of a transgenderist is shifted to the public sphere and thereby marketed as a hybrid spectacle for the curious gaze of the general audience.

The Rise and Fall of the Femme Fatale in British Literature, 1790-1910 - Heather L. Braun 2012-08-31
 The Rise and Fall of the Femme Fatale: From Gothic Ghosts to Victorian

Vamps explores the femme fatale's career in nineteenth-century British literature. It traces her evolution—and devolution—formally, historically, and ideologically through a selection of plays, poems, novels, and personal correspondence. Considering well-known fatal women alongside more obscure ones, this study sheds new light on emerging notions of gender, sexuality, and power throughout the long nineteenth century.
The Pacific Reporter - 1893

Women in Hispanic Literature - Beth Miller 2018-08-14

The topics covered by this pioneering collection of essays range from peninsular Spanish to Latin American literature, from the eleventh to the twentieth centuries, and from the subject of women as portrayed in Hispanic literature to the literature of Hispanic women writers. Some pieces present polemical feminist arguments, other are more traditional. All the contributors use their subject to take new stands on old controversies, ask new questions, and reevaluate important aspects of Hispanic literature. While there is ample evidence in these essays of the dual archetype in Hispanic literature of women as icon and woman as fallen idol, the collection reaches beyond these stereotypes to more complex sociological and theoretical concerns. Although such research has been abundantly pursued by scholars of English and American literature, it has been notably absent from Hispanic studies. This anthology is a comprehensive introduction to its subject and a stimulus to further work in the area. Contributors: Fernando Alegría Electa Arenal Julianne Burton Alan Deyermond Rosalie Gimeno Harriet Goldberg Estelle Irizarry Kathleen Kish Luis Leal Linda Gould Levine Melveena McKendrick Francine Masiello Beth Miller Elizabeth Ordóñez Rachel Phillips Marcia L. Welles This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1983.
The Silent Vow - Gary Drewes 2006-06-19

The onset of this Volume explores the life of an adult immature boy. He faces the emotional feelings of encountering an interpersonal relationship. These loving emotions were suppressed through drug abuse during life. Exposed to such feelings he failed to know how to handle this emotional state. Upon his separation from his first real girl friend he suffered a mental breakdown to the hands of an older friend giving him LSD. His trust in reality, his trust in the family, and his faith in mankind were demented. His hallucinating led him to his loss of personal responsibility. Upon breaking the law he was sent to jail and moved to a psychiatric facility to receive help. His therapy was geared to help a hostile and aggressive person. His mental state was one of chemically induced hallucinations and some psychotic fantasy. The imposed force of treatment was going to help him to deal with his aggression. Through therapy there was hope in guiding the path to a more healthy and productive future. The boy was diagnosed with poor impulse controls. He was character sketched to be a heinous criminal. The preconceived notions were imposed that he was to have the characteristics of a person with aggressive tendencies. All hypothetical situations were leveraged to believe he would act violently. Predetermined behavioral states left him to be treated for a condition of possessing underlying hostilities. He was not to be trusted. Given many chances the boy showed that he could be a model patient. He showed he was able to comply with the rules. His learning about systems showed where he was able to manipulate the system for personal gain. He had evolved and progressed in his criminal mentality to repeat his acts of aggression. The recidivism of a hardened criminal was surfacing in light of a potential healing process that was evolving.

[A Short History of English Literature](#) - Harry Blamires 2013-02-28

The Mischievous Muse: Extant Poetry and Prose by Ibn Quzmān of Córdoba (d. AH 555/AD 1160) - James T. Monroe 2017-04-03

Part 1 of this work includes all the known poems of Ibn Quzmān accompanied by an English facing-page translation and explanatory notes. Part 2 analyzes selected poems from a literary perspective.

The Art Of Seduction - Robert Greene 2010-09-03

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which.

Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target.

Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*.

Who's who in Modern History - Alan Palmer 2002

"Part of a series of biographical guides to a diverse range of subjects drawn from literature and the arts, history and politics, religion and mythology. This book is about who's who in modern world politics. Previously published as: *Who's who in world politics from 1860 to the present day.*"--Résumé de l'éditeur.

The Multitude of Personalities Made Simple (Lost Between details) - A.A. Hadi White 2023-01-24

The Multitude of Personalities Made Simple is a book that introduce a

new revolutionary method in determining personalities accurately: Personalities are determined by attributes instead of types. Elements of personality are assessed through measurement rather than subjectively. Introduction of new categories that play a role in shaping personalities. Heart (Likes & Dislikes) Motivation (Belonging, Achievement, Daring, Indulging, Devise, Ego and Affection) Interaction (By sound, sight or feeling) Process (According to rules, knowledge, creativity or relationship) Credibility Wisdom Integrity Allowing a mixture of elements from the same category, with one being the dominant, the next being the secondary, and so on. The method allows for a multitude of combinations of personality traits instead of confining personalities into 16 or 32 types. Personalities have different ways of interacting with others and the world. Either they are dominant in sound, sight or feeling (visual, auditory or kinaesthetic also known as VAK) Personalities have different ways of processing their thoughts and actions. There are laws that govern these categories and elements, without knowing them we will be confused (or even shocked) when people sometimes or seldom break their pattern of behaviors. The method is backed up with real life examples of famous people, stories and events. A total of 334 patterns of behaviors have been listed to help the reader to assess a person's personality. The Book points out symptoms of all villainous personalities, even the hardest one to spot like tricksters and psychopaths. The listed patterns of behavior also helps you to distinguish if the personality is acceptable, irritating, or villainous. It also helps you to determine how

social, credible and wise a personality is. Books from The Lost Between Details series are meant to be: Easy to read: straight forward. Enjoyable to read: it has comics and stories as examples. Enlightening: Provides valuable information that will be used throughout life. I strongly recommend seeing the introductory video clip for the book I have added below as it list the categories and their elements https://www.youtube.com/watch?v=4uG3pPDC_1I
Our Lady's Wolf - Valery Keith 2015-11-20
Book Two in the Our Lady of Joy series. Having successfully escaped the Lord High Commissioner's control with her father and the Harvester's Gang, Lira, Rease and Night attempt to settle into life at the Davies family estate, Eastlake. As Jonas begins to develop feelings for Dove and comes to terms with his past, Lira petitions the Council for autonomy to continue her romantic involvement with her Guardian as he rebuilds his life and reputation as Our Lady's Wolf, setting in motion a series of events which she will come to deeply regret. Charmed by their youth and innocence and eager to preserve it, Hanna Davies becomes something of a protective older sister to Lira and Rease. But the serenity of her carefully ordered life is shattered by the arrival of Blake Weymine, who seems determined to win Our Lady of Joy for his own. Vowing to prevent such a tragedy, Hanna sets herself against Blake, inadvertently beginning a game in which victory proves more costly than either of them had anticipated. Still struggling with her role as Our Lady of Joy in this new world, Lira fights for her personal independence even as the prophesy begins to unfold around her.
