

How To Tell A Woman You Love Her Quote

Aimer et mourir Eilene Hoft-March 2009-01-23 *Aimer et Mourir* offers a wide-ranging selection of essays that collectively address how, from the Middle Ages to the present, the notions of love and death get inextricably associated with the narratives that are women's lives. Some of the essays tackle male writers' representations that link women and, in particular, women's sexuality, with death, resulting in the figures of the femme fatale, the woman in parturition, and the desiring vampire. A number of essays reiterate that women's hyper-sexualized bodies have been used as a social construct and a psychological screen upon which to project a fear of death. The challenges to this pat reduction of "woman's" domain come from the mostly women writers represented here—and they span from Marguerite de Navarre to Amélie Nothomb. These women writers rework the old formulae, giving us instead death-defying memories of love, love regenerative of language (as of bodies), love forcing the frontiers of death, or love creatively redefined within the parameters of death. Nor are these new narratives imagined as belonging to women alone but rather as attesting to a richer, more varied, and greatly sensitized human experience.

All About Love bell hooks 2018-01-30 A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely

personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

You are the only thing that looks good on me. When we kiss, I feel the excitement of being on a roller coaster or like the sky filled with fireworks on the fourth of July. Happy Valentine's Day, and thank you for making my life an adventure! The way you look at me when I sit in front of the mirror... your smile when I catch you unaware noticing me... these small things show how much you love me more than any words can express. You are beautiful inside and out. You are my forever Valentine without a doubt. You always know exactly how I feel and you are always there to make me feel better. You are the best thing that has ever happened to me and I thank God that I got to meet you. I love you. As busy as we get, we need to be reminded that we are still sweethearts. Valentine's Day is a good day for me to stop and realize how wonderful you make me feel. Happy Valentine's Day. The way you wake me up and hold me in your arms every morning makes for a great start of my day, and I know you will always make me feel this special no matter how much we grow old. Happy Valentine's Day Text Messages Warmer than a summer breeze, hotter than the sun, more beautiful than a flower, but most importantly, the best thing that has ever happened to me. I love you.
