Ich habe meine Mama lieb I Love My Mom -

Shelley Admont 2023-03-17

English German Bilingual children's book.

Perfect for kids studying English or German as their second language. Everybody loves their Mom, no matter what their age. In this bedtime story, the little bunny Jimmy and his older brothers try to find a perfect present for Mom's birthday. They want to show how much they love her. What creative solution did they find to express their feelings? You will find out in this illustrated children's book. This children's book is part of a collection of short bedtime stories. This story may be ideal for reading to your kids at bedtime and enjoyable for the whole family as well!

The Turkish Turn in Contemporary German

Literature - L. Adelson 2005-08-19

Challenging the commonplace that suspends migrants between two worlds', this study turns a refreshingly curious eye to complex cultural relations and literary novelties wrought by Turkish migration to Germany. At interpretive and historic crossroads involving dialogue and storytelling, genocide and taboo, and capital and labour in the 1990s. This book illuminates far-reaching imaginative effects that literatures of migration can engender. In critical conversation with Arjun Appadurai, Seyla Benhabib, Homi Bhabha, Rey Chow, Andreas Huyssen, Dominick LaCapra, Doris Sommer, and many others, Adelson probes history and aesthetics as surprisingly twinned indices of national and global transformation at the millennial turn.

OMA: A Divided German Family Emigrates to

Utah Seeking Renewal - Bruce N. Bell

2015-02-17

Bruce N. Bell was born in Salt Lake City, Utah in 1935. After two years in the US Navy he

graduated the University of Utah 1962. He spent 15 years in radio followed by 35 years in advertising. He lives a contented life with Judy his wife of 52 years.

Plain Words from America: A Letter to a German Professor (1917) - Douglas Wilson

Johnson 2019-12-16

This incredible history provides an American's interesting perspective of WWI through a series of letters he wrote in 1916. It is filled with authentic details about the war. Moreover, it enables the readers to understand the mindset of people who experienced the atrocities of the war firsthand. A must-read for history enthusiasts!

Fassbinder's Germany - Thomas Elsaesser 1996

Rainer Werner Fassbinder is one of the most prominent and important authors of post-war European cinema. Thomas Elsaesser is the first to write a thoroughly analytical study of his work. He stresses the importance of a closer understanding of Fassbinder's career through a re-reading of his films as textual entities.

Approaching the work from different thematic and analytical perspectives, Elsaesser offers both an overview and a number of detailed readings of crucial films, while also providing a European context for Fassbinder's own coming to terms with fascism.

The German Museum, Or Monthly Repository of the Literature of Germany, the North and the Continent in General - 1801

Dearest Vicky, Darling Fritz - John Van der Kiste 2002-07-18

This work tells the love story of the royal couple against the changing background of 19th-century Germany. It looks at the differing political sympathies of the couple, revealed

*Downloaded from
legacy.opendemocracy.net on 2023-08-19
by guest*

through letters, and re-examines the prevailing view that the domineering Vicky never bothered to conceal her distaste for everything Prussian and flaunting her sense of British superiority. In many ways ahead of her time, she was something of a pioneer feminist, refusing to accept the oft-accepted maxim that women were second-class citizens. Insufficient consideration has been given to her health and the possibility that her judgement and reason may sometimes have been affected, albeit mildly, by the family's inheritance of porphyria that led to the 'madness' of her great-grandfather George III. *Love. [A Novel.] By the Author of "Elizabeth and Her German Garden"* - Mary Annette Countess von Arnim 1925

Elizabeth and Her German Garden - Elizabeth Von Arnim 2014-04-11

May 7th.—I love my garden. I am writing in it now in the late afternoon loveliness, much interrupted by the mosquitoes and the temptation to look at all the glories of the new green leaves washed half an hour ago in a cold shower. Two owls are perched near me, and are carrying on a long conversation that I enjoy as much as any warbling of nightingales. The gentleman owl says [[musical notes occur here in the printed text]], and she answers from her tree a little way off, [[musical notes]], beautifully assenting to and completing her lord's remark, as becomes a properly constructed German she-owl. They say the same thing over and over again so emphatically that I think it must be something nasty about me; but I shall not let myself be frightened away by the sarcasm of owls. This is less a garden than a wilderness. No one has lived in the house, much less in the garden, for twenty-five years, and it is such a pretty old place that the people who might have lived here and did not, deliberately preferring the horrors of a flat in a town, must have belonged to that vast number of eyeless and earless persons of whom the world seems chiefly composed. Noseless too, though it does not sound pretty; but the greater part of my spring happiness is due to the scent of the wet earth and young leaves. I am always happy (out of doors be it understood, for indoors there are servants and furniture) but in quite different ways, and my spring happiness bears no

resemblance to my summer or autumn happiness, though it is not more intense, and there were days last winter when I danced for sheer joy out in my frost-bound garden, in spite of my years and children. But I did it behind a bush, having a due regard for the decencies.

The Tyranny of Greece Over Germany - E. M. Butler 2012-03-29

This 1935 book studies the powerful influence exercised by Ancient Greek culture on German writers from the eighteenth century onwards. *Long Long Ago* - Elwin Wallace Law 2012-03-05 This is an intriguing and true story of a young American meeting and falling deeply in love with a beautiful German girl just out of medical school. This intense relationship lasted over a year, only to be torn apart by fate and circumstance. Woven within this wonderful story is the fascinating medical journey of this German girl, Dr. Liselotte Mettler, and how she gained world recognition in her chosen field. It takes you through her incredible experience working with the natives in the jungles of Peru as well as her pioneer work in laparoscopic surgery in Germany. The trials, tribulations and death threats hold the reader spellbound. Of great interest is her close association and working relationship with Dr. Kurt Semm who is considered the father of laparoscopic surgery. The professional and personal stories with Dr. Semm are quite unique. Lisa is an expert in laparoscopic gynecologic surgery as well as in artificial reproductive technologies for which her teacher, Dr. Robert Edwards, received the Nobel Prize in Medicine and Physiology in 2010. This book is truly a magnificent story of Liebe - Love and Fate.

What's Love Got to Do with It? - Denise Brennan 2004-05-14

DIVAn ethnographic case study of sex tourism in the Dominican Republic, showing how the sex trade is linked to economic and cultural globalization./div

Publisher description

Elizabeth and Her German Garden -

Elizabeth Von Arnim 2015-09-03

May 7th.-I love my garden. I am writing in it now in the late afternoon loveliness, much interrupted by the mosquitoes and the temptation to look at all the glories of the new green leaves washed half an hour ago in a cold shower. Two owls are perched near me, and are carrying on a long conversation that I enjoy as much as any warbling of nightingales.

Love Today - Maxim Biller 2008

A series of twenty-seven interconnected vignettes reflects on the complexities of twenty-first-century romance, in a volume that invites readers to experience the challenges of longing, frustration, and loneliness from an observer's viewpoint. By the author of *Amber Days* and *Esra*. 25,000 first printing.

Elizabeth and Her German Garden - Marie

Annette Beauchamp 2016-02-14

May 7th.--I love my garden. I am writing in it now in the late afternoon loveliness, much interrupted by the mosquitoes and the temptation to look at all the glories of the new green leaves washed half an hour ago in a cold shower. Two owls are perched near me, and are carrying on a long conversation that I enjoy as much as any warbling of nightingales.

Victorian Women Writers and the Other

Germany - Linda Hughes 2022-06-09

Shedding new light on the alternative, emancipatory Germany discovered and written

about by progressive women writers during the long nineteenth century, this illuminating study uncovers a country that offered a degree of freedom and intellectual agency unheard of in England. Opening with the striking account of Anna Jameson and her friendship with Ottilie von Goethe, Linda K. Hughes shows how cultural differences spurred ten writers' advocacy of progressive ideas and provided fresh materials for publishing careers. Alongside well-known writers - Elizabeth Gaskell, George Eliot, Michael Field, Elizabeth von Arnim, and Vernon Lee - this study sheds light on the lesser-known writers Mary and Anna Mary Howitt, Jessie Fothergill, and the important Anglo-Jewish lesbian writer Amy Levy. Armed with their knowledge of the German language, each of these women championed an extraordinarily productive openness to cultural exchange and, by approaching Germany through a female lens, imported an alternative, 'other' Germany into English letters.

Love - 1922

Women in German Yearbook - Marjorie Gelus 2006-01-01

Women in German Yearbook is a refereed publication that presents a wide range of feminist approaches to all aspects of German literature, culture, and language, including pedagogy. Reflecting the interdisciplinary perspectives that inform feminist German studies, each issue contains critical studies that employ gender and other analytical categories to examine the work, history, life, literature, and arts of the German-speaking world. Marjorie Gelus is a professor of German at California State University at Sacramento. Helga W. Kraft is a professor of Germanic studies at the University of Illinois at Chicago.
