

I Love This Part

Till Death Do Us Part - Siobhan Gaffney 2015-11-25

Young, handsome Colin Whelan was a magnet for women, who always fell for his seductive charms. Little did they know that underneath his cool exterior lay a twisted desire to kill. Behind the facade of normality lay a psychopathic mind struggling to control its homicidal urges. Having seduced and married his sweetheart Mary Gough, Whelan immediately began planning her brutal murder. While his young wife dreamed of a love-filled marriage, Whelan searched the internet for information on serial killers and the methods they used to strangle their victims.

Compelling and disturbing, this book reveals how Whelan murdered his wife to claim a hefty life insurance policy, and how he faked his own suicide when he became the prime suspect for the murder. *Till Death Do Us Part* offers a fascinating insight into the true motivation behind one of Ireland's most notorious murders, and is a horrifying story of love, lust, revenge and murder - all the more shocking because every word is true.

I Love this Part - Tillie Walden 2018-03

Two girls in a small town in the USA kill time together as they try to get through their days at school. They watch videos, share earbuds as they play each other songs and exchange their stories. In the process they form a deep connection and an unexpected relationship begins to develop. In her follow up to the critically acclaimed *The End of Summer*, Tillie Walden tells the story of a small love that can make you feel like the biggest thing around, and how it's possible to find another person who understands you when you thought no one could.

[Honey, I Love and Other Love Poems](#) - Eloise Greenfield 1986-05-23

An ALA Notable Children's Book HONEY, I LOVE and other love poems
Ages 7 to 11 Love don't mean all that kissing Like on television Love Means Daddy Saying keep your mama company till I get back And me

doing it Sixteen poems tell of love and the simple joys of everyday life, seen through the eyes of a child: playing with a friend, skipping rope, riding on a train--or keeping Mama company till Daddy gets back. Each of these sixteen "love poems" is spoken straight from the heart of a child. Riding on a train, listening to music, playing with a friend...each poem elicits a new appreciation of the rich content of everyday life. And each poem is accompanied by a beautiful drawing, both portrait and panorama, that deepens the insights contained in the singing words. For the first time Eloise Greenfield and Diane and Leo Dillon have combined their rich talents to bring children a book that shows them the joys that come from seeing with a poet's eyes--the eyes of love. Notable Children's Books of 1978 (ALA) A Reading Rainbow Selection Winner, 1990 Recognition of Merit Award (George C. Stone Center for Children's Books, Claremont, CA)

Love: All That Matters - Mark Vernon 2013-01-25

Love: All That Matters argues that the modern view on love has been distorted by a fixation on romantic love that has depleted our resources

for living through the darker sides of love, whereas in fact there are several ways in which humans give and experience love over the course of their lives and it is best to have access to them all. Vernon draws on science, psychology, philosophy and literature, to examine eight different kinds of love, each associated with a phase of human development. From infant narcissism and the emergence of eros, through puberty and the rush of romantic love, to the end of life and the love of God, this is a beguiling tour of the most mysterious force of all. This accessible and readable book will appeal to both students and general readers, giving a fascinating introduction to the psychology and philosophy of love - and what matters most about it.

Can Love Last?: The Fate of Romance Over Time - Stephen A. Mitchell 2003-01-28

A fascinating look at the key components of romantic love--sex, idealization, aggression, self-pity, guilt, and commitment--argues that romance does not diminish in a long-term relationship, describes the barriers to lasting love, and offers helpful advice on how to promote an enduring love by eliminating self-destructive efforts to protect oneself from its risks. Reprint. 15,000 first printing.

Franklin Says I Love You - Paulette Bourgeois 2011-12-20

A delightful storybook in the series that inspired the Franklin and Friends TV show! In this Franklin Classic Storybook, our hero is a very lucky turtle. He has the best friends, the best little sister, the best goldfish, and, of course, the best mother. But when he discovers that his mother's birthday is coming up, he can't find the best present. After giving it some serious thought, Franklin decides to do everything for his mom. On the morning of her birthday he takes her breakfast in bed, makes a brooch, draws a picture, and cuts fresh flowers from the garden! And then Franklin gives his mom a great big hug and says, "I love you"—which is, of course, the best gift of all.

All About Love - bell hooks 2018-01-30

A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

Love on the Brain - Ali Hazelwood 2022-08-23

An Instant New York Times Bestseller A #1 LibraryReads and Indie Next Pick! From the New York Times bestselling author of *The Love Hypothesis* comes a new STEM-inist rom-com in which a scientist is forced to work on a project with her nemesis—with explosive results. Like an avenging, purple-haired Jedi bringing balance to the mansplained universe, Bee Königswasser lives by a simple code: What would Marie Curie do? If NASA offered her the lead on a neuroengineering project—a literal dream come true after years scraping by on the crumbs of academia—Marie would accept without hesitation. Duh. But the mother of modern physics never had to co-lead with Levi Ward. Sure, Levi is attractive in a tall, dark, and piercing-eyes kind of way. And sure, he caught her in his powerfully corded arms like a romance novel hero when she accidentally damseled in distress on her first day in the lab. But Levi made his feelings toward Bee very clear in grad school—arch-enemies work best employed in their own galaxies far, far away. Now, her equipment is missing, the staff is ignoring her, and Bee finds her floundering career in somewhat of a pickle. Perhaps it's her occipital cortex playing tricks on her, but Bee could swear she can see Levi softening into an ally, backing her plays, seconding her ideas...devouring her with those eyes. And the possibilities have all her neurons firing. But when it comes time to actually make a move and put her heart on the line, there's only one question that matters: What will Bee Königswasser do?
