Yale Classics - Roman Classical Literature - Lucius Annaeus Seneca 2023-12-27

Good Press presents to you the greatest works of Roman classical literature. The selection of books is based on Yale Department of Classics required reading list. Originally designed for students, this exceptional collection will benefit greatly everyone curious about the history, language, everyday life and culture of ancient Rome. This collection is a compound of ancient Roman wisdom, presenting all the major works of the classical era of Latin literature. By studying the art, history, and social dilemmas of the ancient civilizations person obtains the ability to look at the bigger picture of the present day, the social and political power struggle and ruptures, as well as other major problems of our contemporary society with a dapper understanding. Content: Plautus: Aulularia Amphitryon Terence: Adelphoe Ennius: Annales Catullus: Poems Lucretius: On the Nature of Things Julius Caesar: The Civil War Sallust: History of Catiline's Conspiracy Cicero: De Oratore Brutus Horace: The Odes The Epodes The Satires The Epistles The Art of Poetry Virgil: The Aeneid The Georgics Tibullus: Elegies Propertius: Elegies Cornelius Nepos: Lives of Eminent Commanders Ovid: The Metamorphoses Augustus: Res Gestae Divi Augusti Lucius Annaeus Seneca: Moral Letters to Lucilius Lucan: On the Civil War Persius: Satires Petronius: Satyricon Martial: Epigrams Pliny the Younger: Letters Tacitus: The Annals Quintilian: Institutio Oratoria Juvenal: Satires Suetonius: The Twelve Caesars Apuleius: The Metamorphoses Ammianus Marcellinus: The Roman History Saint Augustine of Hippo: The Confessions Claudian: Against Eutropius Boethius: The Consolation of Philosophy Plutarch: The Rise and Fall of Roman Supremacy: Romulus Poplicola Camillus Marcus Cato Lucullus Fabius Crassus Coriolanus Cato the Younger Cicero

Rose-Belford's Canadian Monthly and National Review - 1882*Yale Required Reading - Collected Works (Vol. 2)* - Lucius Annaeus Seneca 2023-11-27

This collection is based on the required reading list of Yale Department of Classics. Originally designed for students, this anthology is meant for everyone eager to know more about the history and literature of this period, interested in poetry, philosophy and rhetoric of Ancient Rome. Latin literature is a natural successor of Ancient Greek literature. The beginning of Classic Roman literature dates to 240 BC. From that point on, Latin literature would flourish for the next six centuries. Latin was the language of the ancient Romans, but it was also the lingua franca of Western Europe throughout the Middle Ages. Consequently, Latin Literature outlived the Roman Empire and it included European writers who followed the fall of the Empire, from religious writers like Aquinas, to secular writers like Francis Bacon, Baruch Spinoza, and Isaac Newton. This collection presents all the major Classic Roman authors, including Cicero, Virgil, Ovid and Horace whose work intrigues and fascinates readers until this day. Content: Plautus: Aulularia Amphitryon Terence: Adelphoe Ennius: Annales Catullus: Poems and Fragments Lucretius: On the Nature of Things Julius Caesar: The Civil War Sallust: History of Catiline's Conspiracy Cicero: De Oratore Brutus Horace: The Odes The Epodes The Satires The Epistles The Art of Poetry Virgil: The Aeneid The Georgics Tibullus: Elegies Propertius: Elegies Cornelius Nepos: Lives of Eminent Commanders Ovid: The Metamorphoses Augustus: Res Gestae Divi Augusti Lucius Annaeus Seneca: Moral Letters to Lucilius Lucan: On the Civil War Persius: Satires Petronius: Satyricon Martial: Epigrams Pliny the Younger: Letters Tacitus: The Annals Quintilian: Institutio Oratoria Juvenal: Satires Suetonius: The Twelve Caesars Apuleius: The Metamorphoses Ammianus Marcellinus: The Roman History Saint Augustine of Hippo: The Confessions Claudian: Against Eutropius Boethius: The Consolation of Philosophy Plutarch: The Rise and Fall of Roman Supremacy: Romulus Poplicola Camillus Marcus Cato Lucullus Fabius Crassus Coriolanus Cato the Younger Cicero

Because, I Want You to Know Just How Much I Love You - Janet L. Cronin 2005-06-01

BECAUSE, I WANT YOU TO KNOW JUST HOW MUCH I LOVE YOU is a simple to follow book of questions you may or may not know the answers to. I didn't know all the answers to my father's life. That is in part, why I wrote this book. Talk to whoever you want this book to be about. Fill in the blanks accordingly. Everyone needs and wants to know the answers. All too often loved ones, friends and family pass without our simple questions being answered. This book will answer some of the many questions we often forget to ask. Don't let that be you! Use this book, make it your own, do it for yourself, for your family and for your loved ones. They'll thank you for caring and loving them so. Most of all it's for the one who you make this

book about. The greatest gift of all is being able to help others say what they are unable to put into words. Those words are all too often forgotten. Let's all use this book. Make it your own so no one will ever forget, your life, thoughts, opinions and wants and wishes. The simple things we all too often forget to ask about. I encourage you to make this book your own, fill in the blanks and give it to someone you love. Or better yet, are you friends with some one who has an ill or elderly friend or family member? Maybe you know a young adult who is going to college. Is someone you know going off to serve our country? Phone, fax or e-mail that person and fill in the blanks. Better yet go visit that person and fill in the blanks. Then give this book as a gift or keep it for yourself. Let's not let anyone's life be forgotten. Especially yours!

The Battles of Wisdom and Humility - Martin Luther 2023-11-20

DigiCat presents to you this unique collection of fundamental religious works presenting the theology, philosophy and spirituality of Christianity: The Philosophy of Religion: The Confessions of St. Augustine (Saint Augustine) On the Incarnation (Athanasius of Alexandria) On the Soul and the Resurrection (Gregory of Nyssa) On the Holy Spirit (Basil the Great) Pastoral Care (Pope Gregory I) An Exact Exposition of the Orthodox Faith (John of Damascus) Summa Theologica (Saint Thomas Aquinas) The Imitation of Christ (Thomas à Kempis) A Treatise on Christian Liberty (Martin Luther) The Interior Castle (St. Teresa of Ávila) The Practice of the Presence of God (Brother Lawrence) The Age of Reason (Thomas Paine) The Natural History of Religion (David Hume) Dialogues Concerning Natural Religion (David Hume) The Religious Affections (Jonathan Edwards) The Essence of Christianity (Ludwig Feuerbach) Beyond Good and Evil (Friedrich Nietzsche) All of Grace (Charles Spurgeon) Humility: The Journey Toward Holiness (Andrew Murray) Orthodoxy (G. K. Chesterton) The Everlasting Man (G. K. Chesterton) The Sovereignty of God (Arthur Pink) The Kingdom of God Is Within You (Leo Tolstoy) Three Essays on Religion (John Stuart Mill) The Spirituality of a Man: The Conduct of Life (Ralph Waldo Emerson) Lessons in Truth (Emilie Cady) As a Man Thinketh (James Allen) Thoughts are Things (Prentice Mulford) The Game of Life and How to Play It (Florence Scovel Shinn) A New Christ (Wallace D. Wattles) The Swamp Angel (Prentice Mulford)

Once Upon a River - Diane Setterfield 2019-07-02

From the instant #1 New York Times bestselling author of the “eerie and fascinating” (USA TODAY) The Thirteenth Tale comes a “swift and entrancing, profound and beautiful” (Madeline Miller, internationally bestselling author of Circe) novel about how we explain the world to ourselves, ourselves to others, and the meaning of our lives in a universe that remains impenetrably mysterious. On a dark midwinter’s night in an ancient inn on the river Thames, an extraordinary event takes place. The regulars are telling stories to while away the dark hours, when the door bursts open on a grievously wounded stranger. In his arms is the lifeless body of a small child. Hours later, the girl stirs, takes a breath and returns to life. Is it a miracle? Is it magic? Or can science provide an explanation? These questions have many answers, some of them quite dark indeed. Those who dwell on the river bank apply all their ingenuity to solving the puzzle of the girl who died and lived again, yet as the days pass the mystery only deepens. The child herself is mute and unable to answer the essential questions: Who is she? Where did she come from? And to whom does she belong? But answers proliferate nonetheless. Three families are keen to claim her. A wealthy young mother knows the girl is her kidnapped daughter, missing for two years. A farming family reeling from the discovery of their son’s secret liaison stand ready to welcome their granddaughter. The parson’s housekeeper, humble and isolated, sees in the child the image of her younger sister. But the return of a lost child is not without complications and no matter how heartbreaking the past losses, no matter how precious the child herself, this girl cannot be everyone’s. Each family has mysteries of its own, and many secrets must be revealed before the girl’s identity can be known. Once Upon a River is a glorious tapestry of a book that combines folklore and science, magic and myth. Suspenseful, romantic, and richly atmospheric, this is “a beguiling tale, full of twists and turns like the river at its heart, and just as rich and intriguing” (M.L. Stedman, #1 New York Times bestselling author of The Light Between Oceans).

The History of Love - Nicole Krauss 2012-06-28

Leo Gursky is a man who fell in love at the age of ten and has been in love ever since. These days he is just about surviving life in America, tapping his radiator each evening to let his upstairs neighbour know he's still alive, drawing attention to himself at the milk counter of Starbucks. But life wasn't always like this: sixty years ago in the Polish village where he was born Leo fell in love with a young girl called Alma and

wrote a book in honour of his love. These days he assumes that the book, and his dreams, are irretrievably lost, until one day they return to him in the form of a brown envelope. Meanwhile, a young girl, hoping to find a cure for her mother's loneliness, stumbles across a book that changed her mother's life and she goes in search of the author. Soon these and other worlds collide in *The History of Love*, a captivating story of the power of love, of loneliness and of survival.

Life, the Universe and Everything - Douglas Adams 2009-09-01

In *Life, the Universe and Everything*, the third title in Douglas Adams' blockbusting sci-fi comedy series, *The Hitchhiker's Guide to the Galaxy*, Arthur Dent finds himself enlisted to prevent a galactic war. This edition includes exclusive bonus material from the Douglas Adams archives, and an introduction by Simon Brett, producer of the original radio broadcast. Following a number of stunning catastrophes, which have involved him being alternately blown up and insulted in ever stranger regions of the Galaxy, Arthur Dent is surprised to find himself living in a cave on prehistoric Earth. However, just as he thinks that things cannot get possibly worse, they suddenly do. An eddy in the space-time continuum lands him, Ford Prefect, and their flying sofa in the middle of the cricket ground at Lord's, just two days before the world is due to be destroyed by the Vogons. Escaping the end of the world for a second time, Arthur, Ford, and their old friend Slartibartfast embark (reluctantly) on a mission to save the whole galaxy from fanatical robots. Not bad for a man in his dressing gown . . . Follow Arthur Dent's galactic (mis)adventures in the rest of the trilogy with five parts: *So Long*, and *Thanks for All the Fish*, and *Mostly Harmless*.

Overwhelmed - Brigid Schulte 2014-03-13

_____ 'Too much to do? Stop and read this' - Guardian 'For a fresh take on an eternal dilemma, *Overwhelmed* is worth a few hours of any busy woman's life - if only to ensure that she doesn't drop off the bottom of her own "To Do" list' - Mail on Sunday _____ In her attempts to juggle work and family life, Brigid Schulte has baked cakes until 2 a.m., frantically (but surreptitiously) sent important emails during school trips and then worked long into the night after her children were in bed. Realising she had become someone who constantly burst in late, trailing shoes and schoolbooks and biscuit crumbs, she began to question, like so many of us, whether it is possible to be anything you want to be, have a family and still have time to breathe. So when Schulte met an eminent sociologist who studies time and he told her she enjoyed thirty hours of leisure each week, she thought her head was going to pop off. What followed was a trip down the rabbit hole of busy-ness, a journey to discover why so many of us find it near-impossible to press the 'pause' button on life and what got us here in the first place. *Overwhelmed* maps the individual, historical, biological and societal stresses that have ripped working mothers' and fathers' leisure to shreds, and asks how it might be possible for us to put the pieces back together. Seeking insights, answers and inspiration, Schulte explores everything from the wiring of the brain and why workplaces are becoming increasingly demanding, to worldwide differences in family policy, how cultural norms shape our experiences at work, our unequal division of labour at home and why it's so hard for everyone - but women especially - to feel they deserve an elusive moment of peace. _____

'Every parent, every caregiver, every person who feels besieged by permanent busyness, must read this book' - Anne-Marie Slaughter, author of *Why Women Still Can't Have It All*

The Lifetimes When Jesus and Buddha Knew Each Other - Gary R. Renard 2018-11-27

These stories about the multiple shared lifetimes of Jesus and the Buddha's reincarnations offer startling revelations about the universe, *A Course in Miracles*, and the path to enlightenment Two and a half decades ago, Ascended Master Teachers Arten and Pursah appeared to Gary Renard and held a series of conversations with him that elaborated on the teachings of two spiritual classics, *The Gospel of Thomas* and *A Course in Miracles*. Gary immortalized what he learned in the books of his best-selling series: *The Disappearance of the Universe*, *Your Immortal Reality*, and *Love Has Forgotten No One*. This fourth book is a companion to the original trilogy, yet written to stand alone—an invitation for new readers into this fascinating work. This book explores six of the lifetimes in which the incarnations of Jesus and Buddha lived together, beginning in 700 B.C. when they were known as Saka and Hiroji. Through the spiritual lessons that Jesus and Buddha learn on their path, Arten and Pursah clarify the difference between duality and nonduality. When you are able to internalize these lessons, you will be saved countless years in your spiritual development.

Your Immortal Reality - Gary R. Renard 2010-07-09

In this fascinating book, Gary Renard and his Ascended Master Teachers, Arten and Pursah, teach you how to integrate advanced spiritual principles into your everyday life. Doing so leads beyond theory to an experience of the Divine and the undoing of the ego. Your progress will be accelerated to such a degree that, with continued practice, you can't help but stop the need to reincarnate . . . once and for all. Like Gary's first book, *The Disappearance of the Universe*, this work elaborates on the teachings of two spiritual classics, *The Gospel of Thomas* and *A Course in Miracles*. By focusing on a unique brand of quantum forgiveness, rather than the old-fashioned kind, and taking the understanding of the importance of thought up to a whole new level, your goal will become nothing less than to break the cycle of birth and death.

Lie With Me - Philippe Besson 2019-04-30

The award-winning, bestselling French novel by Philippe Besson—"the French Brokeback Mountain" (Elle)—about an affair between two teenage boys in 1984 France, translated with subtle beauty and haunting lyricism by the iconic and internationally acclaimed actress/writer Molly Ringwald. We drive at high speed along back roads, through woods, vineyards, and oat fields. The bike smells like gasoline and makes a lot of noise, and sometimes I'm frightened when the wheels slip on the gravel on the dirt road, but the only thing that matters is that I'm holding on to him, that I'm holding on to him outside. Just outside a hotel in Bordeaux, Philippe chances upon a young man who bears a striking resemblance to his first love. What follows is a look back at the relationship he's never forgotten, a hidden affair with a gorgeous boy named Thomas during their last year of high school. Without ever acknowledging they know each other in the halls, they steal time to meet in secret, carrying on a passionate, world-altering affair. Dazzlingly rendered in English by Ringwald in her first-ever translation, Besson's powerfully moving coming-of-age story captures the eroticism and tenderness of first love—and the heartbreaking passage of time.

Man's Search For Meaning - Viktor E Frankl 2013-12-09

Over 16 million copies sold worldwide 'Every human being should read this book' Simon Sinek One of the outstanding classics to emerge from the Holocaust, *Man's Search for Meaning* is Viktor Frankl's story of his struggle for survival in Auschwitz and other Nazi concentration camps. Today, this remarkable tribute to hope offers us an avenue to finding greater meaning and purpose in our own lives.

[The Course in Miracles Experiment](#) - Pam Grout 2020-01-28

ACIM, the Fun Version! A real-world rewrite of the lessons of *A Course in Miracles* by the #1 New York Times best-selling author of *E-Squared*. *A Course in Miracles* is profound, deeply moving, and as boring to read as a bookshelf assembly manual. Ask for a show of hands at any self-help gathering, and 95 percent will happily admit to owning the dense blue book that's a famous resource for spiritual transformation. Ask the obvious follow-up, "How many have actually read it?" and all but a smattering of hands go down. It's as if everyone wants the miracles, the forgiveness, and the mind shifts, but they just can't bear its ponderous heaviness. Pam Grout to the rescue! Her new book is for all those still struggling with the Course. Grout offers a modern-day rewrite of the 365-lesson workbook—the text at the heart of the Course. Unlike the original, it's user-friendly, accessible and easy for everyone to understand. In daily lessons with titles like "The Home Depot of Spiritual Practices" and "Transcending the Chatty Asshat in My Head," Grout drills down to the Course's essential message and meaning, grounding it in the context of everyday life in a way that's bound to stick. The lessons here blend eternal truths with pop culture and personal stories that are laugh-out-loud funny and deeply soul-stirring, often at the same time. You won't be tempted to use this Course in Miracles as a doorstop. You'll want to use it, every day, to change your life.

The Disappearance of the Universe - Gary R. Renard 2004-11-01

What would you do if you were sitting quietly in your living room when a mysterious couple appeared from out of nowhere—and then told you they were "ascended masters" who had come to reveal some shocking secrets of existence and teach you the miraculous powers of advanced forgiveness? When two such teachers appeared before Gary Renard in 1992, he chose to listen to them (and ask a lot of impertinent questions). The result is this startling book: an extraordinary record of 17 mind-bending conversations that took place over nearly a decade, reorienting the author's life and giving the world an uncompromising introduction to a spiritual teaching destined to change human history.

Alice in Wonderland - Lewis Carroll 2009-01-01

Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.

The Power of Love - James Van Praagh 2018-02-06

Internationally acclaimed best-selling author, spiritual teacher, and world-renowned medium, James Van Praagh has received hundreds of thousands of messages from the other side of life. And all too often, in many of these messages, the deceased have shared with him that they want the living to know how to utilize the power of love while they are still living life in the physical body. With this mesmerizing book, James demonstrates the transformative energy and force of love. In nine concise chapters, he reminds you that love knows no limits and can alter a person's life forever. Sharing vivid personal stories and incredible knowledge from the afterlife, James shows how you can activate the power of love to open your heart to the world. When you align yourself with loving thoughts, anxiety and worry will start to fade. Decisions that might have preoccupied you before will become easier to make. Difficult events and people will not be drawn to you, because you are learning to release that magnetic energy. When you begin to consciously surround yourself with the energy of love and acceptance—your natural state of being—your journey in this physical dimension can become much smoother, more purposeful, and more powerful. "When we use the power of love, we become aware of our place in our world and the cosmos beyond. We know our worth, and we value life and the lives of other living beings. We feel connected to one another as the light within us shines on everyone. We become divine messengers of the One Source, recognizing that we are not separate, but rather part of the Oneness of all life."

Love Has Forgotten No One - Gary R. Renard 2014-10-08

Join Gary Renard, the best-selling author of *The Disappearance of the Universe* and *Your Immortal Reality*, for the final installment of his trilogy: a fascinating roller-coaster ride to the mysterious truth behind the modern spiritual masterpiece *A Course in Miracles*. His teachers, Ascended Masters Arten and Pursah, will take you on a whirlwind tour of the afterlife; teach you a method that will, with practice, melt away all of your past bad karma; and reveal the "missing ingredient" to the popular self-help techniques of today. This

book will blow your mind and hand you the key to enlightenment . . . at the same time! In the end, you will discover that, indeed, Love has forgotten no one.

Crazy Love - Francis Chan 2013-04-01

Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. Learn more about Crazy Love at www.crazylovebook.com.

The Invisible Life of Addie LaRue - V.E. Schwab 2020-10-06

For someone damned to be forgettable, Addie LaRue is a most delightfully unforgettable character, and her story is the most joyous evocation of unlikely immortality. Neil Gaiman A Sunday Times best-selling, award-nominated genre-defying tour-de-force of Faustian bargains, for fans of *The Time Traveler's Wife* and *Life After Life*, and *The Sudden Appearance of Hope*. When Addie La Rue makes a pact with the devil, she trades her soul for immortality. But there's always a price - the devil takes away her place in the world, cursing her to be forgotten by everyone. Addie flees her tiny home town in 18th-Century France, beginning a journey that takes her across the world, learning to live a life where no one remembers her and everything she owns is lost and broken. Existing only as a muse for artists throughout history, she learns to fall in love anew every single day. Her only companion on this journey is her dark devil with hypnotic green eyes, who visits her each year on the anniversary of their deal. Alone in the world, Addie has no choice but to confront him, to understand him, maybe to beat him. Until one day, in a second hand bookshop in Manhattan, Addie meets someone who remembers her. Suddenly thrust back into a real, normal life, Addie realises she can't escape her fate forever.
