**Love Pistols, Vol. 5 (Yaoi Manga)** - Tarako Kotobuki 2012-09-18

While Norio may have come to terms with his feelings for Kunimasa, some things about the zooman way of life still make his mind whirl—like men getting pregnant! Meeting a

bunch of male moms might be just what Norio needs to get used to the idea and help him embrace his own maternal instincts. But the baby party also proves a shocking lesson in zooman relationships when one of the guests and his son are kidnapped by the child's ruthless father! -- VIZ Media

Billy, Molly, Dust, and their crew of spacefaring misfits aren't in for an easy ride. Legion, an ancient galactic god wants them to kill the Creator—you guessed it, another ancient god. It

could set the galaxy free. Or it could annihilate everything. THE GALAXY IS WRECKED—A COCKTAIL OF WARLORDS, PIRATES, AND TINPOT DICTATORS, STIRRED TO A FRENZY BY AN ALCOHOLIC FORMER PROPHET. TAKE A SIP AND GET WASTED. For Billy Bane, Molly, Dust, and the outcasts they meet along the way, the path to galactic (and personal) peace isn't getting any easier. They have their mission, delivered by the strange, towering deity known as Legion: They must kill the Creator, which is no easy feat. But it might be the only way to set the galaxy free, or it might just mean the end of all things. Packed with high-stakes action, existential angst, and biting humor, WASTED SPACE has been hailed as one of the best comics of 2018 by countless publications. It's a unique, fresh take on the classic pulp space adventure—"like Star Wars by way of 2018" (Batman's Bookcase); "nihilistic and twisted" (Nerdist). Collects #6 to #10 of the twenty-five issue series.

Norio's romance with Kunimasa Madarame has been a whirlwind since the moment he woke up as a Premium. But while Norio's thoughts have

Unloaded Volume 2 - E.A. Aymer 2018-07-16  
The Anthony-nominated collection of crime stories without guns—the collection we didn't want to be necessary—is back for Volume 2. Two dozen more crime writers have come together to raise their voices and take pen in hand to call for a sensible and reasoned debate about guns in America. As the mass shootings continue, the avoidable accidents, the suicides, the gun violence that consumes our country rolls on unabated and unaddressed by our leadership other than to say, “Now is not the time to discuss it,” these crime writers have chosen to

start the dialogue. In stories of crime, mystery and suspense these authors have left the guns out to show for a short while that we can do without them and the plot doesn't fall apart. Maybe, in a small way, we can show that the American way of life doesn't cease to be, either. Not anti-gun, Unloaded Vol. 2 is pro-reason. These authors comprise gun owners and non-owners, voters on both sides of the political aisle. The cause that unites us all is the desire to see the senseless killing stop and to be able to have the discussion without the divisive language, vitriol and name calling that too often accompanies this debate. The top priority in these stories is to entertain with thrilling action and suspense that readers know and love about a crime story. To do so without guns leads to some creative leaps from writers who spin tales of simians on the loose, androids with buried secrets, punk rock shows and tattoo shops. Bestselling authors like Chris Holm, Lori Rader-Day, Bill Crider, Laura McHugh, James Ziskin

and John Rector along with many more join together to call for an end to the needless violence and a start to a reasoned debate. With a forward by legendary Sara Paretsky, Unloaded Vol. 2 is a book we wish wasn't needed. But staying silent is no longer an option. Proceeds go to the non-profit States United To Prevent Gun Violence. Praise for UNLOADED VOLUME 2: "[A collection of] entertaining and often thought-provoking stories." —Publishers Weekly
