Drew + Fable Forever (Novella) - Monica Murphy
2014-01-14

Monica Murphy returns with her most beloved characters, Drew and Fable, in this eBook original 40,000-word novella that brings her bestselling series full circle. Fantasy. How I ended up with NFL player Drew Callahan, the guy every woman wants, is beyond my wildest dreams. All I know is that once he chose me as his one and only, I sure wasn't looking back. I had past wounds and he showed patience and concern—even taking responsibility for my messed-up kid brother. Now, once again, he's found a way to blow my mind: an exotic wedding

and honeymoon miles and miles away from home. What else could a girl ever ask for? Reality. Now the honeymoon's over. Drew's football schedule takes him on the road constantly, while I need to stay put and look after my brother until he finishes high school—because God knows our sorry excuse for a mother won't. I know Drew loves me with all his heart, and I'll always be over the moon about him. This just isn't how I imagined our life as newlyweds . . . dealing with the distance, missing him all the time. But we've gone through hard times before. We can get through this, too, right? We're Drew and Fable, together forever. At least I hope so. . . . One Week Girlfriend: One Week Girlfriend Book 1 - Monica Murphy 2013-08-27

If you love Jessica Sorensen, Abbi Glines or Jamie McGuire's Beautiful Disaster, you'll love New York Times bestseller Monica Murphy, who took the New Adult genre by storm with the deeply emotional, completely addicting story of Drew and Fable, beginning with *One Week Girlfriend*. Temporary. That's the word I'd use to describe my life right now. I'm temporarily working double shifts - at least until I can break free. I'm temporarily raising my little brother - since apparently our actual mother doesn't give a crap about either of us. And I always end up as nothing but the temporary girlfriend - the flavour of the week for every guy who's heard the rumour that I give it up so easily. At least Drew Callahan, college football legend and local golden boy, is upfront about it. He needs someone to play the part of his girlfriend for one week. In exchange for cash. As if that's not weird enough, ever since he brought me into his world, nothing really makes sense. Everyone hates me. Everyone wants something from him. And yet the only thing Drew seems to want is...me. I don't know what to believe anymore. Drew is sweet, sexy, and hiding way more secrets than I am. All I know is, I want to be there for him - permanently. Don't miss the rest of the intensely passionate *One Week Girlfriend* series: *Second Chance Boyfriend*, *Three Broken Promises*, *Drew + Fable Forever* and *Four Years Later*, as well as Monica's sexy Fowler Sisters trilogy and her breathtaking *Reverie* Series.
The Imaginary Girlfriend - John Irving
 2013-12-10
 "The nearest thing to an autobiography Irving has written . . . worth saving and

savoring."—Seattle Times Dedicated to the memory of two wrestling coaches and two writer friends, *The Imaginary Girlfriend* is John Irving's candid memoir of his twin careers in writing and wrestling. The award-winning author of best-selling novels from *The World According to Garp* to *In One Person*, Irving began writing when he was fourteen, the same age at which he began to wrestle at Exeter. He competed as a wrestler for twenty years, was certified as a referee at twenty-four, and coached the sport until he was forty-seven. Irving coached his sons Colin and Brendan to New England championship titles, a championship that he himself was denied. In an autobiography filled with the humor and compassion one finds in his fiction, Irving explores the interrelationship between the two disciplines of writing and wrestling, from the days when he was a beginner at both until his fourth wrestling related surgery at the age of fifty-three. Writing as a father and mentor, he offers a lucid portrait of those—writers and wrestlers from Kurt Vonnegut to Ted Seabrooke—who played a mentor role in his development as a novelist, wrestler, and wrestling coach. He reveals lessons he learned about the pursuit for which he is best known, writing. "And," as the Denver Post observed, in filling "his narrative with anecdotes that are every bit as hilarious as the antics in his novels, Irving combines the lessons of both obsessions (wrestling and writing) . . . into a somber reflection on the importance of living well."

Second Chance Boyfriend - Monica Murphy
2013-04-05

From breakout author Monica Murphy comes the exhilarating conclusion to Drew and Fable's story—the star-crossed young romance that began in *One Week Girlfriend*. Lost. Everything in my life can be summed up by that one sickening word. My football coach blames me for our season-ending losses. So does the rest of the team. I wasted two whole months drowning in my own despair, like a complete loser. And I lost my girlfriend—Fable Maguire, the only girl who ever mattered—because I was afraid that being with me would only hurt her. But now I realize that I'm the one who's truly lost without her. And even though she acts like she's moved on and everything's fine, I know she still thinks

about me just as much as I think about her. I know her too well. She's so damn vulnerable, all I want to do is be there to help her . . . to hold her . . . to love her. I just need her to give me one more chance. We may be lost without each other, but together, we're destined to find a love that lasts forever. **BONUS:** This edition includes an excerpt from Monica Murphy's *Three Broken Promises*.

Monica Murphy 2014-03-04

For fans of Jamie McGuire's *Beautiful Disaster*, Abbi Glines and Jessica Sorenson, New York Times bestselling author Monica Murphy returns with the fourth book in her emotional, addictive and passionate *One Week Girlfriend* series. Over. That about sums up everything in my life. Suspended from my college football team and forced to cut back my hours at The District bar because of my crappy grades, I can't keep turning to my sister, Fable, and her pro-football playing husband, Drew, to bail me out. I just can't seem to find my own way. Weed and sex are irresistible temptations - and it's messed up that I secretly hand over money to our junkie mom. A tutor is the last thing I want right now - until I get a look at her. Chelsea is not my type at all. She's smart and totally shy. I'm pretty sure she's even a virgin. But when she gives me the once over with those piercing blue eyes, I'm really over. But in a different way. I won't deny her ass is killer, but it's her brain and the way she seems to crave love - like no one's ever given her any - that make me want her more than any girl I've ever met. But what would someone as seemingly together as her ever see in a screwed up guy like me? Don't miss the rest of the intensely passionate *One Week Girlfriend* series: *One Week Girlfriend*, *Second Chance Boyfriend*, *Three Broken Promises*, *Drew + Fable Forever* and *Four Years Later*, as well as Monica's sexy Fowler Sisters trilogy and her breathtaking *Reverie* Series.

Drew + Fable Forever: A One Week Girlfriend Novella 3.5 - Monica Murphy
2014-01-14

New York Times bestseller Monica Murphy returns with her most beloved characters, Drew and Fable, in this novella that brings her bestselling New Adult series full circle. For fans of Jessica Sorensen, Abbi Glines and Jamie McGuire's Beautiful Disaster. Fantasy. How I ended up with NFL player Drew Callahan, the guy every woman wants, is beyond my wildest dreams. All I know is that once he chose me as his one and only, I sure wasn't looking back. I had past wounds and he showed patience and concern - even taking responsibility for my messed-up kid brother. Now, once again, he's found a way to blow my mind: an exotic wedding and honeymoon miles and miles away from home. What else could a girl ever ask for? Reality. Now the honeymoon's over. Drew's football schedule takes him on the road constantly, while I need to stay put and look after my brother until he finishes high school - because God knows our sorry excuse for a mother won't. I know Drew loves me with all his heart, and I'll always be over the moon about

him. This just isn't how I imagined our life as newlyweds...dealing with the distance, missing him all the time. But we've gone through hard times before. We can get through this, too, right? We're Drew and Fable, together forever. At least I hope so... Don't miss the rest of the intensely passionate One Week Girlfriend series: One Week Girlfriend, Second Chance Boyfriend, Three Broken Promises, Drew + Fable Forever and Four Years Later, as well as Monica's sexy Fowler Sisters trilogy and her breathtaking Reverie Series.

The Drew + Fable Series 4-Book Bundle - Monica Murphy 2016-03-08

Discover the series that became a bestselling phenomenon for Monica Murphy, who has won raves from Katy Evans, Jay Crownover, and K. A. Tucker. Drew and Fable are from different worlds—until a provocative stunt pulls them together and changes everything. Their story unfolds over two novels before shifting focus to their friends and family in books three and four. Full of searing chemistry, exquisite angst, and mind-blowing twists, this addictive ebook bundle begs to be read straight through. ONE WEEK GIRLFRIEND SECOND CHANCE BOYFRIEND THREE BROKEN PROMISES FOUR YEARS LATER Temporary. That’s the word I’d use to describe my life right now. I’m temporarily working double shifts—at least until I can break free. I’m temporarily raising my little brother—since apparently our actual mother doesn’t give a crap about either of us. And I always end up as nothing but the temporary girlfriend—the flavor of the week for every guy who’s heard the rumor that I give it up so easily. At least Drew Callahan, college football legend and local golden boy, is upfront about it. He needs someone to play the part of his girlfriend for one week. In exchange for cash. As if that’s not weird enough, ever since he brought me into his world, nothing really makes sense. Everyone hates me. Everyone wants something from him. And yet the only thing Drew seems to want is . . . me. I don’t know what to believe anymore. Drew is sweet, sexy, and hiding way more secrets than I am. All I know is, I want to be there for him—permanently.
