Your Marriage and Your Ancestry Dr. D. K. Olukoya 2015-03-13 Why should anyone think of fighting battles in the area of marriage?...Is there anything spiritual about marriage?...Is marriage not a mere union between a man and a woman? Good questions! Marriage is more than a union. There is more that meets the eye when a man who comes from his own background decides to be joined in wedlock with a lady who comes from another background. Beloved, your marriage rises or falls on your ancestry. Unknown to many people, the extent they will go in the area of marriage has been predetermined by their ancestors. And no matter what you have achieved today, there was a day when you came to this world as a helpless infant. Though your navel, which today, has been separated from your umbilical cord may be seen as an ordinary part of the body. It should actually remind you that it was formerly the rope that tied you to your parents and by extension, your ancestors who lived hundreds of years ago. This is a deep spiritual understanding you must not ignore. Just as there is no human being without a navel, there is no man or a woman who was not formerly linked to his or her parents through the umbilical cord.

African Traditions in the Study of Religion in Africa Ezra Chitando 2016-04-01 The historiography of African religions and religions in Africa presents a remarkable shift from the study of 'Africa as Object' to 'Africa as Subject', thus translating the subject from obscurity into the global community of the academic study of religion. This book presents a unique multidisciplinary exploration of African traditions in the study of religion in Africa and the new African diaspora. The book is structured under three main sections - Emerging trends in the teaching of African Religions; Indigenous Thought and Spirituality; and Christianity, Hinduism and Islam. Activating the Grace of Marriage Pastor Chris Ojigbani 2009-08 When God created the heavens and the earth, He gave the heavens dominion over the earth. The intervention of the heavens on behalf of a person on earth is called grace. Grace is the power of the Holy Spirit intervening in the affairs of man on earth. Grace is the strongest force on earth. It qualifies a person to achieve what he cannot ordinarily achieve. While the primary purpose of a curse is to disqualify a person from achieving a particular goal, grace qualifies a person. Grace qualifies even an unqualified person. The intervention of the heavens on behalf of a person in the area of marriage is called the grace of marriage. When the grace of marriage is activated in your life, it will automatically remove every form of disappointment and delay in marriage from your life, and enable you to marry effortlessly. If you are married, the grace of marriage will help you experience peace in your marriage. And if you are separated, the grace of marriage will also help you reconcile with your spouse. In this book, Pastor Chris clearly shows how you can activate the grace of marriage in your life. Pastor Chris Ojigbani is the Apostle of Marriage. It thereby offers a bold, incisive, and fresh interpretation of Africa's ethical life and thought.

Back to Sender Pastor Chris Ojigbani 2010-07 So many Christians experience delayed marriages, separation, divorce, suffering, affliction, sickness, poverty, disappointments and failures in their endeavours. Do you think it is the will of God that Christians experience such problems? It is definitely not the will of God. If it is not the will of God, why then do many still have problems? Very many suffer afflictions because they unknowingly practise some wrong doctrines. One of such doctrines that make some Christians suffer is the back-to-sender prayer. The prayer seems logically reasonable but it actually opens the door for the devil into a person's life. Anyone who prays such prayer has no relationship with Jesus Christ. In this book, Pastor Chris used the scripture to expose how praying back-to-sender opens the door for the devil into a Christian's life, and how you can easily receive your heart desires. Pastor Chris Ojigbani is the Apostle of Marriage. God commissioned him to liberate marriages through the preaching of the Word. He is the Senior Pastor of Covenant Singles and Married Ministries. He and his wife Pastor Uche, who is also involved in the ministry, live in Lagos, Nigeria. His television programme, *Singles and Married with Pastor Chris Ojigbani*, is aired on various television stations in many parts of the world. He also conducts interactive marriage seminars in different countries.

This volume? compiling the proceedings of the third annual conference of the African Consortium for Law and Religion Studies? focuses on various issues which vastly effect the understanding of religious pluralism in Africa. These include, amongst others, religious freedom as a human right, the importance of managing religious pluralism, and the permissibility of religious practice and observance in South African public schools.

**Christianity, Sexuality and Citizenship in Africa** A. S. Van Klinken 2020-09-30 This book explores the interconnections between Christianity, sexuality and citizenship in sub-Saharan Africa, chronicling the ways in which citizenship in the region has undergone profound changes in recent decades as a result of growing interaction between Christianity and politics, the impact of the HIV epidemic, debates about women's reproductive rights, and the growing visibility of lesbian, gay, bisexual and transgender (LGBT) communities. Case studies examine the emergence of Christianity, especially in its Pentecostal-Charismatic forms, as a public religion, and how this emergence has meant that Christian actors, beliefs and practices have increasingly come to manifest themselves in the public sphere. The contributors assess how many political and religious leaders are invested in a popular ideology of the heterosexual family as the basis of nation-building, and how this defines narratives of nationhood and shapes notions of citizenship. Additional case studies focus on the emergence of sexuality as a critical site of citizenship and nationhood in postcolonial Africa, and address the difficulties that LGBT communities face in claiming recognition from the state. Offering case studies from across sub-Saharan Africa and spanning several academic disciplines and critical perspectives, this book will be of interest to researchers seeking to understand the complex intersections of religion, sexuality, politics and citizenship across the region. This book was originally published as a special issue of Citizenship Studies.

**Spiritual Warfare** Chris Ojigbani 2009-02 Being a Christian is not a guarantee that you will receive all your heart desires. Though God wants you to receive all your heart desires, you must conform to the principle of Spiritual Warfare before you can receive them. The physical is governed by the spiritual. For you to control your physical environment, you have to win your Spiritual Warfare. If you want to enjoy good health, prosper in the area of marriage, prosper financially, or receive any desire of yours, you must win your Spiritual Warfare. Unfortunately, very many people neither know what Spiritual Warfare really means nor how to wage the war. Some even call it 'warfare prayers'. Though prayer is very important, it has nothing to do with Spiritual Warfare. This explains why many pray so much and still experience lack. If Spiritual Warfare were about prayers, you probably wouldn't have any of your needs unmet - because I believe you must have prayed very hard. If Spiritual Warfare is not about prayers, what then does it mean? This book contains a shocking revelation of the actual meaning of Spiritual Warfare and how to wage the war successfully. Pastor Chris Ojigbani is the Senior Pastor of Covenant Singles and Married Ministries. God commissioned him to liberate marriages through the preaching of the Word. He and his wife Uche, who is also involved in the ministry, live in Lagos, Nigeria. *Christianity, Politics and Public Life in Kenya* Paul Gifford 2009 Since independence in 1963, Kenya has been a classic personalised patronage state, run by a corrupt elite for its own benefit, as became tragically evident in December 2007's stolen election and its aftermath. Kenya is also said to be 80 percent Christian. Under the bland label 'Kenyan Christianity', several different overlapping realities can be distinguished, and it is these which Gifford investigates in this book, relating them to the country's politics and public life. The politically engaged form that challenged the dysfunctional one-party state in the early 1990s is given due prominence, but Gifford contends that today the mainline churches, both Catholic and Protestant, are marked less by such political engagement than by their involvement in development, in which foreign missionaries and global networks play a huge role. The theology of Kenya's mainline churches is consciously focused on African culture, as a non-negotiable foundation, and the Catholic church has an additional agenda - to Africanise its religious congregations. Kenya is also noted for its rich variety of African indigenous Churches, all originating in a defence of Kenyan cultures, while in recent decades countless Pentecostal churches have also sprung up. They range from affluent middle class churches to refuges for the poor, but nearly all are characterised by a stress on power, success, achievement and prosperity that prioritises modernity rather than traditional culture. Gifford discusses their deployment of the media, crusades, organisation, theology and use of the Bible, and above all the economics that has made this phenomenon possible. Yet another distinct form is an enchanted Christianity in which demons or spiritual forces are deemed responsible for almost everything

**Pastor** William H. Willimon 2010-09-01 Ordained ministry, says Willimon, is a gift of God to the church—but that doesn't mean that it is easy. Always a difficult vocation, changes in society and the church in recent years have made the ordained life all the more complex and challenging. Is the pastor primarily a preacher, a professional caregiver, an administrator? Given the call of all Christians to be ministers to the world, what is the distinctive ministry of the ordained? When does one's ministry take on the character of prophet, and when does it become that of priest? What are the special ethical obligations and disciplines of the ordained? In this book, Willimon explores these and other central questions about the vocation of ordained ministry. He begins with a discussion of who pastors are, asking about the theological underpinnings of ordained ministry, and then moves on to what pastors do, looking at the distinctive roles the pastor must fulfill. The book also draws on great teachers of the Christian tradition to demonstrate that, while much about Christian ministry has changed, its core concerns—preaching the word, the care of souls, the sacramental life of

congregations--remains the same. Ordained ministry is a vocation to which we are called, not a profession that we choose. To answer that call is to open oneself to heartache and sometimes hardship; yet, given the one who calls, it is to make oneself available to deep and profound joy as well.

**The Peacemaking Pastor** Alfred J. Poirier 2006-08-01 Seminaries generally are not very effective in equipping pastors to be ministers of reconciliation, says pastor and experienced mediator Alfred Poirier. The result is pastors trained in biblical exposition, well-ordered worship, and good theology, but with little practical know-how about one of the most important functions they will be expected to perform: conflict resolution. The Peacemaking Pastor provides a survey of the nature and kinds of conflict typical in the pastorate to bring to light the need to recover the ministry of reconciliation. Poirier, chairman of the board of Peacemaker Ministries, shows pastors the importance of a reconciliation ministry, gives them a theological framework for peacemaking, and provides practical tools for facilitating the peacemaking process. Written by a pastor for pastors, this insightful book will encourage and equip seminaries and ministry leaders in their original calling--promoting a culture of peacemaking in the church.

**Point Man** Steve Farrar 2009-03-25 This bestselling classic encourages and equips Christian men to lead their families successfully through hazards and ambushes like divorce, promiscuity, suicide, and drug addiction. Men will find practical insight on topics such as a father's influence, maintaining purity, and husband-and-wife teamwork. In this war, renowned men's author Steve Farrar emphasizes, Jesus Christ is looking for men who will not die, but live for their families.

**The Pastor** Eugene H. Peterson 2011-02-22 In *The Pastor*, author Eugene Peterson, translator of the multimillion-selling *The Message*, tells the story of how he started Christ Our King Presbyterian Church in Bel Air, Maryland and his gradual discovery of what it really means to be a pastor. Steering away from abstractions, Peterson challenges conventional wisdom regarding church marketing, mega pastors, and the church's too-cozy relationship to American glitz and consumerism to present a simple, faith-based description of what being a minister means today. In the end, Peterson discovers that being a pastor boils down to "paying attention and calling attention to 'what is going on now' between men and women, with each other and with God."
