**Sexual Offending** - Patrick Lussier 2018-04-17

There is growing recognition that sexual offending is a multi-determined phenomenon requiring a multi-disciplinary perspective. The significant contribution of psychology and psychiatry, but also sociology, gender studies and anthropology to the study of sex offending and perpetrators of sex offenses has played a key role in the development of a distinct field of research. In recent years, however, there has been an increase in criminological research on the topic, introducing criminological theory and concepts, scientific evidence and observations, and new methodologies to the field. This book brings together international leading scholars to consider key topics on sex offending and, where possible, compare and contrast criminological viewpoints with those of other disciplines, such as psychology and psychiatry. This book considers the following questions: Are the key explanatory factors of sex offenses completely distinct and different from those of non-sex crime and delinquency? Are current models explaining adult sex offending also applicable to explain sex crimes on college campuses, female sex offending, sexual exploitation, sexual homicide, or child luring over the internet? Are today's youth involved in sex offenses tomorrow's adult perpetrators of sex crimes? What is the risk of sexual recidivism and are risk assessment tools effective to identify individuals at-risk of committing another sex crime in the future? Are current legal measures used to prevent sex crimes effective? What are the known effects of such measures? What are the issues and challenges related to the criminal investigation of sex offenses? This book is essential reading for students and researchers from disciplines such as criminology, psychiatry, psychology, sexology, social work and sociology, as well as criminal justice professionals and practitioners such as police investigators, prosecutors, judges, probation/parole officers, and treatment providers/counsellors involved with individuals having perpetrated sex offenses.

*Policing Scotland* - Daniel Donnelly 2013-05-13

This is the first modern book on policing in Scotland and aims to provide an up-to-date and authoritative account of recent developments, taking full account of the impact of devolution and the work of the Scottish assembly. A concern throughout is to look at Scottish policing within a broader UK and comparative context, assessing both differences and similarities with policing south of the border. Contributors to the book are drawn from both academics and practitioners and include chapters on the history and development of policing in Scotland, its structure and organisation, Scottish devolution and policing, the role of policing within the wider Scottish criminal justice system, crime and policing, community policing in Scotland, policing drugs, policing and youth justice, human rights legislation and Scottish policing, and the management of Scottish policing.

*Blood Torment* - T.F. Muir 2016-05-05

When a three-year old girl is reported missing, DCI Andy Gilchrist is assigned the case. But Gilchrist soon suspects that the child's mother - Andrea Davis - may be responsible for her daughter's disappearance, or worse, her murder. The case becomes politically sensitive when Gilchrist learns that Andrea is the daughter of Dougal Davis, a former MSP who was forced to resign from Scottish Parliament after being accused of physically abusing his third wife. Now a powerful businessman, Davis demands Gilchrist's removal from the case when his investigation seems to be stalling. But then the case turns on its head when Gilchrist learns that a paedophile, recently released from prison, now lives in the same area as the missing child. The paedophile is interrogated but hours later his body is found on the beach with evidence of blunt force trauma to the head, and Gilchrist launches a murder investigation. As pressure

relentlessly mounts on Gilchrist, he begins to unravel a dark family secret, a secret he believes will solve the fate of the missing child. Praise for T.F. Muir: 'Rebus did it for Edinburgh. Laidlaw did it for Glasgow. Gilchrist might just be the bloke to put St Andrews on the crime fiction map.' Daily Record 'A truly gripping read, with all the makings of a classic series.' Mick Herron 'Gripping and grisly, with plenty of twists and turns that race along with black humour.' Craig Robertson 'Gilchrist is intriguing, bleak and vulnerable... if I were living in St Andrews I'd sleep with the lights on.' Anna Smith

*The Dark Side of Samuel Pepys* - Geoffrey Pimm 2018-02-28

This historical biography reveals how the famous diarist of Restoration England used his professional position to act as a sexual predator. Samuel Pepys is popularly known as the founder of the modern navy, a member of the Royal Society and, most of all, as a unique and frank diarist. Less well known is that he was a serial sexual offender by modern standards; a voyeur, a groper, and a rapist. Set against the London society of Charles II's restoration, and extensively using Pepys' own words, this book concerns his numerous extramarital affairs. It demonstrates how he used his position of power and influence to advance the careers of his subordinates—in return for the sexual favors of their wives. With his own descriptions, translated from the strange mix of languages and the seventeenth-century shorthand he used to camouflage the content, the reader witnesses in graphic detail how Pepys set about achieving his lascivious objectives - on occasion resorting to physical force where persuasion or bribery failed. Whether she be wife, daughter, mother, or humble maidservant, no woman was safe from his rapacious sexual appetite.

**The Sex Offender Register** - Terry Thomas 2021-04-12

The Sex Offender Register examines the origins, history, structure and legalities of the UK sex offender register, and explores how political and public opinion has influenced the direction the policy of registration has taken. Delving into the origins of the UK sex offender register and how the registration policy has evolved, this book provides an understanding of the register and its contribution to public protection while attempting to see the register as a policy that has grown and developed and as having an organic life of its own. The sex offender register is designed as a form of public protection rather than a punishment, requiring offenders to notify the police of their circumstances and to accept a degree of offender management from the police. The book: • puts the development of the register in its political, social and ethical context • considers the position of children and young people as offenders • outlines the movement of registered offenders across international borders • analyses how offenders can be removed from the register • explores how other countries in the UK manage sex offenders through registers • asks questions about the efficacy of the register and what contribution it makes to public protection • looks at specific aspects of registration including the management of information • delves into the experience of life on the register • examines the influence of public opinion • discusses the role of the police as custodians of the register and as offender managers. Exploring the different pressures brought to bear on the register, this book provides an authoritative starting point for police officers, social workers, probation officers, magistrates, students of Criminology, Criminal Justice and Policing, and the general reader wanting to understand where the UK sex offender register originated from and how it operates today.

**Heroin to Hero** - Paul Boggie 2020-06-10

This is a book I have worked on for the last 14 years over coming hurdles from a young age. I became addicted to Heroin at the age of 18 and I thought my life was over, but here I am with a story to be told and hopefully with a message in there for anyone who is struggling with addiction, suicide and depression that there is light at the end of the tunnel. My Journey was not easy and there are scars both physical and mentally to prove it but I am the man I am today because of these times. If this book can help one person then I feel my struggles with addiction won't have been in vain. There has been tears along the way of both

sadness and joy but I feel now that i can stop punishing myself a little for things I have put my family through, and as you read my book i hope I have become the man that they can be proud of.

*When Scotland Was Jewish* - Elizabeth Caldwell Hirschman 2015-05-07

The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

**How Could She?** - Dana Fowley 2012-07-31

At just five years old, Dana learned that there was no one she could trust. Most devastating of all, even her own mother betrayed her and in the most unimaginable way. For years, Dana and her younger sister suffered at the hands of one of Britain's largest ever-known paedophile rings. And their mother did nothing to protect them. Only now is Dana's nightmare coming to an end as she crusades to put her abusers behind bars. In June 2007 the truth was finally exposed. Dana bravely testified against her own mother. The woman who had subjected Dana and her sister to a lifetime of horror was sentenced to twelve years in prison. It was one of the most traumatic ordeals Dana has ever experienced. But a shocked world was finally forced to open its eyes to what happened to Dana. This is her story of survival.

*Immunisation against infectious diseases* - David Salisbury 2006-12-11

This is the third edition of this publication which contains the latest information on vaccines and vaccination procedures for all the vaccine preventable infectious diseases that may occur in the UK or in travellers going outside of the UK, particularly those immunisations that comprise the routine immunisation programme for all children from birth to adolescence. It is divided into two sections: the first section covers principles, practices and procedures, including issues of consent, contraindications, storage, distribution and disposal of vaccines, surveillance and monitoring, and the Vaccine Damage Payment Scheme; the second section covers the range of different diseases and vaccines.

*Sexual Fascism* - Garry Otton 2001

A police officer arresting a man with a snake down his trousers; the female doll with a penis; a woman warned to remove a display of male dolls too close together in her window; a spray to detect traces of sex... But is there another, more sinister side to Scotland's portrayal of sexuality by the media? Along with campaigns like 'SmutWatch' and 'Name and Shame' there have been moral campaigns led by the Church, sidestepping spirituality on the road to political ambition. From the campaign to prevent a popular exhibition of erotica in Glasgow to one preventing repeal of the notorious Clause 28 in Scotland. The Church has exploited its special relationship with the media to ride roughshod over the human rights of one minority, while twisting and suppressing the diverse expression of sexuality in everyone else.

**The Freedom Programme** - Pat Craven 2013-01

Many women who are subjected to abuse from their partners or children do not understand what is happening to them. They do not need therapy but they do need the information they are given when they attend the Freedom Programme. This is a rolling group work course which informs and empowers women in this situation. It can also help to identify warning signs in a new relationship. It also explains how children are affected by domestic abuse and how their lives can improve after the abuser is removed. also It must be used in conjunction with Pat Craven's book 'Living with the Dominator'. This manual contains details instructions on how to facilitate the Freedom Programme which is based upon the author's experience in working with violent offenders when she was a probation officer in the UK. "I love life now thanks to the Freedom Programme ." "Our lives are so much better now Mummy " "Life is looking good again thanks to the Freedom Programme." "I know I can succeed in my life now. I have found two new social work positions and I love being a working emancipated mother again. Instead of self medicating, I now live a healthy contented and happy life. I have a future." "The Freedom Programme is now going into schools to give young girls information which could save their lives." Kelly Mattison Guardian 2009.

*What Will Burn* - James Oswald 2021-02-18

The latest book in the Sunday Times bestselling phenomenon that is the Inspector McLean series, from one of Scotland's most celebrated crime writers. The charred remains of an elderly woman are discovered in a burned out gamekeepers cottage, hidden away in woodland to the west of Edinburgh. What is at first assumed to be a tragic accident begins to take on a more sinister aspect as Detective Inspector Tony McLean digs deeper. There is far more to the victim than her humble surroundings suggest . . . Praise for James Oswald: 'The new Ian Rankin' Daily Record 'Creepy, gritty and gruesome' Sunday Mirror 'Crime fiction's next big thing' Sunday Telegraph

The Resettlement of Sex Offenders after Custody - David Thompson 2017-07-14

Circles of Support and Accountability is a voluntary initiative that assists people with convictions for sexual offences to resettle in the community. People leaving prison with such convictions often have difficulties in resettling. They carry the burden of the conviction itself, which may be both stigmatising and isolating, and they are the subject of sex offender register requirements, parole and other supervisory conditions. Circles of Support and Accountability in the UK started over ten years ago and have slowly spread across the country. They work closely with the police and probation services but rely entirely on volunteers prepared to give up their time to work with people often otherwise shunned by communities. Circles offer support to the person concerned but also hold them accountable for their future behaviour. They aim to ensure there are 'no more victims'. This book is based on original research and provides a close-up picture of how these Circles of Support and Accountability work in practice. It brings together for the first time the voices of all the participants, from the offenders and the volunteers through to the Coordinators who link the volunteers to the professionals in the form of the police and probation services. The research was commissioned by Circles UK and funded by the Wates Foundation and the University of Leeds, School of Law.
