**Sexual Humour in Africa** - Ignatius Chukwumah 2022-03-31

This book examines the types, discourse modes, and effects of sex jokes in different African contexts, in a range of different cultural forms, from the internet to music, books, films, advertising, and images, thus filling the existing void in literature on the subject. Arguing that sex jokes are used to perform a number of functions in African society, the contributors show how they can be used to perpetuate violence against women, construct spaces, resist oppression, create conformity, build affiliations, and subvert morality. They consider jokes from Egypt, Ghana, Nigeria, Kenya, and Zambia in a range of forms including queer sex jokes, rape jokes, performed sex jokes, gendered humour, and resistance sex humour. The book places particular emphasis on the impact of new media platforms and the anonymity they provide. Providing an important analysis of this tabooed but culturally important facet of everyday life, this book will be of interest to scholars of African culture and society from a range of disciplines, including anthropology, gender studies, literary studies, and sociology.

*Rationale of the Dirty Joke* - G. Legman 2007-11-01

Why do people tell dirty jokes? And what is it about a joke's dirtiness that makes it funny? G. Legman was perhaps the foremost scholar of the dirty joke, and as legions of humor writers and comedians know, his Rationale of the Dirty Joke remains the most exhaustive and authoritative study of the subject. More than two thousand jokes and folktales are presented, covering such topics as The Female Fool, The Fortunate Fart, Mutual Mismatching, and The Sex Machine. These folk texts are authentically transcribed in their innocent and sometimes violent entirety. Legman studies each for its historical and socioanalytic significance, revealing what these jokes mean to the people who tell them and to the people who listen and

laugh. Here -- back in print -- is the definitive text for comedians and humor writers, Freudian scholars and late night television enthusiasts. Rationale of the Dirty Joke will amuse you, offend you, challenge you, and disgust you, all while demonstrating the intelligence and hilarity of the dirty joke.
