[Testimony - Anita Shreve 2009-12-03](#)

At a New England boarding school, a sex scandal is about to break. Even more shocking than the sexual acts themselves is the fact that they were caught on videotape. A Pandora's box of revelations, the tape triggers a chorus of voice -- those of the men, women, teenagers, and parents involved in the scandal -- that details the ways in which lives can be derailed or destroyed in one foolish moment. A gripping emotional drama with the pace of a thriller, Anita Shreve's *Testimony* explores the dark impulses that sway the lives of seeming innocents, and the ways in which our best intentions can lead to our worst transgressions.

[A Vindication of the Rights of Woman - Mary Wollstonecraft 2022-10-14](#)

Writing in an age when the call for the rights of man had brought revolution to America and France, Mary Wollstonecraft produced her own declaration of female independence in 1792. Passionate and forthright, *A Vindication of the Rights of Woman* attacked the prevailing view of docile, decorative femininity, and instead laid out the principles of emancipation: an equal education for girls and boys, an end to prejudice, and for women to become defined by their profession, not their partner. Mary Wollstonecraft's work was received with a mixture of admiration and outrage. Hugh Walpole called her "a hyena in petticoats." Yet it established her as the mother of modern feminism.

[The Viscount Who Loved Me - Julia Quinn 2015-04-28](#)

1 New York Times Bestseller The inspiration for season two of BRIDGERTON, a series created by Shondaland for Netflix, from #1 New York Times bestselling author Julia Quinn: the

story of Anthony Bridgerton in the second of her beloved Regency-set novels featuring the charming, powerful Bridgerton family.

ANTHONY'S STORY This time the gossip columnists have it wrong. London's most elusive bachelor Anthony Bridgerton hasn't just decided to marry—he's even chosen a wife! The only obstacle is his intended's older sister, Kate Sheffield—the most meddlesome woman ever to grace a London ballroom. The spirited schemer is driving Anthony mad with her determination to stop the betrothal, but when he closes his eyes at night, Kate's the woman haunting his increasingly erotic dreams... Contrary to popular belief, Kate is quite sure that reformed rakes do not make the best husbands—and Anthony Bridgerton is the most wicked rogue of them all. Kate's determined to protect her sister—but she fears her own heart is vulnerable. And when Anthony's lips touch hers, she's suddenly afraid she might not be able to resist the reprehensible rake herself...

[Wizard's First Rule - Terry Goodkind 2001-06-23](#)

An unearthly adversary descends on an idyllic fantasy world, corrupting magic against good and slaughtering innocents, and only a single man can stop him.

[Gloriana - Michael Moorcock 2016-11-29](#)

The vast empire of Albion is ruled by the beautiful and forlorn queen, Gloriana who must battle against a nefarious scoundrel, Captain Quire, and a court soured by debauchery with her wits. First published in 1978, *Gloriana* is the award-winning story set in the alternate English kingdom of Albion that reimagines Queen Elizabeth's reign.

When He Was Wicked - Julia Quinn 2017-02-28

A New York Times Bestseller From #1 New York Times bestselling author Julia Quinn comes the

story of Francesca Bridgerton, in the sixth of her beloved Regency-set novels featuring the charming, powerful Bridgerton family, now a series created by Shondaland for Netflix. **FRANCESCA'S STORY** In every life there is a turning point. A moment so tremendous, so sharp and breathtaking, that one knows one's life will never be the same. For Michael Stirling, London's most infamous rake, that moment came the first time he laid eyes on Francesca Bridgerton. After a lifetime of chasing women, of smiling slyly as they chased him, of allowing himself to be caught but never permitting his heart to become engaged, he took one look at Francesca Bridgerton and fell so fast and hard into love it was a wonder he managed to remain standing. Unfortunately for Michael, however, Francesca's surname was to remain Bridgerton for only a mere thirty-six hours longer—the occasion of their meeting was, lamentably, a supper celebrating her imminent wedding to his cousin. But that was then . . . Now Michael is the earl and Francesca is free, but still she thinks of him as nothing other than her dear friend and confidant. Michael dares not speak to her of his love . . . until one dangerous night, when she steps innocently into his arms, and passion proves stronger than even the most wicked of secrets . . .

Los Angeles Magazine - 2003-05

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

How Plays Work - David Edgar 2009

Distinguished playwright David Edgar examines the mechanisms and techniques which dramatists throughout the ages have employed to structure their plays and to express their meaning. Written for playwrights and playgoers alike, Edgar's analysis starts with the building blocks of whole plays - plot, character creation,

genre and structure - and moves on to scenes and devices. He shows how plays share a common architecture without which the uniqueness of their authors' vision would be invisible. What does King Lear have in common with Cinderella? What does Jaws owe to Ibsen? From Aeschylus to Alan Ayckbourn, from Chekhov to Caryl Churchill, are there common principles by which all plays work? *How Plays Work* is a masterclass for playwrights and playmakers and a fascinating guide to the anatomy of drama. 'lucid, deeply intelligent... combines theoretical acumen with the assured know-how of a working dramatist' Terry Eagleton, TLS 'Fascinating... Read it. You will learn a lot' *The Stage*

Brotopia - Emily Chang 2018-02-06

Instant National Bestseller "Excellent." --San Francisco Chronicle "Brotopia is more than a business book. Silicon Valley holds extraordinary power over our present lives as well as whatever utopia (or nightmare) might come next." --New York Times Silicon Valley is a modern utopia where anyone can change the world. Unless you're a woman. For women in tech, Silicon Valley is not a fantasyland of unicorns, virtual reality rainbows, and 3D-printed lollipops, where millions of dollars grow on trees. It's a "Brotopia," where men hold all the cards and make all the rules. Vastly outnumbered, women face toxic workplaces rife with discrimination and sexual harassment, where investors take meetings in hot tubs and network at sex parties. In this powerful exposé, Bloomberg TV journalist Emily Chang reveals how Silicon Valley got so sexist despite its utopian ideals, why bro culture endures despite decades of companies claiming the moral high ground (Don't Be Evil! Connect the World!)-and how women are finally starting to speak out and fight back. Drawing on her deep network of Silicon Valley insiders, Chang opens the boardroom doors of male-dominated venture capital firms like Kleiner Perkins, the subject of Ellen Pao's high-profile gender discrimination lawsuit, and Sequoia, where a partner once famously said they "won't lower their standards" just to hire women. Interviews with Facebook COO Sheryl Sandberg, YouTube CEO Susan Wojcicki, and former Yahoo! CEO Marissa Mayer--who got their start at Google, where just one in five engineers is a woman--

reveal just how hard it is to crack the Silicon Ceiling. And Chang shows how women such as former Uber engineer Susan Fowler, entrepreneur Niniane Wang, and game developer Brianna Wu, have risked their careers and sometimes their lives to pave a way for other women. Silicon Valley's aggressive, misogynistic, work-at-all costs culture has shut women out of the greatest wealth creation in the history of the world. It's time to break up the boys' club. Emily Chang shows us how to fix this toxic culture--to bring down Brotopia, once and for all.

Credence - Penelope Douglas 2020-01-13

Tiernan grew up with wealth and privilege, but not love or guidance. After her parents' deaths, she goes to live with her father's stepbrother and his two sons. As the three of them take her under their wing, teach her to work and survive in the remote woods, she slowly finds her place among them. And she realizes that lines blur and rules become easy to break when no one is watching.

New York Magazine - 1997-12-08

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

THE WAVES - Virginia Woolf 2017-12-06

The book is Virginia Woolf's most experimental novel, first published in 1931. It consists of soliloquies spoken by the book's six characters: Bernard, Susan, Rhoda, Neville, Jinny, and Louis. Also important is Percival, the seventh character, though readers never hear him speak through his own voice. The monologues that span the characters' lives are broken up by nine brief third-person interludes detailing a coastal scene at varying stages in a day from sunrise to sunset. As the six characters or "voices" alternately speak, Woolf explores concepts of individuality, self, and community. Each character is distinct, yet together they compose a gestalt about a silent central consciousness.

Game Bernard is a story-teller, always seeking some elusive and apt phrase Louis is an outsider, who seeks acceptance and success; Neville desires love, seeking out a series of men, each of whom become the present object of his transcendent love; Jinny is a socialite, whose Weltanschauung corresponds to her physical, corporeal beauty; Susan flees the city, in preference for the countryside, where she grapples with the thrills and doubts of motherhood; and Rhoda is riddled with self-doubt and anxiety, always rejecting and indicting human compromise, always seeking out solitude. Percival is the god-like but morally flawed hero of the other six, who dies midway through the novel on an imperialist quest in British-dominated colonial India. Although Percival never speaks through a monologue of his own in *The Waves*, readers learn about him in detail as the other six characters repeatedly describe and reflect on him throughout the book. The novel follows its six narrators from childhood through adulthood. Adeline Virginia Woolf (25 January 1882 - 28 March 1941) was an English writer who is considered one of the foremost modernists of the twentieth century and a pioneer in the use of stream of consciousness as a narrative device.

Replay - Ken Grimwood 2019-02-21

At forty-three Jeff Winston is tired of his low-paid, unrewarding job, tired of the long silences at the breakfast table with his wife, saddened by the thought of no children to comfort his old age. But he hopes for better things, for happiness, maybe tomorrow ... But a sudden, fatal heart attack puts paid to that. Until Jeff wakes up in his eighteen-year-old body, all his memories of the next twenty-five years intact. If he applies those memories, he can be rich in this new chance at life and can become one of the most

powerful men in America. Until he dies at forty-three and wakes up in his eighteen-year-old body again ... and again in a continuous twenty-five year cycle each time starting from scratch at the age of eighteen to reclaim lost loves, make a fortune - or remedy past mistakes. A novel of gripping adventure, romance, and fascinating speculation on the nature of time, Replay asks the question: "What if you could live your life over again?"

Watching the English - Kate Fox 2005-04-11
In "Watching The English" anthropologist Kate Fox takes a revealing look at the quirks, habits and foibles of the English people. She puts the English national character under her anthropological microscope, and finds a strange and fascinating culture, governed by complex sets of unspoken rules and byzantine codes of behaviour. The rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid-pantomime rule. Class indicators and class anxiety tests. The money-talk taboo and many more ... Through a mixture of anthropological analysis and her own unorthodox experiments (using herself as a reluctant guinea-pig), Kate Fox discovers what these unwritten behaviour codes tell us about Englishness.

I Hope They Serve Beer In Hell - Tucker Max 2012-03-01

The "highly entertaining and thoroughly reprehensible" #1 New York Times bestseller—now with sixteen pages of photos and a new introduction (The New York Times). My name is Tucker Max, and I am an asshole. I get excessively drunk at inappropriate times, disregard social norms, indulge every whim, ignore the consequences of my actions, mock idiots and posers, sleep with more women than is safe or reasonable, and just generally act like a raging dickhead. But, I do contribute to humanity in one very important way: I share my adventures with the world. --from the Introduction
Actual reader feedback: "I find it truly appalling that there are people in the world like you. You are a disgusting, vile, repulsive, repugnant, foul creature. Because of you, I don't believe in God anymore. No just God would allow someone like you to exist." "I'll stay with God as my lord, but you are my savior. I just finished reading your brilliant stories, and I laughed so

hard I almost vomited. I want to bring that kind of joy to people. You're an artist of the highest order and a true humanitarian to boot. I'm in both shock and awe at how much I want to be you."

Sudden Death - Álvaro Enrigue 2016-04-14
Selected as a Guardian best book of 2016 A funny and mind-bending novel about the clash of empires and ideas in the sixteenth century, told over the course of one dazzling tennis match A brutal tennis match in Rome. Two formidable opponents: the wild Italian painter Michelangelo Merisi da Caravaggio and the loutish Spanish poet Francisco de Quevedo. Galileo, Saint Matthew and Mary Magdalene heckle from the sidelines. In England, Thomas Cromwell and Henry VIII execute Anne Boleyn, and her executioner transforms her legendary locks into the most sought-after tennis balls of the time. Across the ocean in Mexico, the last Aztec emperors play their own games, as Hernán Cortés and his Mayan translator and lover scheme and conquer, fight and fuck, not knowing that their domestic comedy will change the course of history. Over the course of one dazzling tennis match - through assassinations and executions, carnal liaisons and papal dramas, artistic and religious revolutions, love and war - Sudden Death tells the grand adventure of the clash of empires and the dawn of the modern era.

The Manchurian Candidate - Richard Condon 2013-09-05

'Brilliant...wild and exhilarating' New Yorker Sgt Raymond Shaw is a hero of the first order. He's an ex-prisoner of war who saved the life of his entire outfit, a winner of the Congressional Medal of Honor, the stepson of an influential senator...and the perfect assassin. Brainwashed during his time as a POW he is a 'sleeper', a living weapon to be triggered by a secret signal. He will act without question, no matter what order he is made to carry out. To stop Shaw, his former commanding officer must uncover the truth behind a twisted conspiracy of torture, betrayal and power that will lead both to the highest levels of the government. - and to Shaw's own past...
