**Meet Me in the Bathroom** - Lizzy Goodman 2017-08-01

A SUNDAY TIMES, ROUGH TRADE, MOJO AND UNCUT BOOK OF THE YEAR New York, 2001. 9/11 plunges the US into a state of war and political volatility-and heralds the rebirth of the city's rock scene. As the old-guard music industry crumbles, a group of iconoclastic bands suddenly become the voice of a

generation desperately in need of an anthem. In this fascinating and vibrant oral history, acclaimed journalist Lizzy Goodman charts New York's explosive musical transformation in the early 2000s. Drawing on over 200 original interviews, Goodman follows the meteoric rise of the artists that revolutionised the cultural landscape and made Brooklyn the hipster capital of cool-including The Strokes, The Yeah Yeah

Yeahs, LCD Soundsystem, Interpol, and Vampire Weekend. Joining the ranks of classics like Please Kill Me, Our Band Could Be Your Life, and Can't Stop Won't Stop, Meet Me in the Bathroom is the definitive account of an iconic era in rock-and-roll.

**Computer Basics Absolute Beginner's Guide, Windows 11 Edition** - Mike Miller 2022-06-29

Make the most of your Windows 11 laptop or desktop computer--without becoming a technical expert! This book is the fastest way to get comfortable, get productive, get online, get started with social networking, make more connections, and have more fun! Even if you've never used a Windows computer before, this book shows you how to do what you want, one incredibly clear and easy step at a time. Computer basics have never, ever been this simple! Who knew how simple using computers could be? This is today's best beginner's guide to using your computer or tablet with the Windows 11 operating system...simple, practical instructions for doing everything you really want to do! Here's a small sample of what you'll learn: \* Set up your computer and personalize the Windows 11 Start menu and desktop \* Connect to the Internet and browse the Web with Microsoft Edge \* Get started with social networking on Facebook, Twitter, Pinterest, and LinkedIn \* Video chat with Zoom and Microsoft Teams \* Use Windows 11's built-in apps--and find great new apps in the Microsoft Store \* Connect printers and external storage \* Connect to a home wireless network or public Wi-Fi hotspot \* Go online to shop and sell--including ordering food and groceries online \* Get work done quickly with Microsoft Office \* Organize, view, and share photos \* Listen to streaming music with Pandora and Spotify \* Watch streaming movies and TV shows with Amazon Prime Video, Disney+, HBO Max, Hulu, Netflix, and more \* Protect yourself against viruses, spyware, and spam

**Is There Still Sex in the City?** - Candace Bushnell 2019-08-06

Twenty years after her sharp, seminal first book *Sex and the City* reshaped the landscape of pop culture and dating with its fly-on-the-wall look at the mating rituals of the Manhattan elite, the trailblazing Candace Bushnell delivers a new book on the highs and lows of sex and dating after fifty. Set between the Upper East Side of Manhattan and a country enclave known as The Village, *Is There Still Sex in the City?* gathers Bushnell's signature short, sharp, satirical commentaries on the love and dating habits of middle-aged men and women as they continue to navigate the ever-modernizing world of relationships. Throughout, Bushnell documents twenty-first century dating phenomena, such as the "Unintended Cub Situation" in which a sensible older woman suddenly becomes the love interest of a much younger man, the "Mona Lisa" Treatment — a vaginal restorative surgery often recommended to middle-aged women — and what it's really like to go on Tinder dates as a fifty-something divorcée. Bushnell also updates one of her most celebrated stories from *Sex and the City*, about "Bicycle Boys," a breed of New York man who is always trying to bring his bike up to women's apartments. Once an anomaly, Bushnell charts their new ubiquitousness, in addition to where, and how, to do your own man stalking via bicycle (and whether or not it's worth it).

**The Carrie Diaries (The Carrie Diaries, Book 1)** - Candace Bushnell 2010-05-20

Meet Carrie Bradshaw before 'Sex and the City!'

*Top Girls* - Caryl Churchill 2018-02-22

Marlene thinks the eighties are going to be stupendous. Her sister Joyce has her doubts. Her daughter Angie is just frightened. Since its premiere in 1982, *Top Girls* has become a seminal play of the modern theatre. Set during a period of British politics dominated by the presence of the newly elected Prime Minister Margaret Thatcher, Churchill's play prompts us to question our notions of women's success and solidarity. Its sharp look at the society and politics of the 1980s is combined with a timeless examination of women's choices and restrictions regarding career and family. This new Student Edition features an introduction by Sophie Bush, Senior Lecturer at Sheffield Hallam University, UK prepared with the contemporary student in mind. METHUEN DRAMA STUDENT EDITIONS are expertly annotated texts of a wide range of plays from the modern and classic repertoires. A well as the complete text of the play itself, this volume contains: · A chronology of the play and the playwright's life and work · an introductory discussion of the social, political, cultural and economic context in which the play was originally conceived and created · a succinct overview of the creation processes followed and subsequent performance history of the piece · an analysis of, and commentary on, some of the major themes and specific issues addressed by the text · a bibliography of suggested primary and secondary materials for further study.

*Contemporary Health Studies* - Louise Warwick-Booth 2021-04-20

*Contemporary Health Studies* provides an accessible introduction to current issues and key debates in understanding and promoting health. Its up-to-date, global focus places a strong emphasis on the social, political and environmental dimensions of health. Part One sets the scene by looking closely at the definition of 'health' and outlining the aims and purpose of health studies. Part Two explores the different disciplines that underpin health studies, such as sociology, psychology, anthropology and health psychology, incorporating new theoretical frameworks to help readers understand health. Part Three applies this knowledge to address the determinants of health, including chapters on individual factors, the role of public health, the latest policy influences on health and the growing importance of the global context. Each chapter contains contemporary statistics and evidence alongside carefully developed learning features designed to highlight the fundamentals of each topic, to apply these to in-depth case studies – from global antibiotic resistance to the challenge and promise of digital data –, and to pose questions for reflection and debate. *Contemporary Health Studies* is an essential guide for undergraduate health students written by three authors who have a wealth of teaching experience in this subject area. Their book will inspire readers to consider the human experience of health within contemporary global society as it is mediated by individual, societal and global contexts.

**Generation Left** - Keir Milburn 2019-06-07

Increasingly age appears to be the key dividing line in contemporary politics. Young people across the globe are embracing left-wing ideas and supporting figures such as Corbyn and Sanders. Where has this 'Generation Left' come from? How can it change the world? This compelling book by Keir Milburn traces the story of Generation Left. Emerging in the aftermath of the 2008 financial crash, it has now entered the electoral arena and found itself vying for dominance with ageing right-leaning voters and a 'Third Way' political elite unable to accept the new realities. By offering a new concept of political generations, Milburn unveils the ideas, attitudes and direction of Generation Left and explains how the age gap can be bridged by reinventing youth and adulthood. This book is essential reading for anyone, young or old, who is interested in addressing the multiple crises of our time.

**Sex and the City** - Candace Bushnell 2013-04-01

"Relationships in New York are about detachment, so how do you get attached when you decide you want to?" "Honey, you leave town." Meet Carrie, Miranda, Sam and their stylish friends. Successful, attractive, thirty-something career women living the high life in New York; blazing a glorious cocktail trail from the Bowery Bar to the Baby Doll Lounge; holidaying in the Hamptons and going to Aspen by Lear Jet. But they have more in common than just their enviable lifestyle; they're all searching for lasting love. Finding it is easier said than done in a town full of gorgeous, single, rich men, none of whom want to settle down. Toxic bachelors and serial daters are a perennial problem - but maybe Mr. Big will be different?

**The Far Right Today** - Cas Mudde 2019-10-25

The far right is back with a vengeance. After several decades at the political margins, far-right politics has again taken center stage. Three of the world's largest democracies – Brazil, India, and the United States – now have a radical right leader, while far-right parties continue to increase their profile and support within Europe. In this timely book, leading global expert on political extremism Cas Mudde provides a concise overview of the fourth wave of postwar far-right politics, exploring its history, ideology, organization, causes, and consequences, as well as the responses available to civil society, party, and state actors to challenge its ideas and influence. What defines this current far-right renaissance, Mudde argues, is its mainstreaming and normalization within the contemporary political landscape. Challenging orthodox thinking on the relationship between conventional and far-right politics, Mudde offers a complex and insightful picture of one of the key political challenges of our time.

**Sex and the City and Us** - Jennifer Keishin Armstrong 2019-05-07

The bestselling author of *Seinfeldia* offers a fascinating retrospective of the iconic and award-winning television series, *Sex and the City*, in a "bubbly, yet fierce cultural dissection of the groundbreaking show" (*Chicago Tribune*). This is the story of how a columnist, two gay men, and a writers' room full of women used their own poignant, hilarious, and humiliating stories to launch a cultural phenomenon. They endured shock, slut-shaming, and a slew of nasty reviews on their way to eventual—if still often

begrudging—respect. The show wasn't perfect, but it revolutionized television for women. When Candace Bushnell began writing for the New York Observer, she didn't think anyone beyond the Upper East Side would care about her adventures among the Hamptons-hopping media elite. But her struggles with singlehood struck a chord. Beverly Hills, 90210 creator Darren Star brought her vision to an even wider audience when he adapted the column for HBO. Carrie, Miranda, Charlotte, and Samantha launched a barrage of trends, forever branded the actresses that took on the roles, redefined women's relationship to sex and elevated the perception of singlehood. Featuring exclusive new interviews with the cast and writers, including star Sarah Jessica Parker, creator Darren Star, executive producer Michael Patrick King, and author Candace Bushnell, "Jennifer Keishin Armstrong brings readers inside the writers' room and into the scribes' lives...The writing is fizzy and funny, but she still manages an in-depth look at a show that's been analyzed for decades, giving readers a retrospective as enjoyable as a \$20 pink cocktail" (The Washington Post). Sex and the City and Us is both a critical and nostalgic behind-the-scenes look at a television series that changed the way women see themselves.

*Summer and the City (The Carrie Diaries, Book 2)* - Candace Bushnell 2013-04-25

Meet teenage Carrie Bradshaw as she hits the bright lights, big city of New York for the very first time! Find out how Carrie transforms from country girl to super-cool fashionista in the second explosive CARRIE DIARIES novel from the globally bestselling author of SEX AND THE CITY.

**Sex and the City** - Nicole Evelina 2022-11-15

"The television show Sex and the City changed how a generation of women relate to themselves, their friends, and their men. Now, through a careful examination of the characters and the issues the show confronted—from sexuality and feminism to friendship and motherhood—this book reveals how the series impacted viewers from the 1990s to today"--

*Sex and the City* - Amy Sohn 2004-02-23

A fan's resource for the award-winning cable television program features information about the show's actors, producers, costume designers, and sets, and provides summaries of each season and interviews with the cast.

**We Should All Be Mirandas** - Chelsea Fairless 2019

"A snarky lifestyle guide inspired by the most underrated character on Sex and the City, from the creators of the Instagram sensation @everyoufitonSATC"--

*Misfit City Vol. 1* - Kirsten Smith 2017-12-13

Smothered by her backwater hometown and frustrated by its 1980s cult-movie fame (The Gloomies...have you seen it? It's a real classic, y'know.), Wilder is pretty sure she's seen everything Cannon Cove has to offer. She's desperate to get away from home as soon as she can, and move on to bigger, better, and less annoying things...even if that might mean leaving her best friends behind. But when Wilder discovers a centuries-old pirate map, she may find out that REAL adventure was in their tiny town all along...and they need each other to get to the bottom of it! It's a rip-roaring adventure written by award-winning screenwriter Kiwi Smith (10 Things I Hate About You, Legally Blonde) and Kurt Lustgarten, and illustrated by Naomi Franquiz.

**Women in Media** - Amy M. Damico 2022-07-08

This title provides a broad overview of how women are portrayed and treated in America's news and entertainment industries, including film, television, radio, the internet, and social media. This book provides a one-stop resource for understanding the participation and representation of women in the U.S. media in such areas as narrative film, scripted television programming, advertising, video games, news, and sports. Coverage is wide-ranging and comprehensive, covering historical developments and trends as well as such relevant issues as gender disparities in pay and advancement opportunities, stereotypical gender portrayals in popular entertainment, sexual harassment in America's media and entertainment industries, and the dearth of positive media representations of women of color. Engaging with this history and reading about current issues related to this topic will be useful to those interested in understanding more about why women's engagement in media—in such roles as performer, journalist, producer, and writer—is important. It will also help readers better understand how and why problematic media representations of women hinder efforts to achieve full gender equality in American society.

*My Windows 11 Computer for Seniors* - Michael R. Miller 2022-02-28

My Windows 11 Computer for Seniors Easy, clear, readable, and focused on what you want to do Step-by-step instructions for the tasks you care about most Large, full-color, close-up photos show you exactly what to do Common-sense help whenever you run into problems Tips and notes to help you do even more Over the years, you've learned a lot. Now, learn Windows 11! We've brought together all the Windows 11 skills you need to stay connected and safe, express your creativity, find new passions, and live a better, healthier life. Big, colorful photos on nearly every page make this book incredibly easy to read and use! \* Get started with Windows 11, whether you're experienced with computers or not \* Learn all that's new and different in Windows 11, including the new taskbar and Start menu \* Reliably connect to the Internet, both at home and away \* Explore the Web with the Microsoft Edge browser and Google Search \* Make and receive video and voice calls with Microsoft Teams and Zoom \* Send and receive email with the Windows Email app \* Shop safely online and avoid online scams \* Find, install, and use the best Windows apps \* Connect your phone to your PC to text, make calls, and share photos \* Stay connected with friends and family on Facebook, Pinterest, and Twitter \* Store, touch up, and share your pictures \* Keep track of all your files and folders \* Watch streaming TV shows and movies and listen to streaming music on your PC \* Configure Windows 11 to work better for those with vision and physical challenges \* Fix common PC problems and manage Windows updates

*Revival! Revolution! Rebirth!* - Tom D. DeLay 2017-01-17

Is America headed toward death or rebirth? America is at a strategic moment in her history. Will the qualities that have made the nation exceptional be consigned to the grave like other historic civilizations, or will they spring up with new vitality? Read the riveting story of how former majority leader Tom DeLay walked through a decade of intense political persecution—and the inspiring account of his journey with God. Learn about the biblical cycle of nations and discover some practical ideas for a restoration of original constitutional principles. DeLay and former congressional aide Wallace Henley draw from their rich experience to show you the powerful reasons for hope!

*The Lemon Table* - Julian Barnes 2011-01-25

From the hairdressing salon where an old man measures out his life in haircuts, to the concert hall where a music lover carries out an obsessive campaign against those who cough in concerts; from the woman reading elaborate recipes to her sick husband as a substitute for sex, to the woman 'incarcerated' in an old people's home beginning a correspondence with an author that enriches both their lives - all Barnes' characters, in their different ways, square up to death and rage against the dying light.

**The Final Revival of Opal & Nev** - Dawnie Walton 2021-03-30

An electrifying novel about the meteoric rise of an iconic interracial rock duo in the 1970s, their sensational breakup, and the dark secrets unearthed when they try to reunite decades later for one last tour. A GOOD MORNING AMERICA BUZZ PICK NAMED A BEST BOOK OF 2021 BY BARACK OBAMA \* THE WASHINGTON POST \* NPR \* ESQUIRE \* ENTERTAINMENT WEEKLY \* GOODREADS \* THE MILLIONS \* READER'S DIGEST \* PHILADELPHIA INQUIRER \* EERIE READER \* PUBLIC RADIO TULSA \* CHICAGO PUBLIC LIBRARY \* KIRKUS REVIEWS "Feels truer and more mesmerizing than some true stories. It's a packed time capsule that doubles as a stick of dynamite." —THE NEW YORK TIMES BOOK REVIEW Opal is a fiercely independent young woman pushing against the grain in her style and attitude, Afro-punk before that term existed. Coming of age in Detroit, she can't imagine settling for a 9-to-5 job—despite her unusual looks, Opal believes she can be a star. So when the aspiring British singer/songwriter Neville Charles discovers her at a bar's amateur night, she takes him up on his offer to make rock music together for the fledgling Rivington Records. In early seventies New York City, just as she's finding her niche as part of a flamboyant and funky creative scene, a rival band signed to her label brandishes a Confederate flag at a promotional concert. Opal's bold protest and the violence that ensues set off a chain of events that will not only change the lives of those she loves, but also be a deadly reminder that repercussions are always harsher for women, especially black women, who dare to speak their truth. Decades later, as Opal considers a 2016 reunion with Nev, music journalist S. Sunny Shelton seizes the chance to curate an oral history about her idols. Sunny thought she knew most of the stories leading up to the cult duo's most

politicized chapter. But as her interviews dig deeper, a nasty new allegation from an unexpected source threatens to blow up everything. Provocative and chilling, *The Final Revival of Opal & Nev* features a

backup chorus of unforgettable voices, a heroine the likes of which we've not seen in storytelling, and a daring structure, and introduces a bold new voice in contemporary fiction.
