Never Try to Teach a Pig to Sing Alan Dundes 1991 *Never Try to Teach a Pig to Sing* documents the thriving folklore tradition that circulates in the workplace. Alan Dundes and Carl Pagter have collected more than two hundred and fifty "signs of the times"--the office memoranda, parodies, cartoons, and poems that daily make their way through copy machines, interoffice mail systems, and fax machines and are affixed to bulletin boards and water coolers. The rich vein of urban folklore tapped by this imaginative volume constitutes a great testament to one of the world's most prolific authors--anonymous. The popularity of the items featured in this timely book is apparent by their reproduction in mass or popular cultural form--as greeting cards, plaques, and bumper stickers--reminding us of the inevitable interplay between folklore and mass culture. Dundes and Pagter clearly demonstrate the existence of folklore in the modern urban technological world and refute the notion that folklore reflects only the past.

Sexual Humour in Africa Ignatius Chukwumah 2022-03-31 This book examines the types, discourse modes, and effects of sex jokes in different African contexts, in a range of different cultural forms, from the internet to music, books, films, advertising, and images, thus filling the existing void in literature on the subject. Arguing that sex jokes are used to perform a number of functions in African society, the contributors show how they can be used to perpetuate violence against women, construct spaces, resist oppression, create conformity, build affiliations, and subvert morality. They consider jokes from Egypt, Ghana, Nigeria, Kenya, and Zambia in a range of forms including queer sex jokes, rape jokes, performed sex jokes, gendered humour, and resistance sex humour. The book places particular emphasis on the impact of new media platforms and the anonymity they provide. Providing an important analysis of this tabooed but culturally important

facet of everyday life, this book will be of interest to scholars of African culture and society from a range of disciplines, including anthropology, gender studies, literary studies, and sociology.

relationship guru Dr. Pepper Schwartz. The quizzes help readers analyze their feelings and actions objectively and help them improve their relationships using the solid advice offered by Dr. Schwartz. Is It Love or Lust -- Take the test! You're at a dinner party with a roomful of people when your partner tells a joke that falls flat. You: A) Turn a little red for him B) Laugh -- loudly, you don't want him to be embarrassed C) Chuckle, and remember again why you love his offbeat sense of humor (If you answered A, you're on the fence! The best answer is B. Your impulse to laugh despite the fact that your partner's funny joke tanked shows your desire to support and protect the one you love. If you answered C, you love him precisely because he's one of a kind. B & C are the answers of a woman in love, not in lust.) A Collection of Hilarious, Outrageous and Questionable Adult

Jokes Mr. Richards 2008-11 Nearly eighty years of a multitude of life experiences is sufficiently difficult to recapture all by itself but to accurately put it into words that project a sense of realism and true understanding can be more than just a challenge. It can also be a test of ones emotions that allow experiences, some preferred by me not to be resurrected , not only recalled but painfully related. And so it is with this story of the life and times of the McNamaras' that Mait has undertaken the task of putting into words those events that shaped his life. It isn't his intention to justify nor give credence to those events but solely to describe their happening. What is was at the time and what, if any, were the consequences . Sort of what it was then and what it is now. It is now time for us to "talk the talk and walk the walk." No journey of any distance can begin with out the first step so let us be on our way taking that first step.
