God Untamed - Johannes Hartl 2019

Challenge to get out of our spiritual comfort zones to reach a disengaged generation Powerful. Almighty. Sovereign. Magnificent. Fearsome. This is the God we encounter in the Bible and in prayer--a God who astounds. Yet, Johannes Hartl argues that this is an astonishment that many have lost in the West today. A challenging rejection of 'feel-good' Christianity, God Untamed explores the deep crisis of faith that effects the Western world. At a time where the need for spirituality is great, yet churches are losing more and more members; in the face of a generation with so many opportunities and so little direct threat, yet who are so anxious, depressed and disenchanting--Hartl speaks of the voice that can still oceans. God, as he encounters us, is not simply 'nice' and certainly not trivial or comfortable. He is fascinating and intimidating at the same time. Hartl calls us to rediscover this sense of wonder and reimagine what it is to have a fear of God--not founded in a whimper at the unknown, but a respect borne out of watching his visible power in the nature of our world. Without this fear, Hartl warns that the church is in danger of weakening under the immense pressures of our times. God Untamed is a compelling charge to get out of our spiritual comfort zones to find a real, truly fulfilled and fulfilling faith.

Power Pricing in der Hotellerie - Christoph Nussbaumer 2022-01-26

Der Preispolitik kommt im Hotelgewerbe eine zentrale Bedeutung zu, weil der Preis die mit Abstand stärkste direkte Hebelwirkung auf den Gewinn ausübt. Insofern spielen preispolitische Maßnahmen eine zentrale Rolle im strategischen Management von Hotels, wobei in der Praxis hier oft auffällige Zurückhaltung geübt wird. Da zugleich hohe Investitionen und Kosten für die Gewährleistung eines Premium-Serviceniveaus erforderlich sind, gilt es mittels eines durchdachten Power Pricings im Sinne einer mutigen und marktfähigen Preispolitik den stärksten Gewinnhebel optimal zu gestalten. Vorgestellt wird ein Ansatz, der Methoden für die effektive Preisbildung in der Hotellerie und die erforderlichen

Management-Maßnahmen verbindet.

Ohne Freiheit ist Führung nur ein F-Wort - Carsten K. Rath 2017-03-15

COMO, der Corporate Monkey, ist überfordert. Wie viele Führungskräfte steckt er fest im Zwangskorsett des Führungsalltags. In einer völlig neuen Arbeits- und Lebenswelt droht ihm seine Abhängigkeit zum Verhängnis zu werden. Mitarbeiter suchen neue Herausforderungen, Kunden haben neue Ansprüche. COMO ist darauf nicht vorbereitet. Was nun? Wie soll es weitergehen? Als Führungskräfte sind wir täglich in Abhängigkeiten gefangen, die uns die Luft zum Atmen nehmen. Führung, wie wir sie einmal gelernt haben, ist nicht mehr zukunftsfähig. Aber was kommt nach Kontrollwahn, Benchmarking-Sucht und Political Correctness? Um dem Wandel in ihren Unternehmen gerecht zu werden, brauchen Führungskräfte mehr Freiheiten. Erst durch das Prinzip Freiheit erfüllt Führung ihren wahren Zweck: Sie bringt Inspiration, Motivation und all die anderen Ionen des Erfolgs zum Schwingen. Wer Freiheit sät, erntet das Vertrauen der Mitarbeiter und der Kunden - denn die sehen heute alles. Und darum geht es in der Führung: Es geht immer um alles. Geschichtenreich, humorvoll und umsetzungsorientiert krempelt Carsten K. Rath in diesem Buch die wichtigsten Handlungsfelder der Führung auf links - und nimmt dabei kein Blatt vor den Mund. Aus der Sicht des Unternehmers mit 25 Jahren Führungserfahrung räumt er mit dem Monkey Business auf - und fängt bei sich selbst an. Denn ein bisschen COMO steckt in jedem von uns. Freiheit für COMO, Freiheit für alle!

Studies on Multilingual Lexicography - María José Domínguez Vázquez 2019-12-16

Given the new technological advances and their influence and imprint in the design and development of dictionaries and lexicographic resources, it seems important to put together a series of publications that address this new situation, dealing in particular with multilingual and electronic lexicography in an increasingly digital, multilingual and multicultural society. This is the main objective of this volume, which is structured in two central aspects. In the first of them the concept of multilingual lexicography is discussed in regard to the influence that the Internet and the application of digital technologies have exercised and continue to exercise both in the conception and design of dictionaries and new lexicographic application tools as well as the emergence of new types of users and forms of consultation. The role of the dictionary must necessarily be related to social development and changes. In the second thematic section, different dictionaries and resources that focus on a multilingual and electronic approach to the linguistic data for their lexicographical treatment and consultation are presented.

Twelve Years A Slave, Illustrated Edition - Solomon Northup 2014-04-08

Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. *Twelve Years a Slave* is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's *Uncle Tom's Cabin*, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.
