I Confess - A. W. Richard Sipe 2016-05-12

Throughout his remarkable life, Richard Sipe has followed one simple yet demanding dictum: Tell the truth. He has done so as a priest, a mental health clinician, and a writer exploring the trials of celibacy and the tragedy of child sexual abuse. Today, Sipe is best known for his work with clergy who molest children. His research guided the Boston Globe Spotlight Team in its Pulitzer Prize-winning investigation of sexual abuse in the Catholic Church. And he is an oracular presence in "Spotlight," the hit movie about the Globe's groundbreaking work. But in "I Confess" Sipe takes an unexpected turn, yielding to an inner muse to find a separate truth that is at once deeply personal and profoundly universal. In poems of love, loss, grief and renewal, Sipe assesses his life and his struggle with Catholicism. With an open heart and a keen intellect, he reveals the isolation and loneliness that come with priestly celibacy and a life of contemplation. He explores the cost of rebellion, and the joy of love and personal awakening. And he confronts the religious teachings of his youth, taking readers on a searing quest for identity - through bondage, struggle, liberation, and finally to the hard-earned peace that can only come with knowledge of the self. -Michael Rezendes, Boston Globe I Confess is... "A worthy example of applied self-reflection, that desire to find the words for complicated internal contentions and transformations, with some startling imagery that lingers long after the book is closed ..." -Judith Vida-Spence, M.D. American Journal of Psychoanalysis, Section Editor: On the Arts Anyone reading Richard Sipe's I Confess will be delighted, informed, and uplifted by his reflections and his poetry. From priesthood to layman, to husband, to father, his thoughts deepen one's appreciation for the complexities of life, for the need and role of personal therapy, for the range of sexual feelings that help humanize us, including, finally, his reflections on our final moments. I recommend Sipe's life journal. He is honest to his experiences... some of his imagery is haunting. -Gerald J. Gargiulo, PhD Psychoanalyst, poet, author of Broken Fathers/Broken Sons and Quantum Psychoanalysis.

The Clergy Sex Abuse Crisis and the Legal Responses - James T. O'Reilly 2014

Legal disputes over worldwide, including the U.S., sexual abuse by Roman Catholic priests, and over efforts by Roman Catholic bishops to conceal clerical misconduct, have produced many headlines and public discussion. However, the precise legal issues involved remain a mystery to most observers. In this study, James O'Reilly and Margaret Chalmers examine the role of canon law in these cases and the interplay between the global church-based law and the laws of individual jurisdictions where criminal actions and lawsuits are brought.

Married to the Church - Raymond William Hedin 2003

A portrait of the modern priesthood, with a new introduction for which the author reinterviewed many of his subjects to learn their reaction to the recent sex abuse scandal and its impact on their lives.

Sex, Priests, and Power - A. W. Richard Sipe 1995

Richard Sipe examines the continuing sexual crisis facing the Catholic Church today. Has the storm of publicity and controversy caused the church to acknowledge any of the accusations? Will the church accept

statistical evidence or alter the way it trains its clergy? How has it come to grips with reforming or retraining abusers? Has it acknowledged the spread of AIDS among its ranks? Why does the church oppress women and react with hostility and fear towards them? Sex, Priests, and Power: Anatomy of a Crisis addresses these and other questions.

Priests in Love - Jane Anderson 2006-02-27

Deals with the moral, psychological, and social challenges faced by Roman Catholic priests who left the active ministry in the 1960s and 1970s to get married--men who chose responsible sexual relationships over a life of obligatory celibacy.

The Emerging Church, Millennials, and Religion: Volume 2 - Terry Shoemaker 2022-03-01

Millennials and progressive Christians are continuing their work of creating alternative spaces for spiritual and religious expressions in North America. The practices and beliefs of progressive Christian movements like the emerging church and millennials, who tend toward spirituality over and against religion, have been the targets of much criticism. Yet millennials and progressive Christians continue to both curate spaces for self- and collective expression while also engaging within contexts often critical or hostile. This collection analyzes these movements from theological, religious-studies, and social-scientific perspectives to provide a more holistic view of what is taking shape in religious and spiritual trends, and it ventures to project what may lie ahead for the progressive Christianity that is emerging and enduring.

I Confess - A.W. Richard Sipe 2016-05-13

Throughout his remarkable life, Richard Sipe has followed one simple yet demanding dictum: Tell the truth. He has done so as a priest, a mental health clinician, and a writer exploring the trials of celibacy and the tragedy of child sexual abuse. Today, Sipe is best known for his work with clergy who molest children. His research guided the Boston Globe Spotlight Team in its Pulitzer Prize-winning investigation of sexual abuse in the Catholic Church. And he is an oracular presence in "Spotlight," the hit movie about the Globe's groundbreaking work. But in "I Confess" Sipe takes an unexpected turn, yielding to an inner muse to find a separate truth that is at once deeply personal and profoundly universal. In poems of love, loss, grief and renewal, Sipe assesses his life and his struggle with Catholicism. With an open heart and a keen intellect, he reveals the isolation and loneliness that come with priestly celibacy and a life of contemplation. He explores the cost of rebellion, and the joy of love and personal awakening. And he confronts the religious teachings of his youth, taking readers on a searing quest for identity - through bondage, struggle, liberation, and finally to the hard-earned peace that can only come with knowledge of the self. —Michael Rezendes, Boston Globe I Confess is... "A worthy example of applied self-reflection, that desire to find the words for complicated internal contentions and transformations, with some startling imagery that lingers long after the book is closed ..." —Judith Vida-Spence, M.D. American Journal of Psychoanalysis, Section Editor: On the Arts Anyone reading Richard Sipe's I Confess will be delighted, informed, and uplifted by his reflections and his poetry. From priesthood to layman, to husband, to

father, his thoughts deepen one's appreciation for the complexities of life, for the need and role of personal therapy, for the range of sexual feelings that help humanize us, including, finally, his reflections on our final moments. I recommend Sipe's life journal. He is honest to his experiences... some of his imagery is haunting. —Gerald J. Gargiulo, PhD Psychoanalyst, poet, author of *Broken Fathers/Broken Sons* and *Quantum Psychoanalysis*.

Christianity: Endangered or Extinct - Rodger L. Cragun 2018-12-07

Written by two respectable religious scholars, this groundbreaking new book challenges some of our long-held beliefs about Christianity as we know it, detailing the origins of a great divide between Jesus of Nazareth's teachings and Christianity during its formative stages. With comprehensive historical research, authors Cragun and Kessler use the analysis of power and class struggle to reexamine church history and the teachings of the theologians. They outline how the so-called "Fathers of the Church" took over the community of Jesus, destroyed its foundations, and built their own church edifice, which they then passed down to us. Though much of modern scholarship blames Constantine for the corruption of the church, *Christianity: Endangered or Extinct?* shows how the corruption was a gradual process in which Platonic philosophy, power, and prestige gradually entombed the message Jesus actually gave us. This religion was carefully honed to be acceptable to emperors, rulers, and the elite, replacing Christ's original message of love, egalitarianism, communalism, pacifism, and servant leadership—concepts that are essential for the survival of humanity in the twenty-first century. This is a true People's History of Christianity in the tradition of Howard Zinn's *People's History of the United States* and one that will have you seeing Christianity in a brand-new light.

Sex Offenders - Fabian M. Saleh 2021

"In his annual lecture to second year medical students, Dr. Fred Berlin describes an interview he had, early in his career, with a man whom he was evaluating following the man's arrest for child sexual abuse. Halfway through the interview, the arrested man interrupted Dr. Berlin's questions and said, You know, Doctor, your society takes a newborn baby boy; gathers family and friends, takes a knife and without any anesthesia cuts skin off the tip of his penis. This is accepted as a religious act. I bend over and kiss that same penis, and I am arrested as a child sexual abuser. Can you explain that to me? (Berlin, 2000)"--

Poor Formation as a Principal Factor to the Crisis in Priesthood Today - Paul UCHE Nwobi 2012-09-27

This book is on the spirituality of life crisis and formation. When this spirituality is denied or neglected, life is in crisis. The Church with its priesthood is losing its face and meaning in today's world due to the evading crisis. How to define and contain this crisis in today's world and cultures is what this book is all about. Without a well-grounded spirituality of formation, life is a bundle of crisis with a limited vision, meaning and purpose. This book is a must-read for everyone, especially school teachers, college professors, seminary formators, bishops, priests, religious men and women, students/seminarians, and aspirants to religious life.

Medieval Purity and Piety - Michael Frassetto 1998

These new essays examine one of the major developments of the central Middle Ages: the emergence of a celibate clergy. Drawing on the work of historians and scholars of literature and religious studies, this essay collection traces the developing concern in the church militant with matters of purity and religious reform.

When Values Collide - Joseph P. Chinnici 2010

Historian Joseph Chinnici served as provincial superior of the Franciscan Friars in California when the order was touched by clergy sexual abuse, several years before it became a national scandal. Blending a historian's skill and dispassion with his own very relevant experiences in a fraught atmosphere, he provides a rare look at what happened then and what must happen now, to re-establish confidence and trust. "If Catholics are to learn from this mess and set forth on the path of healing and renewal, they would do well to pay close attention to Father Chinnici's astute analysis and evaluation of the greatest challenge to Roman Catholicism in decades, if not centuries." -R. Scott Appleby, University of Notre Dame "There is no better analysis of church leadership and the sexual abuse scandals...Chinnici's [study] is theologically grounded, psychologically informed, and thoroughly pastoral." -Donald Cozzens, author, *The Changing Face of the Priesthood* "No one is better qualified to draw enduring lessons from the clergy sexual abuse crisis than Joseph Chinnici. Priest, historian, and administrator, he offers his own knowledge and experience to help the Church restore the shattered bonds of trust. This book is an important contribution toward healing." -

James M. O'Toole, Boston College "In my estimation, [this] is a great contribution to the Church's reflection on sexual abuse scandals in the Church. The experience of Father Chinnici, as a Provincial Minister of the Franciscan Friars, and his reflections based on his Franciscan heritage are a most valuable insight into the challenges of leadership in these times." -Most Reverend John F. Kinney, Bishop of St. Cloud

Keeping the Vow - Donald Paul Sullins 2016

Although many Catholics, and certainly most non-Catholics, are unaware of it, the rule of celibacy for Catholic priests is not absolute. The ordination of a married man is exceptionally rare, but it does occur. In most cases it happens as an accommodation for a married priest of another Christian church, almost always Anglican (Episcopalian), who has converted to the Catholic faith and wishes to serve in the Catholic priesthood. The Anglican Pastoral Provision, a set of streamlined canonical policies established by Pope John Paul II in 1980, encouraged the reception of these priest. Since then over a hundred men—most married, most Episcopalian—have been ordained; today there are seventy-five married former Episcopalian priests serving in the U.S. Catholic Church. Based on one hundred fifteen interviews augmented by biographical, survey and historical research, *Keeping the Vow* tells the story of these married priests and their wives, their unusual and difficult journey from Anglicanism and their life in the Catholic Church. Sullins explores the perspectives of this small group of men and their wives and how they juxtapose a unique set of identities and perspectives. A full-sample national survey provides the views of U.S. bishops on the practice of married priest ordination. The book's extensive use of quotes and personal narrative helps bring these stories to life, while sociological analysis provides a clear view of their collective features and discusses implications for related social and religious issues such as conversion, priesthood, worship, marital roles and celibacy. An engaging study on Catholicism, Anglicanism, American religion, and marriage, *Keeping the Vow* expands the discussion on the future prospects and effects married priests in the Catholic Church.

Sex, Priests, and Power - A W Richard Sipe 1995-03-01

The Clergy Sexual Abuse Crisis - Paul R. Dokecki 2004-02-27

The story of sexual abuse of children by Catholic priests has sent shock waves around the nation and will not fade from consciousness or the news. We ask, "How could this happen?" And then we ask, "How could the Catholic Church let this continue for so long—in seeming silence and duplicity?" Paul R. Dokecki, a community psychologist at Vanderbilt University, an active Catholic, and a former board member of the National Catholic Education Association, investigates the crisis not only with the eye of an investigative reporter, but with the analytical skills and training of a psychologist as well. Moreover, he lays the foundation for reasonable and practical reform measures. Through the scandal in the Archdiocese of Boston as well as the earlier, if less well known but momentous, case in the Diocese of Nashville, Dokecki reports on and analyzes what is ultimately an abuse of power—not only by the clergy but by church officials. As distasteful as these instances may be, they are compelling reading, enlightened by the author's abilities to contextualize these events through the lenses of professional ethics, the human sciences, and ecclesiology. According to Dokecki, these and other instances of clergy sexual abuse reveal a systemic deficiency in the structure and the nature of the church itself, one that has prevented the church from adequately dealing with its own worst sins. Dokecki may shine a spotlight into the church's dark corners—but he does so in the service of enlightenment, calling the church back toward the vision of Vatican II and the spirit of Pope John XXIII—toward a greater transparency, a more open and participatory governance in the church, and for a greatly expanded role for the people of God who make up the church. It is in this way, Dokecki believes, the church will be better able to keep the innocent children of the church safe from harm.

Child Sexual Abuse and the Catholic Church - Marie Keenan 2013-04-01

A meticulously researched inside look at child sexual abuse by clergy, this exhaustive, hard-hitting analysis weaves together interviews with abusive priests and church historical and administrative details to propose a new way of thinking about clerical sexual offenders. Linking the personal and the institutional, researcher and therapist Marie Keenan locates the problem of child sexual abuse not exclusively in individual pathology, but also within larger systemic factors, such as the very institution of priesthood itself, the Catholic take on sexuality, clerical culture, power relations, governance structures of the Catholic Church, the process of formation for priesthood and religious life, and

the complex manner in which these factors coalesce to create serious institutional risks for boundary violations, including child sexual abuse. Keenan draws on the priests' own words not to excuse their horrific crimes, but to offer the first in-depth account of a tragic, multi-faceted phenomenon. What emerges is a troubling portrait of a Church in crisis and a series of recommendations that call for nothing less than a new ecclesiology and a new, more critical theology. Only through radical institutional reform, Keenan argues, can a more representative and accountable Church emerge. *Child Sexual Abuse and the Catholic Church* is a unique reference for scholars of the Church and therapists who work with both victims and offenders, as well as a forward-thinking blueprint for reform.

Perversion of Power - Mary Gail Frawley-O'Dea 2007

A sweeping account of the dynamics of sexual abuse by priests and its cover-up.

Sex Offenders - Fabian M. Saleh M.D. 2009-02-11

This comprehensive reference by nationally recognized experts provides an interdisciplinary overview of existing knowledge about sex offenders. It provides in-depth coverage of the problem of identification, risk assessment and management, treatment, and legal solutions. It seeks to ensure public safety while at the same time maintaining medical integrity and respect for due process. The book is intended for psychiatrists, clinical psychologists, and researchers who work with sex offenders, as well as attorneys, members of the judiciary, and policymakers.

Sexual Abuse and the Culture of Catholicism - Myra L Hidalgo 2012-10-12

An inside look at the reasons Catholic priests and nuns commit sexual abuse *Sexual Abuse and the Culture of Catholicism* digs beneath the public scandals to explore the underlying causes of sexual abuse by priests and nuns from the unique perspective of an abuse victim/survivor who is an experienced mental health practitioner and social science researcher. This powerful book includes the author's personal account of sexual abuse by a nun and her years of struggle to recover. Passionate but scholarly and objective, the book advocates the need for healing

dialogue, empirical research, and informed prevention strategies to bring a meaningful resolution to the crisis of sexual abuse in the church. Popular explanations for the reasons behind the crisis have included issues related to celibacy, homosexuality, the power structure of the church, and poor seminary screening practices. But none of these theories are supported by research nor can they explain why Catholic priests and nuns may be more likely to abuse children than other adults in positions of trust. *Sexual Abuse and the Culture of Catholicism* uses a complex, systemic approach to draw parallels between the church as a human system and a family that has experienced incest, presenting a model for a sexual trauma cycle in the church based on systemic sexual shame passed down through the beliefs and practices of Catholicism. *Sexual Abuse and the Culture of Catholicism* examines: the prevalence and characteristics of sexual abuse by Catholic priests and nuns compared to sex offenders in the general population celibacy, homosexuality, and the power structure of the church as contributing factors in the sexual abuse crisis an analogy of the church as a family in which incest occurs the effects and causes of sexual offending from one generation to the next how current research on sexual offending applies to sexual abuse by priests and nuns healing and empowerment for those affected by religious-based sexual trauma reform and renewal within the Catholic Church and much more *Sexual Abuse and the Culture of Catholicism* is a unique and important resource for clergy, religious order, and lay leaders in the Catholic Church and other Christian denominations; social science researchers; social workers and mental health professionals; lay and religious members of the Catholic Church; and anyone recovering from religious-based sexual trauma.

Wolves Within the Fold - Anson D. Shupe 1998

The abuse of power by religious authorities at the expense of their followers is termed clergy malfeasance by sociologist Anson Shupe and examined in *WOLVES WITHIN THE FOLD*. This collection of essays explores behavior that is sometimes illegal and always unethical, sometimes punished but often not. Groups analyzed include the Roman Catholic Church, Protestant denominations, televangelists, and the Hare Krishnas.
