**The Wabet** - Filip Coppens 2007

The volume provides an in-depth study of an architectural ensemble that consists of an open court and elevated chapel, better known as the wabet, and forms an essential part of the layout of a dozen temples in Egypt of the Thirtieth Dynasty and the Ptolemaic and Roman era (e.g. Philae, Edfu, Dendara, Shanhur, and Deir Shalwit). The volume focuses on the ensemble's location, orientation, and layout, the designations in use to refer to the complex, and the decorative scheme applied to its walls in order to gain a better insight into the activities performed in the complex and its role within the temple. The volume also takes a closer look at various plausible precursors of the complex in temples of the New Kingdom and the Late Period and examines the ensemble's relation to the wabet as a 'place of embalming'.

**British Exporters** - 1985*Maddy's Song* - Margaret Dickson 1985

Portrays the troubled life of Maddy Dow, the eldest child of an outwardly respectable family and the primary victim of her abusive father's physical savagery

**Hippucus's Long Quest** - Louis Morris 2015-04-09**Risks of Labour** - John Wilson Crawford 1985

The aim of this series is to provide a common ground between obstetricians and paediatricians, and to describe current practice in a way that is useful and relevant to both groups.

**Divine Presence and Guidance in Israelite Traditions** - Thomas W. Mann 2010-07-01

The following study is a revised version of Thomas Mann's doctoral dissertation submitted to Yale University Graduate School in 1975. Its origins can be traced back to seminar papers written for Professor W. Sibley Towner while Mann was still a student at Yale Divinity School. Further work on the topic was done in a seminar with Professor Brevard S. Childs. The purpose of this study is to investigate the form and function of motifs of divine presence and guidance in the Old Testament.

A History of Pentateuchal Traditions - Martin Noth 1972*Love Online* - Penelope Ward 2018-08-27

From New York Times bestselling author Penelope Ward, comes a new, sexy standalone novel. We met in the least likely of places. It started out innocently enough. I was "ScreenGod" and she was "Montana," but of course, those weren't our actual names, just the virtual cloaks we hid behind. Logging in at night and talking to her was my escape—my sanctuary. Her real name was Eden, I'd soon come to find out. From the first time we connected online, I found myself transfixed. She was an addiction. At first, we knew nothing about each other's real identities...and she was adamant that we keep things that way. Anonymity had no effect on our unstoppable chemistry, though. If anything, it allowed us to open up even more in ways we may not have otherwise. Eden was funny, intelligent, gorgeous—everything I'd ever wanted in a woman. But I couldn't really have her. I had accepted things would have to stay the way they were—until the day I found a clue that led me straight to her. So I took a chance. And that was when our love story really began.

**The Agony Column of the 'Times'** - Alice Clay 2022-10-27

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Le Décalogue - Sigmund Mowinckel 2012-03-01**Ancient Egyptian Literature** - 2009-06-03

A beautifully translated collection sampling all the major genres of

ancient Egyptian literature. Poetry, stories, hymns, prayers, and wisdom texts found exquisite written expression in ancient Egypt while their literary counterparts were still being recited around hearth fires in ancient Greece and Israel. Yet, because of its very antiquity and the centuries during which the language was forgotten, ancient Egyptian literature is a newly discovered country for modern readers. This anthology offers an extensive sampling of all the major genres of ancient Egyptian literature. It includes all the texts from John Foster's previous book *Echoes of Egyptian Voices*, along with selections from his *Love Songs of the New Kingdom* and *Hymns, Prayers, and Songs: An Anthology of Ancient Egyptian Lyric Poetry*, as well as previously unpublished translations of four longer and two short poems. Foster's translations capture the poetical beauty of the Egyptian language and the spirit that impelled each piece's composition, making these ancient masterworks sing for modern readers. An introduction to ancient Egyptian literature and its translation, as well as brief information about the authorship and date of each selection, completes the volume. "This exceptional sampling of one of the world's most ancient literatures offers more than 40 hymns, stories, prayers, and songs revolving around religion, the Pharaohs, life, death, love, and more. . . . Highly recommended for all literary collections, this is also of interest to comprehensive collections of Egyptology, Near Eastern history, world literature in translation, and religion." —Library Journal "Older than the Buddha and the Bhagavad Gita, these poems constitute a truly ancient literature, and Foster's rich and textured translations make genuine love poems and exhortations to the gods out of what, to most of us, are just pictures." —Booklist

*The Agony Column of the "Times" 1800-1870* - Alice Clay 1881

*The Psalms in Israel's Worship* - Sigmund Mowinckel 1992-02-01

One of the most important contributions to our understanding of the psalms, *The Psalms in Israel's Worship* by Sigmund Mowinckel has largely provided the framework and suppositions of modern Psalms study. Fully revised from the original Norwegian edition and now

featuring a substantial new foreword by James Crenshaw, this classic work (two volumes in one) argues that the psalms originated in actual temple worship and were used regularly to add drama to Israel's adoration of Yahweh. Throughout this fascinating work, Mowinckel carefully explores the relationship of the various psalm types to the congregation's devotional life, including hymns of praise from Israel's national festivals, psalms of lamentation and penitence, and personal or private psalms of thanksgiving. Other topics include the psalms' relationship to prophecy and wisdom, their composition and collection, their style and performance, and the technical terminology involved in Psalms study.

**Essays on Old Testament History and Religion** - Albrecht Alt 1967

The essays here translated were published in a collection of Alt's essays ... *Kleine Schriften zur Geschichte des Volkes Israel*.

**Sweet Thing** - Renée Carlino 2014-01-07

After the death of her father, classically trained pianist Mia Kelly gives up a possible career as a musician to run her father's New York City café, but all that changes when she meets a charming guitarist named Will. Original.

**The Problem of the Hexateuch and Other Essays** - Gerhard von Rad 1984

First published in 1966 in only a small edition, and long unavailable, this collection of Professor von Rad's most influential articles has become something of a collector's item. In addition to the study which provides its title other works in it include 'The Theological Problem of the Old Testament Doctrine of Creation', 'Some Aspects of the Old Testament World View', 'The Beginnings of History Writing in Ancient Israel and The Joseph Narrative and Ancient Wisdom'.

*Treaty Series / Recueil Des Traités* - United Nations 2007-11-02

*Robert Burns: Les oeuvres* - Auguste Angellier 1893

Countering Terrorism and Violent Extremism - Justin Healey 2017

Acts of terror and expressions of violent extremism are a confronting

reality around the globe, and an ongoing threat in this country. Australians must remain vigilant against the spread of terror and extremism by supporters of Islamic State and other ideologically violent groups. How should Australia deal with the terrorist threat without unfairly targeting Muslim communities or infringing upon fundamental human rights? Why are some young Australians being drawn to Islamic State? The factors that result in radicalisation are complex and varied - are there smarter ways to counter violent extremism? This book focuses

on the threat of terrorism and violent extremism in Australia and abroad; national security strategies and counter-terrorism laws in Australia; and explores ways of effectively countering extremism and radicalisation. How do we turn back the tide of fear in an age of increasing terror? Superheresies - Chuck Pineau 2019-12-30  
Three stories starring Golden Age heroes and featuring existential themes.
