

# Special Love Special Sex

*The Lover's Tongue* - Mark Morton 2009

This delightful book includes over 100 mini-essays explaining the origins and historical development of words in our language that pertain to love and sex. Do you know, for example, what a 78 is? Here's a hint: like the old 78 rpm records, the term refers to a man who is ... well, on the fast side! Diligently researched, *The Lover's Tongue* is written in a light-hearted style. A dictionary of a different kind, this book is the perfect gift for that special someone, or for the connoisseur of language and history in your life

[A Special Illumination](#) - Rollan McCleary 2004

Gay Spirituality represents a hidden stream in Western thought that in the wake of Gay Liberation has finally declared itself and enlarged its borders. Since 'coming out' in the 1970s against the background of a liberationist secularism that at first ignored it, expressions of gay spirituality are many and increasing. Beginning with especially gay theology within Christianity the phenomenon has reached everywhere from Buddhism to neo-paganism. But so far critical assessment of the movement is minimal to non-existent. This lack is due to a refusal to regard the trend as more than a claim to rights and acceptance within religious circles as opposed to the more serious questioning of the self, of vision and of ethics. Gay Spirituality should be seen not just as supplementary to religion but a question directed at the heart of religion itself in which, at least historically, gay people have often had an influential role. The controversy that is Gay Spirituality is thus a major one that anyone interested in religious issues can no longer afford to overlook. If Gay Spirituality does not disrupt religion as conservatives fear, it should be seen as a way forward, the gift to religion of 'a special illumination.'

**Sex-Love, and Its Place in a Free Society** - Edward Carpenter 2022-09-04

**What Women Want Men to Know** - Barbara De Angelis 2013-05-21

Finally--the book on relationships women have been waiting to read--and give to the man they love! You've seen her on TV. You've read her advice on relationships. Now, in her most powerful and provocative book yet, bestselling author and renowned human relations expert Barbara De Angelis, Ph.D., reveals everything women want men to know about loving and understanding the women in their life. This is the book women have always hoped someone would write--one that women will read to understand themselves better, and can give to their mate, confident that it will explain everything women feel about love, communication, sex, and intimacy that they've always wished men would know. WOMEN AND MEN WILL DISCOVER: The Three Secret Needs Every Woman Has Seven Myths Men Believe About Women and Why They Are Absolutely Wrong How to Avoid Turning a Perfectly Sane Woman Into a Raving Maniac Women's Top Twenty Sexual Turn-offs--and Turn-ons The Ten Male Communication Habits That Drive Women Crazy Sexual Secrets About Women Men Need to Know How to Turn Power Struggles into Cooperation Techniques for Being the Perfect Lover In and Out of Bed And much more! IF YOU'RE A MAN: Read this book to learn what you can

do to be a woman's dream come true. IF YOU'RE A WOMAN: Read this book to learn why you are the way you are, and give it to the man you love so you can have the relationship you've always wanted. Delivered in her signature frank, provocative, and down-to-earth style, *What Women Want Men to Know* is an insightful guide that women will read to learn more about themselves and that they will be excited to give to the man they love.

[The Secrets of Love and Lust](#) - Simon Andrae 1998

Subtitled THE SCIENCE AND PSYCHOLOGY OF SEX, LOVE AND MARRIAGE this groundbreaking and controversial book is a massively informed yet highly entertaining study of the evolution and nature of sexual desire. Arguing that our sexuality is the result of three interlocking forces - gender, culture and constitution - Simon Andrae examines the process through which we become straight or gay, grow up to desire blondes or brunettes, breasts or buttocks, people who do or don't look like our parents, and sex which is wild or tame. In the process he confronts some of the most fascinating questions which underpin all our lives: why do men and women fantasise about different things, what's so special about one person and not another, and why do we fall in (and out) of love? Whether he is discussing the science of the gay gene, the flagellatory impulses of the Christian clergy, the value of vibrators, or the escapades of a lovesick medieval baron, Andrae digs to the root of the human sex-drive and explores it in lucid and compelling prose.

**The Metaphysics of Sex ...in a Changing World!** - Christopher Alan Anderson 2014-07-16

Is sex metaphysical? This is to say, does it have a purpose and a nature that is encoded in the very construct of the universe? These are the questions the author takes up in this day and age where most everything is up for grabs. This writing is not without an examination of sensitive issues and explicit terms. Think of it as a third way, if you will. It resides between the "fixed" identity of our declining religions and the "fluid" identity of the emerging L,G,B,T,Q movement. In that it presents to us all another choice. In the end, it is about a construct for sexual balance that any reader can understand and use as a guide for his or her life. Keywords: Metaphysics, Sex, Relationship, Procreation, Soul, Life, Birth, Love, Desire, Healing  
*Love Coupon For Couples* - Pinkybooks 2020-04-11

[Sex Detox](#) - Ian Kerner 2009-03-17

From the New York Times bestselling author of *She Comes First* and *Be Honest—You're Not That Into Him* Either comes a revolutionary 30-day program to detoxify and rejuvenate your love life For many of us—whether we're in a relationship or actively dating in the hopes of finding that special someone—our love lives have become a source of toxicity. *Sex Recharge* offers a new way to start fresh and take action. In this practical, life-changing guide, Ian Kerner lays out a friendly, achievable 30-day course of action to help you rebuild your love life from the inside out. Whether you're single or coupled, *Sex Recharge* will enable you to achieve the relationship results you deserve.

*Sex, Love, and Fidelity* - Kassia Wosick 2012

"Extremely well-researched and coherently argued, this book presents top-quality research and draws appropriately on the existing knowledge in this area. The focus on fidelity across different kinds of relationship structures is very original and will prove an important contribution to the field of relationship research. A key strength of this study is that the analysis pays attention to both commonalities and diversity (which is rare, even in qualitative research). The analysis is also both clearly expressed and sophisticated." - Dr. Meg Barker, Open University "This is a fascinating investigation of the meaning of 'love, ' 'sex, ' and 'fidelity' for different kinds of couples. Kassia Wosick reports on a survey and in-depth conversations with couples that were straight and gay, monogamous and non-monogamous, traditional and polyamorous.

'Love' and 'being special' are enormously important in all of these groups. But she also finds startling differences. For some, sexual exclusiveness is critical. For others, being faithful means not loving anyone else, but sex with others is ok. For polyamorous couples, having explicit rules and being open and honest is the heart of fidelity and being special. And "having sex" can mean many different things. This book persuasively argues that we need more flexible, emotion-focused concepts of love, commitment and fidelity. The traditional focus on sexual exclusivity does not fit many contemporary relationships. This is a very valuable book for researchers and therapists, and for all of us who care about 'love, 'sex, ' and 'faithfulness'." - Professor Francesca Cancian, University of California, Irvine "Engaging, insightful, thoroughly researched, and well written, *Sex, Love, and Fidelity: Study of Contemporary Romantic Relationships* provides a compelling analysis of evolving relationships with a unique focus on levels of monogamy that surpasses previous studies to contribute refreshing insights into current meanings of sexuality and love. Wosick untangles the myriad cultural assumptions underlying the concept of fidelity and details the various ways in which fidelity expresses in a range of contemporary relationships, from dual fidelity and strict monogamy through veiled fidelity and almost monogamy to specified fidelity and non-monogamy and ending with agentic fidelity and polyamory. Now that few people in the US expect to be monogamous in the classical sense of marrying as a virgin and remaining in one, life-long, sexually exclusive relationship, *Sex, Love, and Fidelity* provides the information necessary for us to update our understandings of contemporary love and commitment." - Dr. Elisabeth Sheff, Sheff Consulting Group *Domestic Violence Against Male Same-Sex Partners in the EU with Special Reference to Refugee and Migrant Gay Men in Germany* - Yeshwant Naik 2021-10-26

This book deepens readers' knowledge and understanding of the nature of domestic violence and sexual abuse involving male same-sex partners, and of dating violence against gay men and related issues in the European Union (EU). Drawing on non-probability samples, it addresses the propensities of refugees and migrant gay men in Germany and the prevalence of sexual abuse directed toward these men by illustrating their experiences as victims. In closing, the book explores the challenges of identifying sexual abuse victimization within the gay community, as well as the implications for practice, policy, and future research. *One Woman Three Men* - Poulaine Middleton 2016-01-20

Loosely based on the author's real life story, this is a provocative, titillating, and intelligent novel about a strong, independent woman (Elizabeth) who, following a divorce, decides that the modern paradigm of love needs a revolution. Given that infidelity is rampant and that 40% of first marriages end in divorce, she decides that trying to get all of her needs fulfilled by a single man just doesn't work in today's world. What she needs is 3 men -one for conversation, one for sex, and one handyman to do work around her house. What follows is a riveting, sexy, saucy tale about her search for 3 men willing to play those roles. Set in Copenhagen, Elizabeth advertises on a dating website—and men reply to her by the droves. Over the course of a year, Elizabeth experiments with her new model of love and sex, dating many men, and discovering how she often can't decide which role they will play—but nor can the men. Most guys reply to her that they are her "perfect" sex partner, and a few offer to be her conversational partner (with sex) or her handyman (with sex). One promising date turns out to be like a B&D character from *50 Shades of Grey*, another guy pretends to be a successful entrepreneur, while another is an army General who secretly wears dresses. Elizabeth finally meets someone who intrigues her beyond all others—a unique man of intellect and savoir-vivre. He invites her into a "secret society" of men who adore and worship women. He neither wants to own her or control her—exactly what Elizabeth is looking for. He might be a "3 in 1." It turns out that 2 other men in her life are friends of his. When all 3 men meet Elizabeth one night for a special dinner in a castle, Elizabeth gets to experience 3 men all at once in a way she never imagined. But that night gives Elizabeth a new impetus to reconsider her model of love. When another man courts her, she comes to realize that, perhaps, romance between 1 man and 1 woman is not entirely an outmoded idea. It may actually be the true way that men and women can love, though she remains convinced that women need to be equal partners in a relationship and question the romantic stereotypes of love they are lulled into believing. Modern love and sex still need a revolution.

*Sex* - Francine Pascal 2010-05-11

I FINALLY KNOW WHAT FEAR IS. FEAR IS THE DESIRE TO CHANGE YOUR LIFE FOREVER... THE

MOMENT BEFORE THAT DESIRE COMES TRUE.

*Special Love / Special Sex* - Robert S. Fogarty 1994-10-01

. Hawley's intense struggle to reconcile individual and community needs and desires illustrates a fundamental tension that characterized the community in the years immediately preceding its dissolution. In 1877, after twenty-three years at Oneida, Victor Hawley left the community with Mary Jones after he nursed her through an agonizing pregnancy that ended in stillbirth. They married, had five children, and lived on their own, outside the embrace of Eden.

*America's Communal Utopias* - Donald E. Pitzer 2010-01-20

From the Shakers to the Branch Davidians, America's communal utopians have captured the popular imagination. Seventeen original essays here demonstrate the relevance of such groups to the mainstream of American social, religious, and economic life. The contributors examine the beliefs and practices of the most prominent utopian communities founded before 1965, including the long-overlooked Catholic monastic communities and Jewish agricultural colonies. Also featured are the Ephrata Baptists, Moravians, Shakers, Harmonists, Hutterites, Inspirationists of Amana, Mormons, Owenites, Fourierists, Icarians, Janssonists, Theosophists, Cyrus Teed's Koreshans, and Father Divine's Peace Mission. Based on a new conceptual framework known as developmental communalism, the book examines these utopian movements throughout the course of their development--before, during, and after their communal period. Each chapter includes a brief chronology, giving basic information about the group discussed. An appendix presents the most complete list of American utopian communities ever published. The contributors are Jonathan G. Andelson, Karl J. R. Arndt, Pearl W. Bartelt, Priscilla J. Brewer, Donald F. Durnbaugh, Lawrence Foster, Carl J. Guarneri, Robert V. Hine, Gertrude E. Huntington, James E. Landing, Dean L. May, Lawrence J. McCrank, J. Gordon Melton, Donald E. Pitzer, Robert P. Sutton, Jon Wagner, and Robert S. Weisbrot.

*Good Writing is Like Good Sex* - Johnson 2019-03-30

What makes a book sexy? I'm not talking about erotica, per say, but what is the difference between a book you eagerly devour and a book you slum your way through? While there are individual exceptions, the most objective difference between a good story and a downright terrible one is simple-it all comes down to the writing. It's either good writing, and we can forgive the technical flaws a little more easily, or it's bad writing, and bad writing is just bad. Good writing is more than just good writing. Good writing is sexy. If you're a fiction writer looking to improve your writing skills, this is the perfect, provocative read to encourage you to get down to business and write your story. Inside *Good Writing is Like Good Sex*, you will find: -A titillating perspective on the writing process -The secret to why your story is special, and how you can make it sexier-Tips on romancing your readers-How to write irresistible characters -Basic writing and story concepts with advanced insights... and all in a non-gratuitous fashion with a lot of innuendos. C. S. JOHNSON is the award-winning, genre-hopping author of several novels, including young adult sci-fi and fantasy adventures such as the *Starlight Chronicles* series, the *Once Upon a Princess* saga, and the *Divine Space Pirates* trilogy. She has written articles for *The Rebelution*, *MTL Magazine*, *Hollywood in Toto*, *StudioJake*, and more. With a gift for sarcasm and an apologetic heart, she currently lives in Atlanta with her family.

*From Cuba with Love* - Megan D. Daigle 2015-01-16

*From Cuba with Love* deals with love, sexuality, and politics in contemporary Cuba. In this beautiful narrative, Megan Daigle explores the role of women in Cuban political culture by examining the rise of economies of sex, romance, and money since the early 1990s. Daigle draws attention to the violence experienced by young women suspected of involvement with foreigners at the hands of a moralistic state, an opportunistic police force, and even their own families and partners. Investigating the lived realities of the Cuban women (and some men) who date tourists and offering a unique perspective on the surrounding debates, *From Cuba with Love* raises issues about women's bodies-what they can or should do and, equally, what can be done to them. Daigle's provocative perspective will make readers question how race and politics in Cuba are tied to women and sex, and the ways in which political power acts directly on the bodies of individuals through law, policing, institutional programs, and social norms.
