**The Model Man** - Amanda Heartley

Dirty, flirty fun on the catwalk! Kellan So, I got my ass fired after a minor scandal on my last shoot. No big deal. Plenty more offers waiting... or so I thought. Wrong, and with every door slammed in my face, I'm desperate for work. My lavish model lifestyle is down the tubes. I need to restart my career, fast. I'm praying this last knock on the door will bring me some relief. One way or another. Carla I'm working my butt off, trying to stay ahead of the modeling game in this town. Not helped by one of my employees screwing me over...and she didn't even use lube. I need help, and when Kellan shows up at my door, the timing seems perfect. But news travels fast, and as gorgeously as he is, I know he's a real hot potato. He's one hot model, but I can't risk putting him back on the runway for my most valuable client. He's ten years younger than me, for Christ's sake. So why can't I stop myself lusting over him? Model is a steamy romp into the lives of Miami's rich and beautiful. A standalone novel with no cliffhanger, no cheating and a guaranteed HEA.

That would have been incredible enough but we all ended up the clients' hotel room and before I really understood what was happening, I was kissing Doris! Then, everybody joined in and it wasn't just kissing! Well, that story is in this collection along with more so click now to get it on your Kindle. **The Decameron** - Giovanni Boccaccio 2023-07-07

In the time of a devastating pandemic, seven women and three men withdraw to a country estate outside Florence to give themselves a diversion from the death around them. Once there, they decide to spend some time each day telling stories, each of the ten to tell one story each day. They do this for ten days, with a few other days of rest in between, resulting in the 100 stories of the Decameron. The Decameron was written after the Black Plague spread through Italy in 1348. Most of the tales did not originate with Boccaccio; some of them were centuries old already in his time, but Boccaccio imbued them all with his distinctive style. The stories run the gamut from tragedy to comedy, from lewd to inspiring, and sometimes all of those at once. They also provide a detailed picture of daily life in fourteenth-century Italy.
